Item 1.01 Entry Into a Material Definitive Agreement

Indentures and Notes

On December 8, 2025 (the “Closing Date”), IREN Limited (the “Company”) issued \$1.15 billion aggregate principal amount of its 0.25% convertible senior notes due 2032 (the “2032 Notes”) and \$1.15 billion aggregate principal amount of its 1.00% convertible senior notes due 2033 (the “2033 Notes” and, together with the 2032 Notes, the “Notes,” and the offering of such Notes, the “Notes Offering”). The 2032 Notes were issued pursuant to, and are governed by, an indenture (the “2032 Indenture”), dated as of the Closing Date, between the Company and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). The 2033 Notes were issued pursuant to, and are governed by, an indenture (the “2033 Indenture” and, together with the 2032 Indenture, the “Indentures”), dated as of the Closing Date, between the Company and the Trustee. Pursuant to the purchase agreement between the Company and the representatives of the initial purchasers of the Notes, the Company granted the initial purchasers an option to purchase, for settlement within a 13-day period beginning on, and including, the date on which the Notes are first issued, up to an additional \$150 million aggregate principal amount of the 2032 Notes and up to an additional \$150 million aggregate principal amount of the 2033 Notes. The 2032 Notes issued on December 8, 2025 include \$150 million principal amount of 2032 Notes issued pursuant to the full exercise by the initial purchasers of such option. The 2033 Notes issued on December 8, 2025 include \$150 million principal amount of 2033 Notes issued pursuant to the full exercise by the initial purchasers of such option.

The net proceeds from the Notes Offering is approximately \$2,270.0 million after deducting the initial purchasers’ discounts and commissions and the Company’s estimated offering expenses. The Company used \$201.0 million of the net proceeds to fund the cost of entering into the capped call transactions described herein. The Company intends to use the remainder of the net proceeds, together with the net proceeds from the Equity Offering (defined below), (i) to repurchase approximately \$227.7 million principal amount of the Company’s Existing 2030 Convertible Notes (defined below) for approximately \$608.2 million; (ii) to repurchase approximately \$316.6 million principal amount of the Company’s Existing 2029 Convertible Notes (defined below) for approximately \$1,024.2 million; and (iii) remaining proceeds of \$2,068.0 million for general corporate purposes and working capital.

The Notes will be the Company’s senior, unsecured obligations and will be (i) equal in right of payment with any of the Company’s existing and future senior, unsecured indebtedness and other liabilities (including trade payables); (ii) senior in right of payment to any of the Company’s future indebtedness that is expressly subordinated to the Notes; (iii) effectively subordinated to any of the Company’s future secured indebtedness to the extent of the value of the collateral securing that indebtedness; and (iv) structurally subordinated to any existing and future indebtedness and other liabilities (including trade payables) of the Company’s subsidiaries, and any preferred equity of the Company’s subsidiaries to the extent the Company is not a holder thereof.

The 2032 Notes accrue interest at a rate of 0.25% per annum, payable semi-annually in arrears on June 1 and December 1 of each year, beginning on June 1, 2026. The 2033 Notes accrue interest at a rate of 1.00% per annum, payable semi-annually in arrears on June 1 and December 1 of each year, beginning on June 1, 2026. The 2032 Notes will mature on June 1, 2032, unless earlier repurchased, redeemed or converted and the 2033 Notes will mature on June 1, 2033, unless earlier repurchased, redeemed or converted. Before the close of business on the business day immediately before March 1, 2032 (in the case of the 2032 Notes) or March 1, 2033 (in the case of the 2033 Notes), noteholders of either series will have the right to convert their Notes of such series only upon the occurrence of certain events. On or after March 1, 2032 (in the case of the 2032 Notes) or March 1, 2033 (in the case of the 2033 Notes) until the close of business on the second scheduled trading day immediately before the maturity date of the relevant series of Notes, noteholders may convert their Notes at any time at their election. The Company will generally have the right to elect to settle conversions by paying or delivering, as applicable, cash, the Company’s ordinary shares, no par value (the “ordinary shares”) or a combination of cash and ordinary shares. The initial conversion rate of the 2032 Notes is 19.4553 ordinary shares per \$1,000 principal amount of 2032 Notes, which represents an initial conversion price of approximately \$51.40 per ordinary share. The initial conversion rate of the 2033 Notes is 19.4553 ordinary shares per \$1,000 principal amount of 2033 Notes, which represents an initial conversion price of approximately \$51.40 per ordinary share. The conversion rate and conversion price for each series of Notes will be subject to customary adjustments upon the occurrence of certain events. In addition, if certain corporate events that constitute a “Make-Whole Fundamental Change” (as defined in the Indentures) occur, then the conversion rate of the applicable series of Notes will, in certain circumstances, be increased for a specified period of time.

Each series of Notes will be redeemable, in whole or in part (subject to certain limitations described below), at the Company's option at any time, and from time to time, on or after December 6, 2028 (in the case of the 2032 Notes) and on or after December 6, 2029 (in the case of the 2033 Notes) and, in each case, on or before the 30th scheduled trading day immediately before the maturity date of such series of Notes, but only if (i) the Notes of such series are "Freely Tradable" (as defined in the Indentures) as of the date the Company sends the related redemption notice and all accrued and unpaid additional interest, if any, on such series of Notes has been paid in full as of the most recent interest payment date for such series of Notes occurring on or before the date the Company sends the related redemption notice; and (ii) the last reported sale price per ordinary share exceeds 130% of the conversion price of such series of Notes on (1) each of at least 20 trading days, whether or not consecutive, during the 30 consecutive trading days ending on, and including, the trading day immediately before the date the Company sends such redemption notice; and (2) the trading day immediately before the date the Company sends such redemption notice. However, the Company may not redeem less than all of the outstanding 2032 Notes unless at least \$100.0 million aggregate principal amount of 2032 Notes are outstanding and not called for redemption as of the time the Company sends the related redemption notice; and (ii) the last reported sale price per ordinary share exceeds 130% of the conversion price of such series of Notes on (1) each of at least 20 trading days, whether or not consecutive, during the 30 consecutive trading days ending on, and including, the trading day immediately before the date the Company sends such redemption notice; and (2) the trading day immediately before the date the Company sends such redemption notice. However, the Company may not redeem less than all of the outstanding 2033 Notes unless at least \$100.0 million aggregate principal amount of 2033 Notes are outstanding and not called for redemption as of the time the Company sends the related redemption notice. In addition, the Company will have the right to redeem all, but not less than all, of either or both series of Notes if certain changes in tax law as set forth in the Indentures occur and certain other conditions set forth in the Indentures are satisfied. In each case, the redemption price will be a cash amount equal to the principal amount of the Notes to be redeemed, *plus* accrued and unpaid interest, if any, to, but excluding, the redemption date. In addition, calling any Note for redemption will constitute a Make-Whole Fundamental Change with respect to that Note, in which case the conversion rate applicable to the conversion of that Note will be increased in certain circumstances if it is converted with a conversion date that is on or after the date the Company sends the related redemption notice and on or before the second business day immediately before the related redemption date.

If certain corporate events that constitute a "Fundamental Change" (as defined in the Indentures) occur, then, subject to a limited exception for certain cash mergers, noteholders may require the Company to repurchase their Notes at a cash repurchase price equal to the principal amount of the Notes to be repurchased, *plus* accrued and unpaid interest, if any, to, but excluding, the fundamental change repurchase date. The definition of Fundamental Change includes certain business combination transactions involving the Company and certain de-listing events with respect to the ordinary shares.

The Notes will have customary provisions relating to the occurrence of "Events of Default" (as defined in the Indentures), which include the following: (i) certain payment defaults on the Notes (which, in the case of a default in the payment of interest that has accrued on the Notes, will be subject to a 30-day cure period); (ii) the Company's failure to send certain notices under the Indentures within specified periods of time; (iii) the Company's failure to comply with certain covenants in the Indentures relating to the Company's ability to consolidate with or merge with or into, or sell, lease or otherwise transfer, in one transaction or a series of transactions, all or substantially all of the assets of the Company and its subsidiaries, taken as a whole, to another person; (iv) a default by the Company in its other obligations or agreements under the Indentures or the Notes if such default is not cured or waived within 60 days after notice is given in accordance with the Indentures; (v) certain defaults by the Company or any of its significant subsidiaries with respect to indebtedness for borrowed money of at least \$100,000,000 (subject to the limitations set forth in the Indentures); and (vi) certain events of bankruptcy, insolvency and reorganization involving the Company or any of its significant subsidiaries.

If an Event of Default involving bankruptcy, insolvency or reorganization events with respect to the Company (and not solely with respect to a significant subsidiary of the Company) occurs, then the principal amount of, and all accrued and unpaid interest, if any, on, all of the Notes then outstanding will immediately become due and payable without any further action or notice by any person. If any other Event of Default occurs and is continuing on a series of Notes, then, the Trustee, by notice to the Company, or noteholders of at least 25% of the aggregate principal amount of the relevant series of Notes then outstanding, by notice to the Company and the Trustee, may declare the principal amount of, and all accrued and unpaid interest, if any, on, all of the Notes of such series then outstanding to become due and payable immediately. However, notwithstanding the foregoing, the Company may elect, at its option, that the sole remedy for an Event of Default relating to certain failures by the Company to comply with certain reporting covenants in the Indentures consists exclusively of the right of the noteholders of such series of Notes to receive special interest on such Notes for up to 360 days at a specified rate per annum not exceeding 0.50% on the principal amount of such Notes.

The above description of the Indentures and the Notes is a summary and is not complete. Copies of the 2032 Indenture and the form of the certificates representing the 2032 Notes are filed as Exhibits 4.1 and 4.2, respectively, and copies of the 2033 Indenture and the form of the certificates representing the 2033 Notes are filed as Exhibits 4.3 and 4.4, respectively, to this Current Report on Form 8-K. The above summary is qualified by reference to the terms of the Indentures and the Notes set forth in such exhibits.

Capped Call Transactions

On December 2, 2025, in connection with the pricing of the offering of the Notes, the Company entered into (i) privately negotiated capped call transactions relating to the 2032 Notes (the “Base 2032 Capped Call Transactions”) with Citibank, N.A., J.P. Morgan Securities LLC, Crédit Agricole Corporate and Investment Bank, Banco Santander, S.A., UBS AG, London Branch and Bank of Montreal (the “2032 Option Counterparties”) and (ii) privately negotiated capped call transactions relating to the 2033 Notes (the “Base 2033 Capped Call Transactions” and, together with the Base 2032 Capped Call Transactions, the “Base Capped Call Transactions”) with Citibank, N.A., Goldman Sachs & Co. LLC, J.P. Morgan Securities LLC, Banco Santander, S.A., Wells Fargo Bank, National Association and Bank of Montreal (the “2033 Option Counterparties” and, together with the 2032 Option Counterparties, the “Option Counterparties”). In addition, on December 3, 2025, in connection with the initial purchasers’ exercise of their option to purchase additional Notes, the Company entered into additional capped call transactions relating to each series of Notes (the “Additional Capped Call Transactions” and, together with the Base Capped Call Transactions, the “Capped Call Transactions”) with each of the Option Counterparties. The Capped Call Transactions relating to the 2032 Notes cover, subject to anti-dilution adjustments, the aggregate number of ordinary shares that initially underlie the 2032 Notes and the Capped Call Transactions relating to the 2033 Notes cover, subject to anti-dilution adjustments, the aggregate number of ordinary shares that initially underlie the 2033 Notes and, in each case, are expected generally to reduce the potential dilution to the ordinary shares upon any conversion of the Notes and/or offset any potential cash payments the Company is required to make in excess of the principal amount of converted Notes, as the case may be, with such reduction and/or offset subject to a cap, based on the cap price of the Capped Call Transactions. The cap price of the Capped Call Transactions relating to the 2032 Notes is initially \$82.24 per share, which represents a premium of 100% over the last reported sale price of the ordinary shares of \$41.12 per share on December 2, 2025, and is subject to certain adjustments under the terms of the Capped Call Transactions relating to the 2032 Notes. The cap price of the Capped Call Transactions relating to the 2033 Notes is initially \$82.24 per share, which represents a premium of 100% over the last reported sale price of the ordinary shares of \$41.12 per share on December 2, 2025, and is subject to certain adjustments under the terms of the capped call transactions relating to the 2033 notes. The Capped Call Transactions will be solely cash settled unless certain conditions are satisfied. The aggregate cost of the Capped Call Transactions was \$201.0 million.

The Capped Call Transactions are separate transactions, each between the Company and the applicable Option Counterparty, and are not part of the terms of the Notes and will not affect any holder’s rights under the Notes or the Indentures. Holders of the Notes will not have any rights with respect to the Capped Call Transactions.

The above description of the Capped Call Transactions is a summary and is not complete. A copy of the form of confirmation for the Capped Call Transactions is filed as Exhibit 10.1 to this Current Report on Form 8-K, and the above summary is qualified in its entirety by reference to the terms of the form of confirmation set forth in such exhibit.

(nn) *Compliance with Anti-Money Laundering Laws.* The operations of the Company and its subsidiaries are, and have been, conducted at all times in compliance with applicable financial recordkeeping and reporting requirements, including those of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the applicable money laundering statutes of all jurisdictions where the Company or any of its subsidiaries conducts business, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental agency (collectively, the “Anti-Money Laundering Laws”), and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of its subsidiaries with respect to the Anti-Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

(oo) *No Conflicts with Sanctions Laws.* Neither the Company nor any of its subsidiaries nor, to the knowledge of the Company, any of its directors, officers, employees, agents, affiliates or other person acting on behalf of the Company or any of its subsidiaries is currently the subject or, to the knowledge of the Company, the target of any sanctions administered or enforced by the U.S. government (including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury (“OFAC”) or the U.S. Department of State and including, without limitation, the designation as a “specially designated national” or “blocked person”), the United Nations Security Council (“UNSC”), the European Union, His Majesty’s Treasury (“HMT”) or other relevant sanctions authority (collectively, “Sanctions”), nor is the Company or any of its subsidiaries located, organized or resident in a country or territory that is the subject or target of Sanctions, including, without limitation, the Crimea region of Ukraine, the so-called Donetsk People’s Republic, the so-called Luhansk People’s Republic, Cuba, Iran, North Korea and Syria (with respect to Syria only, until July 1, 2025) (each, a “Sanctioned Country”); and the Company will not directly or knowingly indirectly use the proceeds of the offering of the Shares, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity (i) to fund or facilitate any activities of or business with any person that, at the time of such funding or facilitation, is the subject or target of Sanctions, in violation of Sanctions, (ii) to fund or facilitate any activities of or business in any Sanctioned Country, in violation of Sanctions or (iii) in any other manner that will result in a violation by any person (including any person participating in the transaction, whether as initial purchaser, underwriter, advisor, investor or otherwise) of Sanctions. Since April 24, 2019, the Company and its subsidiaries have not knowingly engaged in and are not now knowingly engaged in any dealings or transactions with any person that at the time of the dealing or transaction is or was the subject or the target of Sanctions or with any Sanctioned Country.

(pp) *No Restrictions on Subsidiaries.* No subsidiary of the Company is currently prohibited, directly or indirectly, under any agreement or other instrument to which it is a party or is subject, from paying any dividends to the Company, from making any other distribution on such subsidiary’s capital shares or similar ownership interest, from repaying to the Company any loans or advances to such subsidiary from the Company or from transferring any of such subsidiary’s properties or assets to the Company or any other subsidiary of the Company, except as otherwise disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus or as would not, individually or in the aggregate, have a Material Adverse Effect.

(qq) *No Broker's Fees.* Neither the Company nor any of its subsidiaries is a party to any contract, agreement or understanding with any person (other than this Agreement) that would give rise to a valid claim against any of them or either of the Placement Agents for a brokerage commission, finder's fee or like payment in connection with the offering and sale of the Shares pursuant to this Agreement and the Purchase Agreements.

(rr) *No Stabilization.* Neither the Company nor any of its subsidiaries or affiliates has taken, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of the Shares.

(ss) *Margin Rules.* Neither the issuance, sale and delivery of the Shares pursuant to this Agreement and the Purchase Agreements nor the application of the proceeds thereof by the Company as described in each of the Registration Statement, the Pricing Disclosure Package and the Prospectus will violate Regulation T, U or X of the Board of Governors of the Federal Reserve System or any other regulation of such Board of Governors.

(tt) *No Registration Rights.* Except as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus, no person has the right to require the Company or any of its subsidiaries to register any securities for sale under the Securities Act by reason of the filing of the Registration Statement with the Commission or the issuance and sale of the Shares pursuant to this Agreement and the Purchase Agreements.

(uu) [Reserved].

(vv) [Reserved].

(ww) [Reserved].

(xx) *Forward-Looking Statements.* No forward-looking statement (within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act) contained or incorporated by reference any of the Registration Statement, the Pricing Disclosure Package and the Prospectus, or reaffirmed without a reasonable basis or has been disclosed other than in good faith.

(yy) *Statistical and Market Data.* Nothing has come to the attention of the Company that has caused the Company to believe that the statistical and market-related data included or incorporated by reference in any of the Registration Statement, the Pricing Disclosure Package or the Prospectus is not based on or derived from sources that are reliable and accurate in all material respects.

(zz) *Sarbanes-Oxley Act.* There is and has been no failure on the part of the Company or, to the knowledge of the Company, any of the Company's directors or officers, in their capacities as such, to comply with any applicable provision of the Sarbanes-Oxley Act of 2002, as amended and the rules and regulations promulgated in connection therewith (the "Sarbanes-Oxley Act"), including Section 402 related to loans and Sections 302 and 906 related to certifications.

(aaa) *No Ratings*. There are (and prior to the Closing Date, will be) no debt securities, convertible securities or preferred shares issued or guaranteed by the Company or any of its subsidiaries that are rated by a “nationally recognized statistical rating organization”, as such term is defined in Section 3(a)(62) under the Exchange Act.

(bbb) *Stamp Taxes*. No stamp duties or other issuance or transfer taxes are payable by or on behalf of the Placement Agents in Australia or any political subdivision or taxing authority thereof in connection with (i) the execution, delivery and performance of this Agreement, or (ii) the issuance and delivery of the Shares in the manner contemplated by this Agreement, the Purchase Agreements and the Prospectus.

(ccc) *No Immunity*. Neither the Company nor any of its subsidiaries or their properties or assets has immunity under Australian, U.S. federal or New York state law from any legal action, suit or proceeding, from the giving of any relief in any such legal action, suit or proceeding, from set-off or counterclaim, from the jurisdiction of any Australian, U.S. federal or New York state court, from service of process, attachment upon or prior to judgment, or attachment in aid of execution of judgment, or from execution of a judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of a judgment, in any such court with respect to their respective obligations, liabilities or any other matter under or arising out of or in connection herewith; and, to the extent that the Company or any of its subsidiaries or any of its properties, assets or revenues may have or may hereafter become entitled to any such right of immunity in any such court in which proceedings arising out of, or relating to the transactions contemplated by this Agreement, may at any time be commenced, the Company has, pursuant to Section 16(d) of this Agreement, waived, and it will waive, or will cause its subsidiaries to waive, such right to the extent permitted by law.

(ddd) *Enforcement of Foreign Judgments*. Any final judgment for a fixed or determined sum of money rendered by any U.S. federal or New York state court located in the State of New York having jurisdiction under its own laws in respect of any suit, action or proceeding against the Company based upon this Agreement could reasonably and subject to certain exceptions be expected to be declared enforceable against the Company by the courts of competent jurisdiction in Australia and any political subdivision thereof without re-examination or review of the merits of the cause of action in respect of which the original judgment was given. The exceptions to the preceding sentence include where (i) the foreign judgment is not consistent with public policy in Australia, (ii) the foreign judgment has been obtained by fraud or duress, (iii) the foreign judgment has been obtained in proceedings which contravene the principles of natural justice, (iv) the foreign judgment is a penalty, fine or revenue judgment, (v) there is a prior judgment of another court between the same parties concerning the same issues as dealt with in the foreign judgment obtained, (vi) the rules governing enforcement proceedings in the Australian court have not been satisfied, (vii) the party in whose favor the judgment is given and the applicant in the enforcement proceedings are not the same or (viii) the court giving the judgment lacked jurisdiction to give the judgment. The representation in this Section 3(ddd) is also subject to the qualification that a court of competent jurisdiction in Australia may not give a judgment for a monetary obligation expressed in a foreign currency in that currency, or as to the rate of exchange at which such monetary obligation would be converted to Australian dollars for the purposes of enforcement.

(eee) *Valid Choice of Law and Submission to Jurisdiction.* The choice of laws of the State of New York as the governing law of this Agreement and the submission to the exclusive jurisdiction of the U.S. federal and New York state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby are, respectively, a valid choice of law and a valid submission to exclusive jurisdiction under the laws of Australia, to which the courts of Australia will give effect (but will apply the procedural laws of the Australian forum in which the suit or proceeding is being heard and other laws which apply regardless of the choice of law), subject to (i) an overriding jurisdiction of the courts of Australia to determine that another court is a more appropriate forum, (ii) except where such choice of law or submission to the courts is not in good faith or is contrary to public policy in Australia and (iii) the restrictions described under the caption “Service of Process and Enforceability of Civil Liabilities” in the Pricing Disclosure Package and the Prospectus. The Company has the power to submit, and pursuant to Section 16(e) of this Agreement, has legally, validly, effectively and irrevocably submitted, to the personal jurisdiction of each New York state and United States federal court sitting in the City of New York and has validly and irrevocably waived any objection to the laying of venue of any suit, action or proceeding brought in such court.

(fff) *Indemnification and Contribution.* The indemnification and contribution provisions set forth in Section 7 hereof do not contravene Australian law or public policy.

(ggg) *Passive Foreign Investment Company.* Based on the current and anticipated composition of its income, assets and operations and subject to the qualifications, limitations, exceptions and assumptions set forth in the Registration Statement, the Pricing Disclosure Package and the Prospectus, the Company does not expect to be treated as a “passive foreign investment company,” as defined in Section 1297 of the Code for the current taxable year.

(hhh) *Dividends.* Except as disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus, no shareholder or regulatory approvals are currently required in Australia under any applicable law in order for the Company to pay dividends or other distributions determined or declared by the Company to the holders of Shares. Under current laws and regulations of Australia and any political subdivision thereof, any amount payable with respect to the Shares upon liquidation of the Company or upon redemption thereof and dividends and other distributions declared and payable on the share capital of the Company may be paid by the Company in United States dollars or euros and freely transferred out of Australia, and, except as otherwise disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus, no such payments made to the holders thereof or therein who are non-residents of Australia will be subject to income, withholding or other taxes under laws and regulations of Australia or any political subdivision or taxing authority thereof or therein and without the necessity of obtaining any governmental authorization in Australia or any political subdivision or taxing authority thereof or therein.

(iii) *Legality.* The legality, validity, enforceability or admissibility into evidence of any of the Registration Statement, the Pricing Disclosure Package, the Prospectus, this Agreement or the Shares in any jurisdiction in which the Company is organized or does business is not dependent upon such document being submitted into, filed or recorded with any court or other authority in any such jurisdiction on or before the date hereof or that any tax, imposition or charge be paid in any such jurisdiction on or in respect of any such document.

(jjj) *Legal Action.* Each Placement Agent is entitled to sue as plaintiff in the court of the jurisdiction of incorporation and domicile of the Company for the enforcement of their respective rights under this Agreement and such access to such courts will not be subject to any conditions which are not applicable to residents of such jurisdiction or a company incorporated in such jurisdiction except that plaintiffs not residing in Australia may be required to guarantee payment of a possible order for payment of costs or damages at the request of the defendant.

(kkk) *Status under the Securities Act.* At the time of filing the Registration Statement and any post-effective amendment thereto, at the earliest time thereafter that the Company or any offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) under the Securities Act) of the Shares and at the date hereof, the Company was not and is not an “ineligible issuer,” and is a well-known seasoned issuer, in each case as defined in Rule 405 under the Securities Act.

(lll) *Real Property.* The sum of the market value of the Company’s assets (directly held and indirectly held through subsidiaries) that are “taxable Australian real property” (as defined in the Income Tax Assessment Act 1997 (Cth)) is less than the sum of the market values of the Company’s (direct and indirectly held) assets that are not “taxable Australian real property” (as defined in the Income Tax Assessment Act 1997 (Cth)).

4. Further Agreements of the Company. The Company covenants and agrees with each Placement Agent that:

(a) *Required Filings.* The Company will file the final Prospectus with the Commission within the time periods specified by Rule 424(b) and Rule 430A, 430B or 430C under the Securities Act, will file any Issuer Free Writing Prospectus to the extent required by Rule 433 under the Securities Act; and the Company will furnish copies of the Prospectus and each Issuer Free Writing Prospectus (to the extent not previously delivered) to the Placement Agents in New York City prior to 10:00 A.M., New York City time, on the business day next succeeding the date of this Agreement in such quantities as the Placement Agents may reasonably request; provided that the Company will be deemed to comply with such requirement by furnishing such copies on the Commission’s Electronic, Data Gathering, Analysis and Retrieval System (“EDGAR”) (or any successor system). The Company will pay the registration fee for this offering within the time period required by Rule 456(b)(1) under the Securities Act (without giving effect to the proviso therein) and in any event prior to the Closing Date.

(b) *Delivery of Copies.* The Company will deliver, without charge, (i) to the Placement Agents, the Registration Statement as originally filed and each amendment thereto, in each case including all exhibits and consents filed therewith and documents incorporated by reference therein; and (ii) during the Prospectus Delivery Period (as defined below), as many copies of the Prospectus (including all amendments and supplements thereto and documents incorporated by reference therein and each Issuer Free Writing Prospectus) as the Placement Agents may reasonably request; provided that, in the case of each of clauses (i) and (ii), the Company will be deemed to comply with such requirement by furnishing such copies on EDGAR. As used herein, the term “Prospectus Delivery Period” means such period of time after the first date of the public offering of the Shares as in the reasonable opinion of counsel for the Placement Agents a prospectus relating to the Shares is required by law to be delivered (or required to be delivered but for Rule 172 under the Securities Act) in connection with sales of the Shares pursuant to this Agreement and the Purchase Agreements.

(c) *Amendments or Supplements, Issuer Free Writing Prospectuses.* Before making, preparing, using, authorizing, approving, referring to or filing any Issuer Free Writing Prospectus, and before filing any amendment or supplement to the Registration Statement, the Pricing Disclosure Package or the Prospectus, whether before or after the time that the Registration Statement becomes effective, the Company will furnish to counsel for the Placement Agents a copy of the proposed Issuer Free Writing Prospectus, amendment or supplement for review and will not make, prepare, use, authorize, approve, refer to or file any such Issuer Free Writing Prospectus or file any such proposed amendment or supplement to which the Placement Agents reasonably objects.

(d) *Notice to the Placement Agents.* During the Prospectus Delivery Period, the Company will advise counsel to the Placement Agents promptly, and confirm such advice in writing, (i) when any amendment to the Registration Statement has been filed or becomes effective; (ii) when any supplement to the Pricing Disclosure Package, the Prospectus, any Issuer Free Writing Prospectus or any amendment to the Prospectus has been filed or distributed; (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or the receipt of any comments from the Commission relating to the Registration Statement or any other request by the Commission for any additional information; (iv) of the issuance by the Commission or any other governmental or regulatory authority of any order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus, any of the Pricing Disclosure Package, the Prospectus or the initiation or threatening of any proceeding for that purpose or pursuant to Section 8A of the Securities Act; (v) of the occurrence of any event or development within the Prospectus Delivery Period as a result of which the Prospectus, any of the Pricing Disclosure Package or any Issuer Free Writing Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus, the Pricing Disclosure Package or any such Issuer Free Writing Prospectus is delivered to a purchaser, not misleading; (vi) of the receipt by the Company of any notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act; and (vii) of the receipt by the Company of any notice with respect to any suspension of the qualification of the Shares for offer and sale in any jurisdiction or the initiation or, to the knowledge of the Company, threatening of any proceeding for such purpose; and the Company will use its reasonable best efforts to prevent the issuance of any such order suspending the effectiveness of the Registration Statement, preventing or suspending the use of any Preliminary Prospectus, any of the Pricing Disclosure Package or the Prospectus or suspending any such qualification of the Shares and, if any such order is issued, will use its reasonable best efforts to obtain as soon as possible the withdrawal thereof.

(e) *Ongoing Compliance.* (i) If during the Prospectus Delivery Period (A) any event or development shall occur or condition shall exist as a result of which the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, not misleading or (B) it is necessary to amend or supplement the Prospectus to comply with applicable law, the Company will promptly notify the Placement Agents thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission and furnish to counsel to the Placement Agents such amendments or supplements to the Prospectus (or any document to be filed with the Commission and incorporated by reference therein) as may be necessary so that the statements in the Prospectus as so amended or supplemented (or any document to be filed with the Commission and incorporated by reference therein) will not, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, be misleading or so that the Prospectus will comply with applicable law and (ii) if at any time prior to the Closing Date (A) any event or development shall occur or condition shall exist as a result of which the Pricing Disclosure Package as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Pricing Disclosure Package is delivered to a purchaser, not misleading or (B) it is necessary to amend or supplement the Pricing Disclosure Package to comply with applicable law, the Company will promptly notify the Placement Agents thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission (to the extent required) and furnish to counsel to the Placement Agents such amendments or supplements to the Pricing Disclosure Package (or any document to be filed with the Commission and incorporated by reference therein) as may be necessary so that the statements in the Pricing Disclosure Package as so amended or supplemented will not, in the light of the circumstances existing when the Pricing Disclosure Package is delivered to a purchaser, be misleading or so that the Pricing Disclosure Package will comply with applicable law.

(f) *Blue Sky Compliance.* The Company will qualify the Shares for offer and sale under the securities or Blue Sky laws of such jurisdictions as the Placement Agents shall reasonably request and will continue such qualifications in effect so long as required for distribution of the Shares; provided that the Company shall not be required to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction or (iii) subject itself to taxation in any such jurisdiction if it is not otherwise so subject.

(g) *Earning Statement.* The Company will make generally available to its security holders and the Placement Agents as soon as practicable an earning statement that satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 of the Commission promulgated thereunder covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the “effective date” (as defined in Rule 158) of the Registration Statement; provided that the Company will be deemed to comply with such requirement by furnishing such earnings statements on EDGAR.

(h) *Use of Proceeds.* The Company will apply the net proceeds from the sale of the Shares as described in each of the Registration Statement, the Pricing Disclosure Package and the Prospectus under the heading “Use of Proceeds.”

(i) *No Stabilization.* The Company will not take, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of the Shares and will not take any action prohibited by Regulation M under the Exchange Act and/or any provision of the Corporations Act in connection with the distribution of the Shares pursuant to this Agreement and the Purchase Agreements.

(o) [Reserved].

(p) *Tax Indemnity.* The Company will indemnify and hold harmless the Placement Agents against (i) any documentary, stamp, registration or similar issuance tax, including any interest and penalties, on the sale of the Shares by the Company to the Purchasers and on the execution and delivery of this Agreement and the Purchase Agreements; and (ii) any income tax, taxes on net income, capital gains or franchise taxes, withholding, and goods and services tax (including interest, penalties and any additions thereto) imposed on either Placement Agent by Australia or any political subdivision or taxing authority thereof or therein, in connection with (A) the sales of the Shares by the Company to the Purchasers and (B) excluding in relation to taxes on net income of the Placement Agent on payments by the Company to the Placement Agent under this Agreement, on the execution and delivery of this Agreement and the Purchase Agreements, except to the extent any such taxes result from such Placement Agent acting at or through an Australian permanent establishment. All payments to be made by the Company hereunder shall be made without withholding or deduction for or on account of any present or future Australian taxes, duties or governmental shares whatsoever unless the Company is compelled by law to deduct or withhold such taxes, duties or charges. In that event, except for (A) any net income, capital gains or franchise taxes imposed on the Placement Agents by any taxing authority as a result of any present or former connection (other than any connection resulting from the transactions contemplated by this Agreement) between the Placement Agents and the jurisdiction imposing such withholding or deductions, (B) any tax which would not be required to be deducted or withheld by the Company if a Placement Agent had provided it with any of its name, address, Australian business number (ABN), Australian tax file number, registration number or similar details or evidence of any relevant tax exemption or similar details, or (C) any withholding or deduction on account of the Company receiving a direction under section 255 of the Australian Tax Act, section 260-5 of Schedule 1 of the Taxation Administration Act 1953 (Cth) or any similar law, the Company shall pay such additional amounts as may be necessary in order to ensure that the net amounts received after such withholding or deductions shall equal the amounts that would have been received if no withholding or deduction has been made.

5. [Reserved].

6. Conditions of Placement Agents' Obligations. The obligation of each Placement Agent as provided herein is subject to the performance by the Company of its covenants and other obligations hereunder and to the following additional conditions:

(b) *Representations and Warranties.* The representations and warranties of the Company contained herein shall be true and correct on the date hereof and on and as of the Closing Date; and the statements of the Company and its officers made in any certificates delivered pursuant to this Agreement shall be true and correct on and as of the Closing Date.

(c) *No Material Adverse Change.* No event or condition of a type described in Section 3(h) hereof shall have occurred or shall exist, which event or condition is not described in the Pricing Disclosure Package (excluding any amendment or supplement thereto) and the Prospectus (excluding any amendment or supplement thereto) and the effect of which in the judgment of the Placement Agents makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Shares on the Closing Date on the terms and in the manner contemplated by this Agreement, the Purchase Agreements, the Pricing Disclosure Package and the Prospectus.

(d) *Officer's Certificate.* The Placement Agents shall have received on and as of the Closing Date a certificate of the chief financial officer or chief accounting officer of the Company and one additional senior executive officer of the Company who is satisfactory to the Placement Agents (i) confirming that such officers have carefully reviewed the Registration Statement, the Pricing Disclosure Package and the Prospectus and, to the knowledge of such officers, the representations set forth in Sections 3(b) and 3(e) hereof are true and correct, (ii) confirming that the other representations and warranties of the Company in this Agreement are true and correct and that the Company has complied in all material respects with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date and (iii) to the effect set forth in paragraphs (a) and (c) above.

(e) *Comfort Letters.* On the date of this Agreement and on the Closing Date Raymond Chabot Grant Thornton LLP shall have furnished to the Placement Agents, at the request of the Company, letters, dated the respective dates of delivery thereof and addressed to the Placement Agents, in form and substance reasonably satisfactory to the Placement Agents, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus; provided, that, unless the Placement Agent agree otherwise, the letter delivered on the Closing Date shall use a "cut-off" date no earlier than December 2, 2025.

(g) *Opinion and 10b-5 Statement of Counsel for the Placement Agents.* The Placement Agents shall have received on and as of the Closing Date (i) an opinion and 10b-5 statement of Latham & Watkins LLP, counsel for the Placement Agents, with respect to such matters as the Placement Agents may reasonably request, and such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters and (ii) an opinion of King & Wood Mallesons, Australian counsel for the Placement Agents, with respect to such matters as the Placement Agents may reasonably request, and such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters.

(h) *No Legal Impediment to Issuance.* No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date prevent the issuance or sale of the Shares pursuant to this Agreement and the Purchase Agreements; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date prevent the issuance or sale of the Shares pursuant to this Agreement and the Purchase Agreements.

(i) *Good Standing.* The Placement Agents shall have received on and of the Closing Date copies of an extract of the public records of the Company produced by ASIC and a search of the insolvency notices website maintained by ASIC which displays no results in respect of the Company, in each case dated as of the business day in Sydney, Australia, that corresponds to the date of the Closing Date.

(j) [Reserved].

(k) *Exchange Listing*. An application for the listing of the Shares shall have been submitted to Nasdaq.

(l) [Reserved].

(m) *Additional Documents*. On or prior to the Closing Date the Company shall have furnished to the Placement Agents such further certificates and documents as the Placement Agents may reasonably request.

(n) *Purchase Agreements*. The Company and the other parties thereto shall have executed and delivered each of the Purchase Agreements, and the Placement Agents shall have received original copies thereof, duly executed by the Company and the other parties thereto.

All opinions, letters, certificates and evidence mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Placement Agents.

7. Indemnification and Contribution.

(a) *Indemnification of the Placement Agents*. The Company agrees to indemnify and hold harmless each Placement Agent, its affiliates, directors, officers, employees and each person, if any, who controls such Placement Agent within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (i) such Placement Agent acting as a Placement Agent in connection with the Share Purchases or that arise in connection with such Placement Agent's engagement pursuant to this Agreement, (ii) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or caused by any omission or alleged omission to state therein a material fact required to be stated therein, not misleading, or (iii) any untrue statement or alleged untrue statement of a material fact contained in the Prospectus (or any amendment or supplement thereto), any Preliminary Prospectus, any Issuer Free Writing Prospectus, any road show as defined in Rule 433(h) under the Securities Act (a "road show") or any Pricing Disclosure Package (including any Pricing Disclosure Package that has subsequently been amended), or caused by any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case except insofar as (x) such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Placement Agent furnished to the Company in writing by such Placement Agent expressly for use therein, it being understood and agreed that the only such information furnished by any Placement Agent consists of the information described as such in subsection (b) below and (y) such losses, claims, damages or liabilities arise out of, or are based upon, with respect to clause (i) above, have resulting from a Placement Agent's gross negligence, fraud, willful misconduct or bad faith in performing the services that are the subject of this Agreement.

(b) *Indemnification of the Company.* Each Placement Agent agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Placement Agent furnished to the Company in writing by such Placement Agent expressly for use in the Registration Statement, the Prospectus (or any amendment or supplement thereto), any Preliminary Prospectus, any Issuer Free Writing Prospectus, any road show or any Pricing Disclosure Package (including any Pricing Disclosure Package that has been subsequently amended), it being understood and agreed that there has been no such information furnished to the Company in writing by or on behalf of any Placement Agent.

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the "Indemnified Person") shall promptly notify the person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 7 that the Indemnifying Person may designate in such proceeding and shall pay the reasonable and documented fees and expenses in such proceeding and shall pay the reasonable and documented fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be paid or reimbursed as they are incurred. Any such separate firm for any Placement Agent, its affiliates, directors and officers and any control persons of such Placement Agent shall be designated in writing by the Placement Agents and any such separate firm for the Company, its directors, its officers and any control persons of the Company shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in paragraphs (a) or (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Placement Agents, on the other, from the Share Purchases or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company, on the one hand, and the Placement Agents, on the other, in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Placement Agents, on the other, shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Shares pursuant to this Agreement and the Purchase Agreements and any compensation received by the Placement Agents in connection therewith, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate offering price of the Shares. The relative fault of the Company, on the one hand, and the Placement Agents, on the other, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Placement Agents and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) *Limitation on Liability.* The Company and the Placement Agents agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Placement Agents were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 7, in no event shall a Placement Agent be required to contribute any amount in excess of the amount by which the total discounts and commissions received by such Placement Agent with respect to the offering of the Shares pursuant to this Agreement and the Purchase Agreements exceeds the amount of any damages that such Placement Agent has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity.

8. Effectiveness of Agreement. This Agreement shall become effective as of the date first written above.

9. Termination. This Agreement may be terminated in the absolute discretion of the Placement Agents, by notice to the Company, if after the execution and delivery of this Agreement and on or prior to the Closing Date (i) trading generally shall have been suspended or materially limited on or by any of the New York Stock Exchange or The Nasdaq Global Market; (ii) trading of any securities issued or guaranteed by the Company shall have been suspended on any exchange or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by federal or New York State authorities; or (iv) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the judgment of the Placement Agents, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Shares on the Closing Date on the terms and in the manner contemplated by this Agreement, the Purchase Agreements, the Pricing Disclosure Package and the Prospectus.

If the issue to the Purchasers of the Shares, as contemplated by the Purchase Agreements, is not carried out because any Purchaser or the Company, as the case may be, shall be unable to comply with any of the terms of the Purchase Agreements, the Placement Agents shall be under no obligation or liability to the Company under this Agreement.

10. [Reserved].

11. Payment of Expenses. (a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company will pay or cause to be paid all costs and expenses incident to the performance of its obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Shares and any taxes payable in that connection; (ii) the costs incident to the preparation, printing and filing under the Securities Act of the Registration Statement, the Preliminary Prospectus, any Issuer Free Writing Prospectus, any Pricing Disclosure Package and the Prospectus (including any exhibits, amendments and supplements thereto) and the distribution thereof; (iii) the costs of reproducing and distributing this Agreement; (iv) the fees and expenses of the Company's counsel and independent accountants; (v) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Shares under the laws of such jurisdictions as the Placement Agents may designate and the preparation, printing and distribution of a Blue Sky Memorandum (including the related fees and expenses of counsel for the Placement Agents not to exceed \$15,000); (vi) the cost of preparing stock certificates; (vii) the fees and expenses of any transfer agent and any registrar; (viii) all expenses incurred by the Company in connection with any "road show" presentation to potential investors; and (ix) all expenses and application fees related to the listing of the Shares on Nasdaq.

(b) If this Agreement is terminated pursuant to Section 9, the Company agrees to reimburse the Placement Agents for all out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Placement Agents in connection with this Agreement and the transactions contemplated hereby.

12. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and any controlling persons referred to in Section 7 hereof. Nothing in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No Purchaser shall be deemed to be a successor to this Agreement merely by reason of the purchaser of Shares pursuant to a Purchase Agreement.

13. Survival. The respective indemnities, rights of contribution, representations, warranties and agreements of the Company and the Placement Agents contained in this Agreement or made by or on behalf of the Company or the Placement Agents pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Shares and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company or the Placement Agents.

14. Certain Defined Terms. For purposes of this Agreement, (a) except where otherwise expressly provided, the term "affiliate" has the meaning set forth in Rule 405 under the Securities Act; (b) the term "business day" means any day other than a day on which banks are permitted or required to be closed in New York City; (c) the term "subsidiary" has the meaning set forth in Rule 405 under the Securities Act; and (d) the term "significant subsidiary" has the meaning set forth in Rule 1-02 of Regulation S-X under the Exchange Act.

15. Compliance with USA Patriot Act. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Placement Agents are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Placement Agents to properly identify their respective clients.

(b) *Governing Law.* This Agreement and any claim, controversy or dispute arising under or related to this Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(c) *Judgment Currency.* The Company agrees to indemnify each Placement Agent, its directors, officers, affiliates and each person, if any, who controls such Placement Agent within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any loss incurred by such Placement Agent as a result of any judgment or order being given or made for any amount due hereunder and such judgment or order being expressed and paid in a currency (the “judgment currency”) other than U.S. dollars and as a result of any variation as between (i) the rate of exchange at which the U.S. dollar amount is converted into the judgment currency for the purpose of such judgment or order, and (ii) the rate of exchange at which such indemnified person is able to purchase U.S. dollars with the amount of the judgment currency actually received by the indemnified person. The foregoing indemnity shall constitute a separate and independent obligation of the Company and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

(d) *Waiver of Immunity.* To the extent that the Company has or hereafter may acquire any immunity (sovereign or otherwise) from jurisdiction of any court of (i) Australia, or any political subdivision thereof, (ii) the United States or the State of New York, (iii) any jurisdiction in which it owns or leases property or assets or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution, set-off or otherwise) with respect to themselves or their respective property and assets or this Agreement, the Company hereby irrevocably waives such immunity in respect of its obligations under this Agreement to the fullest extent permitted by applicable law.

The Company hereby represents and warrants that such authorized agent has accepted such appointment and has agreed to act as such authorized agent for service of process. The Company further agrees to take any and all action as may be necessary to maintain such designation and appointment of such authorized agent in full force and effect for a period of seven years from the date of this Agreement.

(f) *Waiver of Jury Trial.* Each of the parties hereto hereby waives any right to trial by jury in any suit or proceeding arising out of or relating to this Agreement.

(g) *Recognition of the U.S. Special Resolution Regimes.*

(i) In the event that any Placement Agent that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Placement Agent of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(ii) In the event that any Placement Agent that is a Covered Entity or a BHC Act Affiliate of such Placement Agent becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Placement Agent are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

The information in this pricing term sheet supplements IREN Limited's preliminary prospectus supplement, dated December 1, 2025 (the "Preliminary Prospectus Supplement"), relating to a registered direct offering of ordinary shares (the "Offering"), and supersedes the information in the Preliminary Prospectus Supplement to the extent inconsistent with the information in the Preliminary Prospectus Supplement. Terms used, but not defined, in this pricing term sheet have the respective meanings set forth in the Preliminary Prospectus Supplement. As used in this pricing term sheet, "we," "our" and "us" refer to IREN Limited and not to its subsidiaries.

Issuer	IREN Limited.
Securities Offered	39,699,102 ordinary shares, no par value, of IREN Limited (the "Ordinary Shares").
Ticker / Exchange for Ordinary Shares	IREN / Nasdaq Global Select Market ("NASDAQ").
Last Reported Sale Price per Ordinary Share on NASDAQ on December 2, 2025	\$41.12.

Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally must settle in one business day, unless the parties to the trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Ordinary Shares issued in this placement before the business day before the Settlement Date must, because the Ordinary Shares issued in this placement will initially will settle T+3, specify an alternate settlement cycle at the time of such trade to prevent a failed settlement. Those purchasers should consult their advisors.

Concurrent Notes Offering; Repurchase
of Existing Convertible Notes

On December 2, 2025, we announced the pricing of our previously announced private offering (the “Concurrent Notes Offering”) of \$1,000,000,000 aggregate principal amount of 0.25% convertible senior notes due 2032 (the “2032 Notes”) and \$1,000,000,000 aggregate principal amount of 1.00% convertible senior notes due 2033 (the “2033 Notes” and, together with the 2032 Notes, the “Notes”). The issuance and sale of the Notes are scheduled to settle on December 8, 2025, subject to customary closing conditions. We granted the initial purchasers of the Concurrent Notes Offering options to purchase, for settlement within a period of 13 days from, and including, the date the Notes are first issued, up to an additional \$150,000,000 principal amount of 2032 Notes and up to an additional \$150,000,000 principal amount of 2033 Notes. The Concurrent Notes Offering is being made pursuant to a confidential offering memorandum only to qualified institutional buyers (as defined in Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”)) in transactions that are exempt from the registration and prospectus-delivery requirements of the Securities Act. This pricing term sheet does not constitute an offer to sell, or the solicitation of an offer to buy, any securities being offered in the Concurrent Notes Offering. See “The Concurrent Offering” in the Preliminary Prospectus Supplement.

The 2032 Notes will accrue interest at a rate of 0.25% per annum, and the 2033 Notes will accrue interest at a rate of 1.00% per annum, in each case payable semi-annually in arrears on June 1 and December 1 of each year, beginning on June 1, 2026, to noteholders of record as of the close of business on the immediately preceding May 15 or November 15, respectively.

The initial conversion rate of the 2032 Notes is 19.4553 Ordinary Shares per \$1,000 principal amount of 2032 Notes, which represents an initial conversion price of approximately \$51.40 per Ordinary Share. The initial conversion rate of the 2033 Notes is 19.4553 Ordinary Shares per \$1,000 principal amount of 2033 Notes, which represents an initial conversion price of approximately \$51.40 per Ordinary Share. The conversion rate and conversion price of either series of Notes will be subject to adjustment upon the occurrence of certain events.

We estimate that the net proceeds to us from the Concurrent Notes Offering, if it is consummated, will be approximately \$1,973.8 million (or approximately \$2,270.0 million if the initial purchasers of the Concurrent Notes Offering fully exercise their option to purchase additional Notes), after deducting the initial purchasers' discounts and commissions.

In addition, concurrently with the pricing of the Notes, we entered into one or more separate, privately negotiated transactions with a limited number of holders of our 3.25% Convertible Senior Notes due 2030 (the "Existing 2030 Convertible Notes") and our 3.50% Convertible Senior Notes due 2029 (the "Existing 2029 Convertible Notes") (collectively, the "Repurchase") to repurchase (i) approximately \$227.7 million principal amount of our Existing 2030 Convertible Notes for approximately \$608.2 million, which includes accrued and unpaid interest and (ii) \$316.6 million principal amount of our Existing 2029 Convertible Notes for approximately \$1,024.2 million, which includes accrued and unpaid interest.

The completion of the Offering is not contingent on the completion of the Concurrent Notes Offering or the Repurchase, and the completion of the Concurrent Notes Offering is not contingent on the completion of the Offering or the Repurchase.

Use of Proceeds

We estimate that the proceeds to us from the Offering will be approximately \$1,631.5 million, after deducting our estimated offering expenses. We intend to use the proceeds from the Offering, together with the net proceeds from the Concurrent Notes Offering, if it is consummated, (i) to fund the \$174.8 million cost of entering into the new capped call transactions relating to the Notes, (ii) to repurchase approximately \$227.7 million principal amount of our Existing 2030 Convertible Notes for approximately \$608.2 million, which includes accrued and unpaid interest; (iii) to repurchase approximately \$316.6 million principal amount of our Existing 2029 Convertible Notes for approximately \$1,024.2 million, which includes accrued and unpaid interest; and (iv) for general corporate purposes and working capital. See "Use of Proceeds" in the Preliminary Prospectus Supplement.

Purchase Agreements

SHARE PURCHASE AGREEMENT

This Share Purchase Agreement (this "Agreement") is made and entered into as of December 2, 2025 by and among IREN Limited (ACN 629 842 799), a corporation incorporated under the laws of Australia (the "Company"), and each of the entities (each, a "Purchaser" and, collectively, the "Purchasers") listed on Schedules "A" attached to this Agreement (collectively, "Schedule A"; the Schedule A pertaining to each individual Purchaser is referred to herein as the "applicable Schedule A," and the accounts, if any, on behalf of which any Purchaser may be acting, as specified on the applicable Schedule A, for whom the Purchaser holds contractual and investment authority, are referred to herein as the "Represented Accounts"). The Company and the Purchasers are sometimes collectively referred to in this Agreement as the "Parties" and individually as a "Party."

WHEREAS, the Company has authorized the sale and issuance of ordinary shares of the Company, no par value (the "Ordinary shares"), on the terms and subject to the conditions set forth in this Agreement and the Registration Statement (as defined below). The Ordinary shares to be sold hereunder at the Closing (as defined below) shall be referred to herein as the "Shares";

WHEREAS, each Purchaser for its own account or on behalf of a Represented Account, severally, wishes to purchase Shares in the amounts and for the cash payment (the "Cash Payment") set forth on such Purchaser's applicable Schedule A upon the terms and conditions set forth in this Agreement and the Registration Statement; and

WHEREAS, the Company wishes to issue and sell to each Purchaser, for its account or its Represented Account, the Shares set forth on such Purchaser's applicable Schedule A for the Cash Payment set forth therein upon the terms and conditions set forth in this Agreement and the Registration Statement.

NOW, THEREFORE, in consideration of the mutual covenants, agreements and understandings herein contained, the Parties agree as follows:

SECTION 1. Sale and Registration of the Shares.

1.1 The Sale. Subject to the terms and conditions set forth in this Agreement, on the Closing Date (as defined below), the Company shall sell to each Purchaser, severally, and each Purchaser hereby agrees, severally, to purchase from the Company on the Closing Date (as defined below) for its own account or on behalf of a Represented Account, the number of Shares set forth on such Purchaser's applicable Schedule A at a purchase price per Share equal to the closing price of the Ordinary shares as reported by NASDAQ (as defined below) on December 2, 2025. The aggregate Cash Payment for the Shares purchased by each Purchaser is set forth on such Purchaser's applicable Schedule A. For the avoidance of doubt, other Purchasers have entered into substantially similar agreements with the Company on the date hereof to acquire Shares and it is understood that none of any Purchaser's purchases of its allocable Shares hereunder shall be dependent upon any other Purchasers' purchases of their respective allocable Shares under such other agreements.

1.2 Announcement of the Purchase. The Company shall, by 9:00 a.m., New York City time, on the first (1st) Business Day (as defined below) immediately following the date hereof, issue one or more press releases or file with the Securities and Exchange Commission (the “Commission”) a Current Report on Form 8-K and/or a Quarterly Report on Form 10-Q (collectively, the “Disclosure Document”) disclosing, to the extent not previously publicly disclosed, all material terms of the transactions contemplated hereby (the “Transaction”) and any other material, nonpublic information that the Company or any Agent (as defined below) or any of their respective officers, directors or employees has provided to the Purchasers at any time prior to the filing of the Disclosure Document. Immediately following the issuance or filing, as applicable, of the Disclosure Document, to the Company’s knowledge, the Purchasers will not be in possession of any material, non-public information received from the Company or any Agent or any of their respective officers, directors, or employees. Notwithstanding the foregoing, the Company shall not publicly disclose the name of the Purchaser, any of its Represented Accounts, or their respective affiliates and investment advisors, or include the name of the Purchaser, any of its Represented Accounts, or their respective affiliates and investment advisors in any press release or in any filing with the Commission or any regulatory agency or trading market, without the prior written consent of the Purchaser, except as required by any applicable law, rule or regulation, including any listing exchange, or to the extent requested by the Staff of the Commission, any representative of the NASDAQ Capital Market (“NASDAQ”) or any other regulatory agency, in which case the Company shall, to the extent practicable, provide the Purchaser with prior written notice of such disclosure. As used in this Agreement, “Business Day” means any day other than a Saturday, a Sunday or a day on which the Federal Reserve Bank of New York is authorized or required by law or executive order to close or be closed.

1.3 Exchange Listing. The Company shall submit a Notice of Listing of Additional Shares to The Nasdaq Stock Market covering the Shares prior to the Closing (as defined below).

1.4 Closing. The closing of the transactions contemplated hereunder with respect to a Purchaser (the “Closing”) will take place on December 8, 2025, or such other date, if any, as is mutually agreed to by the Parties (the “Closing Date”). Under Rule 15c6-1 of the Exchange Act (as defined below), trades in the secondary market generally are required to settle in one Business Day unless the parties to a trade expressly agree otherwise. Accordingly, Purchasers who wish to trade Shares on the date hereof or on any subsequent date that is prior to the trading day preceding the Closing Date, by virtue of the fact that the Shares initially will settle in T+3, must specify alternative settlement arrangements to prevent a failed settlement. Those Purchasers should consult their advisors. On the Closing Date, and subject to the conditions contained in this Section 1.4:

(a) each Purchaser shall (i) submit, through the Depository Trust Company (“DTC’s”) Deposit and Withdrawal at Custodian (“DWAC”) program, a deposit instruction to Computershare Trust Company, N.A., acting as transfer agent and DTC custodian for the Ordinary shares (the “Transfer Agent”), for the applicable number of Shares, (ii) deliver to the Company the applicable Cash Payment by wire transfer of immediately available funds to the account of the Company set forth on Exhibit A or as otherwise advised by the Company to such Purchaser prior to the Closing and (iii) comply with the Instructions and Purchase Procedures attached hereto as Exhibit B;

(b) the Company will deliver to each Purchaser or Represented Account the number of Shares set forth on such Purchaser's applicable Schedule A via book-entry delivery pursuant to DWAC instructions specified on the applicable Schedule A, with any transfer taxes payable in connection with the delivery of Shares duly paid by the Company; and

(c) as a condition to Closing, (i) all of the representations and warranties of the Company in Section 2 hereof shall be true and correct as of the Closing Date and the Company shall have complied in all material respects with all its agreements contained herein; and (ii) all of the representations and warranties of the Purchaser in Section 3 hereof shall be true and correct as of the Closing Date and the Purchaser shall have complied in all material respects with all its agreements contained herein.

1.5 Registration of the Shares. The Company has registered the sale of the Shares pursuant to the Company's Registration Statement on Form S-3 (File No. 333-284369) filed with the Commission on August 28, 2025 (such registration statement, including the base prospectus contained therein, as supplemented by the prospectus supplement relating to the offer and sale of the Shares, dated December 2, 2025, is referred to herein as the "Registration Statement").

SECTION 2. Representations and Warranties of the Company. The Company hereby represents and warrants to each Purchaser that as of the date of this Agreement:

2.1 Organization. The Company is a corporation duly organized, validly existing and in good standing under the laws of Australia.

2.2 Authorization. The Company has full right, power and authority to execute and deliver this Agreement and to perform its obligations hereunder; and all action required to be taken for the due and proper authorization, execution and delivery by it of this Agreement and the consummation by it of the transactions contemplated hereby has been duly and validly taken. This Agreement has been duly authorized, executed and delivered by the Company and, assuming due execution and delivery by the Purchaser, constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, reorganization, moratorium or other similar laws relating to or affecting rights or remedies of creditors generally; and (ii) the application of general principles of equity.

2.3 Validity and Registration of Shares. The Shares to be issued and sold hereunder have been duly authorized by the Company and, when issued and delivered and paid for as provided herein, will be duly and validly issued, will be issued as part of CUSIP Q4982L109, will be fully paid and nonassessable and will conform in all material respects to the descriptions thereof in the Registration Statement, will be free of any security interests and will rank equally in all respects with existing Ordinary Shares (other than B Class Shares), and the issuance of the Shares is not subject to any preemptive or similar rights. The sale of the Shares to be issued and sold to the Purchasers on the Closing Date pursuant to this Agreement will have been registered under the Securities Act of 1933, as amended (the "Securities Act"), pursuant to the Registration Statement, and book entries representing such Shares will not contain a restrictive legend.

2.4 SEC Filings. The Company has filed all reports, schedules, forms, statements and other documents required to be filed by it with the Commission under Sections 13, 14(a) and 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), in the two years preceding the date hereof on a timely basis, except where the failure to file on a timely basis would not reasonably be expected to affect the Company’s ability to sell and issue the Shares and to carry out and perform all of its obligations under this Agreement. As of their respective filing dates (or, if amended prior to the date of this Agreement, when amended), such documents filed with the SEC pursuant to the Exchange Act (the “SEC Documents”) complied in all material respects with the requirements of the Exchange Act and the rules and regulations of the Commission promulgated thereunder. The Company is eligible to register its Ordinary shares for sale using Form S-3 promulgated under the Securities Act. The Company has made available to each Purchaser or their representatives, or each Purchaser has had access through the Commission’s EDGAR website to, true and complete copies of the SEC Documents. No stop order suspending the effectiveness of the Registration Statement has been issued under the Securities Act and no proceedings for that purpose have been instituted or are pending or, to the Company’s knowledge, are threatened by the Commission.

2.5 Non-Contravention. The execution, delivery and performance by the Company of this Agreement, the issuance and sale of the Shares and the consummation by the Company of the transactions contemplated by this Agreement will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, result in the termination of any right or asset of the Company or any of its subsidiaries pursuant to, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property, right or assets of the Company or any of its subsidiaries is subject, (ii) result in any violation of the provisions of the constitution, charter, by-laws or similar organizational documents of the Company or any of its subsidiaries or (iii) result in the violation of any law or statute or any judgment, order, rule or regulation of any court or arbitrator or governmental or regulatory authority applicable to the Company, except, in the case of clauses (i) and (iii) above, for any such conflict, breach, violation, default, termination that would not, individually or in the aggregate, have a material adverse effect on the business, properties, management, financial position or results of operations of the Company and its subsidiaries taken as a whole or materially impair the ability of the Company to perform its obligations under this Agreement (a “Material Adverse Effect”).

2.6 No Consents or Approvals. No consent, approval, authorization, order, registration or qualification of or with any court or arbitrator or governmental or regulatory authority is required for the execution, delivery and performance by the Company of this Agreement, the issuance and sale of the Shares and the consummation by the Company of the transactions contemplated by this Agreement, except for (i) such consents, approvals, authorizations, orders, and registrations or qualifications as have been, or prior to the Closing Date, will be, obtained or made, (ii) the registration of the Shares under the Securities Act and those that may be required under the Exchange Act, applicable state securities laws, or by NASDAQ or the Financial Industry Regulatory Authority, Inc., and (iii) any consent, approval, authorization, order, registration or qualification of or with any court or arbitrator or governmental or regulatory authority that would not, individually or in the aggregate, have a Material Adverse Effect if not obtained or made.

SECTION 3. Representations and Warranties of the Purchasers. Each Purchaser, severally with respect to itself and its Represented Accounts (if any) and not jointly with other Purchasers, hereby represents and warrants to the Company that the following statements are true and correct as of the date of this Agreement:

3.1 Organization. Such Purchaser is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization.

3.2 Authorization. Such Purchaser has full right, power and authority to execute and deliver this Agreement and to perform its obligations hereunder; and all action required to be taken for the due and proper authorization, execution and delivery by it of this Agreement and the consummation by it of the transactions contemplated hereby has been duly and validly taken. This Agreement has been duly authorized, executed and delivered by the Purchaser and constitutes a valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with its terms, except as such enforceability may be limited by applicable (i) bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, reorganization, moratorium or other similar laws relating to or affecting rights or remedies of creditors generally; and (ii) the application of general principles of equity.

3.3 Investment.

(a) Such Purchaser is knowledgeable, sophisticated and experienced in business and financial matters and has previously invested in securities similar to the Shares. Such Purchaser is able to bear the economic risk of its investment in the Shares and is presently able to afford the complete loss of such investment and has been afforded access to information about the Company and its affiliates and their financial condition, results of operations, business, property and management sufficient to enable such Purchaser to evaluate its investment in the Shares.

(b) Such Purchaser (i) has received a copy of the Registration Statement, (ii) understands and accepts that the Shares to be acquired pursuant to this Agreement involve risk, including those described or incorporated by reference in the Registration Statement and (iii) has made an independent decision to purchase the Shares based on the information available to such Purchaser. Such Purchaser acknowledges that it has independently made its own analysis and decision to purchase the Shares and without reliance upon the Company or use the Company, its affiliates or any of its agents or financial advisors, including Citigroup Global Markets Inc., Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC, each in their capacity as a placement agent in connection with the transactions contemplated hereby (an "Agent"), and based on such information as it has deemed appropriate in its independent judgment. Such Purchaser has not relied on any information (in any form, whether written or oral, including any representation or warranty of the Company) furnished by the Company or its affiliates, any Agent or on the Company's behalf in making that decision (other than, with respect to the Company, filings made by the Company with the Commission). Such Purchaser further acknowledges that (i) such Purchaser had a sufficient amount of time to consider whether to participate in the Transaction and that neither the Company nor any Agent has placed any pressure on it to respond to the opportunity to participate in the Transaction, (ii) the terms of the Transaction are the result of bilateral negotiations between the parties, and such Purchaser was given a meaningful opportunity to negotiate the terms of the Transaction, (iii) it has consulted its own tax and legal advisors and (iv) it has not relied on the Company or its affiliates or any Agent or the Company's representatives for any tax advice related to the Transaction.

(c) [Reserved].

(d) Neither the Company, any Agent nor their respective affiliates, officers, employees, agents or controlling persons have provided any investment advice or rendered any opinion to such Purchaser as to whether the purchase of the Shares is prudent or suitable.

3.4 Non-Contravention. The execution, delivery and performance by the Purchaser of this Agreement, the purchase of the Shares and the consummation by the Purchaser of the transactions contemplated by this Agreement will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, result in the termination of any right or asset of the Purchaser or any of its subsidiaries pursuant to, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Purchaser or any of its subsidiaries is a party or by which the Purchaser or any of its subsidiaries is bound or to which any of the property, right or assets of the Purchaser or any of its subsidiaries is subject, (ii) result in any violation of the provisions of the charter or by-laws or similar organizational documents of the Purchaser or any of its subsidiaries or (iii) result in the violation of any law or statute or any judgment, order, rule or regulation of any court or arbitrator or governmental or regulatory authority applicable to the Purchaser that, would, individually or in the aggregate, have, or would reasonably be expected to have, a material adverse effect on the ability of such Purchaser to carry out its obligations hereunder.

3.5 Compliance with Laws. Each Purchaser will comply with all applicable laws and regulations in effect in any jurisdiction in which the Purchaser purchases (or acquires pursuant to the transaction described herein or sells) Shares and will obtain any consent, approval or permission required for such purchases, acquisitions or sales under the laws and regulations of any jurisdiction to which the Purchaser is subject or in which the Purchaser makes such purchases, acquisitions or sales, and the Company shall have no responsibility therefor. The operations of the Purchaser have been conducted in material compliance with the rules and regulations administered or conducted by the U.S. Department of Treasury Office of Foreign Assets Control ("OFAC") applicable to the Purchaser. The Purchaser has performed due diligence necessary to reasonably determine that its beneficial owners are not named on the lists of denied parties or blocked persons administered by OFAC, resident in or organized under the laws of a country that is the subject of comprehensive economic sanctions and embargoes administered or conducted by OFAC ("Sanctions"), or otherwise the subject of Sanctions.

3.6 No Guarantees. Each Purchaser confirms that neither the Company nor any Agent has (A) given any guarantee or representation as to the potential success, return, effect or benefit (either legal, regulatory, tax, financial accounting or otherwise) of an investment in the Shares or (B) made any representation to such Purchaser regarding the legality of an investment in the Shares under applicable investment guidelines, laws or regulations.

3.7 No Brokers or Finders. None of such Purchaser nor any of its officers or directors or persons serving in a similar capacity has retained or authorized any agent, investment banker, financial advisor, broker, finder or other intermediary to act on behalf of such Purchaser or incurred any liability for any agent's, banker's, financial advisor's, broker's or finder's fees or commissions in connection with the transactions contemplated by this Agreement.

3.8 Other Transactions. The Purchaser acknowledges and agrees that it has not transacted, and will not transact, in any securities of the Company, including, but not limited to, any hedging transactions (other than, to the extent applicable, any sale to the Company of the Company's 3.25% Convertible Senior Notes due 2030 (the "2030 Notes") and 3.50% Convertible Senior Notes due 2029 (the "2029 Notes") held by the Purchaser (the 2030 Notes and the 2029 Notes collectively, the "Notes") or the purchase from the Company by the Purchaser of any new notes due 2032 or new notes due 2033) from the time the Purchaser was first contacted by the Company or any Agent with respect to the Transaction until after the confidential information (as described in the confirmatory email received by the Purchaser from any Agent (the "Wall Cross Email")) is made public or the Purchaser's confidentiality obligations described in the Wall Cross Email have expired.

3.9 Affiliate Status. The Purchaser is not directly, or indirectly through one or more intermediaries, controlling or controlled by, or under direct or indirect common control with, the Company and is not, and has not been for the immediately preceding three months, an "affiliate" (within the meaning of Rule 144 under the Securities Act) (an "Affiliate") of the Company. The Purchaser and its Affiliates collectively beneficially own and will beneficially own as of the Closing Date (but without giving effect to the Transaction) (i) less than 5% of the outstanding Ordinary shares and (ii) less than 5% of the aggregate number of votes that may be cast by holders of those outstanding securities of the Company that entitle the holders thereof to vote generally on all matters submitted to the Company's stockholders for a vote (the "Voting Power"). Immediately after the receipt by the Purchaser of Shares in the Transaction, the aggregate number of Ordinary shares owned by the Purchaser and its Affiliates, together with the aggregate number of shares equal to the notional value of any "long" derivative transaction relating to such Ordinary shares to which the Purchaser or its Affiliate is a party (excluding derivative transactions relating to broad-based indices and any interest in the Notes), will not exceed 4.9% of the outstanding Ordinary shares. The Purchaser is not and will not be as of the Closing Date, a subsidiary, Affiliate or, to its knowledge, otherwise closely related to any director or officer of the Company or beneficial owner of 5% or more of the outstanding Ordinary shares or Voting Power (each such director, officer or beneficial owner, a "Related Party") and, to the Purchaser's knowledge, no Related Party beneficially owns or as of the Closing Date shall beneficially own 5% or more of the outstanding voting equity, or votes entitled to be cast by the outstanding voting equity, of the Purchaser.

3.10 Represented Accounts. If a Purchaser is acting on behalf of a Represented Account hereunder, such Purchaser has (i) sole investment discretion with respect to each such Represented Account, (ii) full power to make the foregoing representations, warranties and covenants on behalf of such Represented Account and (iii) the contractual authority to enter into this Agreement and to carry out the transactions contemplated hereby with respect to such Represented Account.

3.11 Qualified Institutional Buyer. Such Purchaser and each Represented Account for which it is acting are each (i) a qualified institutional buyer (as defined in Rule 144A under the Securities Act) and (ii) an accredited investor (as defined in Rule 501 of Regulation D under the Securities Act) and, in the case of (ii), either (x) an institutional account as defined in FINRA Rule 4512(c) or (y) a qualified purchaser, as defined in Section 2(a)(51)(A) of the Investment Company Act, as amended. Accordingly, such Purchaser acknowledges that the Transaction meets the exemptions from filing under FINRA Rules 5123(b)(1)(A), (B), (C) or (J).

3.12 Australia. Each Purchaser acknowledges that no prospectus, product, disclosure statement, offering memorandum or other form of disclosure document will be lodged with the Australian Securities and Investments Commission in connection with the offer of the Shares. In addition, by applying for the Shares, the Purchaser acknowledges and undertakes that, for a period of 12 months from the date of issue of the Shares, it is not permitted to make an offer for sale of any Shares to any person in Australia for which disclosure would be required in accordance with Part 6D.2 or 7.9 of the Corporations Act.

SECTION 4. Termination.

4.1 Conditions of Termination. Notwithstanding anything to the contrary contained herein, with respect to any individual Purchaser, this Agreement may be terminated (a) at any time before the Closing by mutual written agreement of the Company and the respective Purchaser, (b) by either Party if (i) the Closing shall not have occurred on or before December 15, 2025 or (ii) any governmental authority of competent jurisdiction shall have issued or entered any governmental order or taken any other action permanently restraining, enjoining or otherwise prohibiting or making illegal the consummation of any of the transactions contemplated herein.

4.2 Effect of Termination. In the event of termination pursuant to Section 4.1 hereof, this Agreement shall become null and void with respect to any individual Purchaser and have no effect (other than this Section 4.2 and Section 5, which shall survive termination) with no liability on the part of the Company or the respective Purchaser, or their directors, officers, agents or stockholders, with respect to this Agreement, except for the liability of any willful or intentional breach of this Agreement.

SECTION 5. Miscellaneous.

5.1 Further Assurances. In case at any time after the Closing any further action is necessary or desirable to carry out the purposes of this Agreement or the transactions contemplated hereby, each of the Parties will take such further action (including the execution and delivery of such further instruments and documents) as the other Party may reasonably request, at the requesting Party's expense.

5.2 Assignability. Neither this Agreement nor any right, remedy, obligation or liability arising hereunder or by reason hereof shall be assignable by either the Company or a Purchaser without the prior written consent of the other party.

5.3 Counterparts. This Agreement may be executed simultaneously in counterparts (including by means of facsimile or other electronic transmission), any one of which need not contain the signatures of more than one Party, but all such counterparts taken together shall constitute one and the same agreement. The words “execution,” “signed,” “signature” and words of like import in this Agreement or in any other certificate, agreement or document related to this Agreement shall include images of manually executed signatures transmitted by email or other electronic format (including, without limitation, “pdf,” “tif” or “jpg”) and other electronic signatures (including, without limitation, DocuSign and AdobeSign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the UCC.

5.4 Descriptive Headings: Interpretation. The headings and captions used in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Any capitalized terms used in Schedule A and not otherwise defined therein shall have the meanings set forth in this Agreement. The use of the word “including” herein shall mean “including without limitation”. The Parties intend that each representation, warranty and covenant contained herein shall have independent significance.

5.5 Entire Agreement. This Agreement and the agreements and documents referred to herein contain the entire agreement and understanding among the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, whether written or oral, relating to such subject matter in any way.

5.6 Amendment. This Agreement may be amended, modified, discharged, terminated or supplemented but only in writing (including a writing evidenced by a facsimile transmission or other electronic transmission) signed by the Party against which enforcement is sought.

5.7 Expenses. Each Party will bear its own fees and expenses in connection with the transactions contemplated hereby.

5.8 APPLICABLE LAW; WAIVER OF JURY TRIAL. THIS AGREEMENT, AND ANY CLAIM, COUNTERCLAIM OR DISPUTE OF ANY KIND OR NATURE WHATSOEVER ARISING OUT OF OR IN ANY WAY RELATING TO THIS AGREEMENT, SHALL BE GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. THE PARTIES AGREE TO WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY DISPUTE ARISING FROM OR RELATED TO THIS AGREEMENT.

5.9 Submission to Jurisdiction. Each Party agrees that any suit, action or proceeding brought by it against the other Party arising out of or based upon this Agreement or the transactions contemplated hereby shall be instituted exclusively in federal court in The City of New York, New York, and waives any objection which it may now or hereafter have to the laying of venue of any such proceeding. Each Party agrees that final judgment in any such suit, action or proceeding brought in such court shall be conclusive and binding upon the Company and the Purchasers, as applicable, and may be enforced in any court to the jurisdiction of which the applicable Party, is subject by a suit upon such judgment.

5.10 Survival. All authority herein conferred or agreed to be conferred in this Agreement shall survive the dissolution of such Purchaser and any representation, warranty, undertaking and obligation of such Purchaser hereunder shall be binding upon the trustees in bankruptcy, legal representatives, successors and assigns of such Purchaser.

5.11 Notices. All notices, demands or other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be sent to the Company and the Purchasers at the addresses set forth below:

5.12 Notification of Changes. Each Purchaser hereby covenants and agrees to notify the Company upon the occurrence of any event prior to the Closing Date that would cause any representation, warranty or covenant of such Purchaser contained in this Agreement to be false or incorrect.

5.13 No Construction Against Draftsperson. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

5.14 Non-Reliance by Purchaser. Each Purchaser acknowledges that (i) it has not relied on any statement or information provided by any Agent concerning the Company or the Transaction in making its decision to purchase Shares, (ii) any Agent has not acted as a financial advisor or fiduciary with respect to the Purchaser and (iii) any Agent is not responsible for the accuracy, completeness or adequacy of any information supplied to the Purchaser by any Agent on behalf of the Company.

Each Purchaser agrees that any Agent shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any Purchaser for or in connection with the Transaction, except for any such liability for losses, claims, damages or liabilities (or fees or expenses relating thereto) incurred by a Purchaser that are finally judicially determined to have resulted from the bad faith or gross negligence of any Agent.

To deliver Cash Payment:

You must deliver to the Company the applicable Cash Payment by wire transfer of immediately available funds to the account of the Company . **You should initiate the wire transfer no later than 9:00 a.m. New York City Time on December 8, 2025.**

Important: This share purchase is a separate transaction from the note repurchase transaction that will be closed concurrently on December 8, 2025. However, the Company intends to use the proceeds from the share purchase transaction, together with proceeds from the concurrent transactions, to pay for the note repurchase payment. **Accordingly, in order to ensure that both the share purchase and the note repurchase close on December 8, 2025, the Cash Payment should be sent as early as possible on December 8, 2025.**

To receive Shares:

You must post, **no later than 9:00 a.m, New York City time**, a deposit request for the Shares through the DTC via DWAC. **It is important that this instruction be submitted and the DWAC posted on December 8, 2025.**

Closing

Each party to this Indenture (as defined below) agrees as follows for the benefit of the other party and for the equal and ratable benefit of the Holders (as defined below) of the Company’s 0.25% Convertible Senior Notes due 2032 (the “**Notes**”).

Article 1. DEFINITIONS; RULES OF CONSTRUCTION

Section 1.01. Definitions.

“**Additional Interest**” means any interest that accrues on any Note pursuant to **Section 3.04**.

“**Bid Solicitation Agent**” means the Person who is required to obtain bids for the Trading Price in accordance with **Section 5.01(C)(i)(2)** and the definition of “Trading Price.” The initial Bid Solicitation Agent on the Issue Date will be the Company; *provided, however*, that the Company may appoint any other Person (including any of the Company’s Subsidiaries) to be the Bid Solicitation Agent at any time after the Issue Date without prior notice.

“**Board of Directors**” means the board of directors of the Company or a committee of such board duly authorized to act on behalf of such board.

“**Business Day**” means any day other than a Saturday, a Sunday or any day on which the Federal Reserve Bank of New York is authorized or required by law or executive order to close or be closed.

“**Capital Stock**” of any Person means any and all shares of, interests in, rights to purchase, warrants or options for, participations in, or other equivalents of, in each case however designated, the equity of such Person, but excluding any debt securities convertible into, or exchangeable for, such equity.

“**Change in Tax Law**” means any change or amendment in the laws, rules or regulations of a Relevant Taxing Jurisdiction, or any change in an official written interpretation, administration or application of such laws, rules or regulations by any legislative body, court, governmental taxing authority or regulatory or administrative authority of such Relevant Taxing Jurisdiction (including the enactment of any legislation and the publication of any judicial decision or regulatory or administrative interpretation or determination) affecting taxation, which change or amendment (A) had not been theretofore publicly announced; and (B) becomes effective (including becoming effective retrospectively) on or after December 2, 2025 (or, if the Relevant Taxing Jurisdiction was not a Relevant Taxing Jurisdiction on such date, the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction).

“**Close of Business**” means 5:00 p.m., New York City time.

“**Common Equity**” of any Person means Capital Stock of such Person that is generally entitled (A) to vote in the election of directors of such Person; or (B) if such Person is not a corporation, to vote or otherwise participate in the selection of the governing body, partners, managers or others that will control the management or policies of such Person.

“**Conversion**” means, with respect to any Note, the conversion of such note pursuant to **Article 5** into Conversion Consideration. The terms “Convert,” “Converted,” “Convertible,” “Converting” and similar capitalized terms have meanings correlative to the foregoing.

“**Conversion Date**” means, with respect to a Note, the first Business Day on which the requirements set forth in **Section 5.02(A)** to Convert such Note are satisfied, subject to **Section 5.03(C)**.

“**Conversion Price**” means, as of any time, an amount equal to (A) one thousand dollars (\$1,000) *divided by* (B) the Conversion Rate in effect at such time.

“**Conversion Rate**” initially means 19.4553 Ordinary Shares per \$1,000 principal amount of Notes; *provided, however*, that the Conversion Rate is subject to adjustment pursuant to **Article 5**; *provided, further*, that whenever this Indenture refers to the Conversion Rate as of a particular date without setting forth a particular time on such date, such reference will be deemed to be to the Conversion Rate immediately after the Close of Business on such date.

“**Conversion Share**” means any Ordinary Share issued or issuable upon Conversion of any Note.

“**Daily Cash Amount**” means, with respect to any VWAP Trading Day, the lesser of (A) the applicable Daily Maximum Cash Amount; and (B) the Daily Conversion Value for such VWAP Trading Day.

“**Daily Conversion Value**” means, with respect to any VWAP Trading Day, one-thirtieth (1/30th) of the product of (A) the Conversion Rate on such VWAP Trading Day; and (B) the Daily VWAP per Ordinary Share on such VWAP Trading Day.

For the avoidance of doubt, the Daily Share Amount will be zero for such VWAP Trading Day if such Daily Conversion Value does not exceed such Daily Maximum Cash Amount.

“**Daily VWAP**” means, for any VWAP Trading Day, the per share volume-weighted average price of the Ordinary Shares as displayed under the heading “Bloomberg VWAP” on Bloomberg page “IREN <EQUITY> AQR” (or, if such page is not available, its equivalent successor page) in respect of the period from the scheduled open of trading until the scheduled close of trading of the primary trading session on such VWAP Trading Day (or, if such volume-weighted average price is unavailable, the market value of one Ordinary Share on such VWAP Trading Day, determined, using a volume-weighted average price method, by a nationally recognized independent investment banking firm selected by the Company, which may be any of the Initial Purchasers). The Daily VWAP will be determined without regard to after-hours trading or any other trading outside of the regular trading session.

“**De-Legending Deadline Date**” means, with respect to any Note, the fifteenth (15th) day after the Free Trade Date of such Note; *provided, however*, that if the De-Legending Deadline Date determined as aforesaid would be after a Regular Record Date and before the fifth (5th) Business Day immediately after the next Interest Payment Date, then the De-Legending Deadline Date for such Note will instead be the fifth (5th) Business Day immediately after such Interest Payment Date.

“**Effective Date**,” in relation to a share split or share combination of Ordinary Shares, means the first date on which the Ordinary Shares trade on the relevant stock exchange, regular way, reflecting the relevant share split or share combination, as applicable.

“**Ex-Dividend Date**” means, with respect to an issuance, dividend or distribution on the Ordinary Shares, the first date on which Ordinary Shares trade on the applicable exchange or in the applicable market, regular way, without the right to receive such issuance, dividend or distribution (including pursuant to due bills or similar arrangements required by the relevant stock exchange). For the avoidance of doubt, any alternative trading convention on the applicable exchange or market in respect of the Ordinary Shares under a separate ticker symbol or CUSIP number will not be considered “regular way” for this purpose.

“**Exchange Act**” means the U.S. Securities Exchange Act of 1934, as amended.

“**Exempted Fundamental Change**” means any Fundamental Change with respect to which, in accordance with **Section 4.02(I)**, the Company does not offer to repurchase any Notes.

For the avoidance of doubt, whether a Note is deemed to be identified by a “restricted” CUSIP or ISIN number or to bear the Restricted Note Legend is subject to **Section 2.12**.

“**Fundamental Change**” means any of the following events:

(A) a “person” or “group” (within the meaning of Section 13(d)(3) of the Exchange Act), other than the Company or its Wholly Owned Subsidiaries, or their respective employee benefit plans, files any report with the SEC indicating that such person or group has become the direct or indirect “beneficial owner” (as defined below) of more than fifty percent (50%) of all of the Ordinary Shares;

(B) the consummation of (i) any sale, lease or other transfer, in one transaction or a series of transactions, of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to any Person, other than solely to one or more of the Company's Wholly Owned Subsidiaries; or (ii) any transaction or series of related transactions in connection with which (whether by means of merger, consolidation, share exchange, combination, reclassification, recapitalization, acquisition, liquidation or otherwise) all of the Ordinary Shares are exchanged for, converted into, acquired for, or constitute solely the right to receive, other securities, cash or other property; *provided, however*, that any merger, consolidation, share exchange or combination of the Company pursuant to which the Persons that directly or indirectly "beneficially owned" (as defined below) all classes of the Company's Common Equity immediately before such transaction directly or indirectly "beneficially own," immediately after such transaction, more than fifty percent (50%) of all classes of Common Equity of the surviving, continuing or acquiring company or other transferee, as applicable, or the parent thereof, in substantially the same proportions vis-à-vis each other as immediately before such transaction will be deemed not to be a Fundamental Change pursuant to this **clause (B)**;

(C) the Company's shareholders approve any plan or proposal for the liquidation or dissolution of the Company; or

(D) the Ordinary Shares cease to be listed on any of the New York Stock Exchange, the Nasdaq Global Market or the Nasdaq Global Select Market (or any of their respective successors);

provided, however, that a transaction or event described in **clause (A)** or **(B)** above will not constitute a Fundamental Change if at least ninety percent (90%) of the consideration received or to be received by the holders of Ordinary Shares (excluding cash payments for fractional shares or pursuant to dissenters rights), in connection with such transaction or event, consists of shares of common stock or other corporate Common Equity interests listed (or depositary receipts representing shares of common stock or other corporate Common Equity interests, which depositary receipts are listed) on any of the New York Stock Exchange, the Nasdaq Global Market or the Nasdaq Global Select Market (or any of their respective successors), or that will be so listed when issued or exchanged in connection with such transaction or event, and such transaction or event constitutes an Ordinary Share Change Event whose Reference Property consists of such consideration.

For the purposes of this definition, (x) any transaction or event described in both **clause (A)** and in **clause (B)(i)** or **(ii)** above (without regard to the proviso in **clause (B)**) will be deemed to occur solely pursuant to **clause (B)** above (subject to such proviso); and (y) whether a Person is a "beneficial owner," whether shares are "beneficially owned," and percentage beneficial ownership, will be determined in accordance with Rule 13d-3 under the Exchange Act.

“**Last Reported Sale Price**” of the Ordinary Shares for any Trading Day means the closing sale price per Ordinary Share (or, if no closing sale price is reported, the average of the last bid price and the last ask price per Ordinary Share or, if more than one in either case, the average of the average last bid prices and the average last ask prices per Ordinary Share) on such Trading Day as reported in composite transactions for the principal U.S. national or regional securities exchange on which the Ordinary Shares are then listed. If the Ordinary Shares are not listed on a U.S. national or regional securities exchange on such Trading Day, then the Last Reported Sale Price will be the last quoted bid price per Ordinary Share on such Trading Day in the over-the-counter market as reported by OTC Markets Group Inc. or a similar organization. If the Ordinary Shares are not so quoted on such Trading Day, then the Last Reported Sale Price will be the average of the mid-point of the last bid price and the last ask price per Ordinary Share on such Trading Day from a nationally recognized independent investment banking firm selected by the Company, which may be any of the Initial Purchasers. Neither the Trustee nor the Conversion Agent will have any duty to determine the Last Reported Sale Price.

“**Make-Whole Fundamental Change**” means (A) a Fundamental Change (determined after giving effect to the proviso immediately after **clause (D)** of the definition thereof, but without regard to the proviso to **clause (B)(ii)** of such definition); or (B) the sending of a Redemption Notice pursuant to **Section 4.03(G)**; *provided, however*, that, subject to **Section 4.03(K)**, the sending of a Redemption Notice for a Provisional Redemption will constitute a Make-Whole Fundamental Change only with respect to the Notes called for a Provisional Redemption pursuant to such Redemption Notice and not with respect to any other Notes.

“**Make-Whole Fundamental Change Conversion Period**” has the following meaning:

(A) in the case of a Make-Whole Fundamental Change pursuant to **clause (A)** of the definition thereof, the period from, and including, the Make-Whole Fundamental Change Effective Date of such Make-Whole Fundamental Change to, and including, the thirty fifth (35th) Trading Day after such Make-Whole Fundamental Change Effective Date (or, if such Make-Whole Fundamental Change also constitutes a Fundamental Change (other than an Exempted Fundamental Change), to, but excluding, the related Fundamental Change Repurchase Date); and

(B) in the case of a Make-Whole Fundamental Change pursuant to **clause (B)** of the definition thereof, the period from, and including, the Redemption Notice Date for the related Redemption to, and including, the second (2nd) Business Day immediately before the related Redemption Date;

provided, however, that if the Conversion Date for the Conversion of a Note that has been called for Redemption occurs during the Make-Whole Fundamental Change Conversion Period for both a Make-Whole Fundamental Change occurring pursuant to **clause (A)** of the definition of “Make-Whole Fundamental Change” and a Make-Whole Fundamental Change resulting from such Redemption pursuant to **clause (B)** of such definition, then, notwithstanding anything to the contrary in **Section 5.07**, solely for purposes of such Conversion, (x) such Conversion Date will be deemed to occur solely during the Make-Whole Fundamental Change Conversion Period for the Make-Whole Fundamental Change with the earlier Make-Whole Fundamental Change Effective Date; and (y) the Make-Whole Fundamental Change with the later Make-Whole Fundamental Change Effective Date will be deemed not to have occurred.

“**Make-Whole Fundamental Change Effective Date**” means (A) with respect to a Make-Whole Fundamental Change pursuant to **clause (A)** of the definition thereof, the date on which such Make-Whole Fundamental Change occurs or becomes effective; and (B) with respect to a Make-Whole Fundamental Change pursuant to **clause (B)** of the definition thereof, the applicable Redemption Notice Date.

Article 2. THE NOTES

Section 2.01. Form, Dating and Denominations.

The Notes and the Trustee’s certificate of authentication will be substantially in the form set forth in **Exhibit A**. The Notes will bear the legends required by **Section 2.09** and may bear notations, legends or endorsements required by law, stock exchange rule or usage or the Depositary. Each Note will be dated as of the date of its authentication.

Except to the extent otherwise provided in a Company Order delivered to the Trustee in connection with the issuance and authentication thereof, the Notes will be issued initially in the form of one or more Global Notes. Global Notes may be exchanged for Physical Notes, and Physical Notes may be exchanged for Global Notes, only as provided in **Section 2.10**.

The Notes will be issuable only in registered form without interest coupons and only in Authorized Denominations.

Each certificate representing a Note will bear a unique registration number that is not affixed to any other certificate representing another outstanding Note.

The terms contained in the Notes constitute part of this Indenture, and, to the extent applicable, the Company and the Trustee, by their execution and delivery of this Indenture, agree to such terms and to be bound thereby; *provided, however*, that, to the extent that any provision of any Note conflicts with the provisions of this Indenture, the provisions of this Indenture will control for purposes of this Indenture and such Note.

Section 2.02. Execution, Authentication and Delivery.

(A) *Due Execution by the Company.* At least one (1) duly authorized Officer will sign the Notes on behalf of the Company by manual, electronic or facsimile signature. A Note's validity will not be affected by the failure of any Officer whose signature is on any Note to hold, at the time such Note is authenticated, the same or any other office at the Company.

(B) *Authentication by the Trustee and Delivery.*

(i) No Note will be valid until it is authenticated by the Trustee. A Note will be deemed to be duly authenticated only when an authorized signatory of the Trustee (or a duly appointed authenticating agent) manually signs the certificate of authentication of such Note.

(ii) The Trustee will cause an authorized signatory of the Trustee (or a duly appointed authenticating agent) to manually sign the certificate of authentication of a Note only if (1) the Company delivers such Note to the Trustee; (2) such Note is executed by the Company in accordance with **Section 2.02(A)**; and (3) the Company delivers a Company Order to the Trustee that (a) requests the Trustee to authenticate such Note; and (b) sets forth the name of the Holder of such Note and the date as of which such Note is to be authenticated. If such Company Order also requests the Trustee to deliver such Note to any Holder or to the Depository, then the Trustee will promptly deliver such Note in accordance with such Company Order.

(iii) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. A duly appointed authenticating agent may authenticate Notes whenever the Trustee may do so under this Indenture, and a Note authenticated as provided in this Indenture by such an agent will be deemed, for purposes of this Indenture, to be authenticated by the Trustee. Each duly appointed authenticating agent will have the same rights to deal with the Company as the Trustee would have if it were performing the duties that the authenticating agent was validly appointed to undertake.

Section 2.03. Initial Notes and Additional Notes.

(A) *Initial Notes.* On the Issue Date, there will be originally issued one billion one hundred fifty million dollars (\$1,150,000,000) aggregate principal amount of Notes, subject to the provisions of this Indenture (including **Section 2.02**). Notes issued pursuant to this **Section 2.03(A)**, and any Notes issued in exchange therefor or in substitution thereof, are referred to in this Indenture as the "**Initial Notes**."

(B) *Additional Notes.* Without the consent of any Holder, the Company may, subject to the provisions of this Indenture (including **Section 2.02**), originally issue additional Notes with the same terms as the Initial Notes (except, to the extent applicable, with respect to the date as of which interest begins to accrue on such additional Notes and the first Interest Payment Date for, and the Last Original Issue Date of, such additional Notes), which additional Notes will, subject to the foregoing, be considered to be part of the same series of, and rank equally and ratably with all other, Notes issued under this Indenture; *provided, however*, that if any such additional Notes (and any Notes that are resold after such Notes have been purchased or otherwise acquired by the Company or its Subsidiaries) are not fungible with other Notes issued under this Indenture for purposes of federal income tax or federal securities laws or, if applicable, the Depository Procedures, then such additional or resold Notes will be identified by a separate CUSIP number or by no CUSIP number.

Section 2.04. Method of Payment.

(A) *Global Notes.* The Company will pay, or cause the Paying Agent to pay, the principal (whether due upon maturity on the Maturity Date, Redemption on a Redemption Date or repurchase on a Fundamental Change Repurchase Date or otherwise) of, interest on, and any cash Conversion Consideration for, any Global Note to the Depository by wire transfer of immediately available funds no later than the time the same is due as provided in this Indenture.

(B) *Physical Notes.* The Company will pay, or cause the Paying Agent to pay, the principal (whether due upon maturity on the Maturity Date, Redemption on a Redemption Date or repurchase on a Fundamental Change Repurchase Date or otherwise) of, interest on, and any cash Conversion Consideration for, any Physical Note no later than the time the same is due as provided in this Indenture as follows: (i) if the principal amount of such Physical Note is at least five million dollars (\$5,000,000) (or such lower amount as the Company may choose in its sole and absolute discretion) and the Holder of such Physical Note entitled to such payment has delivered to the Paying Agent or the Trustee, no later than the time set forth in the immediately following sentence, a written request that the Company make such payment by wire transfer to an account of such Holder within the United States, by wire transfer of immediately available funds to such account; and (ii) in all other cases, by check mailed to the address of the Holder of such Physical Note entitled to such payment as set forth in the Register. To be timely, such written request must be so delivered no later than the Close of Business on the following date: (x) with respect to the payment of any interest due on an Interest Payment Date, the immediately preceding Regular Record Date; (y) with respect to any cash Conversion Consideration, the relevant Conversion Date; and (z) with respect to any other payment, the date that is fifteen (15) calendar days immediately before the date such payment is due.

Section 2.05. Accrual of Interest; Defaulted Amounts; When Payment Date is Not a Business Day.

(A) *Accrual of Interest.* Each Note will accrue interest at a rate per annum equal to 0.25% (the “**Stated Interest**”), plus any Default Interest, Additional Interest and Special Interest that may accrue pursuant to **Sections 2.05(B), 3.04** and **7.03**, respectively. Stated Interest on each Note will (i) accrue from, and including, the most recent date to which Stated Interest has been paid or duly provided for (or, if no Stated Interest has theretofore been paid or duly provided for, the date set forth in the certificate representing such Note as the date from, and including, which Stated Interest will begin to accrue in such circumstance) to, but excluding, the date of payment of such Stated Interest; and (ii) be, subject to **Sections 4.02(D), 4.03(F)** and **5.02(D)** (but without duplication of any payment of interest), payable semi-annually in arrears on each Interest Payment Date, beginning on the first Interest Payment Date set forth in the certificate representing such Note, to the Holder of such Note as of the Close of Business on the immediately preceding Regular Record Date. Stated Interest, and, if applicable, Additional Interest and Special Interest, on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(B) *Defaulted Amounts.* If the Company fails to pay any amount (a “**Defaulted Amount**”) payable on a Note on or before the due date therefor as provided in this Indenture, then, regardless of whether such failure constitutes an Event of Default, (i) such Defaulted Amount will forthwith cease to be payable to the Holder of such Note otherwise entitled to such payment; (ii) to the extent lawful, interest (“**Default Interest**”) will accrue on such Defaulted Amount at a rate per annum equal to the rate per annum at which Stated Interest accrues, from, and including, such due date to, but excluding, the date of payment of such Defaulted Amount and Default Interest; (iii) such Defaulted Amount and Default Interest will be paid on a payment date selected by the Company to the Holder of such Note as of the Close of Business on a special record date selected by the Company, *provided* that such special record date must be no more than fifteen (15), nor less than ten (10), calendar days before such payment date; and (iv) at least fifteen (15) calendar days before such special record date, the Company will send notice to the Trustee and the Holders that states such special record date, such payment date and the amount of such Defaulted Amount and Default Interest to be paid on such payment date. For the avoidance of doubt, if any Defaulted Amounts, together with any required Default Interest, are paid to Holders in accordance with the terms of this Indenture prior to (x) the expiration of any applicable grace period with respect to the Default in the relevant payment set forth in **Section 7.01(A)**; or (y) if later, the delivery of any notice of acceleration pursuant to **Section 7.02(B)** with respect to the Event of Default relating to such Default in the relevant payment, such payment Default or Event of Default shall be deemed cured and the Notes shall not be subject to acceleration on account of such payment Default or Event of Default.

(C) *Delay of Payment When Payment Date is Not a Business Day.* If the due date for a payment on a Note as provided in this Indenture is not a Business Day, then, notwithstanding anything to the contrary in this Indenture or the Notes, such payment may be made on the immediately following Business Day with the same force and effect as if such payment were made on such due date (and, for the avoidance of doubt, no interest will accrue on such payment as a result of the related delay). Solely for purposes of the immediately preceding sentence, a day on which the applicable place of payment is authorized or required by law or executive order to close or be closed will be deemed not to be a “Business Day.”

Section 2.06. Registrar, Paying Agent and Conversion Agent.

(A) *Generally.* The Company will maintain (i) an office or agency in the continental United States where Notes may be presented for registration of transfer or for exchange (the “**Registrar**”); (ii) an office or agency in the continental United States where Notes may be presented for payment (the “**Paying Agent**”); and (iii) an office or agency in the continental United States where Notes may be presented for Conversion (the “**Conversion Agent**”). If the Company fails to maintain a Registrar, Paying Agent or Conversion Agent, then the Trustee will act as such and will receive compensation therefor in accordance with this Indenture and any other agreement between the Trustee and the Company. For the avoidance of doubt, the Company or any of its Subsidiaries may act as Registrar, Paying Agent or Conversion Agent. Notwithstanding anything to the contrary in this **Section 2.06(A)**, each of the Registrar, Paying Agent and Conversion Agent with respect to any Global Note must at all times be a Person that is eligible to act in that capacity under the Depository Procedures.

(B) *Duties of the Registrar.* The Registrar will keep a record (the “**Register**”) of the names and addresses of the Holders, the Notes held by each Holder and the transfer, exchange, repurchase, Redemption and Conversion of Notes. The Register will be in written form or in any form capable of being converted into written form reasonably promptly.

Subject to **Section 2.06(A)**, the Company may change any Registrar, Paying Agent or Conversion Agent (including appointing itself or any of its Subsidiaries to act in such capacity) without notice to any Holder. The Company will notify the Trustee (and, upon request, any Holder) of the name and address of each Note Agent, if any, not a party to this Indenture and will enter into an appropriate agency agreement with each such Note Agent, which agreement will implement the provisions of this Indenture that relate to such Note Agent.

(D) *Initial Appointments.* The Company appoints the Trustee as, and designates its corporate trust office identified in **Section 11.01** in the continental United States as the office for, the initial Paying Agent, the initial Registrar and the initial Conversion Agent.

The Company will require each Paying Agent or Conversion Agent that is not the Trustee to agree in writing that such Note Agent will (A) hold in trust for the benefit of Holders or the Trustee all money and other property held by such Note Agent for payment or delivery due on the Notes; and (B) notify the Trustee of any default by the Company in making any such payment or delivery. The Company, at any time, may, and the Trustee, while any Default continues, may, require a Paying Agent or Conversion Agent to pay or deliver, as applicable, all money and other property held by it to the Trustee, after which payment or delivery, as applicable, such Note Agent (if not the Company or any of its Subsidiaries) will have no further liability for such money or property. If the Company or any of its Subsidiaries acts as Paying Agent or Conversion Agent, then (A) it will segregate and hold in a separate trust fund for the benefit of the Holders or the Trustee all money and other property held by it as Paying Agent or Conversion Agent; and (B) references in this Indenture or the Notes to the Paying Agent or Conversion Agent holding cash or other property, or to the delivery of cash or other property to the Paying Agent or Conversion Agent, in each case for payment or delivery to any Holders or the Trustee or with respect to the Notes, will be deemed to refer to cash or other property so segregated and held separately, or to the segregation and separate holding of such cash or other property, respectively. Upon the occurrence of any event pursuant to **clause (viii) or (ix) of Section 7.01(A)** with respect to the Company (or with respect to any Subsidiary of the Company acting as Paying Agent or Conversion Agent), the Trustee will serve as the Paying Agent or Conversion Agent, as applicable, for the Notes.

Section 2.08. Holder Lists.

If the Trustee is not the Registrar, then the Company will furnish to the Trustee, no later than seven (7) Business Days before each Interest Payment Date, and at such other times as the Trustee may request, a list, in such form and as of such date or time as the Trustee may reasonably require, of the names and addresses of the Holders.

Section 2.09. Legends.

(A) *Global Note Legend.* Each Global Note will bear the Global Note Legend (or any similar legend, not inconsistent with this Indenture, required by the Depository for such Global Note).

(B) *Non-Affiliate Legend.* Each Note will bear the Non-Affiliate Legend.

(C) *Restricted Note Legend.* Subject to **Section 2.12**,

(i) each Note that is a Transfer-Restricted Security will bear the Restricted Note Legend; and

(ii) if a Note is issued in exchange for, in substitution of, or to effect a partial Conversion of, another Note (such other Note being referred to as the “old Note” for purposes of this **Section 2.09(C)(ii)**), including pursuant to **Section 2.10(B)**, **2.10(C)**, **2.11** or **2.13**, then such Note will bear the Restricted Note Legend if such old Note bore the Restricted Note Legend at the time of such exchange or substitution, or on the related Conversion Date with respect to such Conversion, as applicable; *provided, however*, that such Note need not bear the Restricted Note Legend if such Note does not constitute a Transfer-Restricted Security immediately after such exchange or substitution, or as of such Conversion Date, as applicable.

(D) *Other Legends.* A Note may bear any other legend or text, not inconsistent with this Indenture, as may be required by applicable law or by any securities exchange or automated quotation system on which such Note is traded or quoted.

(E) *Acknowledgment and Agreement by the Holders.* A Holder’s acceptance of any Note bearing any legend required by this **Section 2.09** will constitute such Holder’s acknowledgment of, and agreement to comply with, the restrictions set forth in such legend.

(F) *Restricted Share Legend.*

(i) Each Conversion Share will bear the Restricted Share Legend if the Note upon the Conversion of which such Conversion Share was issued was (or would have been had it not been Converted) a Transfer-Restricted Security at the time such Conversion Share was issued; *provided, however*, that such Conversion Share need not bear the Restricted Share Legend if the Company determines, in its reasonable discretion, that such Conversion Share need not bear the Restricted Share Legend.

(ii) Notwithstanding anything to the contrary in this **Section 2.09(F)**, a Conversion Share need not bear a Restricted Share Legend if such Conversion Share is issued in an uncertificated form that does not permit affixing legends thereto, *provided* the Company takes measures (including the assignment thereto of a “restricted” CUSIP number) that it reasonably deems appropriate to enforce the transfer restrictions referred to in the Restricted Share Legend.

Section 2.10. Transfers and Exchanges; Certain Transfer Restrictions.

(A) *Provisions Applicable to All Transfers and Exchanges.*

(i) *Generally.* Subject to this **Section 2.10**, Physical Notes and beneficial interests in Global Notes may be transferred or exchanged from time to time and the Registrar will record each such transfer or exchange in the Register.

(ii) *Transferred and Exchanged Notes Remain Valid Obligations of the Company.* Each Note issued upon transfer or exchange of any other Note (such other Note being referred to as the “old Note” for purposes of this **Section 2.10(A)(ii)**) or portion thereof in accordance with this Indenture will be the valid obligation of the Company, evidencing the same indebtedness, and entitled to the same benefits under this Indenture, as such old Note or portion thereof, as applicable.

(iii) *No Services Charge; Transfer Taxes.* The Company, the Trustee and the Note Agents will not impose any service charge on any Holder for any transfer, exchange or Conversion of Notes, but the Company, the Trustee, the Registrar and the Conversion Agent may require payment of a sum sufficient to cover any transfer tax or similar governmental charge that may be imposed in connection with any transfer, exchange or Conversion of Notes, other than exchanges pursuant to **Section 2.11, 2.17** or **8.05** not involving any transfer.

(iv) *Transfers and Exchanges Must Be in Authorized Denominations.* Notwithstanding anything to the contrary in this Indenture or the Notes, a Note may not be transferred or exchanged in part unless the portion to be so transferred or exchanged is in an Authorized Denomination.

(v) *Trustee’s Disclaimer.* The Trustee will have no obligation or duty to monitor, determine or inquire as to compliance with any transfer restrictions imposed under this Indenture or applicable law with respect to any Security, other than to require the delivery of such certificates or other documentation or evidence as expressly required by this Indenture and to examine the same to determine substantial compliance as to form with the requirements of this Indenture.

(vi) *Legends.* Each Note issued upon transfer of, or in exchange for, another Note will bear each legend, if any, required by **Section 2.09**.

(vii) *Settlement of Transfers and Exchanges.* Upon satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Note, the Company will cause such transfer or exchange to be effected as soon as reasonably practicable but in no event later than the second (2nd) Business Day after the date of such satisfaction.

(viii) *Interpretation.* For the avoidance of doubt, and subject to the terms of this Indenture, as used in this **Section 2.10**, an “exchange” of a Global Note or a Physical Note includes (x) an exchange effected for the sole purpose of removing any Restricted Note Legend affixed to such Global Note or Physical Note; and (y) if such Global Note or Physical Note is identified by a “restricted” CUSIP number, an exchange effected for the sole purpose of causing such Global Note or Physical Note to be identified by an “unrestricted” CUSIP number.

(B) *Transfers and Exchanges of Global Notes.*

(i) *Certain Restrictions.* Subject to the immediately following sentence, no Global Note may be transferred or exchanged in whole except (x) by the Depositary to a nominee of the Depositary; (y) by a nominee of the Depositary to the Depositary or to another nominee of the Depositary; or (z) by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. No Global Note (or any portion thereof) may be transferred to, or exchanged for, a Physical Note; *provided, however*, that a Global Note will be exchanged, pursuant to customary procedures, for one or more Physical Notes if:

(1) (x) the Depositary notifies the Company or the Trustee that the Depositary is unwilling or unable to continue as depositary for such Global Note or (y) the Depositary ceases to be a “clearing agency” registered under Section 17A of the Exchange Act and, in each case, the Company fails to appoint a successor Depositary within ninety (90) days of such notice or cessation;

(2) an Event of Default has occurred and is continuing and the Company, the Trustee or the Registrar has received a written request from the Depositary, or from a holder of a beneficial interest in such Global Note, to exchange such Global Note or beneficial interest, as applicable, for one or more Physical Notes; or

(3) the Company, in its sole discretion, permits the exchange of any beneficial interest in such Global Note for one or more Physical Notes at the request of the owner of such beneficial interest.

(ii) *Effecting Transfers and Exchanges.* Upon satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Global Note (or any portion thereof):

(1) the Trustee will reflect any resulting decrease of the principal amount of such Global Note by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note (and, if such notation results in such Global Note having a principal amount of zero, then the Company may (but is not required to) instruct the Trustee to cancel such Global Note pursuant to **Section 2.15**);

(2) if required to effect such transfer or exchange, then the Trustee will reflect any resulting increase of the principal amount of any other Global Note by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such other Global Note;

(3) if required to effect such transfer or exchange, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a new Global Note bearing each legend, if any, required by **Section 2.09**; and

(4) if such Global Note (or such portion thereof), or any beneficial interest therein, is to be exchanged for one or more Physical Notes, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Global Note to be so exchanged; (y) are registered in such name(s) as the Depositary specifies (or as otherwise determined pursuant to customary procedures); and (z) bear each legend, if any, required by **Section 2.09**.

(iii) *Compliance with Depositary Procedures.* Each transfer or exchange of a beneficial interest in any Global Note will be made in accordance with the Depositary Procedures.

(C) *Transfers and Exchanges of Physical Notes.*

(i) *Requirements for Transfers and Exchanges.* Subject to this **Section 2.10**, a Holder of a Physical Note may (x) transfer such Physical Note (or any portion thereof in an Authorized Denomination) to one or more other Person(s); (y) exchange such Physical Note (or any portion thereof in an Authorized Denomination) for one or more other Physical Notes in Authorized Denominations having an aggregate principal amount equal to the aggregate principal amount of the Physical Note (or portion thereof) to be so exchanged; and (z) if then permitted by the Depositary Procedures, transfer such Physical Note (or any portion thereof in an Authorized Denomination) in exchange for a beneficial interest in one or more Global Notes; *provided, however*, that, to effect any such transfer or exchange, such Holder must:

(1) surrender such Physical Note to be transferred or exchanged to the office of the Registrar, together with any endorsements or transfer instruments reasonably required by the Company, the Trustee or the Registrar; and

(2) deliver such certificates, documentation or evidence as may be required pursuant to **Section 2.10(D)**.

(ii) *Effecting Transfers and Exchanges.* Upon the satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Physical Note (such Physical Note being referred to as the “old Physical Note” for purposes of this **Section 2.10(C)(ii)**) of a Holder (or any portion of such old Physical Note in an Authorized Denomination):

(1) such old Physical Note will be promptly cancelled pursuant to **Section 2.15**;

(2) if such old Physical Note is to be so transferred or exchanged only in part, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such old Physical Note not to be so transferred or exchanged; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required by **Section 2.09**;

(3) in the case of a transfer:

(a) to the Depositary or a nominee thereof that will hold its interest in such old Physical Note (or such portion thereof) to be so transferred in the form of one or more Global Notes, the Trustee will reflect an increase of the principal amount of one or more existing Global Notes by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note(s), which increase(s) are in Authorized Denominations and aggregate to the principal amount to be so transferred, and which Global Note(s) bear each legend, if any, required by **Section 2.09**; *provided, however*, that if such transfer cannot be so effected by notation on one or more existing Global Notes (whether because no Global Notes bearing each legend, if any, required by **Section 2.09** then exist, because any such increase will result in any Global Note having an aggregate principal amount exceeding the maximum aggregate principal amount permitted by the Depositary or otherwise), then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Global Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount that is to be so transferred but that is not effected by notation as provided above; and (y) bear each legend, if any, required by **Section 2.09**; and

(b) to a transferee that will hold its interest in such old Physical Note (or such portion thereof) to be so transferred in the form of one or more Physical Notes, the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount to be so transferred; (y) are registered in the name of such transferee; and (z) bear each legend, if any, required by **Section 2.09**; and

(4) in the case of an exchange, the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount to be so exchanged; (y) are registered in the name of the Person to whom such old Physical Note was registered; and (z) bear each legend, if any, required by **Section 2.09**.

(D) *Requirement to Deliver Documentation and Other Evidence.* If a Holder of any Note that is identified by a “restricted” CUSIP number or that bears a Restricted Note Legend or is a Transfer-Restricted Security requests to:

- (i) cause such Note to be identified by an “unrestricted” CUSIP number;
- (ii) remove such Restricted Note Legend; or
- (iii) register the transfer of such Note to the name of another Person,

then the Company, the Trustee and the Registrar may refuse to effect such identification, removal or transfer, as applicable, unless there is delivered to the Company, the Trustee and the Registrar such certificates or other documentation or evidence as the Company, the Trustee and the Registrar may reasonably require for the Company to determine that such identification, removal or transfer, as applicable, complies with the Securities Act and other applicable securities laws; *provided, however*, that no such certificates, documentation or evidence need be so delivered on or after the Free Trade Date with respect to such Note unless the Company determines, in its reasonable discretion, that such Note is not eligible to be offered, sold or otherwise transferred pursuant to Rule 144 or otherwise without any requirements as to volume, manner of sale, availability of current public information or notice under the Securities Act.

(E) *Transfers of Notes Subject to Redemption, Repurchase or Conversion.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Company, the Trustee and the Registrar will not be required to register the transfer of or exchange any Note that (i) has been surrendered for Conversion, except to the extent that any portion of such Note is not subject to Conversion; (ii) is subject to a Fundamental Change Repurchase Notice validly delivered, and not withdrawn, pursuant to **Section 4.02(F)**, except to the extent that any portion of such Note is not subject to such notice or the Company fails to pay the applicable Fundamental Change Repurchase Price when due; or (iii) has been selected for Redemption pursuant to a Redemption Notice, except to the extent that any portion of such Note is not subject to Redemption or the Company fails to pay the applicable Redemption Price when due.

Section 2.11. Exchange and Cancellation of Notes to Be Converted or to Be Repurchased Pursuant to a Repurchase Upon Fundamental Change or Redemption.

(A) *Partial Conversions of Physical Notes and Partial Repurchases of Physical Notes Pursuant to a Repurchase Upon Fundamental Change or Redemption.* If only a portion of a Physical Note of a Holder is to be Converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, as soon as reasonably practicable after such Physical Note is surrendered for such Conversion or repurchase, as applicable, the Company will cause such Physical Note to be exchanged, pursuant and subject to **Section 2.10(C)**, for (i) one or more Physical Notes that are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Physical Note that is not to be so Converted or repurchased, as applicable, and deliver such Physical Note(s) to such Holder; and (ii) a Physical Note having a principal amount equal to the principal amount to be so Converted or repurchased, as applicable, which Physical Note will be Converted or repurchased, as applicable, pursuant to the terms of this Indenture; *provided, however*, that the Physical Note referred to in this **clause (ii)** need not be issued at any time after which such principal amount subject to such Conversion or repurchase, as applicable, is deemed to cease to be outstanding pursuant to **Section 2.18**.

(B) *Cancellation of Notes that Are Converted and Notes that Are Repurchased Pursuant to a Repurchase Upon Fundamental Change or Redemption.*

(i) *Physical Notes.* If a Physical Note (or any portion thereof that has not theretofore been exchanged pursuant to **Section 2.11(A)**) of a Holder is to be Converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, promptly after the later of the time such Physical Note (or such portion) is deemed to cease to be outstanding pursuant to **Section 2.18** and the time such Physical Note is surrendered for such Conversion or repurchase, as applicable, (1) such Physical Note will be cancelled pursuant to **Section 2.15**; and (2) in the case of a partial Conversion or repurchase, as applicable, the Company will issue, execute and deliver to such Holder, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Physical Note that is not to be so Converted or repurchased, as applicable; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required by **Section 2.09**.

(ii) *Global Notes.* If a Global Note (or any portion thereof) is to be Converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, promptly after the time such Note (or such portion) is deemed to cease to be outstanding pursuant to **Section 2.18**, the Trustee will reflect a decrease of the principal amount of such Global Note in an amount equal to the principal amount of such Global Note to be so Converted or repurchased, as applicable, by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note (and, if the principal amount of such Global Note is zero following such notation, cancel such Global Note pursuant to **Section 2.15**).

Section 2.12. Removal of Transfer Restrictions.

Without limiting the generality of any other provision of this Indenture (including **Section 3.04**), the Restricted Note Legend affixed to any Note will be deemed, pursuant to this **Section 2.12** and the footnote to such Restricted Note Legend, to be removed therefrom upon the Company’s delivery to the Trustee of notice, signed on behalf of the Company by one (1) of its Officers, to such effect (and, for the avoidance of doubt, such notice need not be accompanied by an Officer’s Certificate or an Opinion of Counsel in order to be effective to cause such Restricted Note Legend to be deemed to be removed from such Note). If such Note bears a “restricted” CUSIP or ISIN number at the time of such delivery, then, upon such delivery, such Note will be deemed, pursuant to this **Section 2.12** and the footnotes to the CUSIP and ISIN numbers set forth on the face of the certificate representing such Note, to thereafter bear the “unrestricted” CUSIP and ISIN numbers identified in such footnotes; *provided, however*, that if such Note is a Global Note and the Depositary thereof requires a mandatory exchange or other procedure to cause such Global Note to be identified by “unrestricted” CUSIP and ISIN numbers in the facilities of such Depositary, then (i) the Company will effect such exchange or procedure as soon as reasonably practicable; and (ii) for purposes of **Section 3.04** and the definition of Freely Tradable, such Global Note will not be deemed to be identified by “unrestricted” CUSIP and ISIN numbers until such time as such exchange or procedure is effected.

Section 2.13. Replacement Notes.

If a Holder of any Note claims that such Note has been mutilated, lost, destroyed or wrongfully taken, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a replacement Note upon surrender to the Trustee of such mutilated Note, or upon delivery to the Trustee of evidence of such loss, destruction or wrongful taking reasonably satisfactory to the Trustee and the Company. The Company may charge the Holder of a Note for the Company's and the Trustee's expenses in replacing such Note pursuant to this **Section 2.13**. In addition, in the case of a lost, destroyed or wrongfully taken Note, the Company and the Trustee may require the Holder thereof to provide such security or indemnity that is satisfactory to the Company and the Trustee to protect the Company and the Trustee from any loss that any of them may suffer if such Note is replaced.

Every replacement Note issued pursuant to this **Section 2.13** will be an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and ratably with all other Notes issued under this Indenture, regardless of whether the related lost, destroyed or wrongfully taken Note is at any time enforceable by any Person.

Section 2.14. Registered Holders; Certain Rights with Respect to Global Notes.

Except to the extent rights hereunder are expressly granted to owners of beneficial interests of Notes, only the Holder of a Note will have rights under this Indenture as the owner of such Note. Without limiting the generality of the foregoing, Depositary Participants will have no rights as such under this Indenture with respect to any Global Note held on their behalf by the Depositary or its nominee, or by the Trustee as its custodian, and the Company, the Trustee and the Note Agents, and their respective agents, may treat the Depositary as the absolute owner of such Global Note for all purposes whatsoever; *provided, however*, that (A) the Holder of any Global Note may grant proxies and otherwise authorize any Person, including Depositary Participants and Persons that hold interests in Notes through Depositary Participants, to take any action that such Holder is entitled to take with respect to such Global Note under this Indenture or the Notes; and (B) the Company and the Trustee, and their respective agents, may give effect to any written certification, proxy or other authorization furnished by the Depositary.

Section 2.15. Cancellation.

The Company may at any time deliver Notes to the Trustee for cancellation. The Registrar, the Paying Agent and the Conversion Agent will forward to the Trustee each Note duly surrendered to them for transfer, exchange, payment or Conversion. The Trustee will promptly cancel all Notes so surrendered to it in accordance with its customary procedures. Without limiting the generality of **Section 2.03(B)**, the Company may not originally issue new Notes to replace Notes that it has paid or that have been cancelled upon transfer, exchange, payment or Conversion.

Section 2.16. Notes Held by the Company or its Affiliates.

Without limiting the generality of **Section 2.18**, in determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any of its Affiliates will be deemed not to be outstanding; *provided, however*, that, for purposes of determining whether the Trustee is protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned will be so disregarded.

Section 2.17. Temporary Notes.

Until definitive Notes are ready for delivery, the Company may issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, temporary Notes. Temporary Notes will be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. The Company will promptly prepare, issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, definitive Notes in exchange for temporary Notes. Until so exchanged, each temporary Note will in all respects be entitled to the same benefits under this Indenture as definitive Notes.

Section 2.18. Outstanding Notes.

(A) *Generally.* The Notes that are outstanding at any time will be deemed to be those Notes that, at such time, have been duly executed and authenticated, excluding those Notes (or portions thereof) that have theretofore been (i) cancelled by the Trustee or delivered to the Trustee for cancellation in accordance with **Section 2.15**; (ii) assigned a principal amount of zero by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of any a Global Note representing such Note; (iii) paid in full (including upon Conversion) in accordance with this Indenture; or (iv) deemed to cease to be outstanding to the extent provided in, and subject to, **clause (B), (C) or (D)** of this **Section 2.18**.

(B) *Replaced Notes.* If a Note is replaced pursuant to **Section 2.13**, then such Note will cease to be outstanding at the time of its replacement, unless the Trustee and the Company receive proof reasonably satisfactory to them that such Note is held by a “*bona fide* purchaser” under applicable law.

(C) *Maturing Notes and Notes Called for Redemption or Subject to Repurchase.* If, on a Redemption Date, a Fundamental Change Repurchase Date or the Maturity Date, the Paying Agent holds money sufficient to pay the aggregate Redemption Price, Fundamental Change Repurchase Price or principal amount, respectively, together, in each case, with the aggregate interest, in each case due on such date, then (unless there occurs a Default in the payment of any such amount) (i) the Notes (or portions thereof) to be redeemed or repurchased, or that mature, on such date will be deemed, as of such date, to cease to be outstanding, except to the extent provided in **Section 4.02(D), 4.03(F) or 5.02(D)**; and (ii) the rights of the Holders of such Notes (or such portions thereof), as such, will terminate with respect to such Notes (or such portions thereof), other than the right to receive the Redemption Price, Fundamental Change Repurchase Price or principal amount, as applicable, of, and accrued and unpaid interest on, such Notes (or such portions thereof), in each case as provided in this Indenture.

(D) *Notes to Be Converted.* At the Close of Business on the Conversion Date for any Note (or any portion thereof) to be Converted, such Note (or such portion) will (unless there occurs a Default in the delivery of the Conversion Consideration or interest due, pursuant to **Section 5.03(B)** or **Section 5.02(D)**, upon such Conversion) be redeemed for an amount equal to the principal amount of such Note and the Holder irrevocably directs the Company to apply the principal amount payable to it in acquiring the Conversion Consideration, with the result that such Note will cease to be outstanding, except to the extent provided in **Section 5.02(D)** or **Section 5.08**.

(E) *Cessation of Accrual of Interest.* Except as provided in **Section 4.02(D)**, **4.03(F)** or **5.02(D)**, interest will cease to accrue on each Note from, and including, the date that such Note is deemed, pursuant to this **Section 2.18**, to cease to be outstanding, unless there occurs a default in the payment or delivery of any cash or other property due on such Note.

Section 2.19. Repurchases by the Company.

Without limiting the generality of **Section 2.15**, the Company may, from time to time, repurchase Notes in open market purchases or in negotiated transactions without delivering prior notice to Holders.

Section 2.20. CUSIP and ISIN Numbers.

Subject to **Section 2.12**, the Company may use one or more CUSIP or ISIN numbers to identify any of the Notes, and, if so, the Company and the Trustee will use such CUSIP or ISIN number(s) in notices to Holders; *provided, however*, that (i) the Trustee makes no representation as to the correctness or accuracy of any such CUSIP or ISIN number; and (ii) the effectiveness of any such notice will not be affected by any defect in, or omission of, any such CUSIP or ISIN number. The Company will promptly notify the Trustee of any change in the CUSIP or ISIN number(s) identifying any Notes.

Article 3. COVENANTS

Section 3.01. Payment on Notes.

(A) *Generally.* The Company will pay or cause to be paid all the principal of, the Fundamental Change Repurchase Price and Redemption Price for, interest on, and other amounts due with respect to, the Notes on the dates and in the manner set forth in this Indenture.

(B) *Deposit of Funds.* Before 11:00 A.M., New York City time, on each Redemption Date, Fundamental Change Repurchase Date or Interest Payment Date, and on the Maturity Date or any other date on which any cash amount is due on the Notes, the Company will deposit, or will cause there to be deposited, with the Paying Agent cash, in funds immediately available on such date, sufficient to pay the cash amount due on the applicable Notes on such date. The Paying Agent will return to the Company, as soon as practicable, any money not required for such purpose.

Section 3.02. Exchange Act Reports.

(A) *Generally.* The Company will send to the Trustee copies of all reports that the Company is required to file with the SEC pursuant to Section 13(a) or 15(d) of the Exchange Act (other than Form 8-K reports) within fifteen (15) calendar days after the date that the Company is required to file the same (after giving effect to all applicable grace periods under the Exchange Act); *provided, however*, that the Company need not send to the Trustee any material for which the Company has received, or is seeking in good faith and has not been denied, confidential treatment by the SEC. Any such report that the Company files with the SEC through the EDGAR system (or any successor thereto) will be deemed to be sent to the Trustee at the time such report is so filed via the EDGAR system (or such successor). Upon the request of any Holder, the Trustee will provide to such Holder a copy of any report that the Company has sent the Trustee pursuant to this **Section 3.02(A)**, other than a report that is deemed to be sent to the Trustee pursuant to the preceding sentence.

The “grace periods” referred to in the preceding paragraph with respect to any report will include the maximum period afforded by Rule 12b-25 regardless of whether the Company files, or indicates in the related Form 12b-25 (or any successor form thereto) that the Company expects to or will file, such report before the expiration of such maximum period.

(B) *Trustee’s Disclaimer.* The Trustee need not determine whether the Company has filed any material via the EDGAR system (or such successor). The sending or filing of reports pursuant to **Section 3.02(A)** will not be deemed to constitute actual or constructive notice to the Trustee of any information contained, or determinable from information contained, therein, including the Company’s compliance with any of its covenants under this Indenture.

Section 3.03. Rule 144A Information.

If the Company is not subject to Section 13 or 15(d) of the Exchange Act at any time when any Notes or Ordinary Shares issuable upon Conversion of the Notes are outstanding and constitute “restricted securities” (as defined in Rule 144), then the Company (or its successor) will promptly provide, to the Trustee and, upon written request, to any Holder, beneficial owner or prospective purchaser of such Notes or shares, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act to facilitate the resale of such Notes or shares pursuant to Rule 144A.

Section 3.04. Additional Interest.

(A) *Accrual of Additional Interest.*

(i) If, at any time during the six (6) month period beginning on, and including, the date that is six (6) months after the Last Original Issue Date of any Note,

(1) the Company fails to timely file any report that is required for the Company to satisfy the requirements set forth in Rule 144(c)(1) under the Securities Act (after giving effect to all grace periods permitted thereunder); or

(2) such Note is not otherwise Freely Tradable,

then Additional Interest will accrue on such Note for each day during such period on which such failure is continuing or such Note is not Freely Tradable. The “grace periods” referred to in the preceding sentence with respect to any report will include the maximum period afforded by Rule 12b-25 regardless of whether the Company files, or indicates in the related Form 12b-25 (or any successor form thereto) that the Company expects to or will file, such report before the expiration of such maximum period.

(ii) In addition, Additional Interest will accrue on a Note on each day on which such Note is not Freely Tradable on or after the De-Legending Deadline Date for such Note.

(B) *Amount and Payment of Additional Interest.* Subject to **Section 3.04(C)**, any Additional Interest that accrues on a Note pursuant to **Section 3.04(A)** will be payable on the same dates and in the same manner as the Stated Interest on such Note and will accrue at a rate per annum equal to one quarter of one percent (0.25%) of the principal amount thereof for the first ninety (90) days on which Additional Interest accrues and, thereafter, at a rate per annum equal to one half of one percent (0.50%) of the principal amount thereof; *provided, however*, that in no event will Additional Interest (excluding any interest that accrues on any Deferred Additional Interest pursuant to **Section 3.04(C)**), together with any Special Interest, accrue on any day on a Note at a combined rate per annum that exceeds one half of one percent (0.50%). For the avoidance of doubt, any Additional Interest that accrues on a Note will be in addition to the Stated Interest that accrues on such Note and, subject to the proviso of the immediately preceding sentence, in addition to any Special Interest that accrues on such Note.

(C) *Deferral of Additional Interest.*

(i) *Generally.* Notwithstanding anything to the contrary in this **Section 3.04**, but subject to **Section 3.04(C)(iii)**, Additional Interest that accrues on any Note for any period on or after the De-Legending Deadline Date of such Note will not be payable on any Interest Payment Date occurring on or after such De-Legending Deadline Date unless (1) a Holder (or an owner of a beneficial interest in a Global Note) has delivered to the Company and the Trustee, before the Regular Record Date immediately before such Interest Payment Date, a written notice (a “**Deferred Additional Interest Demand Request**”) demanding payment of Additional Interest; or (2) the Company, in its sole and absolute discretion, elects, by sending notice of such election (a “**Notice of Election to Pay Deferred Additional Interest**”) to Holders before such Regular Record Date, to pay such Additional Interest on such Interest Payment Date (any accrued and unpaid Additional Interest that, in accordance with this sentence, is not paid on such Interest Payment Date, “**Deferred Additional Interest**”). Without further action by the Company or any other Person, interest will automatically accrue on such Deferred Additional Interest from, and including, such Interest Payment Date at a rate per annum equal to the rate per annum at which Stated Interest accrues on the Notes to, but excluding, the date on which such Deferred Additional Interest, together with accrued interest thereon, is paid. Once any accrued and unpaid Additional Interest becomes payable on an Interest Payment Date (whether as a result of the delivery of a written notice pursuant to **clause (1)** above or, if earlier, the Company’s election to pay the same pursuant to **clause (2)** above), Additional Interest will thereafter not be subject to deferral pursuant to this **Section 3.04(C)**.

(ii) *Interpretive Provisions.* Each reference in this Indenture or the Notes to any accrued interest (including in the definitions of the Redemption Price and the Fundamental Change Repurchase Price for any Note) or to any accrued Additional Interest includes, to the extent applicable, and without duplication, any Deferred Additional Interest, together with accrued and unpaid interest thereon. For the avoidance of doubt, the failure to pay any accrued and unpaid Additional Interest on an Interest Payment Date will not constitute a Default or an Event of Default under this Indenture or the Notes if such payment is deferred in accordance with **Section 3.04(C)(i)**. Otherwise, such a failure to pay will be subject to **Section 7.01(A)(ii)**.

(iii) *Payment or Extinguishment Upon Maturity.* Notwithstanding anything to the contrary in this Indenture or the Notes, if (1) any unpaid Deferred Additional Interest exists on any Notes as of the Close of Business on the Regular Record Date immediately preceding the Maturity Date; (2) no Holder (or owner of a beneficial interest in a Global Note) has delivered a Deferred Additional Interest Demand Request in the manner set forth in **Section 3.04(C)(i)** before such Regular Record Date; and (3) the Company has not sent a Notice of Election to Pay Deferred Additional Interest in the manner set forth in **Section 3.04(C)(i)** before such Regular Record Date, then Deferred Additional Interest on each Note then outstanding will cease to accrue, and all Deferred Additional Interest, together with interest thereon, on such Note will be deemed to be extinguished on the following date: (a) if such Note is to be Converted, the Conversion Date for such Conversion (it being understood, for the avoidance of doubt, that the Conversion Consideration therefor need not include, and the amount referred to in **clause (i)** of **Section 5.02(D)** need not include, the payment of any such Deferred Additional Interest or any interest thereon); and (b) in all other cases, the later of (x) the Maturity Date; and (y) the first date on which the Company has repaid the principal of, and accrued and unpaid interest (other than such Deferred Additional Interest and any interest thereon) on, such Note in full.

(D) *Notice of Accrual of Additional Interest; Trustee's Disclaimer.* The Company will send notice to the Holder of each Note, and to the Trustee, of the commencement and termination of any period in which Additional Interest accrues on such Note, except that no such notice is required in respect of any Additional Interest that is deferred in accordance with **Section 3.04(C)**. In addition, if Additional Interest accrues on any Note, then, no later than five (5) Business Days before each date on which such Additional Interest is to be paid, the Company will deliver an Officer's Certificate to the Trustee and the Paying Agent stating (i) that the Company is obligated to pay Additional Interest on such Note on such date of payment; and (ii) the amount of such Additional Interest that is payable on such date of payment. The Trustee will have no duty to determine whether any Additional Interest is payable (or whether the same is deferred or is accruing interest) or the amount thereof and may assume without inquiry that no Additional Interest is payable or has been deferred until written notice of such Additional Interest has been provided to the Trustee by the Company.

(E) *Exclusive Remedy.* The accrual of Additional Interest will be the exclusive remedy available to Holders for the failure of their Notes to become Freely Tradable.

Section 3.05. Additional Amounts.

(A) *Requirement to Pay Additional Amounts.* All payments and deliveries made by, or on behalf of, the Company under or with respect to the Notes (including payment of the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or the delivery of any Conversion Consideration due upon Conversion of, any Note) will be made without withholding or deduction for, or on account of, any present or future Taxes, unless such withholding or deduction is required by law or regulation or by governmental policy having the force of law. If any Taxes imposed or levied by or on behalf of any jurisdiction or any political subdivision or taxing authority thereof or therein (in each case, other than the United States of America or any political subdivision or taxing authority thereof or therein) in which the Company or any Successor Entity is, for tax purposes, organized or resident or doing business or through which payment is made or deemed to be made by the Company or its agent (each such jurisdiction, subdivision or authority, as applicable, a “**Relevant Taxing Jurisdiction**”) are required to be withheld or deducted from any payments or deliveries made under or with respect to the Notes (other than any payments that are made upon conversion of the Notes, whether made in cash, Ordinary Shares or other consideration (including, for the avoidance of doubt, any payments of cash for any fractional shares or other consideration) in the event the Company, such Successor Entity or the issuer of the Ordinary Shares or Reference Property Units becomes duly organized or incorporated and existing under the laws of the United States of America, any State thereof or the District of Columbia), then, subject to **Section 4.03(C)(ii)**, the Company or such Successor Entity, as applicable, will pay to the Holder of each Note such additional amounts (the “**Additional Amounts**”) as may be necessary to ensure that the net amount received by the Holder or beneficial owner of such Note after such withholding or deduction (and after withholding or deducting any Taxes on the Additional Amounts, if applicable) will equal the amounts that would have been received by such Holder or beneficial owner had no such withholding or deduction been required; *provided, however*, that such obligation to pay Additional Amounts will not apply to:

(i) any Tax that would not have been imposed but for:

(1) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Taxing Jurisdiction (other than merely holding or being a beneficial owner of such Note or the receipt or enforcement of payments or deliveries thereunder), including such Holder or beneficial owner being or having been a national, domiciliary or resident, or treated as a resident, of, or being or having been physically present or engaged in a trade or business, or having had a permanent establishment, in, such Relevant Taxing Jurisdiction;

(2) in cases where presentation of such Note is required to receive such payment or delivery, the presentation of such Note after a period of thirty (30) days after the later of (x) the date on which such payment or delivery became due and payable or deliverable, as applicable, pursuant to the terms of this Indenture and (y) the date such payment or delivery was made or duly provided for, except, in each case, to the extent that such Holder or beneficial owner would have been entitled to Additional Amounts if it presented such Note for payment or delivery, as applicable, at the end of such thirty (30) day period; or

(3) the failure of such Holder or beneficial owner to comply with a timely request from the Company or the Successor Entity or any applicable withholding agent, addressed to such Holder or beneficial owner, to (x) provide certification, information, documentation or other evidence concerning such Holder's or beneficial owner's nationality, residence, identity or connection with such Relevant Taxing Jurisdiction; or (y) make any declaration or satisfy any other reporting requirement relating to such matters, in each case if and to the extent that such Holder or beneficial owner is legally entitled without material burden to comply with such request and due and timely compliance with such request is required by or necessary under statute, regulation or administrative practice of such Relevant Taxing Jurisdiction (including, without limitation, for Australian resident holders or beneficial owners otherwise having such information or documentation, provision of an Australian tax file number, Australian business number or proof of relevant exemption) in order to reduce or eliminate such withholding or deduction;

(ii) any estate, inheritance, gift, sale, transfer, personal property or similar Tax;

(iii) any Tax that is payable other than by withholding or deduction from payments or deliveries under or with respect to the Notes;

(iv) any withholding or deduction required by (x) Sections 1471 through 1474 of the Internal Revenue Code and any current or future U.S. Treasury Regulations or rulings promulgated thereunder ("FATCA"); (y) any inter-governmental agreement between the United States and any other non-U.S. jurisdiction to implement FATCA or any law, regulation, rule, practice or other official guidance having the force of law enacted by such other jurisdiction to give effect to such agreement; or (z) any agreement with the U.S. Internal Revenue Service pursuant to Section 1471(b)(1) of the Internal Revenue Code;

(v) any Taxes imposed or withheld by reason of such holder being an "associate" (as defined in Section 128F(9) of the Income Tax Assessment Act 1936 of Australia) of the Company not acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act 2001 of Australia;

(vi) any Taxes imposed or withheld by reason of the Australian Commissioner of Taxation giving a notice under section 255 of the Income Tax Assessment Act 1936 of Australia or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of Australia or similar law;

(vii) any Taxes imposed on or with respect to any payment by the Company to such Holder if such Holder is a fiduciary, partnership or person other than the sole beneficial owner of such payment, to the extent that such payment would be required, under the laws of such Relevant Taxing Jurisdiction, to be included for tax purposes in the income of a beneficiary or settlor with respect to such fiduciary, a partner or member of such partnership, or a beneficial owner, who would not have been entitled to such Additional Amounts had such beneficiary, settlor, partner, member or beneficial owner been the Holder thereof; or

(viii) any combination of items referred to in the preceding **clauses (i) through (vii)**, inclusive, above.

(B) *Special Provision Regarding Interest*. For the avoidance of doubt, if any Note is called for a Tax Redemption and the Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, then the Company's obligation to pay Additional Amounts will apply to the interest payment due on such Note on such Interest Payment Date unless such Note is subject to a Tax Redemption Opt-Out Election Notice.

(C) *Tax Receipts*. If the Company is required to make any deduction or withholding from any payments or deliveries with respect to the Notes, then (i) the Company will deliver to the Trustee official tax receipts (or, if, after expending reasonable efforts, the Company is unable to obtain such receipts, other evidence of payments) evidencing the remittance to the relevant tax authorities of the amounts so withheld or deducted; and (ii) the Trustee or the Company will provide a copy of such receipts or evidence, as applicable, to any Holder or beneficial owner of any Notes upon request.

(D) *Interpretation of Indenture and Notes*. All references in this Indenture or the Notes to any payment on, or delivery with respect to, the Notes (including payment of the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or the delivery of any Conversion Consideration due upon Conversion of, any Note) will, to the extent that Additional Amounts are payable in respect thereof, be deemed to include the payment of such Additional Amounts.

(E) *Survival of Obligations*. The obligations set forth in this **Section 3.05** will survive any transfer of Notes by a Holder (or, in the case of a Global Note, a holder of a beneficial interest therein).

Section 3.06. Compliance and Default Certificates.

(A) *Annual Compliance Certificate*. Within ninety (90) days after the last day of each fiscal year of the Company, beginning with the first such fiscal year ending after the date of this Indenture, the Company will deliver an Officer's Certificate to the Trustee stating (i) that the signatory thereto has supervised a review of the activities of the Company and its Subsidiaries during such fiscal year with a view towards determining whether any Default or Event of Default has occurred; and (ii) whether, to such signatory's knowledge, a Default or Event of Default has occurred or is continuing (and, if so, describing all such Defaults or Events of Default and what action the Company is taking or proposes to take with respect thereto).

(B) *Default Certificate*. If a Default or Event of Default occurs, then the Company will, within thirty (30) days after the Company first obtains knowledge of the occurrence thereof, deliver an Officer's Certificate to the Trustee describing the same and what action the Company is taking or proposes to take with respect thereto; *provided* that the Company will not be required to deliver such Officer's Certificate if the Default or Event of Default has been cured (or deemed cured) or waived prior to the date that such Officer's Certificate is due.

Section 3.07. Stay, Extension and Usury Laws.

To the extent that it may lawfully do so, the Company (A) agrees that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law (wherever or whenever enacted or in force) that may affect the covenants or the performance of this Indenture; and (B) expressly waives all benefits or advantages of any such law and agrees that it will not, by resort to any such law, hinder, delay or impede the execution of any power granted to the Trustee by this Indenture, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 3.08. Acquisition of Notes by the Company and its Affiliates.

Without limiting the generality of **Section 2.18**, Notes that the Company or any of its Subsidiaries have purchased or otherwise acquired will be deemed to remain outstanding (except to the extent provided in **Section 2.16**) until such time as such Notes are delivered to the Trustee for cancellation. The Company will use commercially reasonable efforts to prevent any of its controlled Affiliates from acquiring any Note (or any beneficial interest therein).

Article 4. REPURCHASE AND REDEMPTION

Section 4.01. No Sinking Fund.

No sinking fund is required to be provided for the Notes.

Section 4.02. Right of Holders to Require the Company to Repurchase Notes Upon a Fundamental Change.

(A) *Right of Holders to Require the Company to Repurchase Notes Upon a Fundamental Change.* Subject to the other terms of this **Section 4.02**, if a Fundamental Change occurs, then each Holder will have the right (the “**Fundamental Change Repurchase Right**”) to require the Company to repurchase such Holder’s Notes (or any portion thereof in an Authorized Denomination) on the Fundamental Change Repurchase Date for such Fundamental Change for a cash purchase price equal to the Fundamental Change Repurchase Price.

(B) *Repurchase Prohibited in Certain Circumstances.* If the principal amount of the Notes has been accelerated and such acceleration has not been rescinded on or before the Fundamental Change Repurchase Date for a Repurchase Upon Fundamental Change (including as a result of the payment of the related Fundamental Change Repurchase Price, and any related interest pursuant to the proviso to the first sentence of **Section 4.02(D)**, on such Fundamental Change Repurchase Date), then (i) the Company may not repurchase any Notes pursuant to this **Section 4.02**; and (ii) the Company will cause any Notes theretofore surrendered for such Repurchase Upon Fundamental Change to be returned to the Holders thereof (or, if applicable with respect to Global Notes, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interest in such Notes in accordance with the Depositary Procedures).

(C) *Fundamental Change Repurchase Date.* The Fundamental Change Repurchase Date for any Fundamental Change will be a Business Day of the Company’s choosing that is no more than thirty five (35), nor less than twenty (20), Business Days after the date the Company sends the related Fundamental Change Notice pursuant to **Section 4.02(E)**.

(D) *Fundamental Change Repurchase Price.* The Fundamental Change Repurchase Price for any Note to be repurchased upon a Repurchase Upon Fundamental Change following a Fundamental Change is an amount in cash equal to the principal amount of such Note plus accrued and unpaid interest on such Note to, but excluding, the Fundamental Change Repurchase Date for such Fundamental Change; *provided, however*, that if such Fundamental Change Repurchase Date is after a Regular Record Date and on or before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Repurchase Upon Fundamental Change, to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date, if such Fundamental Change Repurchase Date is before such Interest Payment Date); and (ii) the Fundamental Change Repurchase Price will not include accrued and unpaid interest on such Note to, but excluding, such Fundamental Change Repurchase Date. For the avoidance of doubt, if an Interest Payment Date is not a Business Day within the meaning of **Section 2.05(C)** and such Fundamental Change Repurchase Date occurs on the Business Day immediately after such Interest Payment Date, then (x) accrued and unpaid interest on Notes to, but excluding, such Interest Payment Date will be paid, in accordance with **Section 2.05(C)**, on the next Business Day to Holders as of the Close of Business on the immediately preceding Regular Record Date; and (y) the Fundamental Change Repurchase Price will include interest on Notes to be repurchased from, and including, such Interest Payment Date.

(E) *Fundamental Change Notice.* On or before the twentieth (20th) calendar day after the effective date of a Fundamental Change, the Company will send to each Holder, the Trustee, the Conversion Agent and the Paying Agent a notice of such Fundamental Change (a "**Fundamental Change Notice**").

Such Fundamental Change Notice must state:

- (i) briefly, the events causing such Fundamental Change;
- (ii) the effective date of such Fundamental Change;
- (iii) the procedures that a Holder must follow to require the Company to repurchase its Notes pursuant to this **Section 4.02**, including the deadline for exercising the Fundamental Change Repurchase Right and the procedures for submitting and withdrawing a Fundamental Change Repurchase Notice;
- (iv) the Fundamental Change Repurchase Date for such Fundamental Change;
- (v) the Fundamental Change Repurchase Price per \$1,000 principal amount of Notes for such Fundamental Change (and, if such Fundamental Change Repurchase Date is after a Regular Record Date and on or before the next Interest Payment Date, the amount, manner and timing of the interest payment payable pursuant to the proviso to the first sentence of **Section 4.02(D)**);
- (vi) the name and address of the Paying Agent and the Conversion Agent;

(vii) the Conversion Rate in effect on the date of such Fundamental Change Notice and a description and quantification of any adjustments to the Conversion Rate that may result from such Fundamental Change (including pursuant to **Section 5.07**);

(viii) that Notes for which a Fundamental Change Repurchase Notice has been duly tendered and not duly withdrawn must be delivered to the Paying Agent for the Holder thereof to be entitled to receive the Fundamental Change Repurchase Price;

(ix) that Notes (or any portion thereof) that are subject to a Fundamental Change Repurchase Notice that has been duly tendered may be Converted only if such Fundamental Change Repurchase Notice is withdrawn in accordance with this Indenture; and

(x) the CUSIP and ISIN numbers, if any, of the Notes.

Neither the failure to deliver a Fundamental Change Notice nor any defect in a Fundamental Change Notice will limit the Fundamental Change Repurchase Right of any Holder or otherwise affect the validity of any proceedings relating to any Repurchase Upon Fundamental Change.

(F) *Procedures to Exercise the Fundamental Change Repurchase Right.*

(i) *Delivery of Fundamental Change Repurchase Notice and Notes to Be Repurchased.* To exercise its Fundamental Change Repurchase Right for a Note following a Fundamental Change, the Holder thereof must deliver to the Paying Agent:

(1) before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date (or such later time as may be required by law), a duly completed, written Fundamental Change Repurchase Notice with respect to such Note; and

(2) such Note, duly endorsed for transfer (if such Note is a Physical Note) or by book-entry transfer (if such Note is a Global Note).

The Paying Agent will promptly deliver to the Company a copy of each Fundamental Change Repurchase Notice that it receives.

(ii) *Contents of Fundamental Change Repurchase Notices.* Each Fundamental Change Repurchase Notice with respect to a Note must state:

(1) if such Note is a Physical Note, the certificate number of such Note;

(2) the principal amount of such Note to be repurchased, which must be an Authorized Denomination; and

(3) that such Holder is exercising its Fundamental Change Repurchase Right with respect to such principal amount of such Note;

provided, however, that if such Note is a Global Note, then such Fundamental Change Repurchase Notice must comply with the Depository Procedures (and any such Fundamental Change Repurchase Notice delivered in compliance with the Depository Procedures will be deemed to satisfy the requirements of this **Section 4.02(F)**).

(iii) *Withdrawal of Fundamental Change Repurchase Notice*. A Holder that has delivered a Fundamental Change Repurchase Notice with respect to a Note may withdraw such Fundamental Change Repurchase Notice by delivering a written notice of withdrawal to the Paying Agent at any time before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date. Such withdrawal notice must state:

- (1) if such Note is a Physical Note, the certificate number of such Note;
- (2) the principal amount of such Note to be withdrawn, which must be an Authorized Denomination; and
- (3) the principal amount of such Note, if any, that remains subject to such Fundamental Change Repurchase Notice, which must be an Authorized Denomination;

provided, however, that if such Note is a Global Note, then such withdrawal notice must comply with the Depository Procedures (and any such withdrawal notice delivered in compliance with the Depository Procedures will be deemed to satisfy the requirements of this **Section 4.02(F)**).

Upon receipt of any such withdrawal notice with respect to a Note (or any portion thereof), the Paying Agent will (x) promptly deliver a copy of such withdrawal notice to the Company; and (y) if such Note is surrendered to the Paying Agent, cause such Note (or such portion thereof in accordance with **Section 2.11**, treating such Note as having been then surrendered for partial repurchase in the amount set forth in such withdrawal notice as remaining subject to repurchase) to be returned to the Holder thereof (or, if applicable with respect to any Global Note, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interest in such Note in accordance with the Depository Procedures).

(G) *Payment of the Fundamental Change Repurchase Price*. Without limiting the Company's obligation to deposit the Fundamental Change Repurchase Price within the time prescribed by **Section 3.01(B)**, the Company will cause the Fundamental Change Repurchase Price for a Note (or portion thereof) to be repurchased pursuant to a Repurchase Upon Fundamental Change to be paid to the Holder thereof on or before the later of (i) the applicable Fundamental Change Repurchase Date; and (ii) the date (x) such Note is delivered to the Paying Agent (in the case of a Physical Note) or (y) the Depository Procedures relating to the repurchase, and the delivery to the Paying Agent, of such Holder's beneficial interest in such Note to be repurchased are complied with (in the case of a Global Note). For the avoidance of doubt, interest payable pursuant to the proviso to the first sentence of **Section 4.02(D)** on any Note to be repurchased pursuant to a Repurchase Upon Fundamental Change must be paid pursuant to such proviso regardless of whether such Note is delivered or such Depository Procedures are complied with pursuant to the first sentence of this **Section 4.02(G)**.

(H) *Third Party May Conduct Repurchase Offer In Lieu of the Company.* Notwithstanding anything to the contrary in this **Section 4.02**, the Company will be deemed to satisfy its obligations under this **Section 4.02** if (i) one or more third parties conduct any Repurchase Upon Fundamental Change and related offer to repurchase Notes otherwise required by this **Section 4.02** in a manner that would have satisfied the requirements of this **Section 4.02** if conducted directly by the Company; and (ii) an owner of a beneficial interest in any Note repurchased by such third party or parties will not receive a lesser amount (as a result of withholding or other similar taxes) than such owner would have received had the Company repurchased such Note.

(I) *No Requirement to Conduct an Offer to Repurchase Notes if the Fundamental Change Results in the Notes Becoming Convertible into an Amount of Cash Exceeding the Fundamental Change Repurchase Price.* Notwithstanding anything to the contrary in this **Section 4.02**, the Company will not be required to send a Fundamental Change Notice pursuant to **Section 4.02(E)**, or offer to repurchase or repurchase any Notes pursuant to this **Section 4.02**, in connection with an Ordinary Share Change Event that constitutes a Fundamental Change pursuant to **clause (B)(ii)** of the definition thereof (regardless of whether such Ordinary Share Change Event also constitutes a Fundamental Change pursuant to any other clause of such definition), if (i) the Reference Property of such Ordinary Share Change Event consists entirely of cash in U.S. dollars; (ii) immediately after such Fundamental Change, the Notes become Convertible, pursuant to **Section 5.09(A)** and, if applicable, **Section 5.07**, into consideration that consists solely of U.S. dollars in an amount per \$1,000 aggregate principal amount of Notes that equals or exceeds the Fundamental Change Repurchase Price per \$1,000 aggregate principal amount of Notes (calculated (1) assuming that the same includes accrued and unpaid interest to, but excluding, the latest possible Fundamental Change Repurchase Date for such Fundamental Change and (2) without regard to the proviso to the first sentence of **Section 4.02(D)**); and (iii) the Company timely sends the notice relating to such Fundamental Change required pursuant to **Section 5.01(C)(i)(3)(b)** and includes, in such notice, a statement that the Company is relying on this **Section 4.02(I)**.

(J) *Compliance with Applicable Securities Laws.* To the extent applicable, the Company will comply, in all material respects, with all federal and state securities laws in connection with a Repurchase Upon Fundamental Change (including complying with Rules 13e-4 and 14e-1 under the Exchange Act and filing any required Schedule TO, to the extent applicable) so as to permit effecting such Repurchase Upon Fundamental Change in the manner set forth in this Indenture; *provided, however*, that, to the extent that the Company's obligations pursuant to this **Section 4.02** conflict with any law or regulation that is applicable to the Company and enacted after the Issue Date, the Company's compliance with such law or regulation will not be considered to be a Default of such obligations.

(K) *Repurchase in Part.* Subject to the terms of this **Section 4.02**, Notes may be repurchased pursuant to a Repurchase Upon Fundamental Change in part, but only in Authorized Denominations. Provisions of this **Section 4.02** applying to the repurchase of a Note in whole will equally apply to the repurchase of a permitted portion of a Note.

Section 4.03. Right of the Company to Redeem the Notes.

(A) *No Right to Redeem Before December 6, 2028 Except Pursuant to a Tax Redemption.* The Company may not redeem the Notes at its option pursuant to this **Section 4.03** at any time before December 6, 2028, except pursuant to a Tax Redemption.

(B) *Right to Redeem the Notes On or After December 6, 2028.* Subject to the terms of this **Section 4.03**, the Company has the right, at its election, to redeem all, or any portion in an Authorized Denomination, of the Notes, at any time, and from time to time, on a Redemption Date on or after December 6, 2028 and on or before the thirtieth (30th) Scheduled Trading Day immediately before the Maturity Date, for a cash purchase price equal to the Redemption Price, but only if (i) the Notes are Freely Tradable as of the Redemption Notice Date for such Redemption and all accrued and unpaid Additional Interest, if any, has been paid in full as of the most recent Interest Payment Date occurring on or before such Redemption Notice Date; and (ii) the Last Reported Sale Price per Ordinary Share exceeds one hundred and thirty percent (130%) of the Conversion Price on (x) each of at least twenty (20) Trading Days (whether or not consecutive) during the thirty (30) consecutive Trading Days ending on, and including, the Trading Day immediately before such Redemption Notice Date; and (y) the Trading Day immediately before such Redemption Notice Date; *provided, however*, that the Company will not call less than all of the outstanding Notes for Redemption unless the excess of the principal amount of Notes outstanding as of the time the Company sends the related Redemption Notice over the aggregate principal amount of Notes set forth in such Redemption Notice as being subject to such Redemption is at least one hundred million dollars (\$100,000,000). For the avoidance of doubt, the calling of any Notes for a Provisional Redemption will constitute a Make-Whole Fundamental Change with respect to such Notes pursuant to **clause (B)** of the definition thereof.

(C) *Right to Redeem the Notes After a Change in Tax Law.*

(i) *Generally.* Subject to the terms of this **Section 4.03**, and without limiting the Company's right to redeem any Notes pursuant to **Section 4.03(B)**, the Company has the right, at its election, to redeem all, but not less than all, of the Notes, at any time, on a Redemption Date before the Maturity Date, for a cash purchase price equal to the Redemption Price, but only if the following conditions are satisfied: (1) the Company has (or, on the next Interest Payment Date, would) become obligated to pay any Additional Amounts to Holders as a result of any Change in Tax Law; (2) the Company cannot avoid such obligation by taking reasonable measures available to the Company (*provided* that changing the Company's jurisdiction of incorporation or organization or the jurisdiction of incorporation or organization of the issuer of the Ordinary Shares or Reference Property Units shall not be deemed to be a reasonable measure); (3) the Company delivers to the Trustee (x) an Opinion of Counsel from outside legal counsel of recognized standing in the Relevant Taxing Jurisdiction attesting to **clause (1)** above; and (y) an Officer's Certificate attesting to **clauses (1)** and **(2)** above; and (4) if the Redemption Date is after the De-Legending Deadline Date, the Notes are Freely Tradable as of the Redemption Notice Date for such Redemption and all accrued and unpaid Additional Interest, if any, has been paid in full as of the most recent Interest Payment Date occurring on or before such Redemption Notice Date. For the avoidance of doubt, the calling of any Notes for a Tax Redemption will constitute a Make-Whole Fundamental Change pursuant to **clause (B)** of the definition thereof.

(ii) *Tax Redemption Opt-Out Election.* If the Company calls the Notes for a Tax Redemption, then, notwithstanding anything to the contrary in this **Section 4.03** or in **Section 3.05**, each Holder will have the right to elect (a “**Tax Redemption Opt-Out Election**”) not to have such Holder’s Notes (or any portion thereof in an Authorized Denomination) redeemed pursuant to such Tax Redemption, in which case, from and after the Redemption Date for such Tax Redemption (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, from and after such time as the Company pays such Redemption Price in full), the Company will no longer have any obligation to pay any Additional Amounts with respect to such Notes solely as a result of such Change in Tax Law, and all future payments with respect to such Notes will be subject to the deduction or withholding of such Relevant Taxing Jurisdiction’s taxes required by law to be deducted or withheld as a result of such Change in Tax Law; *provided, however*, that if such Holder Converts such Notes with a Conversion Date occurring before such Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, such Notes are submitted for Conversion at any time until such time as the Company pays such Redemption Price in full), then the Company will be obligated to pay Additional Amounts, if any, with respect to such Conversion.

(1) *Tax Redemption Opt-Out Election Notice.* To make a Tax Redemption Opt-Out Election with respect to any Note (or any portion thereof in an Authorized Denomination), the Holder of such Note must (subject, in the case of a Global Note or any portion thereof, to the Depositary Procedures) deliver a notice (a “**Tax Redemption Opt-Out Election Notice**”) to the Paying Agent before the Close of Business on the second (2nd) Business Day immediately before the related Redemption Date, which notice must state: (x) if such Note is a Physical Note, the certificate number of such Note; (y) the principal amount of such Note as to which the Tax Redemption Opt-Out Election will apply, which must be an Authorized Denomination; and (z) that such Holder is making a Tax Redemption Opt-Out Election with respect to such Note (or such portion thereof); *provided, however*, that if such Note is a Global Note, then such notice must comply with the Depositary Procedures (and any such notice delivered in compliance with the Depositary Procedures will be deemed to satisfy the requirements of this **Section 4.03(C)(ii)(1)**).

(2) *Withdrawal of Tax Redemption Opt-Out Election Notice.* A Holder that has delivered a Tax Redemption Opt-Out Election Notice with respect to any Note (or any portion thereof in an Authorized Denomination) may (subject, in the case of a Global Note or any portion thereof, to the Depositary Procedures) withdraw such Tax Redemption Opt-Out Election Notice by delivering a withdrawal notice to the Paying Agent at any time before the Close of Business on the second (2nd) Business Day immediately before the related Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full), which withdrawal notice must state: (x) if such Note is a Physical Note, the certificate number of such Note; (y) the principal amount of such Note as to which the Tax Redemption Opt-Out Election is being withdrawn, which must be an Authorized Denomination; and (z) that such Holder is withdrawing the Tax Redemption Opt-Out Election with respect to such Note (or such portion thereof); *provided, however*, that if such Note is a Global Note, then such withdrawal notice must comply with the Depositary Procedures (and any such withdrawal notice delivered in compliance with the Depositary Procedures will be deemed to satisfy the requirements of this **Section 4.03(C)(ii)(2)**).

(iii) *Right to Convert Not Affected.* For the avoidance of doubt, a Tax Redemption will not affect any Holder's right to Convert any Notes (or the Company's obligation, if the Conversion Date for such Conversion occurs before the applicable Redemption Date, to pay any Additional Amounts with respect to such Conversion).

(D) *Redemption Prohibited in Certain Circumstances.* If the principal amount of the Notes has been accelerated and such acceleration has not been rescinded on or before the Redemption Date (including as a result of the payment of the related Redemption Price, and any related interest pursuant to the proviso to the first sentence of **Section 4.03(F)**, on such Redemption Date), then (i) the Company may not call for Redemption or otherwise redeem any Notes pursuant to this **Section 4.03**; and (ii) the Company will cause any Notes theretofore surrendered for such Redemption to be returned to the Holders thereof (or, if applicable with respect to Global Notes, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interests in such Notes in accordance with the Depository Procedures).

(E) *Redemption Date.* The Redemption Date for any Redemption will be a Business Day of the Company's choosing that is no more than fifty five (55), nor less than thirty five (35), Scheduled Trading Days after the Redemption Notice Date for such Redemption; *provided, however,* that if, in accordance with **Section 5.03(A)(i)(3)**, the Company has elected to settle all Conversions of Notes with a Conversion Date that occurs on or after such Redemption Notice Date and on or before the second (2nd) Business Day immediately before the Redemption Date by Physical Settlement, then the Company may instead elect to choose a Redemption Date that is a Business Day no more than forty five (45), nor less than fifteen (15), calendar days after such Redemption Notice Date.

(F) *Redemption Price.* The Redemption Price for any Note called for Redemption is an amount in cash equal to the principal amount of such Note plus accrued and unpaid interest on such Note to, but excluding, the Redemption Date for such Redemption; *provided, however,* that if such Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Redemption, to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date, if such Redemption Date is before such Interest Payment Date); and (ii) the Redemption Price will not include accrued and unpaid interest on such Note to, but excluding, such Redemption Date. For the avoidance of doubt, if an Interest Payment Date is not a Business Day within the meaning of **Section 2.05(C)** and such Redemption Date occurs on the Business Day immediately after such Interest Payment Date, then (x) accrued and unpaid interest on Notes to, but excluding, such Interest Payment Date will be paid, in accordance with **Section 2.05(C)**, on the next Business Day to Holders as of the Close of Business on the immediately preceding Regular Record Date; and (y) the Redemption Price will include interest on Notes to be redeemed from, and including, such Interest Payment Date.

(G) *Redemption Notice.* To call any Notes for Redemption, the Company must send to each Holder of such Notes a written notice of such Redemption (a “**Redemption Notice**”).

Such Redemption Notice must state:

- (i) that such Notes have been called for Redemption, briefly describing the Company’s Redemption right under this Indenture;
- (ii) the Redemption Date for such Redemption;
- (iii) the Redemption Price per \$1,000 principal amount of Notes for such Redemption (and, if the Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, the amount, manner and timing of the interest payment payable pursuant to the proviso to the first sentence of **Section 4.03(F)**);
- (iv) the name and address of the Paying Agent and the Conversion Agent;
- (v) that Notes called for Redemption may be Converted at any time before the Close of Business on the second (2nd) Business Day immediately before the Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full);
- (vi) the Conversion Rate in effect on the Redemption Notice Date for such Redemption and a description and quantification of any adjustments to the Conversion Rate that may result from such Redemption (including pursuant to **Section 5.07**);
- (vii) the Settlement Method that will apply to all Conversions of Notes with a Conversion Date that occurs on or after such Redemption Notice Date and on or before the second (2nd) Business Day before such Redemption Date; and
- (viii) the CUSIP and ISIN numbers, if any, of the Notes.

On or before the Redemption Notice Date, the Company will send a copy of such Redemption Notice to the Trustee, the Conversion Agent and the Paying Agent.

(H) *Special Requirement for Notice of Tax Redemption.* A Redemption Notice relating to a Tax Redemption must be sent pursuant to **Section 4.03(G)** no earlier than sixty (60) Scheduled Trading Days before the earliest date on which the Company would have been required to make the related payment or withholding (assuming a payment in respect of the Notes were then due), and the obligation to pay Additional Amounts must be in effect as of the date the Company sends such Redemption Notice and must be expected to remain in effect at the time of the next payment or delivery in respect of the Notes.

(I) *Selection and Conversion of Notes to Be Redeemed in Part.*

(i) If less than all Notes then outstanding are called for Redemption, then the Notes to be redeemed will be selected by the Company as follows: (1) in the case of Global Notes, in accordance with the Depositary Procedures; and (2) in the case of Physical Notes, pro rata, by lot or by such other method the Company considers fair and appropriate.

(ii) If only a portion of a Note is subject to Redemption (including as a result of a Tax Redemption Opt-Out Election Notice that applies to only a portion of such Note) and such Note is Converted in part, then the Converted portion of such Note will be deemed to be from the portion of such Note that was subject to Redemption.

(J) *Payment of the Redemption Price.* Without limiting the Company's obligation to deposit the Redemption Price by the time prescribed by **Section 3.01(B)**, the Company will cause the Redemption Price for a Note (or portion thereof) subject to Redemption to be paid to the Holder thereof on or before the applicable Redemption Date. For the avoidance of doubt, interest payable pursuant to the proviso to the first sentence of **Section 4.03(F)** on any Note (or portion thereof) subject to Redemption must be paid pursuant to such proviso.

(K) *Special Provisions for Partial Calls.* If the Company elects to redeem less than all of the outstanding Notes pursuant to a Provisional Redemption, and the Holder of any Note, or any owner of a beneficial interest in any Global Note, is reasonably not able to determine, before the Close of Business on the thirty second (32nd) Scheduled Trading Day (or, if, in accordance with **Section 5.03(A)(i)(3)**, the Company has elected to settle all Conversions of Notes with a Conversion Date that occurs on or after the Redemption Notice Date for such Redemption and on or before the second (2nd) Business Day immediately before the Redemption Date by Physical Settlement, the tenth (10th) calendar day) before the Redemption Date for such Provisional Redemption, whether such Note or beneficial interest, as applicable, is to be redeemed pursuant to such Provisional Redemption, then such Holder or owner, as applicable, will be entitled to Convert such Note or beneficial interest, as applicable, at any time before the Close of Business on the second (2nd) Business Day immediately before such Redemption Date, and each such Conversion will be deemed to be of a Note called for Provisional Redemption for purposes of this **Section 4.03** and **Sections 5.01(C)(i)(4)** and **5.07** and the definition of Make-Whole Fundamental Change. For the avoidance of doubt, each reference in this Indenture or the Notes to (x) any Note that is called for Redemption (or similar language) includes any Note that is deemed to be called for Provisional Redemption pursuant to this **Section 4.03(K)**; and (y) any Note that is not called for Redemption (or similar language) excludes any Note that is deemed to be called for Provisional Redemption pursuant to this **Section 4.03(K)**.

(L) *Repurchases or Other Acquisitions Other Than by Redemption Not Affected.* For the avoidance of doubt, nothing in this **Section 4.03** will limit or otherwise apply to any repurchase or other acquisition, by the Company or its Affiliates, or any other Person, of any Notes not by Redemption (including in open market transactions, private or public tender or exchange offers or otherwise).

Article 5. THE CONVERSION OF NOTES

Section 5.01. Right to Convert.

(A) *Generally.* Subject to the provisions of this **Article 5**, each Holder may, at its option, Convert such Holder's Notes into Conversion Consideration.

(B) *Conversions in Part.* Subject to the terms of this Indenture, Notes may be Converted in part, but only in Authorized Denominations. Provisions of this **Article 5** applying to the Conversion of a Note in whole will equally apply to Conversions of a permitted portion of a Note.

(C) *When Notes May Be Converted.*

(i) *Generally.* Subject to **Section 5.01(C)(ii)**, a Note may be Converted only in the following circumstances:

(1) *Conversion Upon Satisfaction of Ordinary Share Sale Price Condition.* A Holder may Convert its Notes during any calendar quarter (and only during such calendar quarter) commencing after the calendar quarter ending on March 31, 2026, if the Last Reported Sale Price per Ordinary Share exceeds one hundred and thirty percent (130%) of the Conversion Price for each of at least twenty (20) Trading Days (whether or not consecutive) during the thirty (30) consecutive Trading Days ending on, and including, the last Trading Day of the immediately preceding calendar quarter.

(2) *Conversion Upon Satisfaction of Note Trading Price Condition.* A Holder may Convert its Notes during the five (5) consecutive Business Days immediately after any ten (10) consecutive Trading Day period (such ten (10) consecutive Trading Day period, the "**Measurement Period**") if the Trading Price per \$1,000 principal amount of Notes, as determined following a request by a Holder in accordance with the procedures set forth below, for each Trading Day of the Measurement Period was less than ninety eight percent (98%) of the product of the Last Reported Sale Price per Ordinary Share on such Trading Day and the Conversion Rate on such Trading Day. The condition set forth in the preceding sentence is referred to in this Indenture as the "**Trading Price Condition.**"

The Trading Price will be determined by the Bid Solicitation Agent pursuant to this **Section 5.01(C)(i)(2)** and the definition of "Trading Price." The Bid Solicitation Agent (if not the Company) will have no obligation to determine the Trading Price of the Notes unless the Company has requested such determination in writing, and the Company will have no obligation to make such request (or seek bids itself) unless a Holder provides the Company with reasonable evidence that the Trading Price per \$1,000 principal amount of Notes would be less than ninety eight percent (98%) of the product of the Last Reported Sale Price per Ordinary Share and the Conversion Rate. If a Holder provides such evidence, then the Company will (if acting as Bid Solicitation Agent), or will instruct the Bid Solicitation Agent to, determine the Trading Price of the Notes beginning on the next Trading Day and on each successive Trading Day until the Trading Price per \$1,000 principal amount of Notes is greater than or equal to ninety eight percent (98%) of the product of the Last Reported Sale Price per Ordinary Share on such Trading Day and the Conversion Rate on such Trading Day. If the Trading Price Condition has been met as set forth above, then the Company will notify the Holders, the Trustee and the Conversion Agent of the same. If, on any Trading Day after the Trading Price Condition has been met as set forth above, the Trading Price per \$1,000 principal amount of Notes is greater than or equal to ninety eight percent (98%) of the product of the Last Reported Sale Price per Ordinary Share on such Trading Day and the Conversion Rate on such Trading Day, then the Company will notify the Holders, the Trustee and the Conversion Agent of the same.

(3) *Conversion Upon Specified Corporate Events.*

(a) *Certain Distributions.* If the Company elects to:

(I) distribute, to all or substantially all holders of Ordinary Shares, any rights, options or warrants (other than rights issued pursuant to a shareholder rights plan, so long as such rights have not separated from the Ordinary Shares and are not exercisable until the occurrence of a triggering event, except that such rights will be deemed to be distributed under this **clause (I)** upon their separation from the Ordinary Shares or upon the occurrence of such triggering event) entitling them, for a period of not more than sixty (60) calendar days after the record date of such distribution, to subscribe for or purchase Ordinary Shares at a price per share that is less than the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced (determined in the manner set forth in the third paragraph of **Section 5.05(A)(ii)**); or

(II) distribute, to all or substantially all holders of Ordinary Shares, assets or securities of the Company or rights to purchase the Company's securities, which distribution per Ordinary Share has a value, as reasonably determined by the Board of Directors, exceeding ten percent (10%) of the Last Reported Sale Price per Ordinary Share on the Trading Day immediately before the date such distribution is announced,

then, in either case, (x) the Company will send notice of such distribution, and of the related right to Convert Notes, to Holders, the Trustee and the Conversion Agent at least thirty five (35) Scheduled Trading Days before the Ex-Dividend Date for such distribution (or, if later in the case of any such separation of rights issued pursuant to a shareholder rights plan or the occurrence of any such triggering event under a shareholder rights plan, as soon as reasonably practicable after the Company becomes aware that such separation or triggering event has occurred or will occur); and (y) once the Company has sent such notice, Holders may Convert their Notes at any time until the earlier of the Close of Business on the Business Day immediately before such Ex-Dividend Date and the Company's announcement that such distribution will not take place; *provided, however*, that the Notes will not become Convertible pursuant to **clause (y)** above (but the Company will be required to send notice of such distribution pursuant to **clause (x)** above) on account of such distribution if each Holder participates, at the same time and on the same terms as holders of Ordinary Shares, and solely by virtue of being a Holder, in such distribution without having to Convert such Holder's Notes and as if such Holder held a number of Ordinary Shares equal to the product of (i) the Conversion Rate in effect on the record date for such distribution; and (ii) the aggregate principal amount (expressed in thousands) of Notes held by such Holder on such record date; *provided, further*, that if the Company is then otherwise permitted to settle Conversions of Notes by Physical Settlement (and, for the avoidance of doubt, the Company has not elected another Settlement Method to apply, including pursuant to **Section 5.03(A)(i)(1)**), then the Company may instead elect to provide such notice at least ten (10) Scheduled Trading Days before such Ex-Dividend Date, in which case (x) the Company must settle all Conversions of Notes with a Conversion Date occurring on or after the date the Company provides such notice and on or before the Business Day immediately before the Ex-Dividend Date for such distribution (or any earlier announcement by the Company that such distribution will not take place) by Physical Settlement; and (y) such notice must state that all such Conversions will be settled by Physical Settlement.

(b) *Certain Corporate Events*. If a Fundamental Change, Make-Whole Fundamental Change (other than a Make-Whole Fundamental Change pursuant to **clause (B)** of the definition thereof) or Ordinary Share Change Event occurs (other than a merger or other business combination transaction that is effected solely to change the Company's jurisdiction of incorporation or organization or the jurisdiction of incorporation or organization of the issuer of the Ordinary Shares or Reference Property Units and, in each case, that does not constitute a Fundamental Change or a Make-Whole Fundamental Change), then, in each case, Holders may Convert their Notes at any time from, and including, the effective date of such transaction or event to, and including, the thirty fifth (35th) Trading Day after such effective date (or, if such transaction or event also constitutes a Fundamental Change (other than an Exempted Fundamental Change), to, but excluding, the related Fundamental Change Repurchase Date); *provided, however*, that if the Company does not provide the notice referred to in the immediately following sentence by the Business Day after such effective date, then the last day on which the Notes are Convertible pursuant to this sentence will be extended by the number of Business Days from, and including, the Business Day after such effective date to, but excluding, the date the Company provides such notice. No later than the Business Day after such effective date, the Company will send notice to the Holders, the Trustee and the Conversion Agent of such transaction or event, such effective date and the related right to Convert Notes.

(4) *Conversion Upon Redemption.* If the Company calls any Note for Redemption, then the Holder of such Note may Convert such Note at any time before the Close of Business on the second (2nd) Business Day immediately before the related Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full).

(5) *Conversions During Free Convertibility Period.* A Holder may Convert its Notes at any time from, and including, March 1, 2032 until the Close of Business on the second (2nd) Scheduled Trading Day immediately before the Maturity Date.

For the avoidance of doubt, the Notes may become Convertible pursuant to any one or more of the preceding sub-paragraphs of this **Section 5.01(C)(i)** and the Notes ceasing to be Convertible pursuant to a particular sub-paragraph of this **Section 5.01(C)(i)** will not preclude the Notes from being Convertible pursuant to any other sub-paragraph of this **Section 5.01(C)(i)**.

(ii) *Limitations and Closed Periods.* Notwithstanding anything to the contrary in this Indenture or the Notes:

(1) Notes may be surrendered for Conversion only after the Open of Business and before the Close of Business on a day that is a Business Day;

(2) in no event may any Note be Converted after the Close of Business on the second (2nd) Scheduled Trading Day immediately before the Maturity Date;

(3) if the Company calls any Note for Redemption pursuant to **Section 4.03**, then the Holder of such Note may not Convert such Note after the Close of Business on the second (2nd) Business Day immediately before the applicable Redemption Date, except to the extent the Company fails to pay the Redemption Price for such Note in accordance with this Indenture; and

(4) if a Fundamental Change Repurchase Notice is validly delivered pursuant to **Section 4.02(F)** with respect to any Note, then such Note may not be Converted, except to the extent (a) such Note is not subject to such notice; (b) such notice is withdrawn in accordance with **Section 4.02(F)**; or (c) the Company fails to pay the Fundamental Change Repurchase Price for such Note in accordance with this Indenture.

Section 5.02. Conversion Procedures.

(A) *Generally.*

(i) *Global Notes.* To Convert a beneficial interest in a Global Note that is Convertible pursuant to **Section 5.01(C)**, the owner of such beneficial interest must (1) comply with the Depository Procedures for Converting such beneficial interest (at which time such Conversion will become irrevocable); and (2) pay any amounts due pursuant to **Section 5.02(D)** or **Section 5.02(E)**.

(ii) *Physical Notes.* To Convert all or a portion of a Physical Note that is Convertible pursuant to **Section 5.01(C)**, the Holder of such Note must (1) complete, manually sign and deliver to the Conversion Agent the Conversion Notice attached to such Physical Note or a facsimile of such Conversion Notice; (2) deliver such Physical Note to the Conversion Agent (at which time such Conversion will become irrevocable); (3) furnish any endorsements and transfer documents that the Company or the Conversion Agent may require; and (4) pay any amounts due pursuant to **Section 5.02(D)** or **Section 5.02(E)**.

(B) *Effect of Converting a Note.* At the Close of Business on the Conversion Date for a Note (or any portion thereof) to be Converted, such Note (or such portion) will (unless there occurs a Default in the delivery of the Conversion Consideration or interest due, pursuant to **Section 5.03(B)** or **5.02(D)**, upon such Conversion) be redeemed for an amount equal to the principal amount of such Note and the Holder irrevocably directs the Company to apply the principal amount payable to it in acquiring the Conversion Consideration, with the result that such Note will cease to be outstanding (and, for the avoidance of doubt, no Person will be deemed to be a Holder of such Note (or such portion thereof) as of the Close of Business on such Conversion Date), except to the extent provided in **Section 5.02(D)** or **Section 5.08**.

(C) *Holder of Record of Conversion Shares.* The Person in whose name any Ordinary Share is issuable upon Conversion of any Note will be deemed to become the holder of record of such share as of the Close of Business on (i) the Conversion Date for such Conversion, in the case of Physical Settlement; or (ii) the last VWAP Trading Day of the Observation Period for such Conversion, in the case of Combination Settlement.

(D) *Interest Payable Upon Conversion in Certain Circumstances.* If the Conversion Date of a Note is after a Regular Record Date and before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Conversion (and, for the avoidance of doubt, notwithstanding anything set forth in the proviso to this sentence), to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date); and (ii) the Holder surrendering such Note for Conversion must deliver to the Conversion Agent, at the time of such surrender, an amount of cash equal to the amount of such interest referred to in **clause (i)** above; *provided, however*, that the Holder surrendering such Note for Conversion need not deliver such cash (v) if the Company has specified a Redemption Date that is after such Regular Record Date and on or before the second (2nd) Business Day immediately after such Interest Payment Date; (w) if such Conversion Date occurs after the Regular Record Date immediately before the Maturity Date; (x) if the Company has specified a Fundamental Change Repurchase Date that is after such Regular Record Date and on or before the Business Day immediately after such Interest Payment Date; or (y) to the extent of any Additional Interest, Special Interest, overdue interest or interest that has accrued on any overdue interest. For the avoidance of doubt, as a result of, and without limiting the generality of, the foregoing, if a Note is Converted with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, then the Company will pay, as provided above, the interest that would have accrued on such Note to, but excluding, the Maturity Date. For the avoidance of doubt, if the Conversion Date of a Note to be Converted is on an Interest Payment Date, then the Holder of such Note at the Close of Business on the Regular Record Date immediately before such Interest Payment Date will be entitled to receive, on such Interest Payment Date, the unpaid interest that has accrued on such Note to, but excluding, such Interest Payment Date, and such Note, when surrendered for Conversion, need not be accompanied by any cash amount pursuant to the first sentence of this **Section 5.02(D)**.

(E) *Taxes and Duties.* If a Holder Converts a Note, the Company will pay any documentary, stamp or similar issue or transfer tax or duty due on the issue or delivery of any Ordinary Shares upon such Conversion; *provided, however,* that if any tax or duty is due because such Holder requested such shares to be registered in a name other than such Holder's name, then such Holder will pay such tax or duty and, until having received a sum sufficient to pay such tax or duty, the Conversion Agent may refuse to deliver any such shares to be issued in a name other than that of such Holder.

(F) *Conversion Agent to Notify Company of Conversions.* If any Note is submitted for Conversion to the Conversion Agent or the Conversion Agent receives any notice of Conversion with respect to a Note, then the Conversion Agent will promptly notify the Company and the Trustee of such occurrence, together with any other information reasonably requested by the Company, and will cooperate with the Company to determine the Conversion Date for such Note.

Section 5.03. Settlement Upon Conversion.

(A) *Settlement Method.* Upon the Conversion of any Note, the Company must redeem such Note for an amount equal to the principal amount of such Note and the Holder irrevocably directs the Company to apply such principal amount payable to it in acquiring the relevant Conversion Consideration. In such circumstances, the Company will settle such Conversion by paying or delivering, as applicable and as provided in this **Article 5**, either (x) Ordinary Shares, together, if applicable, with cash in lieu of fractional shares as provided in **Section 5.03(B)(i)(1)** (a "**Physical Settlement**"); (y) solely cash as provided in **Section 5.03(B)(i)(2)** (a "**Cash Settlement**"); or (z) a combination of cash and Ordinary Shares, together, if applicable, with cash in lieu of fractional shares as provided in **Section 5.03(B)(i)(3)** (a "**Combination Settlement**").

(i) *The Company's Right to Elect Settlement Method.* The Company will have the right to elect the Settlement Method applicable to any Conversion of a Note; *provided, however,* that:

(1) subject to **clause (3)** below, all Conversions of Notes with a Conversion Date that occurs on or after March 1, 2032 will be settled using the same Settlement Method, and the Company will send notice of such Settlement Method to Holders no later than the Open of Business on March 1, 2032;

(2) subject to **clause (3)** below, if the Company elects a Settlement Method with respect to the Conversion of any Note whose Conversion Date occurs before March 1, 2032, then the Company will send notice of such Settlement Method to the Holder of such Note no later than the Close of Business on the Business Day immediately after such Conversion Date;

(3) if any Notes are called for Redemption, then (a) the Company will specify, in the related Redemption Notice (and, in the case of a Redemption of less than all outstanding Notes, in a notice simultaneously sent to all Holders of Notes not called for Redemption) sent pursuant to **Section 4.03(G)**, the Settlement Method that will apply to all Conversions of Notes with a Conversion Date that occurs on or after the related Redemption Notice Date and on or before the second (2nd) Business Day before the related Redemption Date; and (b) if such Redemption Date occurs on or after March 1, 2032, then such Settlement Method must be the same Settlement Method that, pursuant to **clause (1)** above, applies to all Conversions of Notes with a Conversion Date that occurs on or after March 1, 2032;

(4) the Company will use the same Settlement Method for all Conversions of Notes with the same Conversion Date (and, for the avoidance of doubt, the Company will not be obligated to use the same Settlement Method with respect to Conversions of Notes with different Conversion Dates, except as provided in **clause (1)** or **(3)** above);

(5) if the Company does not timely elect a Settlement Method with respect to the Conversion of a Note, then the Company will be deemed to have elected the Default Settlement Method (and, for the avoidance of doubt, the failure to timely make such election will not constitute a Default or Event of Default);

(6) if the Company timely elects Combination Settlement with respect to the Conversion of a Note but does not timely notify the Holder of such Note of the applicable Specified Dollar Amount, then the Specified Dollar Amount for such Conversion will be deemed to be \$1,000 per \$1,000 principal amount of Notes (and, for the avoidance of doubt, the failure to timely send such notification will not constitute a Default or Event of Default); and

(7) the Settlement Method will be subject to **Sections 4.03(E)** and **5.01(C)(i)(3)(a)**.

At or before the time the Company sends any notice referred to in the preceding sentence, the Company will send a copy of such notice to the Trustee and the Conversion Agent, but the failure to timely send such copy will not affect the validity of any Settlement Method election.

(ii) *The Company's Right to Irrevocably Fix or Eliminate Settlement Methods*. The Company will have the right, exercisable at its election by sending notice of such exercise to the Holders (with a copy to the Trustee and the Conversion Agent), to (1) irrevocably fix the Settlement Method that will apply to all Conversions of Notes with a Conversion Date that occurs on or after the date such notice is sent to Holders; or (2) irrevocably eliminate any one or more (but not all) Settlement Methods (including eliminating Combination Settlement with a particular Specified Dollar Amount or range of Specified Dollar Amounts) with respect to all Conversions of Notes with a Conversion Date that occurs on or after the date such notice is sent to Holders, *provided*, in each case, that (w) the Settlement Method so elected pursuant to **clause (1)** above, or the Settlement Method(s) remaining after any elimination pursuant to **clause (2)** above, as applicable, must be a Settlement Method or Settlement Method(s), as applicable, that the Company is then permitted to elect (for the avoidance of doubt, including pursuant to, and subject to, the other provisions of this **Section 5.03(A)**); (x) no such irrevocable election will affect any Settlement Method theretofore elected (or deemed to be elected) with respect to any Note pursuant to this Indenture (including pursuant to **Section 8.01(G)** or this **Section 5.03(A)**); (y) upon any such irrevocable election pursuant to **clause (1)** above, the Default Settlement Method will automatically be deemed to be set to the Settlement Method so fixed; and (z) upon any such irrevocable election pursuant to **clause (2)** above, the Company will, if needed, simultaneously change the Default Settlement Method to a Settlement Method that is consistent with such irrevocable election. Such notice, if sent, must set forth the applicable Settlement Method(s) so elected or eliminated, as applicable, and the Default Settlement Method applicable immediately after such election, and expressly state that the election is irrevocable and applicable to all Conversions of Notes with a Conversion Date that occurs on or after the date such notice is sent to Holders. For the avoidance of doubt, such an irrevocable election, if made, will be effective without the need to amend this Indenture or the Notes, including pursuant to **Section 8.01(G)** (it being understood, however, that the Company may nonetheless choose to execute such an amendment at its option).

(iii) *Requirement to Publicly Disclose the Fixed or Default Settlement Method*. If the Company changes the Default Settlement Method pursuant to **clause (x)** of the proviso to the definition of such term or irrevocably fixes the Settlement Method(s) pursuant to **Section 5.03(A)(ii)**, then the Company will, substantially concurrently therewith, either post the Default Settlement Method or fixed Settlement Method(s), as applicable, on its website or disclose the same in a report on Form 8-K (or any successor form) that is filed with, or furnished to, the SEC.

(B) *Conversion Consideration*.

(i) *Generally*. Subject to **Sections 5.03(B)(ii)**, **5.03(B)(iii)** and **5.09(A)(2)**, the type and amount of consideration (the "**Conversion Consideration**") due in respect of each \$1,000 principal amount of a Note to be Converted that the Company applies the redemption proceeds to provide the Holder with will be as follows:

- (1) if Physical Settlement applies to such Conversion, a number of Ordinary Shares equal to the Conversion Rate in effect on the Conversion Date for such Conversion;

(2) if Cash Settlement applies to such Conversion, cash in an amount equal to the sum of the Daily Conversion Values for each VWAP Trading Day in the Observation Period for such Conversion; or

(3) if Combination Settlement applies to such Conversion, consideration consisting of (a) a number of Ordinary Shares equal to the sum of the Daily Share Amounts for each VWAP Trading Day in the Observation Period for such Conversion; and (b) an amount of cash equal to the sum of the Daily Cash Amounts for each VWAP Trading Day in such Observation Period.

(ii) *Cash in Lieu of Fractional Shares.* If Physical Settlement or Combination Settlement applies to the Conversion of any Note and the number of Ordinary Shares deliverable pursuant to **Section 5.03(B)(i)** upon such Conversion is not a whole number, then such number will be rounded down to the nearest whole number and the Company will deliver, in addition to the other consideration due upon such Conversion, cash in lieu of the related fractional share in an amount equal to the product of (1) such fraction and (2) (x) the Daily VWAP on the Conversion Date for such Conversion (or, if such Conversion Date is not a VWAP Trading Day, the immediately preceding VWAP Trading Day), in the case of Physical Settlement; or (y) the Daily VWAP on the last VWAP Trading Day of the Observation Period for such Conversion, in the case of Combination Settlement.

(iii) *Conversion of Multiple Notes by a Single Holder.* If a Holder Converts more than one (1) Note on a single Conversion Date, then the Conversion Consideration due in respect of such Conversion will (in the case of any Global Note, to the extent permitted by, and practicable under, the Depository Procedures) be computed based on the total principal amount of Notes Converted on such Conversion Date by such Holder.

(iv) *Notice of Calculation of Conversion Consideration.* If Cash Settlement or Combination Settlement applies to the Conversion of any Note, then the Company will determine the Conversion Consideration due thereupon promptly following the last VWAP Trading Day of the applicable Observation Period and will promptly thereafter send notice to the Trustee and the Conversion Agent of the same and the calculation thereof in reasonable detail. Neither the Trustee nor the Conversion Agent will have any duty to make any such determination.

(C) *Delivery of the Conversion Consideration.* Except as set forth in **Sections 5.05(D)** and **5.09**, the Company will pay or deliver, as applicable, the Conversion Consideration due upon the Conversion of any Note to the Holder as follows: (i) if Cash Settlement or Combination Settlement applies to such Conversion, on or before the second (2nd) Business Day immediately after the last VWAP Trading Day of the Observation Period for such Conversion; and (ii) if Physical Settlement applies to such Conversion, on or before the second (2nd) Business Day immediately after the Conversion Date for such Conversion; *provided, however*, that if Physical Settlement applies to the Conversion of any Note with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, or of any Note that has been called for Redemption with a Conversion Date that occurs during the fifteen (15) calendar days preceding the related Redemption Date, then, solely for purposes of such Conversion, (x) the Company will pay or deliver, as applicable, the Conversion Consideration due upon such Conversion on or before the Maturity Date (or, if the Maturity Date is not a Business Day, the next Business Day), in the case of a Conversion of any Note with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, or the related Redemption Date, in the case of a Conversion of any Note that has been called for Redemption with a Conversion Date that occurs during the fifteen (15) calendar days preceding such Redemption Date; and (y) the Conversion Date will instead be deemed to be the second (2nd) Business Day immediately before the date referred to in **clause (x)**.

(D) *Deemed Payment of Principal and Interest; Settlement of Accrued Interest Notwithstanding Conversion.* If a Holder Converts a Note, then the Company will not adjust the Conversion Rate to account for any accrued and unpaid interest on such Note, and, except as provided in **Section 5.02(D)**, the Company's delivery of the Conversion Consideration due in respect of such Conversion will fully satisfy and discharge the Company's obligation to pay the principal of, and accrued and unpaid interest, if any, on, such Note to, but excluding the Conversion Date. As a result, except as provided in **Section 5.02(D)**, any accrued and unpaid interest on, a Converted Note will be deemed to be paid in full rather than cancelled, extinguished or forfeited. In addition, subject to **Section 5.02(D)**, if the Conversion Consideration for a Note consists of both cash and Ordinary Shares, then accrued and unpaid interest that is paid therewith will be deemed to be paid first out of such cash.

Section 5.04. Status of Ordinary Shares Issued Upon Conversion.

Each Conversion Share, if any, delivered upon Conversion of any Note will be a newly issued share (except that any Conversion Share delivered by a designated financial institution pursuant to **Section 5.08** need not be a newly issued share) and will be duly authorized, validly issued, fully paid, non-assessable, free from preemptive rights and free of any lien or adverse claim (except to the extent of any lien or adverse claim created by the action or inaction of the Holder of such Note or the Person to whom such Conversion Share will be delivered). If the Ordinary Shares are then listed on any securities exchange, or quoted on any inter-dealer quotation system, then the Company will use commercially reasonable efforts to cause each Conversion Share, when delivered upon Conversion of any Note, to be admitted for listing on such exchange or quotation on such system.

Section 5.05. Adjustments to the Conversion Rate.

(A) *Events Requiring an Adjustment to the Conversion Rate.* The Conversion Rate will be adjusted from time to time as follows:

(i) *Share Dividends, Splits and Combinations.* If the Company issues solely Ordinary Shares as a dividend or distribution on all or substantially all shares of the Ordinary Shares, or if the Company effects a share split or a share combination of the Ordinary Shares (in each case excluding an issuance solely pursuant to an Ordinary Share Change Event, as to which **Section 5.09** will apply), then the Conversion Rate will be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

where:

- CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution, or immediately before the Open of Business on the Effective Date of such share split or share combination, as applicable;
- CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date or Effective Date, as applicable;
- OS_0 = the number of Ordinary Shares outstanding immediately before the Open of Business on such Ex-Dividend Date or Effective Date, as applicable, without giving effect to such dividend, distribution, share split or share combination; and
- OS_1 = the number of Ordinary Shares outstanding immediately after giving effect to such dividend, distribution, share split or share combination.

If any dividend, distribution, share split or share combination of the type described in this **Section 5.05(A)(i)** is declared or announced, but not so paid or made, then the Conversion Rate will be readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution or to effect such share split or share combination, to the Conversion Rate that would then be in effect had such dividend, distribution, share split or share combination not been declared or announced.

(ii) *Rights, Options and Warrants*. If the Company distributes, to all or substantially all holders of Ordinary Shares, rights, options or warrants (other than rights issued or otherwise distributed pursuant to a shareholder rights plan, as to which **Sections 5.05(A)(iii)(1)** and **5.05(F)** will apply) entitling such holders, for a period of not more than sixty (60) calendar days after the record date of such distribution, to subscribe for or purchase Ordinary Shares at a price per share that is less than the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS + X}{OS + Y}$$

where:

- CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;
- CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;
- OS = the number of Ordinary Shares outstanding immediately before the Open of Business on such Ex-Dividend Date;
- X = the total number of Ordinary Shares issuable pursuant to such rights, options or warrants; and
- Y = a number of Ordinary Shares obtained by dividing (x) the aggregate price payable to exercise such rights, options or warrants by (y) the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced.

To the extent such rights, options or warrants are not so distributed, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the increase to the Conversion Rate for such distribution been made on the basis of only the rights, options or warrants, if any, actually distributed. In addition, to the extent that Ordinary Shares are not delivered after the expiration of such rights, options or warrants (including as a result of such rights, options or warrants not being exercised), the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the increase to the Conversion Rate for such distribution been made on the basis of delivery of only the number of Ordinary Shares actually delivered upon exercise of such rights, options or warrants.

For purposes of this **Section 5.05(A)(ii)** and **Section 5.01(C)(i)(3)(a)(I)**, in determining whether any rights, options or warrants entitle holders of Ordinary Shares to subscribe for or purchase Ordinary Shares at a price per share that is less than the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date the distribution of such rights, options or warrants is announced, and in determining the aggregate price payable to exercise such rights, options or warrants, there will be taken into account any consideration the Company receives for such rights, options or warrants and any amount payable on exercise thereof, with the value of such consideration, if not cash, to be determined by the Company in good faith and in a commercially reasonable manner.

(iii) *Spin-Offs and Other Distributed Property.*

(1) *Distributions Other than Spin-Offs.* If the Company distributes shares of its Capital Stock, evidences of its indebtedness or other assets or property of the Company, or rights, options or warrants to acquire Capital Stock of the Company or other securities, to all or substantially all holders of the Ordinary Shares, excluding:

(u) dividends, distributions, rights, options or warrants for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(C)**) pursuant to **Section 5.05(A)(i)** or **5.05(A)(ii)**;

(v) dividends or distributions paid exclusively in cash for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(C)**) pursuant to **Section 5.05(A)(iv)**;

(w) rights issued or otherwise distributed pursuant to a shareholder rights plan, except to the extent provided in **Section 5.05(F)**;

(x) Spin-Offs for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(C)**) pursuant to **Section 5.05(A)(iii)(2)**;

(y) a distribution solely pursuant to a tender offer or exchange offer for Ordinary Shares, as to which **Section 5.05(A)(v)** will apply; and

(z) a distribution solely pursuant to an Ordinary Share Change Event, as to which **Section 5.09** will apply,

then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - FMV}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

SP = the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before such Ex-Dividend Date; and

FMV = the fair market value (as determined by the Company in good faith and in a commercially reasonable manner), as of such Ex-Dividend Date, of the shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants distributed per Ordinary Share pursuant to such distribution;

provided, however, that if FMV is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Rate, each Holder will receive, for each \$1,000 principal amount of Notes held by such Holder on the record date for such distribution, at the same time and on the same terms as holders of Ordinary Shares, the amount and kind of shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants that such Holder would have received in such distribution if such Holder had owned, on such record date, a number of Ordinary Shares equal to the Conversion Rate in effect on such record date.

To the extent such distribution is not so paid or made, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the distribution, if any, actually made or paid.

(2) *Spin-Offs*. If the Company distributes or dividends shares of Capital Stock of any class or series, or similar equity interests, of or relating to an Affiliate, a Subsidiary or other business unit of the Company to all or substantially all holders of the Ordinary Shares (other than solely pursuant to (x) an Ordinary Share Change Event, as to which **Section 5.09** will apply; or (y) a tender offer or exchange offer for Ordinary Shares, as to which **Section 5.05(A)(v)** will apply), and such Capital Stock or equity interests are listed or quoted (or will be listed or quoted upon the consummation of the transaction) on a U.S. national securities exchange (a “**Spin-Off**”), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV + SP}{SP}$$

where:

- CR_0 = the Conversion Rate in effect immediately before the Close of Business on the last Trading Day of the Spin-Off Valuation Period for such Spin-Off;
- CR_1 = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the Spin-Off Valuation Period;
- FMV = the product of (x) the average of the Last Reported Sale Prices per share or unit of the Capital Stock or equity interests distributed in such Spin-Off over the ten (10) consecutive Trading Day period (the “**Spin-Off Valuation Period**”) beginning on, and including, the Ex-Dividend Date for such Spin-Off (such average to be determined as if references to Ordinary Shares in the definitions of Last Reported Sale Price, Trading Day and Market Disruption Event were instead references to such Capital Stock or equity interests); and (y) the number of shares or units of such Capital Stock or equity interests distributed per Ordinary Share in such Spin-Off; and
- SP = the average of the Last Reported Sale Prices per Ordinary Share for each Trading Day in the Spin-Off Valuation Period.

Notwithstanding anything to the contrary in this **Section 5.05(A)(iii)(2)**, (i) if any VWAP Trading Day of the Observation Period for a Note whose Conversion will be settled pursuant to Cash Settlement or Combination Settlement occurs during the Spin-Off Valuation Period for such Spin-Off, then, solely for purposes of determining the Conversion Rate for such VWAP Trading Day for such Conversion, such Spin-Off Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Ex-Dividend Date for such Spin-Off to, and including, such VWAP Trading Day; and (ii) if the Conversion Date for a Note whose Conversion will be settled pursuant to Physical Settlement occurs during the Spin-Off Valuation Period for such Spin-Off, then, solely for purposes of determining the Conversion Consideration for such Conversion, such Spin-Off Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Ex-Dividend Date for such Spin-Off to, and including, such Conversion Date.

To the extent any dividend or distribution of the type set forth in this **Section 5.05(A)(iii)(2)** is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(iv) *Cash Dividends or Distributions.* If any cash dividend or distribution is made to all or substantially all holders of Ordinary Shares, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - D}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

SP = the Last Reported Sale Price per Ordinary Share on the Trading Day immediately before such Ex-Dividend Date; and

D = the cash amount distributed per Ordinary Share in such dividend or distribution;

provided, however, that if D is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Rate, each Holder will receive, for each \$1,000 principal amount of Notes held by such Holder on the record date for such dividend or distribution, at the same time and on the same terms as holders of Ordinary Shares, the amount of cash that such Holder would have received in such dividend or distribution if such Holder had owned, on such record date, a number of Ordinary Shares equal to the Conversion Rate in effect on such record date.

To the extent such dividend or distribution is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(v) *Tender Offers or Exchange Offers.* If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for Ordinary Shares (other than solely pursuant to an odd-lot tender offer pursuant to Rule 13e-4(h)(5) under the Exchange Act), and the value (determined as of the Expiration Time by the Company in good faith and in a commercially reasonable manner) of the cash and other consideration paid per Ordinary Share in such tender or exchange offer exceeds the Last Reported Sale Price per Ordinary Share on the Trading Day immediately after the last date (the “**Expiration Date**”) on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP \times OS_1)}{SP \times OS_0}$$

where:

- CR_0 = the Conversion Rate in effect immediately before the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period for such tender or exchange offer;
- CR_1 = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period;
- AC = the aggregate value (determined as of the time (the “**Expiration Time**”) such tender or exchange offer expires by the Company in good faith and in a commercially reasonable manner) of all cash and other consideration paid for Ordinary Shares purchased or exchanged in such tender or exchange offer;
- OS_0 = the number of Ordinary Shares outstanding immediately before the Expiration Time (including all Ordinary Shares accepted for purchase or exchange in such tender or exchange offer);
- OS_1 = the number of Ordinary Shares outstanding immediately after the Expiration Time (excluding all Ordinary Shares accepted for purchase or exchange in such tender or exchange offer); and
- SP = the average of the Last Reported Sale Prices per Ordinary Share over the ten (10) consecutive Trading Day period (the “**Tender/Exchange Offer Valuation Period**”) beginning on, and including, the Trading Day immediately after the Expiration Date;

provided, however, that the Conversion Rate will in no event be adjusted down pursuant to this **Section 5.05(A)(v)**, except to the extent provided in the immediately following paragraph. Notwithstanding anything to the contrary in this **Section 5.05(A)(v)**, (i) if any VWAP Trading Day of the Observation Period for a Note whose Conversion will be settled pursuant to Cash Settlement or Combination Settlement occurs during the Tender/Exchange Offer Valuation Period for such tender or exchange offer, then, solely for purposes of determining the Conversion Rate for such VWAP Trading Day for such Conversion, such Tender/Exchange Offer Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Trading Day immediately after the Expiration Date for such tender or exchange offer to, and including, such VWAP Trading Day; and (ii) if the Conversion Date for a Note whose Conversion will be settled pursuant to Physical Settlement occurs during the Tender/Exchange Offer Valuation Period for such tender or exchange offer, then, solely for purposes of determining the Conversion Consideration for such Conversion, such Tender/Exchange Offer Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Trading Day immediately after the Expiration Date to, and including, such Conversion Date.

To the extent such tender or exchange offer is announced but not consummated (including as a result of being precluded from consummating such tender or exchange offer under applicable law), or any purchases or exchanges of Ordinary Shares in such tender or exchange offer are rescinded, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the purchases or exchanges of Ordinary Shares, if any, actually made, and not rescinded, in such tender or exchange offer.

(B) *No Adjustments in Certain Cases.*

(i) *Where Holders Participate in the Transaction or Event Without Conversion.* Notwithstanding anything to the contrary in **Section 5.05(A)**, the Company will not be obligated to adjust the Conversion Rate on account of a transaction or other event otherwise requiring an adjustment pursuant to **Section 5.05(A)** (other than a share split or combination of the type set forth in **Section 5.05(A)(i)** or a tender or exchange offer of the type set forth in **Section 5.05(A)(v)**) if each Holder participates, at the same time and on the same terms as holders of Ordinary Shares, and solely by virtue of being a Holder of Notes, in such transaction or event without having to Convert such Holder's Notes and as if such Holder held a number of Ordinary Shares equal to the product of (i) the Conversion Rate in effect on the related record date; and (ii) the aggregate principal amount (expressed in thousands) of Notes held by such Holder on such date.

(ii) *Certain Events.* The Company will not be required to adjust the Conversion Rate except as provided in **Section 5.05** or **Section 5.07**. Without limiting the foregoing, the Company will not be obligated to adjust the Conversion Rate on account of:

(1) except as otherwise provided in **Section 5.05**, the sale of Ordinary Shares for a purchase price that is less than the market price per Ordinary Share or less than the Conversion Price;

(2) the issuance of any Ordinary Shares pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in Ordinary Shares under any such plan;

(3) the issuance of any Ordinary Shares or options or rights to purchase Ordinary Shares pursuant to any present or future employee, director or consultant benefit plan or program of, or assumed by, the Company or any of its Subsidiaries;

(4) the issuance of any Ordinary Shares pursuant to any option, warrant, right or convertible or exchangeable security of the Company outstanding as of the Issue Date;

(5) solely a change in the par value of the Ordinary Shares; or

(6) accrued and unpaid interest on the Notes.

(C) *Adjustment Deferral.* If an adjustment to the Conversion Rate otherwise required by this **Article 5** would result in a change of less than one percent (1%) to the Conversion Rate, then, notwithstanding anything to the contrary in this **Article 5**, the Company may, at its election, defer and carry forward such adjustment, except that all such deferred adjustments must be given effect immediately upon the earliest of the following: (i) when all such deferred adjustments would, had they not been so deferred and carried forward, result in a change of at least one percent (1%) to the Conversion Rate; (ii) the Conversion Date of, or any VWAP Trading Day of an Observation Period for, any Note; (iii) the date a Fundamental Change or Make-Whole Fundamental Change occurs; (iv) the date the Company calls any Notes for Redemption; and (v) March 1, 2032.

(D) *Adjustments Not Yet Effective.* Notwithstanding anything to the contrary in this Indenture or the Notes, if:

(i) a Note is to be Converted pursuant to Physical Settlement or Combination Settlement;

(ii) the record date, Effective Date or Expiration Time for any event that requires an adjustment to the Conversion Rate pursuant to **Section 5.05(A)** has occurred on or before the Conversion Date for such Conversion (in the case of Physical Settlement) or on or before any VWAP Trading Day in the Observation Period for such Conversion (in the case of Combination Settlement), but an adjustment to the Conversion Rate for such event has not yet become effective as of such Conversion Date or VWAP Trading Day, as applicable;

(iii) the Conversion Consideration due upon such Conversion includes any whole Ordinary Shares (in the case of Physical Settlement) or due in respect of such VWAP Trading Day includes any whole or fractional Ordinary Shares (in the case of Combination Settlement); and

(iv) such shares are not entitled to participate in such event (because they were not held on the related record date or otherwise),

then, solely for purposes of such Conversion, the Company will, without duplication, give effect to such adjustment on such Conversion Date (in the case of Physical Settlement) or such VWAP Trading Day (in the case of Combination Settlement). In such case, if the date on which the Company is otherwise required to deliver the consideration due upon such Conversion is before the first date on which the amount of such adjustment can be determined, then the Company will delay the settlement of such Conversion until the second (2nd) Business Day after such first date.

(E) *Conversion Rate Adjustments Where Converting Holders Participate in the Relevant Transaction or Event.* Notwithstanding anything to the contrary in this Indenture or the Notes, if:

(i) a Conversion Rate adjustment for any dividend or distribution becomes effective on any Ex-Dividend Date pursuant to **Section 5.05(A)**;

(ii) a Note is to be Converted pursuant to Physical Settlement or Combination Settlement;

(iii) the Conversion Date for such Conversion (in the case of Physical Settlement) or any VWAP Trading Day in the Observation Period for such Conversion (in the case of Combination Settlement) occurs on or after such Ex-Dividend Date and on or before the related record date;

(iv) the Conversion Consideration due upon such Conversion includes any whole Ordinary Shares (in the case of Physical Settlement) or due in respect of such VWAP Trading Day includes any whole or fractional Ordinary Shares (in the case of Combination Settlement), in each case based on a Conversion Rate that is adjusted for such dividend or distribution; and

(v) such shares would be entitled to participate in such dividend or distribution (including pursuant to **Section 5.02(C)**),

then (x) in the case of Physical Settlement, such Conversion Rate adjustment will not be given effect for such Conversion and the Ordinary Shares issuable upon such Conversion based on such unadjusted Conversion Rate will not be entitled to participate in such dividend or distribution, but there will be added, to the Conversion Consideration otherwise due upon such Conversion, the same kind and amount of consideration that would have been delivered in such dividend or distribution with respect to such Ordinary Shares had such shares been entitled to participate in such dividend or distribution; and (y) in the case of Combination Settlement, the Conversion Rate adjustment relating to such Ex-Dividend Date will be made for such Conversion in respect of such VWAP Trading Day, but the Ordinary Shares issuable with respect to such VWAP Trading Day based on such adjusted Conversion Rate will not be entitled to participate in such dividend or distribution.

(F) *Shareholder Rights Plans*. If any Ordinary Shares are to be issued upon Conversion of any Note and, at the time of such Conversion, the Company has in effect any shareholder rights plan, then the Holder of such Note will be entitled to receive, in addition to, and concurrently with the delivery of, the Conversion Consideration otherwise payable under this Indenture upon such Conversion, the rights set forth in such shareholder rights plan, unless such rights have separated from the Ordinary Shares at such time, in which case, and only in such case, the Conversion Rate will be adjusted pursuant to **Section 5.05(A)(iii)(1)** on account of such separation as if, at the time of such separation, the Company had made a distribution of the type referred to in such Section to all holders of the Ordinary Shares, subject to potential readjustment in accordance with the last paragraph of **Section 5.05(A)(iii)(1)**.

(G) *Limitation on Effecting Transactions Resulting in Certain Adjustments*. The Company will not engage in or be a party to any transaction or event that would require the Conversion Rate to be adjusted pursuant to **Section 5.05(A)** or **Section 5.07** to an amount that would result in the Conversion Price per Ordinary Share being less than the par value per Ordinary Share.

(H) *Equitable Adjustments to Prices*. Whenever any provision of this Indenture requires the Company to calculate the average of the Last Reported Sale Prices, or any function thereof, over a period of multiple days (including to calculate the Share Price or an adjustment to the Conversion Rate), or to calculate Daily VWAPs over an Observation Period, the Company will make appropriate adjustments, if any, to such calculations to account for any adjustment to the Conversion Rate pursuant to **Section 5.05(A)** that becomes effective, or any event requiring such an adjustment to the Conversion Rate where the Ex-Dividend Date, Effective Date or Expiration Date, as applicable, of such event occurs, at any time during such period or Observation Period, as applicable.

(I) *Calculation of Number of Outstanding Ordinary Shares*. For purposes of **Section 5.05(A)**, the number of Ordinary Shares outstanding at any time will (i) include shares issuable in respect of scrip certificates issued in lieu of fractions of Ordinary Shares; and (ii) exclude Ordinary Shares held in the Company's treasury (unless the Company pays any dividend or makes any distribution on Ordinary Shares held in its treasury).

(J) *Calculations*. All calculations with respect to the Conversion Rate and adjustments thereto will be made to the nearest 1/10,000th of an Ordinary Share (with 5/100,000ths rounded upward).

(K) *Notice of Conversion Rate Adjustments*. Upon the effectiveness of any adjustment to the Conversion Rate pursuant to **Section 5.05(A)**, the Company will promptly send notice to the Holders, the Trustee and the Conversion Agent containing (i) a brief description of the transaction or other event on account of which such adjustment was made; (ii) the Conversion Rate in effect immediately after such adjustment; and (iii) the effective time of such adjustment.

Section 5.06. Voluntary Adjustments.

(A) *Generally*. To the extent permitted by law and applicable stock exchange rules, the Company, from time to time, may (but is not required to) increase the Conversion Rate by any amount if (i) the Board of Directors determines that such increase is either (x) in the best interest of the Company; or (y) advisable to avoid or diminish any income tax imposed on holders of Ordinary Shares or rights to purchase Ordinary Shares as a result of any dividend or distribution of Ordinary Shares (or rights to acquire Ordinary Shares) or any similar event; (ii) such increase is in effect for a period of at least twenty (20) Business Days; and (iii) such increase is irrevocable during such period.

(B) *Notice of Voluntary Increases*. If the Board of Directors determines to increase the Conversion Rate pursuant to **Section 5.06(A)**, then, no later than the first Business Day of the related twenty (20) Business Day period referred to in **Section 5.06(A)**, the Company will send notice to each Holder, the Trustee and the Conversion Agent of such increase, the amount thereof and the period during which such increase will be in effect.

Section 5.07. Adjustments to the Conversion Rate in Connection with a Make-Whole Fundamental Change.

(A) *Generally*. If a Make-Whole Fundamental Change occurs and the Conversion Date for the Conversion of a Note occurs during the related Make-Whole Fundamental Change Conversion Period, then, subject to this **Section 5.07**, the Conversion Rate applicable to such Conversion will be increased by a number of shares (the “**Additional Shares**”) set forth in the table below corresponding (after interpolation as provided in, and subject to, the provisions below) to the Make-Whole Fundamental Change Effective Date and the Share Price of such Make-Whole Fundamental Change:

Make-Whole Fundamental Change Effective Date	Share Price											
	\$41.12	\$44.00	\$48.00	\$51.40	\$55.00	\$66.82	\$80.00	\$100.00	\$130.00	\$175.00	\$225.00	\$300.00

If such Make-Whole Fundamental Change Effective Date or Share Price is not set forth in the table above, then:

(i) if such Share Price is between two Share Prices in the table above or the Make-Whole Fundamental Change Effective Date is between two dates in the table above, then the number of Additional Shares will be determined by straight-line interpolation between the numbers of Additional Shares set forth for the higher and lower Share Prices in the table above or the earlier and later dates in the table above, based on a 365- or 366-day year, as applicable; and

(ii) if the Share Price is greater than \$300.00 (subject to adjustment in the same manner as the Share Prices set forth in the column headings of the table above are adjusted pursuant to **Section 5.07(B)**), or less than \$41.12 (subject to adjustment in the same manner), per share, then no Additional Shares will be added to the Conversion Rate.

Notwithstanding anything to the contrary in this Indenture or the Notes, in no event will the Conversion Rate be increased to an amount that exceeds 24.3190 Ordinary Shares per \$1,000 principal amount of Notes, which amount is subject to adjustment in the same manner as, and at the same time and for the same events for which, the Conversion Rate is required to be adjusted pursuant to **Section 5.05(A)**.

For the avoidance of doubt, but subject to **Section 4.03(K)**, (x) the sending of a Redemption Notice for a Provisional Redemption will constitute a Make-Whole Fundamental Change only with respect to the Notes called for Provisional Redemption pursuant to such Redemption Notice, and not with respect to any other Notes; and (y) the Conversion Rate applicable to the Notes not so called for Provisional Redemption will not be subject to increase pursuant to this **Section 5.07** on account of such Redemption Notice.

(B) *Adjustment of Share Prices and Number of Additional Shares*. The Share Prices in the first row (*i.e.*, the column headers) of the table set forth in **Section 5.07(A)** will be adjusted in the same manner as, and at the same time and for the same events for which, the Conversion Price is adjusted as a result of the operation of **Section 5.05(A)**. The numbers of Additional Shares in the table set forth in **Section 5.07(A)** will be adjusted in the same manner as, and at the same time and for the same events for which, the Conversion Rate is adjusted pursuant to **Section 5.05(A)**.

(C) *Notice of the Occurrence of a Make-Whole Fundamental Change*. The Company will notify the Holders, the Trustee and the Conversion Agent of each Make-Whole Fundamental Change (i) occurring pursuant to **clause (A)** of the definition thereof in accordance with **Section 5.01(C)(i)(3)(b)**; and (ii) occurring pursuant to **clause (B)** of the definition thereof in accordance with **Section 4.03(G)**.

Section 5.08. Exchange in Lieu of Conversion.

Notwithstanding anything to the contrary in this **Article 5**, and subject to the terms of this **Section 5.08**, if a Note is submitted for Conversion, the Company may elect to arrange to have such Note exchanged in lieu of Conversion by a financial institution designated by the Company. To make such election, the Company must send notice of such election to the Holder of such Note, the Trustee and the Conversion Agent before the Close of Business on the Business Day immediately following the Conversion Date for such Note. If the Company has made such election, then:

(A) no later than the Business Day immediately following such Conversion Date, the Company must deliver (or cause the Conversion Agent to deliver) such Note, together with delivery instructions for the Conversion Consideration due upon such Conversion (including wire instructions, if applicable), to a financial institution designated by the Company that has agreed to deliver such Conversion Consideration in the manner and at the time the Company would have had to deliver the same pursuant to this **Article 5**;

(B) if such Note is a Global Note, then (i) such designated institution will send written confirmation to the Conversion Agent promptly after wiring the cash Conversion Consideration, if any, and delivering any other Conversion Consideration, due upon such Conversion to the Holder of such Note; and (ii) the Conversion Agent will as soon as reasonably practicable thereafter contact such Holder's custodian with the Depository to confirm receipt of the same; and

(C) such Note will not cease to be outstanding by reason of such exchange in lieu of Conversion;

provided, however, that if such financial institution does not accept such Note or fails to timely deliver such Conversion Consideration, then the Company will be responsible for delivering such Conversion Consideration in the manner and at the time provided in this **Article 5** as if the Company had not elected to make an exchange in lieu of Conversion.

Section 5.09. Effect of Ordinary Share Change Event.

(A) *Generally.* If there occurs any:

(i) recapitalization, reclassification or change of the Ordinary Shares (other than (x) changes solely resulting from a subdivision or combination of the Ordinary Shares, (y) a change only in par value or from par value to no par value or no par value to par value and (z) share splits and share combinations that do not involve the issuance of any other series or class of securities);

(ii) consolidation, merger, combination or binding or statutory share exchange involving the Company;

(iii) sale, lease or other transfer of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to any Person; or

(iv) other similar event,

and, as a result of which, the Ordinary Shares are converted into, or are exchanged for, or represent solely the right to receive, other securities, cash or other property, or any combination of the foregoing (such an event, an “**Ordinary Share Change Event**,” and such other securities, cash or property, the “**Reference Property**,” and the amount and kind of Reference Property that a holder of one (1) Ordinary Share would be entitled to receive on account of such Ordinary Share Change Event (without giving effect to any arrangement not to issue or deliver a fractional portion of any security or other property), a “**Reference Property Unit**”), then, notwithstanding anything to the contrary in this Indenture or the Notes,

(1) from and after the effective time of such Ordinary Share Change Event, (I) the Conversion Consideration due upon Conversion of any Note, and the conditions to any such Conversion, will be determined in the same manner as if each reference to any number of Ordinary Shares in this **Article 5** (or in any related definitions) were instead a reference to the same number of Reference Property Units; (II) for purposes of **Section 4.03(B)**, each reference to any number of Ordinary Shares in such Section (or in any related definitions) will instead be deemed to be a reference to the same number of Reference Property Units; and (III) for purposes of the definitions of “Fundamental Change” and “Make-Whole Fundamental Change,” references to “Ordinary Shares” and the Company’s “Common Equity” will be deemed to refer to the Common Equity (including depository receipts representing Common Equity), if any, forming part of such Reference Property;

(2) if such Reference Property Unit consists entirely of cash, then (I) each Conversion of any Note with a Conversion Date that occurs on or after the effective date of such Ordinary Share Change Event will be settled entirely in cash in an amount, per \$1,000 principal amount of such Note being Converted, equal to the product of (x) the Conversion Rate in effect on such Conversion Date (including, for the avoidance of doubt, any increase to such Conversion Rate pursuant to **Section 5.07**, if applicable); and (y) the amount of cash constituting such Reference Property Unit; and (II) the Company will settle each such Conversion no later than the fifth (5th) Business Day after the relevant Conversion Date; and

(3) for these purposes, (I) the Daily VWAP of any Reference Property Unit or portion thereof that consists of a class of Common Equity securities will be determined by reference to the definition of “Daily VWAP,” substituting, if applicable, the Bloomberg page for such class of securities in such definition; and (II) the Daily VWAP of any Reference Property Unit or portion thereof that does not consist of a class of Common Equity securities, and the Last Reported Sale Price of any Reference Property Unit or portion thereof that does not consist of a class of securities, will be the fair value of such Reference Property Unit or portion thereof, as applicable, determined in good faith and in a commercially reasonable manner by the Company (or, in the case of cash denominated in U.S. dollars, the face amount thereof).

If the Reference Property consists of more than a single type of consideration to be determined based in part upon any form of shareholder election, then the composition of the Reference Property Unit will be deemed to be the weighted average of the types and amounts of consideration actually received, per Ordinary Share, by the holders of Ordinary Shares. The Company will notify Holders, the Trustee and the Conversion Agent of such weighted average as soon as practicable after such determination is made.

At or before the effective time of such Ordinary Share Change Event, the Company and the resulting, surviving or transferee Person (if not the Company) of such Ordinary Share Change Event (the “**Successor Person**”) will execute and deliver to the Trustee a supplemental indenture pursuant to **Section 8.01(F)**, which supplemental indenture will (x) provide for subsequent Conversions of Notes in the manner set forth in this **Section 5.09**; (y) provide for subsequent adjustments to the Conversion Rate pursuant to **Section 5.05(A)** in a manner consistent with this **Section 5.09**; and (z) contain such other provisions, if any, that the Company reasonably determines are appropriate to preserve the economic interests of the Holders and to give effect to the provisions of this **Section 5.09(A)**. If the Reference Property includes shares of stock or other securities or assets (other than cash) of a Person other than the Successor Person, then such other Person will also execute such supplemental indenture and such supplemental indenture will contain such additional provisions, if any, that the Company reasonably determines are appropriate to preserve the economic interests of the Holders.

For the avoidance of doubt, the conversion of any or all of the Company’s B Class shares into Ordinary Shares in one or more transactions will not constitute an Ordinary Share Change Event.

(B) *Notice of Ordinary Share Change Events*. The Company will provide notice of each Ordinary Share Change Event to Holders, the Trustee and the Conversion Agent no later than the Business Day after the effective date of such Ordinary Share Change Event.

(C) *Compliance Covenant.* The Company will not become a party to any Ordinary Share Change Event unless its terms are consistent with this **Section 5.09**.

Article 6. SUCCESSORS

Section 6.01. When the Company May Merge, Etc.

(A) *Generally.* The Company will not consolidate with or merge with or into, or (directly, or indirectly through one or more of its Subsidiaries) sell, lease or otherwise transfer, in one transaction or a series of transactions, all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to another Person (a “**Business Combination Event**”), unless:

(i) the resulting, surviving or transferee Person either (x) is the Company or (y) if not the Company, is a Qualified Successor Entity (such Qualified Successor Entity, the “**Successor Entity**”) duly organized or incorporated and existing under the laws of Australia, the United States of America, any State thereof or the District of Columbia that expressly assumes (by executing and delivering to the Trustee, at or before the effective time of such Business Combination Event, a supplemental indenture pursuant to **Section 8.01(E)**) all of the Company’s obligations under this Indenture and the Notes (including, for the avoidance of doubt and without limiting any other provisions of this Indenture, if applicable, the obligation to pay Additional Amounts pursuant to **Section 3.05** subject to the limitations therein); and

(ii) immediately after giving effect to such Business Combination Event, no Default or Event of Default will have occurred and be continuing.

(B) *Delivery of Officer’s Certificate and Opinion of Counsel to the Trustee.* At or before the effective time of any Business Combination Event, the Company will deliver to the Trustee an Officer’s Certificate and Opinion of Counsel, each stating that (i) such Business Combination Event (and, if applicable, the related supplemental indenture) comply with **Section 6.01(A)**; and (ii) all conditions precedent to such Business Combination Event provided in this Indenture have been satisfied.

Section 6.02. Successor Entity Substituted.

At the effective time of any Business Combination Event that complies with **Section 6.01**, the Successor Entity (if not the Company) will succeed to, and may exercise every right and power of, the Company under this Indenture and the Notes with the same effect as if such Successor Entity had been named as the Company in this Indenture and the Notes, and, except in the case of a lease, the predecessor Company will be discharged from its obligations under this Indenture and the Notes.

Section 6.03. Exclusion for Asset Transfers with Wholly Owned Subsidiaries.

Notwithstanding anything to the contrary in this **Article 6**, this **Article 6** will not apply to any transfer of assets (other than by merger or consolidation) between or among the Company and any one or more of its Wholly Owned Subsidiaries.

Article 7. DEFAULTS AND REMEDIES

Section 7.01. Events of Default.

- (A) *Definition of Events of Default.* “**Event of Default**” means the occurrence of any of the following:
- (i) a default in the payment when due (whether at maturity, upon Redemption or Repurchase Upon Fundamental Change or otherwise) of the principal of, or the Redemption Price or Fundamental Change Repurchase Price for, any Note;
 - (ii) a default for thirty (30) consecutive days in the payment when due of interest on any Note;
 - (iii) the Company’s failure to deliver, when required by this Indenture, a Fundamental Change Notice, or a notice pursuant to **Section 5.01(C)(i)(3)**, if (in the case of any notice other than a notice pursuant to **Section 5.01(C)(i)(3)**) such failure is not cured within five (5) days after its occurrence;
 - (iv) a default in the Company’s obligation to Convert a Note in accordance with **Article 5** upon the exercise of the Conversion right with respect thereto, if such default is not cured within five (5) Business Days after its occurrence;
 - (v) a default in the Company’s obligations under **Article 6**;
 - (vi) a default in any of the Company’s obligations or agreements under this Indenture or the Notes (other than a default set forth in **clause (i), (ii), (iii), (iv) or (v)** of this **Section 7.01(A)**) where such default is not cured or waived within sixty (60) days after notice to the Company by the Trustee, or to the Company and the Trustee by Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding, which notice must specify such default, demand that it be remedied and state that such notice is a “Notice of Default”;
 - (vii) a default by the Company or any of the Company’s Significant Subsidiaries with respect to any one or more mortgages, agreements or other instruments under which there is outstanding, or by which there is secured or evidenced, any indebtedness for borrowed money (other than (1) any non-recourse indebtedness for borrowed money (it being understood and agreed that limited recourse provisions in respect of the applicable financing assets or that otherwise are customary in transactions in which the primary recourse is to financing assets will not cause indebtedness that is otherwise non-recourse to constitute recourse indebtedness) or (2) indebtedness for money borrowed of the Company’s Subsidiaries if such Subsidiary is a special purpose entity that serves as a vehicle to obtain financing that is otherwise non-recourse to the Company and its other Subsidiaries (it being understood and agreed that limited recourse provisions in respect of the applicable financing assets or that otherwise are customary in transactions in which the primary recourse is to financing assets will not cause indebtedness that is otherwise non-recourse to constitute recourse indebtedness)) of at least one hundred million dollars (\$100,000,000) (or its foreign currency equivalent) in the aggregate of the Company or any of the Company’s Significant Subsidiaries, whether such indebtedness exists as of the Issue Date or is thereafter created, where such default:

(1) constitutes a failure to pay the principal of such indebtedness when due and payable at its stated maturity, upon required repurchase, upon declaration of acceleration or otherwise, in each case after the expiration of any applicable grace period; or

(2) results in such indebtedness becoming or being declared due and payable before its stated maturity,

in each case where such default is not cured or waived within thirty (30) days after written notice to the Company by the Trustee or to the Company and the Trustee by Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding;

(viii) the Company or any of its Significant Subsidiaries, pursuant to or within the meaning of any Bankruptcy Law, either:

(1) commences a voluntary case or proceeding;

(2) consents to the entry of an order for relief against it in an involuntary case or proceeding;

(3) consents to the appointment of a custodian of it or for any substantial part of its property;

(4) makes a general assignment for the benefit of its creditors;

(5) takes any comparable action under any foreign Bankruptcy Law; or

(6) generally is not paying its debts as they become due; or

(ix) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that either:

(1) is for relief against the Company or any of its Significant Subsidiaries in an involuntary case or proceeding;

(2) appoints a custodian of the Company or any of its Significant Subsidiaries, or for any substantial part of the property of the Company or any of its Significant Subsidiaries;

(3) orders the winding up or liquidation of the Company or any of its Significant Subsidiaries; or

(4) grants any similar relief under any foreign Bankruptcy Law,

and, in each case under this **Section 7.01(A)(ix)**, such order or decree remains unstayed and in effect for at least sixty (60) days.

(B) *Cause Irrelevant.* Each of the events set forth in **Section 7.01(A)** will constitute an Event of Default regardless of the cause thereof or whether voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

Section 7.02. Acceleration.

(A) *Automatic Acceleration in Certain Circumstances.* If an Event of Default set forth in **Section 7.01(A)(viii)** or **7.01(A)(ix)** occurs with respect to the Company (and not solely with respect to a Significant Subsidiary of the Company), then the principal amount of, and all accrued and unpaid interest on, all of the Notes then outstanding will immediately become due and payable without any further action or notice by any Person.

(B) *Optional Acceleration.* Subject to **Section 7.03**, if an Event of Default (other than an Event of Default set forth in **Section 7.01(A)(viii)** or **7.01(A)(ix)** with respect to the Company and not solely with respect to a Significant Subsidiary of the Company) occurs and is continuing, then the Trustee, by notice to the Company, or Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding, by notice to the Company and the Trustee, may declare the principal amount of, and all accrued and unpaid interest on, all of the Notes then outstanding to become due and payable immediately.

For the avoidance of doubt, any failure by the Company to provide any notice under this Indenture other than as set forth in **Section 7.01(A)(iii)** shall be subject to **Section 7.01(A)(vi)** (including the sixty (60)-day cure period contained therein), and any related Default or Event of Default shall be deemed cured upon delivery of such notice to the applicable recipient prior to (i) the expiration of such sixty (60)-day period; or (ii) if later, the delivery of a notice of acceleration with respect to such Default or Event of Default, in each case whether or not the events or circumstances that are the subject of such notice have already occurred at the time such notice is given.

(C) *Rescission of Acceleration.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Holders of a majority in aggregate principal amount of the Notes then outstanding, by notice to the Company and the Trustee, may, on behalf of all Holders, rescind any acceleration of the Notes and its consequences if (i) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and (ii) all existing Events of Default (except the non-payment of principal of, or interest on, the Notes that has become due solely because of such acceleration) have been cured or waived. No such rescission will affect any subsequent Default or impair any right consequent thereto.

Section 7.03. Sole Remedy for a Failure to Report.

(A) *Generally.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Company may elect that the sole remedy for any Event of Default (a “**Reporting Event of Default**”) pursuant to **Section 7.01(A)(vi)** arising from the Company’s failure to comply with **Section 3.02** will, for each of the first three hundred sixty (360) calendar days on which a Reporting Event of Default has occurred and is continuing, consist exclusively of the accrual of Special Interest on the Notes. If the Company has made such an election, then (i) the Notes will be subject to acceleration pursuant to **Section 7.02** on account of the relevant Reporting Event of Default from, and including, the three hundred sixty first (361st) calendar day on which a Reporting Event of Default has occurred and is continuing or if the Company fails to pay any accrued and unpaid Special Interest when due; and (ii) Special Interest will cease to accrue on any Notes from, and including, such three hundred sixty first (361st) calendar day (it being understood that interest on any defaulted Special Interest will nonetheless accrue pursuant to **Section 2.05(B)**).

(B) *Amount and Payment of Special Interest.* Any Special Interest that accrues on a Note pursuant to **Section 7.03(A)** will be payable on the same dates and in the same manner as the Stated Interest on such Note and will accrue at a rate per annum equal to one quarter of one percent (0.25%) of the principal amount thereof for the first one hundred eighty (180) days on which Special Interest accrues and, thereafter, at a rate per annum equal to one half of one percent (0.50%) of the principal amount thereof; *provided, however*, that in no event will Special Interest, together with any Additional Interest (excluding any interest that accrues on any Deferred Additional Interest pursuant to **Section 3.04(C)**), accrue on any day on a Note at a combined rate per annum that exceeds one half of one percent (0.50%). For the avoidance of doubt, any Special Interest that accrues on a Note will be in addition to the Stated Interest that accrues on such Note and, subject to the proviso of the immediately preceding sentence, in addition to any Additional Interest that accrues on such Note.

If a Reporting Event of Default giving rise to the Company’s obligation to pay Special Interest pursuant to **Section 7.03(A)** initially occurs at or after the Close of Business on a Regular Record Date and prior to the Open of Business on the corresponding Interest Payment Date, the Special Interest that accrues during such period will be due on the Interest Payment Date next succeeding such corresponding Interest Payment Date, and no interest shall accrue in respect of such delay.

(C) *Notice of Election.* To make the election set forth in **Section 7.03(A)**, the Company must send to the Holders, the Trustee and the Paying Agent, before the date on which each Reporting Event of Default first occurs, a notice that (i) briefly describes the report(s) that the Company failed to file with the SEC; (ii) states that the Company is electing that the sole remedy for such Reporting Event of Default consist of the accrual of Special Interest; and (iii) briefly describes the periods during which and rate at which Special Interest will accrue and the circumstances under which the Notes will be subject to acceleration on account of such Reporting Event of Default.

For the avoidance of doubt, if (x) the Company timely elects to pay Special Interest as the sole remedy during the first three hundred sixty (360) days on which a Reporting Event of Default has occurred and is continuing; (y) the Company pays such Special Interest in accordance with this Indenture; and (z) the Company files the delinquent reports that were required to be filed and gave rise to the relevant Reporting Event of Default (in each case in this **clause (z)** pursuant to the provisions set forth in **Section 3.02**) prior to the three hundred sixty first (361st) day on which such Reporting Event of Default has occurred and is continuing (or prior to the delivery of any related notice of acceleration on or after such three hundred sixty first (361st) day), such Reporting Event of Default will be deemed cured and the Notes will not be subject to acceleration as a result of the initial failure to comply with the Company’s reporting obligations set forth in **Section 3.02**.

(D) *Notice to Trustee and Paying Agent; Trustee's Disclaimer*. If Special Interest accrues on any Note, then, no later than five (5) Business Days before each date on which such Special Interest is to be paid, the Company will deliver an Officer's Certificate to the Trustee and the Paying Agent stating (i) that the Company is obligated to pay Special Interest on such Note on such date of payment; and (ii) the amount of such Special Interest that is payable on such date of payment. The Trustee will have no duty to determine whether any Special Interest is payable or the amount thereof.

(E) *No Effect on Other Events of Default*. No election pursuant to this **Section 7.03** with respect to a Reporting Event of Default will affect the rights of any Holder with respect to any other Event of Default, including with respect to any other Reporting Event of Default.

Section 7.04. Other Remedies.

(A) *Trustee May Pursue All Remedies*. If an Event of Default occurs and is continuing, then the Trustee may pursue any available remedy to collect the payment of any amounts due with respect to the Notes or to enforce the performance of any provision of this Indenture or the Notes.

(B) *Procedural Matters*. The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in such proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy following an Event of Default will not impair the right or remedy or constitute a waiver of, or acquiescence in, such Event of Default. All remedies will be cumulative to the extent permitted by law.

Section 7.05. Waiver of Past Defaults.

An Event of Default pursuant to **clause (i), (ii), (iv) or (vi) of Section 7.01(A)** (that, in the case of **clause (vi)** only, results from a Default under any covenant that cannot be amended without the consent of each affected Holder), and a Default that could lead to such an Event of Default, can be waived only with the consent of each affected Holder. Each other Default or Event of Default may be waived, on behalf of all Holders, by the Holders of a majority in aggregate principal amount of the Notes then outstanding. If an Event of Default is so waived, then it will cease to exist. If a Default is so waived, then it will be deemed to be cured and any Event of Default arising therefrom will be deemed not to occur. However, no such waiver will extend to any subsequent or other Default or Event of Default or impair any right arising therefrom.

Section 7.06. Control by Majority.

Holdings of a majority in aggregate principal amount of the Notes then outstanding may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law, this Indenture or the Notes, or that, subject to **Section 10.01**, the Trustee determines may be unduly prejudicial to the rights of other Holders or may involve the Trustee in liability, unless the Trustee is offered (and, if requested, provided with) security and indemnity satisfactory to the Trustee against any loss, liability or expense to the Trustee that may result from the Trustee's following such direction.

Section 7.07. Limitation on Suits.

No Holder may pursue any remedy with respect to this Indenture or the Notes (except to enforce (x) its rights to receive the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, any Notes; or (y) the Company's obligations to Convert any Notes pursuant to **Article 5**), unless:

- (A) such Holder has previously delivered to the Trustee notice that an Event of Default is continuing;
- (B) Holders of at least twenty five percent (25%) in aggregate principal amount of the Notes then outstanding deliver a request to the Trustee to pursue such remedy;
- (C) such Holder or Holders offer and, if requested, provide to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense to the Trustee that may result from the Trustee's following such request;
- (D) the Trustee does not comply with such request within sixty (60) calendar days after its receipt of such request and such offer of security or indemnity; and
- (E) during such sixty (60) calendar day period, Holders of a majority in aggregate principal amount of the Notes then outstanding do not deliver to the Trustee a direction that is inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder. The Trustee will have no duty to determine whether any Holder's use of this Indenture complies with the preceding sentence.

Section 7.08. Absolute Right of Holders to Institute Suit for the Enforcement of the Right to Receive Payment and Conversion Consideration.

Notwithstanding anything to the contrary in this Indenture or the Notes (but without limiting **Section 8.01**), the right of each Holder of a Note to bring suit for the enforcement of any payment or delivery, as applicable, of the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or the Conversion Consideration due pursuant to **Article 5** upon Conversion of, such Note on or after the respective due dates therefor provided in this Indenture and the Notes, will not be impaired or affected without the consent of such Holder.

Section 7.09. Collection Suit by Trustee.

The Trustee will have the right, upon the occurrence and continuance of an Event of Default pursuant to **clause (i), (ii) or (iv) of Section 7.01(A)**, to recover judgment in its own name and as trustee of an express trust against the Company for the total unpaid or undelivered principal of, or Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or Conversion Consideration due pursuant to **Article 5** upon Conversion of, the Notes, as applicable, and, to the extent lawful, any Default Interest on any Defaulted Amounts, and such further amounts sufficient to cover the costs and expenses of collection, including compensation provided for in **Section 10.06**.

Section 7.10. Trustee May File Proofs of Claim.

The Trustee has the right to (A) file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes) or its creditors or property and (B) collect, receive and distribute any money or other property payable or deliverable on any such claims. Each Holder authorizes any custodian in such proceeding to make such payments to the Trustee, and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to the Trustee for the reasonable compensation, expenses, disbursements and advances of the Trustee, and its agents and counsel, and any other amounts payable to the Trustee pursuant to **Section 10.06**. To the extent that the payment of any such compensation, expenses, disbursements, advances and other amounts out of the estate in such proceeding, is denied for any reason, payment of the same will be secured by a lien (senior to the rights of Holders) on, and will be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding (whether in liquidation or under any plan of reorganization or arrangement or otherwise). Nothing in this Indenture will be deemed to authorize the Trustee to authorize, consent to, accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 7.11. Priorities.

The Trustee will pay or deliver in the following order any money or other property that it collects pursuant to this **Article 7**:

First: to the Trustee and its agents and attorneys for amounts due under **Section 10.06**, including payment of all fees and compensation of, and all expenses and liabilities incurred, and all advances made, by, the Trustee (in each of its capacities under this Indenture, including as Note Agent) and the costs and expenses of collection;

Second: to Holders for unpaid amounts or other property due on the Notes, including the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or any Conversion Consideration due upon Conversion of, the Notes, ratably, and without preference or priority of any kind, according to such amounts or other property due and payable on all of the Notes; and

Third: to the Company or such other Person as a court of competent jurisdiction directs.

The Trustee may fix a record date and payment date for any payment or delivery to the Holders pursuant to this **Section 7.11**, in which case the Trustee will instruct the Company to, and the Company will, deliver, at least fifteen (15) calendar days before such record date, to each Holder and the Trustee a notice stating such record date, such payment date and the amount of such payment or nature of such delivery, as applicable.

Section 7.12. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or the Notes or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court, in its discretion, may (A) require the filing by any litigant party in such suit of an undertaking to pay the costs of such suit; and (B) assess reasonable costs (including reasonable attorneys' fees) against any litigant party in such suit, having due regard to the merits and good faith of the claims or defenses made by such litigant party; *provided, however*, that this **Section 7.12** does not apply to any suit by the Trustee, any suit by a Holder pursuant to **Section 7.08** or any suit by one or more Holders of more than ten percent (10%) in aggregate principal amount of the Notes then outstanding.

Article 8. AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 8.01. Without the Consent of Holders.

Notwithstanding anything to the contrary in **Section 8.02**, the Company and the Trustee may amend or supplement this Indenture or the Notes without the consent of any Holder to:

- (A) cure any ambiguity or correct any omission, defect or inconsistency in this Indenture or the Notes;
- (B) add guarantees with respect to the Company's obligations under this Indenture or the Notes;
- (C) secure the Notes;
- (D) add to the Company's covenants or Events of Default for the benefit of the Holders or surrender any right or power conferred on the Company;
- (E) provide for the assumption of the Company's obligations under this Indenture and the Notes pursuant to, and in compliance with, **Article 6**;
- (F) enter into supplemental indentures pursuant to, and in accordance with, **Section 5.09** in connection with an Ordinary Share Change Event;
- (G) irrevocably elect or eliminate any Settlement Method or Specified Dollar Amount; *provided, however*, that no such election or elimination will affect any Settlement Method theretofore elected (or deemed to be elected) with respect to any Note pursuant to **Section 5.03(A)**;
- (H) evidence or provide for the acceptance of the appointment, under this Indenture, of a successor Trustee;

(I) conform the provisions of this Indenture and the Notes to the “Description of Notes” section of the Company’s preliminary offering memorandum, dated December 1, 2025, as supplemented by the related pricing term sheet, dated December 2, 2025;

(J) provide for or confirm the issuance of additional Notes pursuant to **Section 2.03(B)**;

(K) comply with any requirement of the SEC in connection with any qualification of this Indenture, or any related supplemental indenture, under the Trust Indenture Act, as then in effect; or

(L) make any other change to this Indenture or the Notes that does not, individually or in the aggregate with all other such changes, adversely affect the rights of the Holders, as such, in any material respect, as determined by the Company in good faith.

At the written request of any Holder of a Note or owner of a beneficial interest in a Global Note, the Company will provide a copy of the “Description of Notes” section and pricing term sheet referred to in **Section 8.01(I)**.

Section 8.02. With the Consent of Holders.

(A) *Generally.* Subject to **Sections 8.01, 7.05 and 7.08** and the immediately following sentence, the Company and the Trustee may, with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding, amend or supplement this Indenture or the Notes or waive compliance with any provision of this Indenture or the Notes. Notwithstanding anything to the contrary in the foregoing sentence, but subject to **Section 8.01**, without the consent of each affected Holder, no amendment or supplement to this Indenture or the Notes, or waiver of any provision of this Indenture or the Notes, may:

(i) reduce the principal, or change the stated maturity, of any Note;

(ii) reduce the Redemption Price or Fundamental Change Repurchase Price for any Note or change the times at which, or the circumstances under which, the Notes may or will be redeemed or repurchased by the Company;

(iii) reduce the rate, or extend the time for the payment, of interest on any Note;

(iv) make any change that adversely affects the Conversion rights of any Note;

(v) impair the rights of any Holder set forth in **Section 7.08** (as such section is in effect on the Issue Date);

(vi) change the ranking of the Notes;

(vii) make any Note payable in money, or at a place of payment, other than that stated in this Indenture or the Note;

(viii) make any change to the Company’s obligation to pay Additional Amounts on any Note in a manner adverse to any Holder or beneficial owner of the Notes;

(ix) reduce the amount of Notes whose Holders must consent to any amendment, supplement, waiver or other modification; or

(x) make any direct or indirect change to any amendment, supplement, waiver or modification provision of this Indenture or the Notes that requires the consent of each affected Holder.

For the avoidance of doubt, pursuant to **clauses (i), (ii), (iii) and (iv)** of this **Section 8.02(A)**, no amendment or supplement to this Indenture or the Notes, or waiver of any provision of this Indenture or the Notes, may (except as expressly provided otherwise in this Indenture or the Notes) change the type or reduce the amount of consideration due on any Note (whether on an Interest Payment Date, Redemption Date, Fundamental Change Repurchase Date or the Maturity Date or upon Conversion, or otherwise), or the date(s) or time(s) such consideration is payable or deliverable, as applicable, without the consent of each affected Holder.

(B) *Holders Need Not Approve the Particular Form of any Amendment.* A consent of any Holder pursuant to this **Section 8.02** need approve only the substance, and not necessarily the particular form, of the proposed amendment, supplement or waiver.

Section 8.03. Notice of Amendments, Supplements and Waivers.

As soon as reasonably practicable after any amendment, supplement or waiver pursuant to **Section 8.01** or **8.02** becomes effective, the Company will send to the Holders and the Trustee notice that (A) describes the substance of such amendment, supplement or waiver in reasonable detail and (B) states the effective date thereof; *provided, however*, that the Company will not be required to provide such notice to the Holders if such amendment, supplement or waiver is included in a periodic report filed by the Company with the SEC within four (4) Business Days of its effectiveness. The failure to send, or the existence of any defect in, such notice will not impair or affect the validity of such amendment, supplement or waiver.

Section 8.04. Revocation, Effect and Solicitation of Consents; Special Record Dates; Etc.

(A) *Revocation and Effect of Consents.* The consent of a Holder of a Note to an amendment, supplement or waiver will bind (and constitute the consent of) each subsequent Holder of any Note to the extent the same evidences any portion of the same indebtedness as the consenting Holder's Note, subject to the right of any Holder of a Note to revoke (if not prohibited pursuant to **Section 8.04(B)**) any such consent with respect to such Note by delivering notice of revocation to the Trustee before the time such amendment, supplement or waiver becomes effective.

(B) *Special Record Dates.* The Company may, but is not required to, fix a record date for the purpose of determining the Holders entitled to consent or take any other action in connection with any amendment, supplement or waiver pursuant to this **Article 8**. If a record date is fixed, then, notwithstanding anything to the contrary in **Section 8.04(A)**, only Persons who are Holders as of such record date (or their duly designated proxies) will be entitled to give such consent, to revoke any consent previously given or to take any such action, regardless of whether such Persons continue to be Holders after such record date; *provided, however*, that no such consent will be valid or effective for more than one hundred and twenty (120) calendar days after such record date.

(C) *Solicitation of Consents.* For the avoidance of doubt, each reference in this Indenture or the Notes to the consent of a Holder will be deemed to include any such consent obtained in connection with a repurchase of, or tender or exchange offer for, any Notes.

(D) *Effectiveness and Binding Effect.* Each amendment, supplement or waiver pursuant to this **Article 8** will become effective in accordance with its terms and, when it becomes effective with respect to any Note (or any portion thereof), will thereafter bind every Holder of such Note (or such portion).

Section 8.05. Notations and Exchanges.

If any amendment, supplement or waiver changes the terms of a Note, then the Trustee or the Company may, in its discretion, require the Holder of such Note to deliver such Note to the Trustee so that the Trustee may place an appropriate notation prepared by the Company on such Note and return such Note to such Holder. Alternatively, at its discretion, the Company may, in exchange for such Note, issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a new Note that reflects the changed terms. The failure to make any appropriate notation or issue a new Note pursuant to this **Section 8.05** will not impair or affect the validity of such amendment, supplement or waiver.

Section 8.06. Trustee to Execute Supplemental Indentures.

The Trustee will execute and deliver any amendment or supplemental indenture authorized pursuant to this **Article 8**; *provided, however*, that the Trustee need not (but may, in its sole and absolute discretion) execute or deliver any such amendment or supplemental indenture that the Trustee concludes adversely affects the Trustee's rights, duties, liabilities or immunities. In executing any amendment or supplemental indenture, the Trustee will be entitled to receive, and (subject to **Sections 10.01** and **10.02**) will be fully protected in relying on, an Officer's Certificate and an Opinion of Counsel stating that (A) the execution and delivery of such amendment or supplemental indenture is authorized or permitted by this Indenture; and (B) in the case of the Opinion of Counsel, such amendment or supplemental indenture is valid, binding and enforceable against the Company in accordance with its terms.

Article 9. SATISFACTION AND DISCHARGE

Section 9.01. Termination of Company's Obligations.

This Indenture will be discharged, and will cease to be of further effect as to all Notes issued under this Indenture, when:

(A) all Notes then outstanding (other than Notes replaced pursuant to **Section 2.13**) have (i) been delivered to the Trustee for cancellation; or (ii) become due and payable (whether on a Redemption Date, a Fundamental Change Repurchase Date, the Maturity Date, upon Conversion or otherwise) for an amount of cash or Conversion Consideration, as applicable, that has been fixed;

(B) the Company has caused there to be irrevocably deposited with the Trustee, or with the Paying Agent (or, with respect to Conversion Consideration, the Conversion Agent), in each case for the benefit of the Holders, or has otherwise caused there to be delivered to the Holders, cash (or, with respect to Notes to be Converted, Conversion Consideration) sufficient to satisfy all amounts or other property (including, if applicable, all related Additional Amounts) due on all Notes then outstanding (other than Notes replaced pursuant to **Section 2.13**);

(C) the Company has paid all other amounts payable by it under this Indenture; and

(D) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that the conditions precedent to the discharge of this Indenture have been satisfied;

provided, however, that **Article 10** and **Section 11.01** will survive such discharge and, until no Notes remain outstanding, **Section 2.15** and the obligations of the Trustee, the Paying Agent and the Conversion Agent with respect to money or other property deposited with them will survive such discharge.

At the Company's request, the Trustee will acknowledge the satisfaction and discharge of this Indenture.

Section 9.02. Repayment to Company.

Subject to applicable unclaimed property law, the Trustee, the Paying Agent and the Conversion Agent will promptly notify the Company if there exists (and, at the Company's request, promptly deliver to the Company) any cash, Conversion Consideration or other property held by any of them for payment or delivery on the Notes that remain unclaimed two (2) years after the date on which such payment or delivery was due. After such delivery to the Company, the Trustee, the Paying Agent and the Conversion Agent will have no further liability to any Holder with respect to such cash, Conversion Consideration or other property, and Holders entitled to the payment or delivery of such cash, Conversion Consideration or other property must look to the Company for payment as a general creditor of the Company.

Section 9.03. Reinstatement.

If the Trustee, the Paying Agent or the Conversion Agent is unable to apply any cash or other property deposited with it pursuant to **Section 9.01** because of any legal proceeding or any order or judgment of any court or other governmental authority that enjoins, restrains or otherwise prohibits such application, then the discharge of this Indenture pursuant to **Section 9.01** will be rescinded; *provided, however*, that if the Company thereafter pays or delivers any cash or other property due on the Notes to the Holders thereof, then the Company will be subrogated to the rights of such Holders to receive such cash or other property from the cash or other property, if any, held by the Trustee, the Paying Agent or the Conversion Agent, as applicable.

Article 10. TRUSTEE

Section 10.01. Duties of the Trustee.

(A) If an Event of Default has occurred and is continuing, and a Responsible Officer of the Trustee has written notice or actual knowledge of the same, then, without limiting the generality of **Section 10.02(F)**, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(B) Except during the continuance of an Event of Default:

(i) the duties of the Trustee will be determined solely by the express provisions of this Indenture, and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith or willful misconduct on its part, the Trustee may, without investigation, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officer's Certificates or Opinions of Counsel that are provided to the Trustee and conform to the requirements of this Indenture; *provided, however*, that the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(C) The Trustee may not be relieved from liabilities for its negligence or willful misconduct, except that:

(i) this paragraph will not limit the effect of **Section 10.01(B)**;

(ii) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to **Section 7.06**.

(D) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability.

(E) The Trustee will not be liable for interest on any money received by it, except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds, except to the extent required by law.

(F) The Trustee will not be liable in its individual capacity for the obligations evidenced by the Notes.

(G) Each provision of this Indenture that in any way relates to the Trustee (including any provision that affects the liability of, or affords protection to, the Trustee) is subject to this **Section 10.01**, regardless of whether such provision so expressly provides.

Section 10.02. Rights of the Trustee.

(A) The Trustee may conclusively rely on any document that it believes to be genuine and signed or presented by the proper Person, and the Trustee need not investigate any fact or matter stated in such document.

(B) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate, an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel; and the written advice of such counsel, or any Opinion of Counsel, will constitute full and complete authorization of the Trustee to take or omit to take any action in good faith in reliance thereon without liability.

(C) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any such agent appointed with due care.

(D) The Trustee will not be liable for any action it takes or omits to take in good faith and that it believes to be authorized or within the rights or powers vested in it by this Indenture.

(E) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(F) The Trustee need not exercise any rights or powers vested in it by this Indenture at the request or direction of any Holder unless such Holder has offered (and, if requested, provided) the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense that it may incur in complying with such request or direction.

(G) The Trustee will not be responsible or liable for any punitive, special, indirect or consequential loss or damage (including lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(H) The permissive rights of the Trustee set forth in this Indenture will not be construed as duties imposed on the Trustee.

(I) The Trustee will not be required to give any bond or surety in respect of the execution or performance of this Indenture or otherwise.

(J) Unless a Responsible Officer of the Trustee has received notice from the Company that Additional Amounts, Additional Interest or Special Interest is owing or, if applicable, accruing, on the Notes, the Trustee may assume that no Additional Amounts, Additional Interest or Special Interest, as applicable, is payable or, if applicable, accruing.

(K) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and will be enforceable by, the Trustee in each of its capacities under this Indenture, including as Note Agent.

(L) The Trustee will not be charged with knowledge of any document or agreement other than this Indenture and the Notes.

(M) Neither the Trustee nor any Note Agent will have any responsibility or liability to any person for any action taken or not taken by, or any records or any other aspect of the operations of, the Depository (including the delivery of notices, or the making of payments, through the facilities of the Depository) and may conclusively rely, without investigation, on any information provided by the Depository.

Section 10.03. Individual Rights of the Trustee.

The Trustee, in its individual or any other capacity, may become the owner or pledgee of any Note and may otherwise deal with the Company or any of its Affiliates with the same rights that it would have if it were not Trustee; *provided, however*, that if the Trustee acquires a “conflicting interest” (within the meaning of Section 310(b) of the Trust Indenture Act), then it must eliminate such conflict within ninety (90) days or resign as Trustee. Each Note Agent will have the same rights and duties as the Trustee under this **Section 10.03**.

Section 10.04. Trustee’s Disclaimer.

The Trustee will not be (A) responsible for, and makes no representation as to, the validity or adequacy of this Indenture or the Notes; (B) accountable for the Company’s use of the proceeds from the Notes or any money paid to the Company or upon the Company’s direction under any provision of this Indenture; (C) responsible for the use or application of any money received by any Paying Agent other than the Trustee; and (D) responsible for any statement or recital in this Indenture, the Notes or any other document relating to the sale of the Notes or this Indenture, other than the Trustee’s certificate of authentication.

Section 10.05. Notice of Defaults.

If a Default or Event of Default occurs and is continuing and is actually known to a Responsible Officer of the Trustee, then the Trustee will send Holders a notice of such Default or Event of Default within ninety (90) days after it occurs or, if it is not actually known to a Responsible Officer of the Trustee at such time, promptly (and in any event within ten (10) Business Days) after it becomes actually known to a Responsible Officer of the Trustee; *provided, however*, that, except in the case of a Default or Event of Default in the payment of the principal of, or interest on, any Note, the Trustee may withhold such notice if and for so long as it in good faith determines that withholding such notice is in the interests of the Holders. The Trustee will not be deemed to have notice or be charged with knowledge of any Default or Event of Default unless (A) written notice thereof has been received by a Responsible Officer; and (B) such notice references the Notes and this Indenture and states on its face that a Default or Event of Default has occurred. For the avoidance of doubt, the Trustee will not be required to deliver such notice at any time after such Default or Event of Default is cured or waived.

Section 10.06. Compensation and Indemnity.

(A) The Company will, from time to time, pay the Trustee reasonable compensation for its acceptance of this Indenture and services under this Indenture as separately agreed to by the Company and the Trustee. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. In addition to the compensation for the Trustee's services, the Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(B) The Company will indemnify the Trustee (in each of its capacities under this Indenture) and its directors, officers, employees and agents, in their capacities as such, against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this **Section 10.06**) and defending itself against any claim (whether asserted by the Company, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties under this Indenture, except to the extent any such loss, liability or expense is attributable (as determined by a final decision of a court of competent jurisdiction) to its negligence or willful misconduct. The Trustee will promptly notify the Company of any claim for which it may seek indemnity, but the Trustee's failure to so notify the Company will not relieve the Company of its obligations under this **Section 10.06(B)**, except to the extent the Company is materially prejudiced by such failure. The Company will defend such claim, and the Trustee will cooperate in such defense. If the Trustee is advised by counsel that it may have defenses available to it that are in conflict with the defenses available to the Company, or that there is an actual or potential conflict of interest, then the Trustee may retain separate counsel, and the Company will pay the reasonable fees and expenses of such counsel (including the reasonable fees and expenses of counsel to the Trustee incurred in evaluating whether such a conflict exists). The Company need not pay for any settlement of any such claim made without its consent, which consent will not be unreasonably withheld.

(C) The obligations of the Company under this **Section 10.06** will survive the resignation or removal of the Trustee and the discharge of this Indenture.

(D) To secure the Company's payment obligations in this **Section 10.06**, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, or interest on, particular Notes, which lien will survive the discharge of this Indenture.

(E) If the Trustee incurs expenses or renders services after an Event of Default pursuant to **clause (viii) or (ix) of Section 7.01(A)** occurs, then such expenses and the compensation for such services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 10.07. Replacement of the Trustee.

(A) Notwithstanding anything to the contrary in this **Section 10.07**, a resignation or removal of the Trustee, and the appointment of a successor Trustee, will become effective only upon such successor Trustee's acceptance of appointment as provided in this **Section 10.07**.

(B) The Trustee may resign at any time and be discharged from the trust created by this Indenture by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (i) the Trustee fails to comply with **Section 10.09**;
- (ii) the Trustee is adjudged to be bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (iii) a custodian or public officer takes charge of the Trustee or its property; or
- (iv) the Trustee becomes incapable of acting.

(C) If the Trustee resigns or is removed, or if a vacancy exists in the office of the Trustee for any reason, then (i) the Company will promptly appoint a successor Trustee; and (ii) at any time within one (1) year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the Notes then outstanding may appoint a successor Trustee to replace such successor Trustee appointed by the Company.

(D) If a successor Trustee does not take office within sixty (60) days after the retiring Trustee resigns or is removed, then the retiring Trustee, the Company or the Holders of at least ten percent (10%) in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(E) If the Trustee, after written request by a Holder of at least six (6) months, fails to comply with **Section 10.09**, then such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(F) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company, upon which notice the resignation or removal of the retiring Trustee will become effective and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will send notice of its succession to Holders. The retiring Trustee will, upon payment of all amounts due to it under this Indenture, promptly transfer all property held by it as Trustee to the successor Trustee, which property will, for the avoidance of doubt, be subject to the lien provided for in **Section 10.06(D)**.

Section 10.08. Successor Trustee by Merger, Etc.

Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee is a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, will (without the execution or filing of any paper or any further act on the part of any of the parties to this Indenture) be the successor of the Trustee under this Indenture, *provided* that such entity is otherwise qualified and eligible to act as such under this **Article 10**.

Section 10.09. Eligibility; Disqualification.

There will at all times be a Trustee under this Indenture that is a corporation organized and doing business under the laws of the United States of America or of any state thereof, that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

Article 11. MISCELLANEOUS

Section 11.01. Notices.

Any notice or communication by the Company or the Trustee to the other will be deemed to have been duly given if in writing and delivered in person or by first class mail (registered or certified, return receipt requested), facsimile transmission, electronic transmission or other similar means of unsecured electronic communication or overnight air courier guaranteeing next day delivery, or to the other's address, which initially is as follows:

If to the Company:

IREN Limited
Level 6, 55 Market Street
Sydney, NSW 2000 Australia
Attention: [***]

with a copy (which will not constitute notice) to:

Davis Polk & Wardwell LLP
450 Lexington Avenue
New York, NY 10017
Attention: Mark J. DiFiore

If to the Trustee:

U.S. Bank Trust Company, National Association
633 West 5th Street, 24th Floor
Los Angeles, California 90071
Attention: B. Scarbrough (IREN Limited Administrator)

Notwithstanding anything to the contrary in the preceding paragraph, notices to the Trustee (other than a notice pursuant to **Section 2.12**) or any Note Agent must be in writing and will be deemed to have been given upon actual receipt by the Trustee or such Note Agent, as applicable.

The Company or the Trustee, by notice to the other, may designate additional or different addresses (including facsimile numbers and electronic addresses) for subsequent notices or communications.

The Trustee will not have any duty to confirm that the person sending any notice, instruction or other communication by electronic transmission (including by e-mail, facsimile transmission, web portal or other electronic methods) is, in fact, a person authorized to do so. Electronic signatures believed by the Trustee to comply with the ESIGN Act of 2000 or other applicable law (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other digital signature provider acceptable to the Trustee) will be deemed original signatures for all purposes. Any person that uses electronic signatures or electronic methods to send communications to the Trustee assumes all risks arising out of such use, including the risk of the Trustee acting on an unauthorized communication and the risk of interception or misuse by third parties. Notwithstanding anything to the contrary in this paragraph, the Trustee may, in any instance and in its sole discretion, require that an original document bearing a manual signature be delivered to the Trustee in lieu of, or in addition to, any such electronic communication.

All notices and communications (other than those sent to Holders) will be deemed to have been duly given: (A) at the time delivered by hand, if personally delivered; (B) five (5) Business Days after being deposited in the mail, postage prepaid, if mailed; (C) when receipt is acknowledged, if transmitted by facsimile, electronic transmission or other similar means of unsecured electronic communication; and (D) the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery.

All notices or communications required to be made to a Holder pursuant to this Indenture must be made in writing and will be deemed to be duly sent or given in writing if mailed by first class mail, certified or registered, return receipt requested, or by overnight air courier guaranteeing next day delivery, to its address shown on the Register; *provided, however*, that a notice or communication to a Holder of a Global Note may, but need not, instead be sent pursuant to the Depositary Procedures (in which case, such notice will be deemed to be duly sent or given in writing). The failure to send a notice or communication to a Holder, or any defect in such notice or communication, will not affect its sufficiency with respect to any other Holder.

If the Trustee is then acting as the Depositary's custodian for the Notes, then, at the reasonable request of the Company to the Trustee, the Trustee will cause any notice prepared by the Company to be sent to any Holder(s) pursuant to the Depositary Procedures, *provided* such request is evidenced in a Company Order delivered, together with the text of such notice, to the Trustee at least two (2) Business Days before the date such notice is to be so sent. For the avoidance of doubt, such Company Order need not be accompanied by an Officer's Certificate or Opinion of Counsel. The Trustee will not have any liability relating to the contents of any notice that it sends to any Holder pursuant to any such Company Order.

If a notice or communication is mailed or sent in the manner provided above within the time prescribed, it will be deemed to have been duly given, whether or not the addressee receives it.

Notwithstanding anything to the contrary in this Indenture or the Notes, (A) whenever any provision of this Indenture requires a party to send notice to another party, no such notice need be sent if the sending party and the recipient are the same Person acting in different capacities (and, for purposes of the interpretation of this Indenture, such notice will be deemed to have been duly sent at the time otherwise required by this Indenture); and (B) whenever any provision of this Indenture requires a party to send notice to more than one receiving party, and each receiving party is the same Person acting in different capacities, then only one such notice need be sent to such Person.

Section 11.02. Delivery of Officer's Certificate and Opinion of Counsel as to Conditions Precedent.

Upon any request or application by the Company to the Trustee to take any action under this Indenture (other than the initial authentication of Notes under this Indenture), the Company will furnish to the Trustee:

(A) an Officer's Certificate that complies with **Section 11.03** and states that, in the opinion of the signatory thereto, all conditions precedent and covenants, if any, provided for in this Indenture relating to such action have been satisfied; and

(B) an Opinion of Counsel that complies with **Section 11.03** and states that, in the opinion of such counsel, all such conditions precedent and covenants, if any, have been satisfied.

Section 11.03. Statements Required in Officer's Certificate and Opinion of Counsel.

Each Officer's Certificate (other than an Officer's Certificate pursuant to **Section 3.06**) or Opinion of Counsel with respect to compliance with a covenant or condition provided for in this Indenture will include:

(A) a statement that the signatory thereto has read such covenant or condition;

(B) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained therein are based;

(C) a statement that, in the opinion of such signatory, he, she or it has made such examination or investigation as is necessary to enable him, her or it to express an informed opinion as to whether or not such covenant or condition has been satisfied; and

(D) a statement as to whether, in the opinion of such signatory, such covenant or condition has been satisfied.

Section 11.04. Rules by the Trustee, the Registrar, the Paying Agent and the Conversion Agent.

The Trustee may make reasonable rules for action by or at a meeting of Holders. Each of the Registrar, the Paying Agent and the Conversion Agent may make reasonable rules and set reasonable requirements for its functions.

Section 11.05. No Personal Liability of Directors, Officers, Employees and Shareholders.

No past, present or future director, officer, employee, incorporator or shareholder of the Company, as such, will have any liability for any obligations of the Company under this Indenture or the Notes or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting any Note, each Holder waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

Section 11.06. Governing Law; Waiver of Jury Trial.

THIS INDENTURE AND THE NOTES, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE OR THE NOTES, WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. EACH OF THE COMPANY AND THE TRUSTEE IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED BY THIS INDENTURE OR THE NOTES.

Section 11.07. Submission to Jurisdiction.

Any legal suit, action or proceeding arising out of or based upon this Indenture or the transactions contemplated by this Indenture may be instituted in the federal courts of the United States of America located in the City of New York or the courts of the State of New York, in each case located in the City of New York (collectively, the “**Specified Courts**”), and each party irrevocably submits to the non-exclusive jurisdiction of such courts in any such suit, action or proceeding. Service of any process, summons, notice or document by mail (to the extent allowed under any applicable statute or rule of court) to such party’s address set forth in **Section 11.01** will be effective service of process for any such suit, action or proceeding brought in any such court. Each of the Company, the Trustee and each Holder (by its acceptance of any Note) irrevocably and unconditionally waives any objection to the laying of venue of any suit, action or other proceeding in the Specified Courts and irrevocably and unconditionally waives and agrees not to plead or claim any such suit, action or other proceeding has been brought in an inconvenient forum.

Section 11.08. No Adverse Interpretation of Other Agreements.

Neither this Indenture nor the Notes may be used to interpret any other indenture, note, loan or debt agreement of the Company or its Subsidiaries or of any other Person, and no such indenture, note, loan or debt agreement may be used to interpret this Indenture or the Notes.

Section 11.09. Successors.

All agreements of the Company in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors.

Section 11.10. Force Majeure.

The Trustee and each Note Agent will not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility under this Indenture or the Notes by reason of any occurrence beyond its control (including any act or provision of any present or future law or regulation or governmental authority, act of God or war, civil unrest, local or national disturbance or disaster, act of terrorism or unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

Section 11.11. U.S.A. PATRIOT Act.

The Company acknowledges that, in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions, in order to help fight the funding of terrorism and money laundering, is required to obtain, verify and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The Company agrees to provide the Trustee with such information as it may request to enable the Trustee to comply with the U.S.A. PATRIOT Act.

Section 11.12. Calculations.

Except as otherwise provided in this Indenture, the Company will be responsible for making all calculations called for under this Indenture or the Notes, including determinations of the Last Reported Sale Price, the Daily Conversion Value, the Daily Cash Amount, the Daily Share Amount, the Daily VWAP, the Trading Price, accrued interest on the Notes, the Redemption Price, the Fundamental Change Repurchase Price and the Conversion Rate.

The Company will make all calculations in good faith, and, absent manifest error, its calculations will be final and binding on all Holders. The Company will provide a schedule of its calculations to the Trustee and the Conversion Agent, and each of the Trustee and the Conversion Agent may rely conclusively on the accuracy of the Company's calculations without independent verification. The Trustee will promptly forward a copy of each such schedule to a Holder upon its written request therefor. For the avoidance of doubt, the Trustee will not be obligated to make or confirm any calculations or other amounts called for under this Indenture or the Notes.

Section 11.13. Severability.

If any provision of this Indenture or the Notes is invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions of this Indenture or the Notes will not in any way be affected or impaired thereby.

Section 11.14. Counterparts; Electronic Signatures.

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, and all of them together represent the same agreement. Delivery of an executed counterpart of this Indenture by facsimile, electronically in portable document format or in any other format will be effective as delivery of a manually executed counterpart. The words "execution," "signed" and "signature" and words of like import in this Indenture or any agreement entered into in connection herewith shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act (e.g. DocuSign).

Section 11.15. Table of Contents, Headings, Etc.

The table of contents and the headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions of this Indenture.

Section 11.16. Withholding Taxes.

Each Holder of a Note agrees, and each beneficial owner of an interest in a Global Note, by its acquisition of such interest, is deemed to agree, that if the Company or other applicable withholding agent (including the Trustee) pays withholding taxes or backup withholding on behalf of such Holder or beneficial owner as a result of an adjustment or the non-occurrence of an adjustment to the Conversion Rate, then the Company or such withholding agent, as applicable, may, at its option, set off such payments against, or withhold such payments from, payments of cash or the delivery of other Conversion Consideration on such Note, any payments on the Ordinary Shares or sales proceeds received by, or other funds or assets of, such Holder or the beneficial owner of such Note.

Section 11.17. Service of Process.

The Company irrevocably appoints Cogency Global Inc., which currently maintains an office at 122 E. 42nd Street, 18th Floor, New York, New York 10168, United States of America, as its authorized agent in the Borough of Manhattan in The City of New York upon which process may be served in any suit, action or proceeding referred to in **Section 11.07**, and agrees that service of process upon such agent, and written notice of such service to the Company by the Person serving the same to IREN Limited, Level 6, 55 Market Street, Sydney, NSW 2000 Australia, Attention: [***], will be deemed in every respect effective service of process upon the Company in any such suit, action or proceeding. The Company agrees to take any and all reasonable action as may be necessary to maintain such designation and appointment of such agent in full force and effect until the date that is six (6) months after the Maturity Date. If, for any reason, such agent ceases to be such agent for service of process, then the Company will promptly appoint a new agent of recognized standing for service of process in the State of New York and deliver to the Holders and the Trustee a copy of the new agent's acceptance of that appointment within ten (10) Business Days of such acceptance. Nothing in this **Section 11.17** will affect the right of the Trustee, any Note Agent or any Holder to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against the Company in any other court of competent jurisdiction. To the extent that the Company has or hereafter may acquire any sovereign or other immunity from jurisdiction of any court or from any legal process with respect to itself or its property, the Company irrevocably waives such immunity in respect of its obligations under this Indenture or under any Note.

“**Capital Stock**” of any Person means any and all shares of, interests in, rights to purchase, warrants or options for, participations in, or other equivalents of, in each case however designated, the equity of such Person, but excluding any debt securities convertible into, or exchangeable for, such equity.

For the purposes of this definition, (x) any transaction or event described in both **clause (A)** and in **clause (B)(i)** or **(ii)** above (without regard to the proviso in **clause (B)**) will be deemed to occur solely pursuant to **clause (B)** above (subject to such proviso); and (y) whether a Person is a "beneficial owner," whether shares are "beneficially owned," and percentage beneficial ownership, will be determined in accordance with Rule 13d-3 under the Exchange Act.

“**Share Price**” has the following meaning for any Make-Whole Fundamental Change: (A) if the holders of Ordinary Shares receive only cash in consideration for their Ordinary Shares in such Make-Whole Fundamental Change and such Make-Whole Fundamental Change is pursuant to **clause (B)** of the definition of “Fundamental Change,” then the Share Price is the amount of cash paid per Ordinary Share in such Make-Whole Fundamental Change; and (B) in all other cases, the Share Price is the average of the Last Reported Sale Prices per Ordinary Share for the five (5) consecutive Trading Days ending on, and including, the Trading Day immediately before the Make-Whole Fundamental Change Effective Date of such Make-Whole Fundamental Change.

“**Shoe Option**” means the Initial Purchasers’ option to purchase up to one hundred fifty million dollars (\$150,000,000) aggregate principal amount of additional Notes as provided for in the Purchase Agreement.

“**Significant Subsidiary**” means, with respect to any Person, any Subsidiary of such Person that constitutes a “significant subsidiary” (as defined in Rule 1-02(w) of Regulation S-X under the Exchange Act) of such Person; *provided, however*, that, if a Subsidiary meets the criteria of clause (1)(iii), but not clause (1)(i) or (1)(ii), of the definition of “significant subsidiary” in Rule 1-02(w) (or, if applicable, the respective successor clauses to the aforementioned clauses), then such Subsidiary will be deemed not to be a Significant Subsidiary unless such Subsidiary’s income from continuing operations before income taxes, exclusive of amounts attributable to any non-controlling interests, for the last completed fiscal year before the date of determination exceeds fifty million dollars (\$50,000,000).

“**Special Interest**” means any interest that accrues on any Note pursuant to **Section 7.03**.

“**Specified Dollar Amount**” means, with respect to the Conversion of a Note to which Combination Settlement applies, the maximum cash amount per \$1,000 principal amount of such Note deliverable upon such Conversion (excluding cash in lieu of any fractional Ordinary Share).

“**Subsidiary**” means, with respect to any Person, (A) any corporation, association or other business entity (other than a partnership or limited liability company) of which more than fifty percent (50%) of the total voting power of the Capital Stock entitled (without regard to the occurrence of any contingency, but after giving effect to any voting agreement or shareholders’ agreement that effectively transfers voting power) to vote in the election of directors, managers or trustees, as applicable, of such corporation, association or other business entity is owned or controlled, directly or indirectly, by such Person or one or more of the other Subsidiaries of such Person; and (B) any partnership or limited liability company where (i) more than fifty percent (50%) of the capital accounts, distribution rights, equity and voting interests, or of the general and limited partnership interests, as applicable, of such partnership or limited liability company are owned or controlled, directly or indirectly, by such Person or one or more of the other Subsidiaries of such Person, whether in the form of membership, general, special or limited partnership or limited liability company interests or otherwise; and (ii) such Person or any one or more of the other Subsidiaries of such Person is a controlling general partner of, or otherwise controls, such partnership or limited liability company.

If the Ordinary Shares are not so listed or traded, then “Trading Day” means a Business Day.

“**Trading Price**” of the Notes on any Trading Day means the average of the secondary market bid quotations, expressed as a cash amount per \$1,000 principal amount of Notes, obtained by the Bid Solicitation Agent for one million dollars (\$1,000,000) (or such lesser amount as may then be outstanding) in principal amount of Notes at approximately 3:30 p.m., New York City time, on such Trading Day from three (3) nationally recognized independent securities dealers selected by the Company, which may include any of the Initial Purchasers; *provided, however*, that, if three (3) such bids cannot reasonably be obtained by the Bid Solicitation Agent but two (2) such bids are obtained, then the average of the two (2) bids will be used, and if only one (1) such bid can reasonably be obtained by the Bid Solicitation Agent, then that one (1) bid will be used. If, on any Trading Day, (A) the Bid Solicitation Agent cannot reasonably obtain at least one (1) bid for one million dollars (\$1,000,000) (or such lesser amount as may then be outstanding) in principal amount of Notes from a nationally recognized independent securities dealer; (B) the Company is not acting as the Bid Solicitation Agent and the Company fails to instruct the Bid Solicitation Agent to obtain bids when required; or (C) the Bid Solicitation Agent fails to solicit bids when required, then, in each case, the Trading Price per \$1,000 principal amount of Notes on such Trading Day will be deemed to be less than ninety eight percent (98%) of the product of the Last Reported Sale Price per Ordinary Share on such Trading Day and the Conversion Rate on such Trading Day.

“**Transfer-Restricted Security**” means any Security that constitutes a “restricted security” (as defined in Rule 144); *provided, however*, that such Security will cease to be a Transfer-Restricted Security upon the earliest to occur of the following events:

(A) such Security is sold or otherwise transferred to a Person (other than the Company or an Affiliate of the Company) pursuant to a registration statement that was effective under the Securities Act at the time of such sale or transfer;

(B) such Security is sold or otherwise transferred to a Person (other than the Company or an Affiliate of the Company) pursuant to an available exemption (including Rule 144) from the registration and prospectus-delivery requirements of, or in a transaction not subject to, the Securities Act and, immediately after such sale or transfer, such Security ceases to constitute a “restricted security” (as defined in Rule 144); and

(C) such Security is eligible for resale, by a Person that is not an Affiliate of the Company and that has not been an Affiliate of the Company during the immediately preceding three (3) months, pursuant to Rule 144 without any limitations thereunder as to volume, manner of sale, availability of current public information or notice.

The Trustee is under no obligation to determine whether any Security is a Transfer-Restricted Security and may conclusively rely on an Officer's Certificate with respect thereto.

"Trustee" means the Person named as such in the first paragraph of this Indenture until a successor replaces it in accordance with the provisions of this Indenture and, thereafter, means such successor.

"VWAP Market Disruption Event" means, with respect to any date, (A) the failure by the principal U.S. national or regional securities exchange on which the Ordinary Shares are then listed, or, if the Ordinary Shares are not then listed on a U.S. national or regional securities exchange, the principal other market on which the Ordinary Shares are then traded, to open for trading during its regular trading session on such date; or (B) the occurrence or existence, for more than one half hour period in the aggregate, of any suspension or limitation imposed on trading (by reason of movements in price exceeding limits permitted by the relevant exchange or otherwise) in the Ordinary Shares or in any options contracts or futures contracts relating to the Ordinary Shares, and such suspension or limitation occurs or exists at any time before 1:00 p.m., New York City time, on such date.

"VWAP Trading Day" means a day on which (A) there is no VWAP Market Disruption Event; and (B) trading in the Ordinary Shares generally occurs on the principal U.S. national or regional securities exchange on which the Ordinary Shares are then listed or, if the Ordinary Shares are not then listed on a U.S. national or regional securities exchange, on the principal other market on which the Ordinary Shares are then traded. "Wholly Owned Subsidiary" of a Person means any Subsidiary of such Person all of the outstanding Capital Stock or other ownership interests of which (other than directors' qualifying shares) are owned by such Person or one or more Wholly Owned Subsidiaries of such Person.

Article 2. THE NOTES

Section 2.01. Form, Dating and Denominations.

The Notes and the Trustee’s certificate of authentication will be substantially in the form set forth in **Exhibit A**. The Notes will bear the legends required by **Section 2.09** and may bear notations, legends or endorsements required by law, stock exchange rule or usage or the Depositary. Each Note will be dated as of the date of its authentication.

Except to the extent otherwise provided in a Company Order delivered to the Trustee in connection with the issuance and authentication thereof, the Notes will be issued initially in the form of one or more Global Notes. Global Notes may be exchanged for Physical Notes, and Physical Notes may be exchanged for Global Notes, only as provided in **Section 2.10**.

The Notes will be issuable only in registered form without interest coupons and only in Authorized Denominations.

Each certificate representing a Note will bear a unique registration number that is not affixed to any other certificate representing another outstanding Note.

The terms contained in the Notes constitute part of this Indenture, and, to the extent applicable, the Company and the Trustee, by their execution and delivery of this Indenture, agree to such terms and to be bound thereby; *provided, however*, that, to the extent that any provision of any Note conflicts with the provisions of this Indenture, the provisions of this Indenture will control for purposes of this Indenture and such Note.

Section 2.02. Execution, Authentication and Delivery.

(A) *Due Execution by the Company.* At least one (1) duly authorized Officer will sign the Notes on behalf of the Company by manual, electronic or facsimile signature. A Note's validity will not be affected by the failure of any Officer whose signature is on any Note to hold, at the time such Note is authenticated, the same or any other office at the Company.

(B) *Authentication by the Trustee and Delivery.*

(i) No Note will be valid until it is authenticated by the Trustee. A Note will be deemed to be duly authenticated only when an authorized signatory of the Trustee (or a duly appointed authenticating agent) manually signs the certificate of authentication of such Note.

(ii) The Trustee will cause an authorized signatory of the Trustee (or a duly appointed authenticating agent) to manually sign the certificate of authentication of a Note only if (1) the Company delivers such Note to the Trustee; (2) such Note is executed by the Company in accordance with **Section 2.02(A)**; and (3) the Company delivers a Company Order to the Trustee that (a) requests the Trustee to authenticate such Note; and (b) sets forth the name of the Holder of such Note and the date as of which such Note is to be authenticated. If such Company Order also requests the Trustee to deliver such Note to any Holder or to the Depository, then the Trustee will promptly deliver such Note in accordance with such Company Order.

(iii) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. A duly appointed authenticating agent may authenticate Notes whenever the Trustee may do so under this Indenture, and a Note authenticated as provided in this Indenture by such an agent will be deemed, for purposes of this Indenture, to be authenticated by the Trustee. Each duly appointed authenticating agent will have the same rights to deal with the Company as the Trustee would have if it were performing the duties that the authenticating agent was validly appointed to undertake.

Section 2.03. Initial Notes and Additional Notes.

(A) *Initial Notes.* On the Issue Date, there will be originally issued one billion one hundred fifty million dollars (\$1,150,000,000) aggregate principal amount of Notes, subject to the provisions of this Indenture (including **Section 2.02**). Notes issued pursuant to this **Section 2.03(A)**, and any Notes issued in exchange therefor or in substitution thereof, are referred to in this Indenture as the "**Initial Notes**."

(B) *Additional Notes.* Without the consent of any Holder, the Company may, subject to the provisions of this Indenture (including **Section 2.02**), originally issue additional Notes with the same terms as the Initial Notes (except, to the extent applicable, with respect to the date as of which interest begins to accrue on such additional Notes and the first Interest Payment Date for, and the Last Original Issue Date of, such additional Notes), which additional Notes will, subject to the foregoing, be considered to be part of the same series of, and rank equally and ratably with all other, Notes issued under this Indenture; *provided, however*, that if any such additional Notes (and any Notes that are resold after such Notes have been purchased or otherwise acquired by the Company or its Subsidiaries) are not fungible with other Notes issued under this Indenture for purposes of federal income tax or federal securities laws or, if applicable, the Depository Procedures, then such additional or resold Notes will be identified by a separate CUSIP number or by no CUSIP number.

Section 2.04. Method of Payment.

(A) *Global Notes.* The Company will pay, or cause the Paying Agent to pay, the principal (whether due upon maturity on the Maturity Date, Redemption on a Redemption Date or repurchase on a Fundamental Change Repurchase Date or otherwise) of, interest on, and any cash Conversion Consideration for, any Global Note to the Depository by wire transfer of immediately available funds no later than the time the same is due as provided in this Indenture.

(B) *Physical Notes.* The Company will pay, or cause the Paying Agent to pay, the principal (whether due upon maturity on the Maturity Date, Redemption on a Redemption Date or repurchase on a Fundamental Change Repurchase Date or otherwise) of, interest on, and any cash Conversion Consideration for, any Physical Note no later than the time the same is due as provided in this Indenture as follows: (i) if the principal amount of such Physical Note is at least five million dollars (\$5,000,000) (or such lower amount as the Company may choose in its sole and absolute discretion) and the Holder of such Physical Note entitled to such payment has delivered to the Paying Agent or the Trustee, no later than the time set forth in the immediately following sentence, a written request that the Company make such payment by wire transfer to an account of such Holder within the United States, by wire transfer of immediately available funds to such account; and (ii) in all other cases, by check mailed to the address of the Holder of such Physical Note entitled to such payment as set forth in the Register. To be timely, such written request must be so delivered no later than the Close of Business on the following date: (x) with respect to the payment of any interest due on an Interest Payment Date, the immediately preceding Regular Record Date; (y) with respect to any cash Conversion Consideration, the relevant Conversion Date; and (z) with respect to any other payment, the date that is fifteen (15) calendar days immediately before the date such payment is due.

Section 2.05. Accrual of Interest; Defaulted Amounts; When Payment Date is Not a Business Day.

(A) *Accrual of Interest.* Each Note will accrue interest at a rate per annum equal to 1.00% (the “**Stated Interest**”), plus any Default Interest, Additional Interest and Special Interest that may accrue pursuant to **Sections 2.05(B), 3.04** and **7.03**, respectively. Stated Interest on each Note will (i) accrue from, and including, the most recent date to which Stated Interest has been paid or duly provided for (or, if no Stated Interest has theretofore been paid or duly provided for, the date set forth in the certificate representing such Note as the date from, and including, which Stated Interest will begin to accrue in such circumstance) to, but excluding, the date of payment of such Stated Interest; and (ii) be, subject to **Sections 4.02(D), 4.03(F)** and **5.02(D)** (but without duplication of any payment of interest), payable semi-annually in arrears on each Interest Payment Date, beginning on the first Interest Payment Date set forth in the certificate representing such Note, to the Holder of such Note as of the Close of Business on the immediately preceding Regular Record Date. Stated Interest, and, if applicable, Additional Interest and Special Interest, on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(B) *Defaulted Amounts.* If the Company fails to pay any amount (a “**Defaulted Amount**”) payable on a Note on or before the due date therefor as provided in this Indenture, then, regardless of whether such failure constitutes an Event of Default, (i) such Defaulted Amount will forthwith cease to be payable to the Holder of such Note otherwise entitled to such payment; (ii) to the extent lawful, interest (“**Default Interest**”) will accrue on such Defaulted Amount at a rate per annum equal to the rate per annum at which Stated Interest accrues, from, and including, such due date to, but excluding, the date of payment of such Defaulted Amount and Default Interest; (iii) such Defaulted Amount and Default Interest will be paid on a payment date selected by the Company to the Holder of such Note as of the Close of Business on a special record date selected by the Company, *provided* that such special record date must be no more than fifteen (15), nor less than ten (10), calendar days before such payment date; and (iv) at least fifteen (15) calendar days before such special record date, the Company will send notice to the Trustee and the Holders that states such special record date, such payment date and the amount of such Defaulted Amount and Default Interest to be paid on such payment date. For the avoidance of doubt, if any Defaulted Amounts, together with any required Default Interest, are paid to Holders in accordance with the terms of this Indenture prior to (x) the expiration of any applicable grace period with respect to the Default in the relevant payment set forth in **Section 7.01(A)**; or (y) if later, the delivery of any notice of acceleration pursuant to **Section 7.02(B)** with respect to the Event of Default relating to such Default in the relevant payment, such payment Default or Event of Default shall be deemed cured and the Notes shall not be subject to acceleration on account of such payment Default or Event of Default.

(C) *Delay of Payment When Payment Date is Not a Business Day.* If the due date for a payment on a Note as provided in this Indenture is not a Business Day, then, notwithstanding anything to the contrary in this Indenture or the Notes, such payment may be made on the immediately following Business Day with the same force and effect as if such payment were made on such due date (and, for the avoidance of doubt, no interest will accrue on such payment as a result of the related delay). Solely for purposes of the immediately preceding sentence, a day on which the applicable place of payment is authorized or required by law or executive order to close or be closed will be deemed not to be a “Business Day.”

Section 2.06. Registrar, Paying Agent and Conversion Agent.

(A) *Generally.* The Company will maintain (i) an office or agency in the continental United States where Notes may be presented for registration of transfer or for exchange (the “**Registrar**”); (ii) an office or agency in the continental United States where Notes may be presented for payment (the “**Paying Agent**”); and (iii) an office or agency in the continental United States where Notes may be presented for Conversion (the “**Conversion Agent**”). If the Company fails to maintain a Registrar, Paying Agent or Conversion Agent, then the Trustee will act as such and will receive compensation therefor in accordance with this Indenture and any other agreement between the Trustee and the Company. For the avoidance of doubt, the Company or any of its Subsidiaries may act as Registrar, Paying Agent or Conversion Agent. Notwithstanding anything to the contrary in this **Section 2.06(A)**, each of the Registrar, Paying Agent and Conversion Agent with respect to any Global Note must at all times be a Person that is eligible to act in that capacity under the Depositary Procedures.

(B) *Duties of the Registrar.* The Registrar will keep a record (the “**Register**”) of the names and addresses of the Holders, the Notes held by each Holder and the transfer, exchange, repurchase, Redemption and Conversion of Notes. Absent manifest error, the entries in the Register will be conclusive and the Company and the Trustee may treat each Person whose name is recorded as a Holder in the Register as a Holder for all purposes. The Register will be in written form or in any form capable of being converted into written form reasonably promptly.

(C) *Co-Agents; Company’s Right to Appoint Successor Registrars, Paying Agents and Conversion Agents .* The Company may appoint one or more co-Registrars, co-Paying Agents and co-Conversion Agents, each of whom will be deemed to be a Registrar, Paying Agent or Conversion Agent, as applicable, under this Indenture. Subject to **Section 2.06(A)**, the Company may change any Registrar, Paying Agent or Conversion Agent (including appointing itself or any of its Subsidiaries to act in such capacity) without notice to any Holder. The Company will notify the Trustee (and, upon request, any Holder) of the name and address of each Note Agent, if any, not a party to this Indenture and will enter into an appropriate agency agreement with each such Note Agent, which agreement will implement the provisions of this Indenture that relate to such Note Agent.

(D) *Initial Appointments.* The Company appoints the Trustee as, and designates its corporate trust office identified in **Section 11.01** in the continental United States as the office for, the initial Paying Agent, the initial Registrar and the initial Conversion Agent.

Section 2.07. Paying Agent and Conversion Agent to Hold Property in Trust.

The Company will require each Paying Agent or Conversion Agent that is not the Trustee to agree in writing that such Note Agent will (A) hold in trust for the benefit of Holders or the Trustee all money and other property held by such Note Agent for payment or delivery due on the Notes; and (B) notify the Trustee of any default by the Company in making any such payment or delivery. The Company, at any time, may, and the Trustee, while any Default continues, may, require a Paying Agent or Conversion Agent to pay or deliver, as applicable, all money and other property held by it to the Trustee, after which payment or delivery, as applicable, such Note Agent (if not the Company or any of its Subsidiaries) will have no further liability for such money or property. If the Company or any of its Subsidiaries acts as Paying Agent or Conversion Agent, then (A) it will segregate and hold in a separate trust fund for the benefit of the Holders or the Trustee all money and other property held by it as Paying Agent or Conversion Agent; and (B) references in this Indenture or the Notes to the Paying Agent or Conversion Agent holding cash or other property, or to the delivery of cash or other property to the Paying Agent or Conversion Agent, in each case for payment or delivery to any Holders or the Trustee or with respect to the Notes, will be deemed to refer to cash or other property so segregated and held separately, or to the segregation and separate holding of such cash or other property, respectively. Upon the occurrence of any event pursuant to **clause (viii) or (ix) of Section 7.01(A)** with respect to the Company (or with respect to any Subsidiary of the Company acting as Paying Agent or Conversion Agent), the Trustee will serve as the Paying Agent or Conversion Agent, as applicable, for the Notes.

Section 2.08. Holder Lists.

If the Trustee is not the Registrar, then the Company will furnish to the Trustee, no later than seven (7) Business Days before each Interest Payment Date, and at such other times as the Trustee may request, a list, in such form and as of such date or time as the Trustee may reasonably require, of the names and addresses of the Holders.

Section 2.09. Legends.

(A) *Global Note Legend.* Each Global Note will bear the Global Note Legend (or any similar legend, not inconsistent with this Indenture, required by the Depository for such Global Note).

(B) *Non-Affiliate Legend.* Each Note will bear the Non-Affiliate Legend.

(C) *Restricted Note Legend.* Subject to **Section 2.12**,

(i) each Note that is a Transfer-Restricted Security will bear the Restricted Note Legend; and

(ii) if a Note is issued in exchange for, in substitution of, or to effect a partial Conversion of, another Note (such other Note being referred to as the “old Note” for purposes of this **Section 2.09(C)(ii)**), including pursuant to **Section 2.10(B)**, **2.10(C)**, **2.11** or **2.13**, then such Note will bear the Restricted Note Legend if such old Note bore the Restricted Note Legend at the time of such exchange or substitution, or on the related Conversion Date with respect to such Conversion, as applicable; *provided, however*, that such Note need not bear the Restricted Note Legend if such Note does not constitute a Transfer-Restricted Security immediately after such exchange or substitution, or as of such Conversion Date, as applicable.

(D) *Other Legends.* A Note may bear any other legend or text, not inconsistent with this Indenture, as may be required by applicable law or by any securities exchange or automated quotation system on which such Note is traded or quoted.

(E) *Acknowledgment and Agreement by the Holders.* A Holder’s acceptance of any Note bearing any legend required by this **Section 2.09** will constitute such Holder’s acknowledgment of, and agreement to comply with, the restrictions set forth in such legend.

(F) *Restricted Share Legend.*

(i) Each Conversion Share will bear the Restricted Share Legend if the Note upon the Conversion of which such Conversion Share was issued was (or would have been had it not been Converted) a Transfer-Restricted Security at the time such Conversion Share was issued; *provided, however*, that such Conversion Share need not bear the Restricted Share Legend if the Company determines, in its reasonable discretion, that such Conversion Share need not bear the Restricted Share Legend.

(ii) Notwithstanding anything to the contrary in this **Section 2.09(F)**, a Conversion Share need not bear a Restricted Share Legend if such Conversion Share is issued in an uncertificated form that does not permit affixing legends thereto, *provided* the Company takes measures (including the assignment thereto of a “restricted” CUSIP number) that it reasonably deems appropriate to enforce the transfer restrictions referred to in the Restricted Share Legend.

Section 2.10. Transfers and Exchanges; Certain Transfer Restrictions.

(A) *Provisions Applicable to All Transfers and Exchanges.*

(i) *Generally.* Subject to this **Section 2.10**, Physical Notes and beneficial interests in Global Notes may be transferred or exchanged from time to time and the Registrar will record each such transfer or exchange in the Register.

(ii) *Transferred and Exchanged Notes Remain Valid Obligations of the Company.* Each Note issued upon transfer or exchange of any other Note (such other Note being referred to as the “old Note” for purposes of this **Section 2.10(A)(ii)**) or portion thereof in accordance with this Indenture will be the valid obligation of the Company, evidencing the same indebtedness, and entitled to the same benefits under this Indenture, as such old Note or portion thereof, as applicable.

(iii) *No Services Charge; Transfer Taxes.* The Company, the Trustee and the Note Agents will not impose any service charge on any Holder for any transfer, exchange or Conversion of Notes, but the Company, the Trustee, the Registrar and the Conversion Agent may require payment of a sum sufficient to cover any transfer tax or similar governmental charge that may be imposed in connection with any transfer, exchange or Conversion of Notes, other than exchanges pursuant to **Section 2.11, 2.17** or **8.05** not involving any transfer.

(iv) *Transfers and Exchanges Must Be in Authorized Denominations.* Notwithstanding anything to the contrary in this Indenture or the Notes, a Note may not be transferred or exchanged in part unless the portion to be so transferred or exchanged is in an Authorized Denomination.

(v) *Trustee’s Disclaimer.* The Trustee will have no obligation or duty to monitor, determine or inquire as to compliance with any transfer restrictions imposed under this Indenture or applicable law with respect to any Security, other than to require the delivery of such certificates or other documentation or evidence as expressly required by this Indenture and to examine the same to determine substantial compliance as to form with the requirements of this Indenture.

(vi) *Legends.* Each Note issued upon transfer of, or in exchange for, another Note will bear each legend, if any, required by **Section 2.09**.

(vii) *Settlement of Transfers and Exchanges.* Upon satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Note, the Company will cause such transfer or exchange to be effected as soon as reasonably practicable but in no event later than the second (2nd) Business Day after the date of such satisfaction.

(viii) *Interpretation.* For the avoidance of doubt, and subject to the terms of this Indenture, as used in this **Section 2.10**, an “exchange” of a Global Note or a Physical Note includes (x) an exchange effected for the sole purpose of removing any Restricted Note Legend affixed to such Global Note or Physical Note; and (y) if such Global Note or Physical Note is identified by a “restricted” CUSIP number, an exchange effected for the sole purpose of causing such Global Note or Physical Note to be identified by an “unrestricted” CUSIP number.

(B) *Transfers and Exchanges of Global Notes.*

(i) *Certain Restrictions.* Subject to the immediately following sentence, no Global Note may be transferred or exchanged in whole except (x) by the Depositary to a nominee of the Depositary; (y) by a nominee of the Depositary to the Depositary or to another nominee of the Depositary; or (z) by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. No Global Note (or any portion thereof) may be transferred to, or exchanged for, a Physical Note; *provided, however*, that a Global Note will be exchanged, pursuant to customary procedures, for one or more Physical Notes if:

(1) (x) the Depositary notifies the Company or the Trustee that the Depositary is unwilling or unable to continue as depositary for such Global Note or (y) the Depositary ceases to be a “clearing agency” registered under Section 17A of the Exchange Act and, in each case, the Company fails to appoint a successor Depositary within ninety (90) days of such notice or cessation;

(2) an Event of Default has occurred and is continuing and the Company, the Trustee or the Registrar has received a written request from the Depositary, or from a holder of a beneficial interest in such Global Note, to exchange such Global Note or beneficial interest, as applicable, for one or more Physical Notes; or

(3) the Company, in its sole discretion, permits the exchange of any beneficial interest in such Global Note for one or more Physical Notes at the request of the owner of such beneficial interest.

(ii) *Effecting Transfers and Exchanges.* Upon satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Global Note (or any portion thereof):

(1) the Trustee will reflect any resulting decrease of the principal amount of such Global Note by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note (and, if such notation results in such Global Note having a principal amount of zero, then the Company may (but is not required to) instruct the Trustee to cancel such Global Note pursuant to **Section 2.15**);

(2) if required to effect such transfer or exchange, then the Trustee will reflect any resulting increase of the principal amount of any other Global Note by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such other Global Note;

(3) if required to effect such transfer or exchange, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a new Global Note bearing each legend, if any, required by **Section 2.09**; and

(4) if such Global Note (or such portion thereof), or any beneficial interest therein, is to be exchanged for one or more Physical Notes, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Global Note to be so exchanged; (y) are registered in such name(s) as the Depositary specifies (or as otherwise determined pursuant to customary procedures); and (z) bear each legend, if any, required by **Section 2.09**.

(iii) *Compliance with Depositary Procedures*. Each transfer or exchange of a beneficial interest in any Global Note will be made in accordance with the Depositary Procedures.

(C) *Transfers and Exchanges of Physical Notes*.

(i) *Requirements for Transfers and Exchanges*. Subject to this **Section 2.10**, a Holder of a Physical Note may (x) transfer such Physical Note (or any portion thereof in an Authorized Denomination) to one or more other Person(s); (y) exchange such Physical Note (or any portion thereof in an Authorized Denomination) for one or more other Physical Notes in Authorized Denominations having an aggregate principal amount equal to the aggregate principal amount of the Physical Note (or portion thereof) to be so exchanged; and (z) if then permitted by the Depositary Procedures, transfer such Physical Note (or any portion thereof in an Authorized Denomination) in exchange for a beneficial interest in one or more Global Notes; *provided, however*, that, to effect any such transfer or exchange, such Holder must:

(1) surrender such Physical Note to be transferred or exchanged to the office of the Registrar, together with any endorsements or transfer instruments reasonably required by the Company, the Trustee or the Registrar; and

(2) deliver such certificates, documentation or evidence as may be required pursuant to **Section 2.10(D)**.

(ii) *Effecting Transfers and Exchanges*. Upon the satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Physical Note (such Physical Note being referred to as the “old Physical Note” for purposes of this **Section 2.10(C)(ii)**) of a Holder (or any portion of such old Physical Note in an Authorized Denomination):

(1) such old Physical Note will be promptly cancelled pursuant to **Section 2.15**;

(2) if such old Physical Note is to be so transferred or exchanged only in part, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such old Physical Note not to be so transferred or exchanged; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required by **Section 2.09**;

(3) in the case of a transfer:

(a) to the Depository or a nominee thereof that will hold its interest in such old Physical Note (or such portion thereof) to be so transferred in the form of one or more Global Notes, the Trustee will reflect an increase of the principal amount of one or more existing Global Notes by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note(s), which increase(s) are in Authorized Denominations and aggregate to the principal amount to be so transferred, and which Global Note(s) bear each legend, if any, required by **Section 2.09**; *provided, however*, that if such transfer cannot be so effected by notation on one or more existing Global Notes (whether because no Global Notes bearing each legend, if any, required by **Section 2.09** then exist, because any such increase will result in any Global Note having an aggregate principal amount exceeding the maximum aggregate principal amount permitted by the Depository or otherwise), then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Global Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount that is to be so transferred but that is not effected by notation as provided above; and (y) bear each legend, if any, required by **Section 2.09**; and

(b) to a transferee that will hold its interest in such old Physical Note (or such portion thereof) to be so transferred in the form of one or more Physical Notes, the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount to be so transferred; (y) are registered in the name of such transferee; and (z) bear each legend, if any, required by **Section 2.09**; and

(4) in the case of an exchange, the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount to be so exchanged; (y) are registered in the name of the Person to whom such old Physical Note was registered; and (z) bear each legend, if any, required by **Section 2.09**.

(D) *Requirement to Deliver Documentation and Other Evidence.* If a Holder of any Note that is identified by a “restricted” CUSIP number or that bears a Restricted Note Legend or is a Transfer-Restricted Security requests to:

- (i) cause such Note to be identified by an “unrestricted” CUSIP number;
- (ii) remove such Restricted Note Legend; or
- (iii) register the transfer of such Note to the name of another Person,

then the Company, the Trustee and the Registrar may refuse to effect such identification, removal or transfer, as applicable, unless there is delivered to the Company, the Trustee and the Registrar such certificates or other documentation or evidence as the Company, the Trustee and the Registrar may reasonably require for the Company to determine that such identification, removal or transfer, as applicable, complies with the Securities Act and other applicable securities laws; *provided, however*, that no such certificates, documentation or evidence need be so delivered on or after the Free Trade Date with respect to such Note unless the Company determines, in its reasonable discretion, that such Note is not eligible to be offered, sold or otherwise transferred pursuant to Rule 144 or otherwise without any requirements as to volume, manner of sale, availability of current public information or notice under the Securities Act.

(E) *Transfers of Notes Subject to Redemption, Repurchase or Conversion.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Company, the Trustee and the Registrar will not be required to register the transfer of or exchange any Note that (i) has been surrendered for Conversion, except to the extent that any portion of such Note is not subject to Conversion; (ii) is subject to a Fundamental Change Repurchase Notice validly delivered, and not withdrawn, pursuant to **Section 4.02(F)**, except to the extent that any portion of such Note is not subject to such notice or the Company fails to pay the applicable Fundamental Change Repurchase Price when due; or (iii) has been selected for Redemption pursuant to a Redemption Notice, except to the extent that any portion of such Note is not subject to Redemption or the Company fails to pay the applicable Redemption Price when due.

Section 2.11. Exchange and Cancellation of Notes to Be Converted or to Be Repurchased Pursuant to a Repurchase Upon Fundamental Change or Redemption.

(A) *Partial Conversions of Physical Notes and Partial Repurchases of Physical Notes Pursuant to a Repurchase Upon Fundamental Change or Redemption.* If only a portion of a Physical Note of a Holder is to be Converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, as soon as reasonably practicable after such Physical Note is surrendered for such Conversion or repurchase, as applicable, the Company will cause such Physical Note to be exchanged, pursuant and subject to **Section 2.10(C)**, for (i) one or more Physical Notes that are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Physical Note that is not to be so Converted or repurchased, as applicable, and deliver such Physical Note(s) to such Holder; and (ii) a Physical Note having a principal amount equal to the principal amount to be so Converted or repurchased, as applicable, which Physical Note will be Converted or repurchased, as applicable, pursuant to the terms of this Indenture; *provided, however*, that the Physical Note referred to in this **clause (ii)** need not be issued at any time after which such principal amount subject to such Conversion or repurchase, as applicable, is deemed to cease to be outstanding pursuant to **Section 2.18**.

(B) *Cancellation of Notes that Are Converted and Notes that Are Repurchased Pursuant to a Repurchase Upon Fundamental Change or Redemption.*

(i) *Physical Notes.* If a Physical Note (or any portion thereof that has not theretofore been exchanged pursuant to **Section 2.11(A)**) of a Holder is to be Converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, promptly after the later of the time such Physical Note (or such portion) is deemed to cease to be outstanding pursuant to **Section 2.18** and the time such Physical Note is surrendered for such Conversion or repurchase, as applicable, (1) such Physical Note will be cancelled pursuant to **Section 2.15**; and (2) in the case of a partial Conversion or repurchase, as applicable, the Company will issue, execute and deliver to such Holder, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Physical Note that is not to be so Converted or repurchased, as applicable; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required by **Section 2.09**.

(ii) *Global Notes.* If a Global Note (or any portion thereof) is to be Converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, promptly after the time such Note (or such portion) is deemed to cease to be outstanding pursuant to **Section 2.18**, the Trustee will reflect a decrease of the principal amount of such Global Note in an amount equal to the principal amount of such Global Note to be so Converted or repurchased, as applicable, by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note (and, if the principal amount of such Global Note is zero following such notation, cancel such Global Note pursuant to **Section 2.15**).

Section 2.12. Removal of Transfer Restrictions.

Without limiting the generality of any other provision of this Indenture (including **Section 3.04**), the Restricted Note Legend affixed to any Note will be deemed, pursuant to this **Section 2.12** and the footnote to such Restricted Note Legend, to be removed therefrom upon the Company’s delivery to the Trustee of notice, signed on behalf of the Company by one (1) of its Officers, to such effect (and, for the avoidance of doubt, such notice need not be accompanied by an Officer’s Certificate or an Opinion of Counsel in order to be effective to cause such Restricted Note Legend to be deemed to be removed from such Note). If such Note bears a “restricted” CUSIP or ISIN number at the time of such delivery, then, upon such delivery, such Note will be deemed, pursuant to this **Section 2.12** and the footnotes to the CUSIP and ISIN numbers set forth on the face of the certificate representing such Note, to thereafter bear the “unrestricted” CUSIP and ISIN numbers identified in such footnotes; *provided, however*, that if such Note is a Global Note and the Depository thereof requires a mandatory exchange or other procedure to cause such Global Note to be identified by “unrestricted” CUSIP and ISIN numbers in the facilities of such Depository, then (i) the Company will effect such exchange or procedure as soon as reasonably practicable; and (ii) for purposes of **Section 3.04** and the definition of Freely Tradable, such Global Note will not be deemed to be identified by “unrestricted” CUSIP and ISIN numbers until such time as such exchange or procedure is effected.

Section 2.13. Replacement Notes.

If a Holder of any Note claims that such Note has been mutilated, lost, destroyed or wrongfully taken, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a replacement Note upon surrender to the Trustee of such mutilated Note, or upon delivery to the Trustee of evidence of such loss, destruction or wrongful taking reasonably satisfactory to the Trustee and the Company. The Company may charge the Holder of a Note for the Company's and the Trustee's expenses in replacing such Note pursuant to this **Section 2.13**. In addition, in the case of a lost, destroyed or wrongfully taken Note, the Company and the Trustee may require the Holder thereof to provide such security or indemnity that is satisfactory to the Company and the Trustee to protect the Company and the Trustee from any loss that any of them may suffer if such Note is replaced.

Every replacement Note issued pursuant to this **Section 2.13** will be an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and ratably with all other Notes issued under this Indenture, regardless of whether the related lost, destroyed or wrongfully taken Note is at any time enforceable by any Person.

Section 2.14. Registered Holders; Certain Rights with Respect to Global Notes.

Except to the extent rights hereunder are expressly granted to owners of beneficial interests of Notes, only the Holder of a Note will have rights under this Indenture as the owner of such Note. Without limiting the generality of the foregoing, Depositary Participants will have no rights as such under this Indenture with respect to any Global Note held on their behalf by the Depositary or its nominee, or by the Trustee as its custodian, and the Company, the Trustee and the Note Agents, and their respective agents, may treat the Depositary as the absolute owner of such Global Note for all purposes whatsoever; *provided, however*, that (A) the Holder of any Global Note may grant proxies and otherwise authorize any Person, including Depositary Participants and Persons that hold interests in Notes through Depositary Participants, to take any action that such Holder is entitled to take with respect to such Global Note under this Indenture or the Notes; and (B) the Company and the Trustee, and their respective agents, may give effect to any written certification, proxy or other authorization furnished by the Depositary.

Section 2.15. Cancellation.

The Company may at any time deliver Notes to the Trustee for cancellation. The Registrar, the Paying Agent and the Conversion Agent will forward to the Trustee each Note duly surrendered to them for transfer, exchange, payment or Conversion. The Trustee will promptly cancel all Notes so surrendered to it in accordance with its customary procedures. Without limiting the generality of **Section 2.03(B)**, the Company may not originally issue new Notes to replace Notes that it has paid or that have been cancelled upon transfer, exchange, payment or Conversion.

Section 2.16. Notes Held by the Company or its Affiliates.

Without limiting the generality of **Section 2.18**, in determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any of its Affiliates will be deemed not to be outstanding; *provided, however*, that, for purposes of determining whether the Trustee is protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned will be so disregarded.

Section 2.17. Temporary Notes.

Until definitive Notes are ready for delivery, the Company may issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, temporary Notes. Temporary Notes will be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. The Company will promptly prepare, issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, definitive Notes in exchange for temporary Notes. Until so exchanged, each temporary Note will in all respects be entitled to the same benefits under this Indenture as definitive Notes.

Section 2.18. Outstanding Notes.

(A) *Generally.* The Notes that are outstanding at any time will be deemed to be those Notes that, at such time, have been duly executed and authenticated, excluding those Notes (or portions thereof) that have theretofore been (i) cancelled by the Trustee or delivered to the Trustee for cancellation in accordance with **Section 2.15**; (ii) assigned a principal amount of zero by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of any a Global Note representing such Note; (iii) paid in full (including upon Conversion) in accordance with this Indenture; or (iv) deemed to cease to be outstanding to the extent provided in, and subject to, **clause (B), (C) or (D)** of this **Section 2.18**.

(B) *Replaced Notes.* If a Note is replaced pursuant to **Section 2.13**, then such Note will cease to be outstanding at the time of its replacement, unless the Trustee and the Company receive proof reasonably satisfactory to them that such Note is held by a “*bona fide* purchaser” under applicable law.

(C) *Maturing Notes and Notes Called for Redemption or Subject to Repurchase.* If, on a Redemption Date, a Fundamental Change Repurchase Date or the Maturity Date, the Paying Agent holds money sufficient to pay the aggregate Redemption Price, Fundamental Change Repurchase Price or principal amount, respectively, together, in each case, with the aggregate interest, in each case due on such date, then (unless there occurs a Default in the payment of any such amount) (i) the Notes (or portions thereof) to be redeemed or repurchased, or that mature, on such date will be deemed, as of such date, to cease to be outstanding, except to the extent provided in **Section 4.02(D), 4.03(F) or 5.02(D)**; and (ii) the rights of the Holders of such Notes (or such portions thereof), as such, will terminate with respect to such Notes (or such portions thereof), other than the right to receive the Redemption Price, Fundamental Change Repurchase Price or principal amount, as applicable, of, and accrued and unpaid interest on, such Notes (or such portions thereof), in each case as provided in this Indenture.

(D) *Notes to Be Converted.* At the Close of Business on the Conversion Date for any Note (or any portion thereof) to be Converted, such Note (or such portion) will (unless there occurs a Default in the delivery of the Conversion Consideration or interest due, pursuant to **Section 5.03(B)** or **Section 5.02(D)**, upon such Conversion) be redeemed for an amount equal to the principal amount of such Note and the Holder irrevocably directs the Company to apply the principal amount payable to it in acquiring the Conversion Consideration, with the result that such Note will cease to be outstanding, except to the extent provided in **Section 5.02(D)** or **Section 5.08**.

(E) *Cessation of Accrual of Interest.* Except as provided in **Section 4.02(D)**, **4.03(F)** or **5.02(D)**, interest will cease to accrue on each Note from, and including, the date that such Note is deemed, pursuant to this **Section 2.18**, to cease to be outstanding, unless there occurs a default in the payment or delivery of any cash or other property due on such Note.

Section 2.19. Repurchases by the Company.

Without limiting the generality of **Section 2.15**, the Company may, from time to time, repurchase Notes in open market purchases or in negotiated transactions without delivering prior notice to Holders.

Section 2.20. CUSIP and ISIN Numbers.

Subject to **Section 2.12**, the Company may use one or more CUSIP or ISIN numbers to identify any of the Notes, and, if so, the Company and the Trustee will use such CUSIP or ISIN number(s) in notices to Holders; *provided, however*, that (i) the Trustee makes no representation as to the correctness or accuracy of any such CUSIP or ISIN number; and (ii) the effectiveness of any such notice will not be affected by any defect in, or omission of, any such CUSIP or ISIN number. The Company will promptly notify the Trustee of any change in the CUSIP or ISIN number(s) identifying any Notes.

Article 3. COVENANTS

Section 3.01. Payment on Notes.

(A) *Generally.* The Company will pay or cause to be paid all the principal of, the Fundamental Change Repurchase Price and Redemption Price for, interest on, and other amounts due with respect to, the Notes on the dates and in the manner set forth in this Indenture.

(B) *Deposit of Funds.* Before 11:00 A.M., New York City time, on each Redemption Date, Fundamental Change Repurchase Date or Interest Payment Date, and on the Maturity Date or any other date on which any cash amount is due on the Notes, the Company will deposit, or will cause there to be deposited, with the Paying Agent cash, in funds immediately available on such date, sufficient to pay the cash amount due on the applicable Notes on such date. The Paying Agent will return to the Company, as soon as practicable, any money not required for such purpose.

Section 3.02. Exchange Act Reports.

(A) *Generally.* The Company will send to the Trustee copies of all reports that the Company is required to file with the SEC pursuant to Section 13(a) or 15(d) of the Exchange Act (other than Form 8-K reports) within fifteen (15) calendar days after the date that the Company is required to file the same (after giving effect to all applicable grace periods under the Exchange Act); *provided, however*, that the Company need not send to the Trustee any material for which the Company has received, or is seeking in good faith and has not been denied, confidential treatment by the SEC. Any such report that the Company files with the SEC through the EDGAR system (or any successor thereto) will be deemed to be sent to the Trustee at the time such report is so filed via the EDGAR system (or such successor). Upon the request of any Holder, the Trustee will provide to such Holder a copy of any report that the Company has sent the Trustee pursuant to this **Section 3.02(A)**, other than a report that is deemed to be sent to the Trustee pursuant to the preceding sentence.

The “grace periods” referred to in the preceding paragraph with respect to any report will include the maximum period afforded by Rule 12b-25 regardless of whether the Company files, or indicates in the related Form 12b-25 (or any successor form thereto) that the Company expects to or will file, such report before the expiration of such maximum period.

(B) *Trustee’s Disclaimer.* The Trustee need not determine whether the Company has filed any material via the EDGAR system (or such successor). The sending or filing of reports pursuant to **Section 3.02(A)** will not be deemed to constitute actual or constructive notice to the Trustee of any information contained, or determinable from information contained, therein, including the Company’s compliance with any of its covenants under this Indenture.

Section 3.03. Rule 144A Information.

If the Company is not subject to Section 13 or 15(d) of the Exchange Act at any time when any Notes or Ordinary Shares issuable upon Conversion of the Notes are outstanding and constitute “restricted securities” (as defined in Rule 144), then the Company (or its successor) will promptly provide, to the Trustee and, upon written request, to any Holder, beneficial owner or prospective purchaser of such Notes or shares, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act to facilitate the resale of such Notes or shares pursuant to Rule 144A.

Section 3.04. Additional Interest.

(A) *Accrual of Additional Interest.*

(i) If, at any time during the six (6) month period beginning on, and including, the date that is six (6) months after the Last Original Issue Date of any Note,

(1) the Company fails to timely file any report that is required for the Company to satisfy the requirements set forth in Rule 144(c)(1) under the Securities Act (after giving effect to all grace periods permitted thereunder); or

(2) such Note is not otherwise Freely Tradable,

then Additional Interest will accrue on such Note for each day during such period on which such failure is continuing or such Note is not Freely Tradable. The “grace periods” referred to in the preceding sentence with respect to any report will include the maximum period afforded by Rule 12b-25 regardless of whether the Company files, or indicates in the related Form 12b-25 (or any successor form thereto) that the Company expects to or will file, such report before the expiration of such maximum period.

(ii) In addition, Additional Interest will accrue on a Note on each day on which such Note is not Freely Tradable on or after the De-Legending Deadline Date for such Note.

(B) *Amount and Payment of Additional Interest.* Subject to **Section 3.04(C)**, any Additional Interest that accrues on a Note pursuant to **Section 3.04(A)** will be payable on the same dates and in the same manner as the Stated Interest on such Note and will accrue at a rate per annum equal to one quarter of one percent (0.25%) of the principal amount thereof for the first ninety (90) days on which Additional Interest accrues and, thereafter, at a rate per annum equal to one half of one percent (0.50%) of the principal amount thereof; *provided, however*, that in no event will Additional Interest (excluding any interest that accrues on any Deferred Additional Interest pursuant to **Section 3.04(C)**), together with any Special Interest, accrue on any day on a Note at a combined rate per annum that exceeds one half of one percent (0.50%). For the avoidance of doubt, any Additional Interest that accrues on a Note will be in addition to the Stated Interest that accrues on such Note and, subject to the proviso of the immediately preceding sentence, in addition to any Special Interest that accrues on such Note.

(C) *Deferral of Additional Interest.*

(i) *Generally.* Notwithstanding anything to the contrary in this **Section 3.04**, but subject to **Section 3.04(C)(iii)**, Additional Interest that accrues on any Note for any period on or after the De-Legending Deadline Date of such Note will not be payable on any Interest Payment Date occurring on or after such De-Legending Deadline Date unless (1) a Holder (or an owner of a beneficial interest in a Global Note) has delivered to the Company and the Trustee, before the Regular Record Date immediately before such Interest Payment Date, a written notice (a “**Deferred Additional Interest Demand Request**”) demanding payment of Additional Interest; or (2) the Company, in its sole and absolute discretion, elects, by sending notice of such election (a “**Notice of Election to Pay Deferred Additional Interest**”) to Holders before such Regular Record Date, to pay such Additional Interest on such Interest Payment Date (any accrued and unpaid Additional Interest that, in accordance with this sentence, is not paid on such Interest Payment Date, “**Deferred Additional Interest**”). Without further action by the Company or any other Person, interest will automatically accrue on such Deferred Additional Interest from, and including, such Interest Payment Date at a rate per annum equal to the rate per annum at which Stated Interest accrues on the Notes to, but excluding, the date on which such Deferred Additional Interest, together with accrued interest thereon, is paid. Once any accrued and unpaid Additional Interest becomes payable on an Interest Payment Date (whether as a result of the delivery of a written notice pursuant to **clause (1)** above or, if earlier, the Company’s election to pay the same pursuant to **clause (2)** above), Additional Interest will thereafter not be subject to deferral pursuant to this **Section 3.04(C)**.

(ii) *Interpretive Provisions.* Each reference in this Indenture or the Notes to any accrued interest (including in the definitions of the Redemption Price and the Fundamental Change Repurchase Price for any Note) or to any accrued Additional Interest includes, to the extent applicable, and without duplication, any Deferred Additional Interest, together with accrued and unpaid interest thereon. For the avoidance of doubt, the failure to pay any accrued and unpaid Additional Interest on an Interest Payment Date will not constitute a Default or an Event of Default under this Indenture or the Notes if such payment is deferred in accordance with **Section 3.04(C)(i)**. Otherwise, such a failure to pay will be subject to **Section 7.01(A)(ii)**.

(iii) *Payment or Extinguishment Upon Maturity.* Notwithstanding anything to the contrary in this Indenture or the Notes, if (1) any unpaid Deferred Additional Interest exists on any Notes as of the Close of Business on the Regular Record Date immediately preceding the Maturity Date; (2) no Holder (or owner of a beneficial interest in a Global Note) has delivered a Deferred Additional Interest Demand Request in the manner set forth in **Section 3.04(C)(i)** before such Regular Record Date; and (3) the Company has not sent a Notice of Election to Pay Deferred Additional Interest in the manner set forth in **Section 3.04(C)(i)** before such Regular Record Date, then Deferred Additional Interest on each Note then outstanding will cease to accrue, and all Deferred Additional Interest, together with interest thereon, on such Note will be deemed to be extinguished on the following date: (a) if such Note is to be Converted, the Conversion Date for such Conversion (it being understood, for the avoidance of doubt, that the Conversion Consideration therefor need not include, and the amount referred to in **clause (i) of Section 5.02(D)** need not include, the payment of any such Deferred Additional Interest or any interest thereon); and (b) in all other cases, the later of (x) the Maturity Date; and (y) the first date on which the Company has repaid the principal of, and accrued and unpaid interest (other than such Deferred Additional Interest and any interest thereon) on, such Note in full.

(D) *Notice of Accrual of Additional Interest; Trustee's Disclaimer.* The Company will send notice to the Holder of each Note, and to the Trustee, of the commencement and termination of any period in which Additional Interest accrues on such Note, except that no such notice is required in respect of any Additional Interest that is deferred in accordance with **Section 3.04(C)**. In addition, if Additional Interest accrues on any Note, then, no later than five (5) Business Days before each date on which such Additional Interest is to be paid, the Company will deliver an Officer's Certificate to the Trustee and the Paying Agent stating (i) that the Company is obligated to pay Additional Interest on such Note on such date of payment; and (ii) the amount of such Additional Interest that is payable on such date of payment. The Trustee will have no duty to determine whether any Additional Interest is payable (or whether the same is deferred or is accruing interest) or the amount thereof and may assume without inquiry that no Additional Interest is payable or has been deferred until written notice of such Additional Interest has been provided to the Trustee by the Company.

(E) *Exclusive Remedy.* The accrual of Additional Interest will be the exclusive remedy available to Holders for the failure of their Notes to become Freely Tradable.

Section 3.05. Additional Amounts.

(A) *Requirement to Pay Additional Amounts.* All payments and deliveries made by, or on behalf of, the Company under or with respect to the Notes (including payment of the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or the delivery of any Conversion Consideration due upon Conversion of, any Note) will be made without withholding or deduction for, or on account of, any present or future Taxes, unless such withholding or deduction is required by law or regulation or by governmental policy having the force of law. If any Taxes imposed or levied by or on behalf of any jurisdiction or any political subdivision or taxing authority thereof or therein (in each case, other than the United States of America or any political subdivision or taxing authority thereof or therein) in which the Company or any Successor Entity is, for tax purposes, organized or resident or doing business or through which payment is made or deemed to be made by the Company or its agent (each such jurisdiction, subdivision or authority, as applicable, a “**Relevant Taxing Jurisdiction**”) are required to be withheld or deducted from any payments or deliveries made under or with respect to the Notes (other than any payments that are made upon conversion of the Notes, whether made in cash, Ordinary Shares or other consideration (including, for the avoidance of doubt, any payments of cash for any fractional shares or other consideration) in the event the Company, such Successor Entity or the issuer of the Ordinary Shares or Reference Property Units becomes duly organized or incorporated and existing under the laws of the United States of America, any State thereof or the District of Columbia), then, subject to **Section 4.03(C)(ii)**, the Company or such Successor Entity, as applicable, will pay to the Holder of each Note such additional amounts (the “**Additional Amounts**”) as may be necessary to ensure that the net amount received by the Holder or beneficial owner of such Note after such withholding or deduction (and after withholding or deducting any Taxes on the Additional Amounts, if applicable) will equal the amounts that would have been received by such Holder or beneficial owner had no such withholding or deduction been required; *provided, however*, that such obligation to pay Additional Amounts will not apply to:

(i) any Tax that would not have been imposed but for:

(1) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Taxing Jurisdiction (other than merely holding or being a beneficial owner of such Note or the receipt or enforcement of payments or deliveries thereunder), including such Holder or beneficial owner being or having been a national, domiciliary or resident, or treated as a resident, of, or being or having been physically present or engaged in a trade or business, or having had a permanent establishment, in, such Relevant Taxing Jurisdiction;

(2) in cases where presentation of such Note is required to receive such payment or delivery, the presentation of such Note after a period of thirty (30) days after the later of (x) the date on which such payment or delivery became due and payable or deliverable, as applicable, pursuant to the terms of this Indenture and (y) the date such payment or delivery was made or duly provided for, except, in each case, to the extent that such Holder or beneficial owner would have been entitled to Additional Amounts if it presented such Note for payment or delivery, as applicable, at the end of such thirty (30) day period; or

(3) the failure of such Holder or beneficial owner to comply with a timely request from the Company or the Successor Entity or any applicable withholding agent, addressed to such Holder or beneficial owner, to (x) provide certification, information, documentation or other evidence concerning such Holder's or beneficial owner's nationality, residence, identity or connection with such Relevant Taxing Jurisdiction; or (y) make any declaration or satisfy any other reporting requirement relating to such matters, in each case if and to the extent that such Holder or beneficial owner is legally entitled without material burden to comply with such request and due and timely compliance with such request is required by or necessary under statute, regulation or administrative practice of such Relevant Taxing Jurisdiction (including, without limitation, for Australian resident holders or beneficial owners otherwise having such information or documentation, provision of an Australian tax file number, Australian business number or proof of relevant exemption) in order to reduce or eliminate such withholding or deduction;

(ii) any estate, inheritance, gift, sale, transfer, personal property or similar Tax;

(iii) any Tax that is payable other than by withholding or deduction from payments or deliveries under or with respect to the Notes;

(iv) any withholding or deduction required by (x) Sections 1471 through 1474 of the Internal Revenue Code and any current or future U.S. Treasury Regulations or rulings promulgated thereunder ("FATCA"); (y) any inter-governmental agreement between the United States and any other non-U.S. jurisdiction to implement FATCA or any law, regulation, rule, practice or other official guidance having the force of law enacted by such other jurisdiction to give effect to such agreement; or (z) any agreement with the U.S. Internal Revenue Service pursuant to Section 1471(b)(1) of the Internal Revenue Code;

(v) any Taxes imposed or withheld by reason of such holder being an "associate" (as defined in Section 128F(9) of the Income Tax Assessment Act 1936 of Australia) of the Company not acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act 2001 of Australia;

(vi) any Taxes imposed or withheld by reason of the Australian Commissioner of Taxation giving a notice under section 255 of the Income Tax Assessment Act 1936 of Australia or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of Australia or similar law;

(vii) any Taxes imposed on or with respect to any payment by the Company to such Holder if such Holder is a fiduciary, partnership or person other than the sole beneficial owner of such payment, to the extent that such payment would be required, under the laws of such Relevant Taxing Jurisdiction, to be included for tax purposes in the income of a beneficiary or settlor with respect to such fiduciary, a partner or member of such partnership, or a beneficial owner, who would not have been entitled to such Additional Amounts had such beneficiary, settlor, partner, member or beneficial owner been the Holder thereof; or

(viii) any combination of items referred to in the preceding **clauses (i) through (vii)**, inclusive, above.

(B) *Special Provision Regarding Interest*. For the avoidance of doubt, if any Note is called for a Tax Redemption and the Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, then the Company's obligation to pay Additional Amounts will apply to the interest payment due on such Note on such Interest Payment Date unless such Note is subject to a Tax Redemption Opt-Out Election Notice.

(C) *Tax Receipts*. If the Company is required to make any deduction or withholding from any payments or deliveries with respect to the Notes, then (i) the Company will deliver to the Trustee official tax receipts (or, if, after expending reasonable efforts, the Company is unable to obtain such receipts, other evidence of payments) evidencing the remittance to the relevant tax authorities of the amounts so withheld or deducted; and (ii) the Trustee or the Company will provide a copy of such receipts or evidence, as applicable, to any Holder or beneficial owner of any Notes upon request.

(D) *Interpretation of Indenture and Notes*. All references in this Indenture or the Notes to any payment on, or delivery with respect to, the Notes (including payment of the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or the delivery of any Conversion Consideration due upon Conversion of, any Note) will, to the extent that Additional Amounts are payable in respect thereof, be deemed to include the payment of such Additional Amounts.

(E) *Survival of Obligations*. The obligations set forth in this **Section 3.05** will survive any transfer of Notes by a Holder (or, in the case of a Global Note, a holder of a beneficial interest therein).

Section 3.06. Compliance and Default Certificates.

(A) *Annual Compliance Certificate*. Within ninety (90) days after the last day of each fiscal year of the Company, beginning with the first such fiscal year ending after the date of this Indenture, the Company will deliver an Officer's Certificate to the Trustee stating (i) that the signatory thereto has supervised a review of the activities of the Company and its Subsidiaries during such fiscal year with a view towards determining whether any Default or Event of Default has occurred; and (ii) whether, to such signatory's knowledge, a Default or Event of Default has occurred or is continuing (and, if so, describing all such Defaults or Events of Default and what action the Company is taking or proposes to take with respect thereto).

(B) *Default Certificate*. If a Default or Event of Default occurs, then the Company will, within thirty (30) days after the Company first obtains knowledge of the occurrence thereof, deliver an Officer's Certificate to the Trustee describing the same and what action the Company is taking or proposes to take with respect thereto; *provided* that the Company will not be required to deliver such Officer's Certificate if the Default or Event of Default has been cured (or deemed cured) or waived prior to the date that such Officer's Certificate is due.

Section 3.07. Stay, Extension and Usury Laws.

To the extent that it may lawfully do so, the Company (A) agrees that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law (wherever or whenever enacted or in force) that may affect the covenants or the performance of this Indenture; and (B) expressly waives all benefits or advantages of any such law and agrees that it will not, by resort to any such law, hinder, delay or impede the execution of any power granted to the Trustee by this Indenture, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 3.08. Acquisition of Notes by the Company and its Affiliates.

Without limiting the generality of **Section 2.18**, Notes that the Company or any of its Subsidiaries have purchased or otherwise acquired will be deemed to remain outstanding (except to the extent provided in **Section 2.16**) until such time as such Notes are delivered to the Trustee for cancellation. The Company will use commercially reasonable efforts to prevent any of its controlled Affiliates from acquiring any Note (or any beneficial interest therein).

Article 4. REPURCHASE AND REDEMPTION

Section 4.01. No Sinking Fund.

No sinking fund is required to be provided for the Notes.

Section 4.02. Right of Holders to Require the Company to Repurchase Notes Upon a Fundamental Change.

(A) *Right of Holders to Require the Company to Repurchase Notes Upon a Fundamental Change.* Subject to the other terms of this **Section 4.02**, if a Fundamental Change occurs, then each Holder will have the right (the “**Fundamental Change Repurchase Right**”) to require the Company to repurchase such Holder’s Notes (or any portion thereof in an Authorized Denomination) on the Fundamental Change Repurchase Date for such Fundamental Change for a cash purchase price equal to the Fundamental Change Repurchase Price.

(B) *Repurchase Prohibited in Certain Circumstances.* If the principal amount of the Notes has been accelerated and such acceleration has not been rescinded on or before the Fundamental Change Repurchase Date for a Repurchase Upon Fundamental Change (including as a result of the payment of the related Fundamental Change Repurchase Price, and any related interest pursuant to the proviso to the first sentence of **Section 4.02(D)**, on such Fundamental Change Repurchase Date), then (i) the Company may not repurchase any Notes pursuant to this **Section 4.02**; and (ii) the Company will cause any Notes theretofore surrendered for such Repurchase Upon Fundamental Change to be returned to the Holders thereof (or, if applicable with respect to Global Notes, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interest in such Notes in accordance with the Depository Procedures).

(C) *Fundamental Change Repurchase Date.* The Fundamental Change Repurchase Date for any Fundamental Change will be a Business Day of the Company’s choosing that is no more than thirty five (35), nor less than twenty (20), Business Days after the date the Company sends the related Fundamental Change Notice pursuant to **Section 4.02(E)**.

(D) *Fundamental Change Repurchase Price.* The Fundamental Change Repurchase Price for any Note to be repurchased upon a Repurchase Upon Fundamental Change following a Fundamental Change is an amount in cash equal to the principal amount of such Note plus accrued and unpaid interest on such Note to, but excluding, the Fundamental Change Repurchase Date for such Fundamental Change; *provided, however*, that if such Fundamental Change Repurchase Date is after a Regular Record Date and on or before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Repurchase Upon Fundamental Change, to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date, if such Fundamental Change Repurchase Date is before such Interest Payment Date); and (ii) the Fundamental Change Repurchase Price will not include accrued and unpaid interest on such Note to, but excluding, such Fundamental Change Repurchase Date. For the avoidance of doubt, if an Interest Payment Date is not a Business Day within the meaning of **Section 2.05(C)** and such Fundamental Change Repurchase Date occurs on the Business Day immediately after such Interest Payment Date, then (x) accrued and unpaid interest on Notes to, but excluding, such Interest Payment Date will be paid, in accordance with **Section 2.05(C)**, on the next Business Day to Holders as of the Close of Business on the immediately preceding Regular Record Date; and (y) the Fundamental Change Repurchase Price will include interest on Notes to be repurchased from, and including, such Interest Payment Date.

(E) *Fundamental Change Notice.* On or before the twentieth (20th) calendar day after the effective date of a Fundamental Change, the Company will send to each Holder, the Trustee, the Conversion Agent and the Paying Agent a notice of such Fundamental Change (a "**Fundamental Change Notice**").

Such Fundamental Change Notice must state:

- (i) briefly, the events causing such Fundamental Change;
- (ii) the effective date of such Fundamental Change;
- (iii) the procedures that a Holder must follow to require the Company to repurchase its Notes pursuant to this **Section 4.02**, including the deadline for exercising the Fundamental Change Repurchase Right and the procedures for submitting and withdrawing a Fundamental Change Repurchase Notice;
- (iv) the Fundamental Change Repurchase Date for such Fundamental Change;
- (v) the Fundamental Change Repurchase Price per \$1,000 principal amount of Notes for such Fundamental Change (and, if such Fundamental Change Repurchase Date is after a Regular Record Date and on or before the next Interest Payment Date, the amount, manner and timing of the interest payment payable pursuant to the proviso to the first sentence of **Section 4.02(D)**);
- (vi) the name and address of the Paying Agent and the Conversion Agent;

(vii) the Conversion Rate in effect on the date of such Fundamental Change Notice and a description and quantification of any adjustments to the Conversion Rate that may result from such Fundamental Change (including pursuant to **Section 5.07**);

(viii) that Notes for which a Fundamental Change Repurchase Notice has been duly tendered and not duly withdrawn must be delivered to the Paying Agent for the Holder thereof to be entitled to receive the Fundamental Change Repurchase Price;

(ix) that Notes (or any portion thereof) that are subject to a Fundamental Change Repurchase Notice that has been duly tendered may be Converted only if such Fundamental Change Repurchase Notice is withdrawn in accordance with this Indenture; and

(x) the CUSIP and ISIN numbers, if any, of the Notes.

Neither the failure to deliver a Fundamental Change Notice nor any defect in a Fundamental Change Notice will limit the Fundamental Change Repurchase Right of any Holder or otherwise affect the validity of any proceedings relating to any Repurchase Upon Fundamental Change.

(F) *Procedures to Exercise the Fundamental Change Repurchase Right.*

(i) *Delivery of Fundamental Change Repurchase Notice and Notes to Be Repurchased.* To exercise its Fundamental Change Repurchase Right for a Note following a Fundamental Change, the Holder thereof must deliver to the Paying Agent:

(1) before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date (or such later time as may be required by law), a duly completed, written Fundamental Change Repurchase Notice with respect to such Note; and

(2) such Note, duly endorsed for transfer (if such Note is a Physical Note) or by book-entry transfer (if such Note is a Global Note).

The Paying Agent will promptly deliver to the Company a copy of each Fundamental Change Repurchase Notice that it receives.

(ii) *Contents of Fundamental Change Repurchase Notices.* Each Fundamental Change Repurchase Notice with respect to a Note must state:

(1) if such Note is a Physical Note, the certificate number of such Note;

(2) the principal amount of such Note to be repurchased, which must be an Authorized Denomination; and

(3) that such Holder is exercising its Fundamental Change Repurchase Right with respect to such principal amount of such Note;

provided, however, that if such Note is a Global Note, then such Fundamental Change Repurchase Notice must comply with the Depositary Procedures (and any such Fundamental Change Repurchase Notice delivered in compliance with the Depositary Procedures will be deemed to satisfy the requirements of this **Section 4.02(F)**).

(iii) *Withdrawal of Fundamental Change Repurchase Notice.* A Holder that has delivered a Fundamental Change Repurchase Notice with respect to a Note may withdraw such Fundamental Change Repurchase Notice by delivering a written notice of withdrawal to the Paying Agent at any time before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date. Such withdrawal notice must state:

- (1) if such Note is a Physical Note, the certificate number of such Note;
- (2) the principal amount of such Note to be withdrawn, which must be an Authorized Denomination; and
- (3) the principal amount of such Note, if any, that remains subject to such Fundamental Change Repurchase Notice, which must be an Authorized Denomination;

provided, however, that if such Note is a Global Note, then such withdrawal notice must comply with the Depositary Procedures (and any such withdrawal notice delivered in compliance with the Depositary Procedures will be deemed to satisfy the requirements of this **Section 4.02(F)**).

Upon receipt of any such withdrawal notice with respect to a Note (or any portion thereof), the Paying Agent will (x) promptly deliver a copy of such withdrawal notice to the Company; and (y) if such Note is surrendered to the Paying Agent, cause such Note (or such portion thereof in accordance with **Section 2.11**, treating such Note as having been then surrendered for partial repurchase in the amount set forth in such withdrawal notice as remaining subject to repurchase) to be returned to the Holder thereof (or, if applicable with respect to any Global Note, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interest in such Note in accordance with the Depositary Procedures).

(G) *Payment of the Fundamental Change Repurchase Price.* Without limiting the Company's obligation to deposit the Fundamental Change Repurchase Price within the time prescribed by **Section 3.01(B)**, the Company will cause the Fundamental Change Repurchase Price for a Note (or portion thereof) to be repurchased pursuant to a Repurchase Upon Fundamental Change to be paid to the Holder thereof on or before the later of (i) the applicable Fundamental Change Repurchase Date; and (ii) the date (x) such Note is delivered to the Paying Agent (in the case of a Physical Note) or (y) the Depositary Procedures relating to the repurchase, and the delivery to the Paying Agent, of such Holder's beneficial interest in such Note to be repurchased are complied with (in the case of a Global Note). For the avoidance of doubt, interest payable pursuant to the proviso to the first sentence of **Section 4.02(D)** on any Note to be repurchased pursuant to a Repurchase Upon Fundamental Change must be paid pursuant to such proviso regardless of whether such Note is delivered or such Depositary Procedures are complied with pursuant to the first sentence of this **Section 4.02(G)**.

(H) *Third Party May Conduct Repurchase Offer In Lieu of the Company.* Notwithstanding anything to the contrary in this **Section 4.02**, the Company will be deemed to satisfy its obligations under this **Section 4.02** if (i) one or more third parties conduct any Repurchase Upon Fundamental Change and related offer to repurchase Notes otherwise required by this **Section 4.02** in a manner that would have satisfied the requirements of this **Section 4.02** if conducted directly by the Company; and (ii) an owner of a beneficial interest in any Note repurchased by such third party or parties will not receive a lesser amount (as a result of withholding or other similar taxes) than such owner would have received had the Company repurchased such Note.

(I) *No Requirement to Conduct an Offer to Repurchase Notes if the Fundamental Change Results in the Notes Becoming Convertible into an Amount of Cash Exceeding the Fundamental Change Repurchase Price.* Notwithstanding anything to the contrary in this **Section 4.02**, the Company will not be required to send a Fundamental Change Notice pursuant to **Section 4.02(E)**, or offer to repurchase or repurchase any Notes pursuant to this **Section 4.02**, in connection with an Ordinary Share Change Event that constitutes a Fundamental Change pursuant to **clause (B)(ii)** of the definition thereof (regardless of whether such Ordinary Share Change Event also constitutes a Fundamental Change pursuant to any other clause of such definition), if (i) the Reference Property of such Ordinary Share Change Event consists entirely of cash in U.S. dollars; (ii) immediately after such Fundamental Change, the Notes become Convertible, pursuant to **Section 5.09(A)** and, if applicable, **Section 5.07**, into consideration that consists solely of U.S. dollars in an amount per \$1,000 aggregate principal amount of Notes that equals or exceeds the Fundamental Change Repurchase Price per \$1,000 aggregate principal amount of Notes (calculated (1) assuming that the same includes accrued and unpaid interest to, but excluding, the latest possible Fundamental Change Repurchase Date for such Fundamental Change and (2) without regard to the proviso to the first sentence of **Section 4.02(D)**); and (iii) the Company timely sends the notice relating to such Fundamental Change required pursuant to **Section 5.01(C)(i)(3)(b)** and includes, in such notice, a statement that the Company is relying on this **Section 4.02(I)**.

(J) *Compliance with Applicable Securities Laws.* To the extent applicable, the Company will comply, in all material respects, with all federal and state securities laws in connection with a Repurchase Upon Fundamental Change (including complying with Rules 13e-4 and 14e-1 under the Exchange Act and filing any required Schedule TO, to the extent applicable) so as to permit effecting such Repurchase Upon Fundamental Change in the manner set forth in this Indenture; *provided, however*, that, to the extent that the Company's obligations pursuant to this **Section 4.02** conflict with any law or regulation that is applicable to the Company and enacted after the Issue Date, the Company's compliance with such law or regulation will not be considered to be a Default of such obligations.

(K) *Repurchase in Part.* Subject to the terms of this **Section 4.02**, Notes may be repurchased pursuant to a Repurchase Upon Fundamental Change in part, but only in Authorized Denominations. Provisions of this **Section 4.02** applying to the repurchase of a Note in whole will equally apply to the repurchase of a permitted portion of a Note.

Section 4.03. Right of the Company to Redeem the Notes.

(A) *No Right to Redeem Before December 6, 2029 Except Pursuant to a Tax Redemption.* The Company may not redeem the Notes at its option pursuant to this **Section 4.03** at any time before December 6, 2029, except pursuant to a Tax Redemption.

(B) *Right to Redeem the Notes On or After December 6, 2029.* Subject to the terms of this **Section 4.03**, the Company has the right, at its election, to redeem all, or any portion in an Authorized Denomination, of the Notes, at any time, and from time to time, on a Redemption Date on or after December 6, 2029 and on or before the thirtieth (30th) Scheduled Trading Day immediately before the Maturity Date, for a cash purchase price equal to the Redemption Price, but only if (i) the Notes are Freely Tradable as of the Redemption Notice Date for such Redemption and all accrued and unpaid Additional Interest, if any, has been paid in full as of the most recent Interest Payment Date occurring on or before such Redemption Notice Date; and (ii) the Last Reported Sale Price per Ordinary Share exceeds one hundred and thirty percent (130%) of the Conversion Price on (x) each of at least twenty (20) Trading Days (whether or not consecutive) during the thirty (30) consecutive Trading Days ending on, and including, the Trading Day immediately before such Redemption Notice Date; and (y) the Trading Day immediately before such Redemption Notice Date; *provided, however*, that the Company will not call less than all of the outstanding Notes for Redemption unless the excess of the principal amount of Notes outstanding as of the time the Company sends the related Redemption Notice over the aggregate principal amount of Notes set forth in such Redemption Notice as being subject to such Redemption is at least one hundred million dollars (\$100,000,000). For the avoidance of doubt, the calling of any Notes for a Provisional Redemption will constitute a Make-Whole Fundamental Change with respect to such Notes pursuant to **clause (B)** of the definition thereof.

(C) *Right to Redeem the Notes After a Change in Tax Law.*

(i) *Generally.* Subject to the terms of this **Section 4.03**, and without limiting the Company's right to redeem any Notes pursuant to **Section 4.03(B)**, the Company has the right, at its election, to redeem all, but not less than all, of the Notes, at any time, on a Redemption Date before the Maturity Date, for a cash purchase price equal to the Redemption Price, but only if the following conditions are satisfied: (1) the Company has (or, on the next Interest Payment Date, would) become obligated to pay any Additional Amounts to Holders as a result of any Change in Tax Law; (2) the Company cannot avoid such obligation by taking reasonable measures available to the Company (*provided* that changing the Company's jurisdiction of incorporation or organization or the jurisdiction of incorporation or organization of the issuer of the Ordinary Shares or Reference Property Units shall not be deemed to be a reasonable measure); (3) the Company delivers to the Trustee (x) an Opinion of Counsel from outside legal counsel of recognized standing in the Relevant Taxing Jurisdiction attesting to **clause (1)** above; and (y) an Officer's Certificate attesting to **clauses (1)** and **(2)** above; and (4) if the Redemption Date is after the De-Legending Deadline Date, the Notes are Freely Tradable as of the Redemption Notice Date for such Redemption and all accrued and unpaid Additional Interest, if any, has been paid in full as of the most recent Interest Payment Date occurring on or before such Redemption Notice Date. For the avoidance of doubt, the calling of any Notes for a Tax Redemption will constitute a Make-Whole Fundamental Change pursuant to **clause (B)** of the definition thereof.

(ii) *Tax Redemption Opt-Out Election.* If the Company calls the Notes for a Tax Redemption, then, notwithstanding anything to the contrary in this **Section 4.03** or in **Section 3.05**, each Holder will have the right to elect (a “**Tax Redemption Opt-Out Election**”) not to have such Holder’s Notes (or any portion thereof in an Authorized Denomination) redeemed pursuant to such Tax Redemption, in which case, from and after the Redemption Date for such Tax Redemption (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, from and after such time as the Company pays such Redemption Price in full), the Company will no longer have any obligation to pay any Additional Amounts with respect to such Notes solely as a result of such Change in Tax Law, and all future payments with respect to such Notes will be subject to the deduction or withholding of such Relevant Taxing Jurisdiction’s taxes required by law to be deducted or withheld as a result of such Change in Tax Law; *provided, however*, that if such Holder Converts such Notes with a Conversion Date occurring before such Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, such Notes are submitted for Conversion at any time until such time as the Company pays such Redemption Price in full), then the Company will be obligated to pay Additional Amounts, if any, with respect to such Conversion.

(1) *Tax Redemption Opt-Out Election Notice.* To make a Tax Redemption Opt-Out Election with respect to any Note (or any portion thereof in an Authorized Denomination), the Holder of such Note must (subject, in the case of a Global Note or any portion thereof, to the Depositary Procedures) deliver a notice (a “**Tax Redemption Opt-Out Election Notice**”) to the Paying Agent before the Close of Business on the second (2nd) Business Day immediately before the related Redemption Date, which notice must state: (x) if such Note is a Physical Note, the certificate number of such Note; (y) the principal amount of such Note as to which the Tax Redemption Opt-Out Election will apply, which must be an Authorized Denomination; and (z) that such Holder is making a Tax Redemption Opt-Out Election with respect to such Note (or such portion thereof); *provided, however*, that if such Note is a Global Note, then such notice must comply with the Depositary Procedures (and any such notice delivered in compliance with the Depositary Procedures will be deemed to satisfy the requirements of this **Section 4.03(C)(ii)(1)**).

(2) *Withdrawal of Tax Redemption Opt-Out Election Notice.* A Holder that has delivered a Tax Redemption Opt-Out Election Notice with respect to any Note (or any portion thereof in an Authorized Denomination) may (subject, in the case of a Global Note or any portion thereof, to the Depositary Procedures) withdraw such Tax Redemption Opt-Out Election Notice by delivering a withdrawal notice to the Paying Agent at any time before the Close of Business on the second (2nd) Business Day immediately before the related Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full), which withdrawal notice must state: (x) if such Note is a Physical Note, the certificate number of such Note; (y) the principal amount of such Note as to which the Tax Redemption Opt-Out Election is being withdrawn, which must be an Authorized Denomination; and (z) that such Holder is withdrawing the Tax Redemption Opt-Out Election with respect to such Note (or such portion thereof); *provided, however*, that if such Note is a Global Note, then such withdrawal notice must comply with the Depositary Procedures (and any such withdrawal notice delivered in compliance with the Depositary Procedures will be deemed to satisfy the requirements of this **Section 4.03(C)(ii)(2)**).

(iii) *Right to Convert Not Affected.* For the avoidance of doubt, a Tax Redemption will not affect any Holder's right to Convert any Notes (or the Company's obligation, if the Conversion Date for such Conversion occurs before the applicable Redemption Date, to pay any Additional Amounts with respect to such Conversion).

(D) *Redemption Prohibited in Certain Circumstances.* If the principal amount of the Notes has been accelerated and such acceleration has not been rescinded on or before the Redemption Date (including as a result of the payment of the related Redemption Price, and any related interest pursuant to the proviso to the first sentence of **Section 4.03(F)**, on such Redemption Date), then (i) the Company may not call for Redemption or otherwise redeem any Notes pursuant to this **Section 4.03**; and (ii) the Company will cause any Notes theretofore surrendered for such Redemption to be returned to the Holders thereof (or, if applicable with respect to Global Notes, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interests in such Notes in accordance with the Depository Procedures).

(E) *Redemption Date.* The Redemption Date for any Redemption will be a Business Day of the Company's choosing that is no more than fifty five (55), nor less than thirty five (35), Scheduled Trading Days after the Redemption Notice Date for such Redemption; *provided, however,* that if, in accordance with **Section 5.03(A)(i)(3)**, the Company has elected to settle all Conversions of Notes with a Conversion Date that occurs on or after such Redemption Notice Date and on or before the second (2nd) Business Day immediately before the Redemption Date by Physical Settlement, then the Company may instead elect to choose a Redemption Date that is a Business Day no more than forty five (45), nor less than fifteen (15), calendar days after such Redemption Notice Date.

(F) *Redemption Price.* The Redemption Price for any Note called for Redemption is an amount in cash equal to the principal amount of such Note plus accrued and unpaid interest on such Note to, but excluding, the Redemption Date for such Redemption; *provided, however,* that if such Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Redemption, to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date, if such Redemption Date is before such Interest Payment Date); and (ii) the Redemption Price will not include accrued and unpaid interest on such Note to, but excluding, such Redemption Date. For the avoidance of doubt, if an Interest Payment Date is not a Business Day within the meaning of **Section 2.05(C)** and such Redemption Date occurs on the Business Day immediately after such Interest Payment Date, then (x) accrued and unpaid interest on Notes to, but excluding, such Interest Payment Date will be paid, in accordance with **Section 2.05(C)**, on the next Business Day to Holders as of the Close of Business on the immediately preceding Regular Record Date; and (y) the Redemption Price will include interest on Notes to be redeemed from, and including, such Interest Payment Date.

(G) *Redemption Notice.* To call any Notes for Redemption, the Company must send to each Holder of such Notes a written notice of such Redemption (a “**Redemption Notice**”).

Such Redemption Notice must state:

- (i) that such Notes have been called for Redemption, briefly describing the Company’s Redemption right under this Indenture;
- (ii) the Redemption Date for such Redemption;
- (iii) the Redemption Price per \$1,000 principal amount of Notes for such Redemption (and, if the Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, the amount, manner and timing of the interest payment payable pursuant to the proviso to the first sentence of **Section 4.03(F)**);
- (iv) the name and address of the Paying Agent and the Conversion Agent;
- (v) that Notes called for Redemption may be Converted at any time before the Close of Business on the second (2nd) Business Day immediately before the Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full);
- (vi) the Conversion Rate in effect on the Redemption Notice Date for such Redemption and a description and quantification of any adjustments to the Conversion Rate that may result from such Redemption (including pursuant to **Section 5.07**);
- (vii) the Settlement Method that will apply to all Conversions of Notes with a Conversion Date that occurs on or after such Redemption Notice Date and on or before the second (2nd) Business Day before such Redemption Date; and
- (viii) the CUSIP and ISIN numbers, if any, of the Notes.

On or before the Redemption Notice Date, the Company will send a copy of such Redemption Notice to the Trustee, the Conversion Agent and the Paying Agent.

(H) *Special Requirement for Notice of Tax Redemption.* A Redemption Notice relating to a Tax Redemption must be sent pursuant to **Section 4.03(G)** no earlier than sixty (60) Scheduled Trading Days before the earliest date on which the Company would have been required to make the related payment or withholding (assuming a payment in respect of the Notes were then due), and the obligation to pay Additional Amounts must be in effect as of the date the Company sends such Redemption Notice and must be expected to remain in effect at the time of the next payment or delivery in respect of the Notes.

(I) *Selection and Conversion of Notes to Be Redeemed in Part.*

(i) If less than all Notes then outstanding are called for Redemption, then the Notes to be redeemed will be selected by the Company as follows: (1) in the case of Global Notes, in accordance with the Depository Procedures; and (2) in the case of Physical Notes, pro rata, by lot or by such other method the Company considers fair and appropriate.

(ii) If only a portion of a Note is subject to Redemption (including as a result of a Tax Redemption Opt-Out Election Notice that applies to only a portion of such Note) and such Note is Converted in part, then the Converted portion of such Note will be deemed to be from the portion of such Note that was subject to Redemption.

(J) *Payment of the Redemption Price.* Without limiting the Company's obligation to deposit the Redemption Price by the time prescribed by **Section 3.01(B)**, the Company will cause the Redemption Price for a Note (or portion thereof) subject to Redemption to be paid to the Holder thereof on or before the applicable Redemption Date. For the avoidance of doubt, interest payable pursuant to the proviso to the first sentence of **Section 4.03(F)** on any Note (or portion thereof) subject to Redemption must be paid pursuant to such proviso.

(K) *Special Provisions for Partial Calls.* If the Company elects to redeem less than all of the outstanding Notes pursuant to a Provisional Redemption, and the Holder of any Note, or any owner of a beneficial interest in any Global Note, is reasonably not able to determine, before the Close of Business on the thirty second (32nd) Scheduled Trading Day (or, if, in accordance with **Section 5.03(A)(i)(3)**, the Company has elected to settle all Conversions of Notes with a Conversion Date that occurs on or after the Redemption Notice Date for such Redemption and on or before the second (2nd) Business Day immediately before the Redemption Date by Physical Settlement, the tenth (10th) calendar day) before the Redemption Date for such Provisional Redemption, whether such Note or beneficial interest, as applicable, is to be redeemed pursuant to such Provisional Redemption, then such Holder or owner, as applicable, will be entitled to Convert such Note or beneficial interest, as applicable, at any time before the Close of Business on the second (2nd) Business Day immediately before such Redemption Date, and each such Conversion will be deemed to be of a Note called for Provisional Redemption for purposes of this **Section 4.03** and **Sections 5.01(C)(i)(4)** and **5.07** and the definition of Make-Whole Fundamental Change. For the avoidance of doubt, each reference in this Indenture or the Notes to (x) any Note that is called for Redemption (or similar language) includes any Note that is deemed to be called for Provisional Redemption pursuant to this **Section 4.03(K)**; and (y) any Note that is not called for Redemption (or similar language) excludes any Note that is deemed to be called for Provisional Redemption pursuant to this **Section 4.03(K)**.

(L) *Repurchases or Other Acquisitions Other Than by Redemption Not Affected.* For the avoidance of doubt, nothing in this **Section 4.03** will limit or otherwise apply to any repurchase or other acquisition, by the Company or its Affiliates, or any other Person, of any Notes not by Redemption (including in open market transactions, private or public tender or exchange offers or otherwise).

Article 5. THE CONVERSION OF NOTES

Section 5.01. Right to Convert.

(A) *Generally.* Subject to the provisions of this **Article 5**, each Holder may, at its option, Convert such Holder's Notes into Conversion Consideration.

(B) *Conversions in Part.* Subject to the terms of this Indenture, Notes may be Converted in part, but only in Authorized Denominations. Provisions of this **Article 5** applying to the Conversion of a Note in whole will equally apply to Conversions of a permitted portion of a Note.

(C) *When Notes May Be Converted.*

(i) *Generally.* Subject to **Section 5.01(C)(ii)**, a Note may be Converted only in the following circumstances:

(1) *Conversion Upon Satisfaction of Ordinary Share Sale Price Condition.* A Holder may Convert its Notes during any calendar quarter (and only during such calendar quarter) commencing after the calendar quarter ending on March 31, 2026, if the Last Reported Sale Price per Ordinary Share exceeds one hundred and thirty percent (130%) of the Conversion Price for each of at least twenty (20) Trading Days (whether or not consecutive) during the thirty (30) consecutive Trading Days ending on, and including, the last Trading Day of the immediately preceding calendar quarter.

(2) *Conversion Upon Satisfaction of Note Trading Price Condition.* A Holder may Convert its Notes during the five (5) consecutive Business Days immediately after any ten (10) consecutive Trading Day period (such ten (10) consecutive Trading Day period, the "**Measurement Period**") if the Trading Price per \$1,000 principal amount of Notes, as determined following a request by a Holder in accordance with the procedures set forth below, for each Trading Day of the Measurement Period was less than ninety eight percent (98%) of the product of the Last Reported Sale Price per Ordinary Share on such Trading Day and the Conversion Rate on such Trading Day. The condition set forth in the preceding sentence is referred to in this Indenture as the "**Trading Price Condition**."

The Trading Price will be determined by the Bid Solicitation Agent pursuant to this **Section 5.01(C)(i)(2)** and the definition of "Trading Price." The Bid Solicitation Agent (if not the Company) will have no obligation to determine the Trading Price of the Notes unless the Company has requested such determination in writing, and the Company will have no obligation to make such request (or seek bids itself) unless a Holder provides the Company with reasonable evidence that the Trading Price per \$1,000 principal amount of Notes would be less than ninety eight percent (98%) of the product of the Last Reported Sale Price per Ordinary Share and the Conversion Rate. If a Holder provides such evidence, then the Company will (if acting as Bid Solicitation Agent), or will instruct the Bid Solicitation Agent to, determine the Trading Price of the Notes beginning on the next Trading Day and on each successive Trading Day until the Trading Price per \$1,000 principal amount of Notes is greater than or equal to ninety eight percent (98%) of the product of the Last Reported Sale Price per Ordinary Share on such Trading Day and the Conversion Rate on such Trading Day. If the Trading Price Condition has been met as set forth above, then the Company will notify the Holders, the Trustee and the Conversion Agent of the same. If, on any Trading Day after the Trading Price Condition has been met as set forth above, the Trading Price per \$1,000 principal amount of Notes is greater than or equal to ninety eight percent (98%) of the product of the Last Reported Sale Price per Ordinary Share on such Trading Day and the Conversion Rate on such Trading Day, then the Company will notify the Holders, the Trustee and the Conversion Agent of the same.

(3) *Conversion Upon Specified Corporate Events.*

(a) *Certain Distributions.* If the Company elects to:

(I) distribute, to all or substantially all holders of Ordinary Shares, any rights, options or warrants (other than rights issued pursuant to a shareholder rights plan, so long as such rights have not separated from the Ordinary Shares and are not exercisable until the occurrence of a triggering event, except that such rights will be deemed to be distributed under this **clause (I)** upon their separation from the Ordinary Shares or upon the occurrence of such triggering event) entitling them, for a period of not more than sixty (60) calendar days after the record date of such distribution, to subscribe for or purchase Ordinary Shares at a price per share that is less than the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced (determined in the manner set forth in the third paragraph of **Section 5.05(A)(ii)**); or

(II) distribute, to all or substantially all holders of Ordinary Shares, assets or securities of the Company or rights to purchase the Company's securities, which distribution per Ordinary Share has a value, as reasonably determined by the Board of Directors, exceeding ten percent (10%) of the Last Reported Sale Price per Ordinary Share on the Trading Day immediately before the date such distribution is announced,

then, in either case, (x) the Company will send notice of such distribution, and of the related right to Convert Notes, to Holders, the Trustee and the Conversion Agent at least thirty five (35) Scheduled Trading Days before the Ex-Dividend Date for such distribution (or, if later in the case of any such separation of rights issued pursuant to a shareholder rights plan or the occurrence of any such triggering event under a shareholder rights plan, as soon as reasonably practicable after the Company becomes aware that such separation or triggering event has occurred or will occur); and (y) once the Company has sent such notice, Holders may Convert their Notes at any time until the earlier of the Close of Business on the Business Day immediately before such Ex-Dividend Date and the Company's announcement that such distribution will not take place; *provided, however*, that the Notes will not become Convertible pursuant to **clause (y)** above (but the Company will be required to send notice of such distribution pursuant to **clause (x)** above) on account of such distribution if each Holder participates, at the same time and on the same terms as holders of Ordinary Shares, and solely by virtue of being a Holder, in such distribution without having to Convert such Holder's Notes and as if such Holder held a number of Ordinary Shares equal to the product of (i) the Conversion Rate in effect on the record date for such distribution; and (ii) the aggregate principal amount (expressed in thousands) of Notes held by such Holder on such record date; *provided, further*, that if the Company is then otherwise permitted to settle Conversions of Notes by Physical Settlement (and, for the avoidance of doubt, the Company has not elected another Settlement Method to apply, including pursuant to **Section 5.03(A)(i)(1)**), then the Company may instead elect to provide such notice at least ten (10) Scheduled Trading Days before such Ex-Dividend Date, in which case (x) the Company must settle all Conversions of Notes with a Conversion Date occurring on or after the date the Company provides such notice and on or before the Business Day immediately before the Ex-Dividend Date for such distribution (or any earlier announcement by the Company that such distribution will not take place) by Physical Settlement; and (y) such notice must state that all such Conversions will be settled by Physical Settlement.

(b) *Certain Corporate Events*. If a Fundamental Change, Make-Whole Fundamental Change (other than a Make-Whole Fundamental Change pursuant to **clause (B)** of the definition thereof) or Ordinary Share Change Event occurs (other than a merger or other business combination transaction that is effected solely to change the Company's jurisdiction of incorporation or organization or the jurisdiction of incorporation or organization of the issuer of the Ordinary Shares or Reference Property Units and, in each case, that does not constitute a Fundamental Change or a Make-Whole Fundamental Change), then, in each case, Holders may Convert their Notes at any time from, and including, the effective date of such transaction or event to, and including, the thirty fifth (35th) Trading Day after such effective date (or, if such transaction or event also constitutes a Fundamental Change (other than an Exempted Fundamental Change), to, but excluding, the related Fundamental Change Repurchase Date); *provided, however*, that if the Company does not provide the notice referred to in the immediately following sentence by the Business Day after such effective date, then the last day on which the Notes are Convertible pursuant to this sentence will be extended by the number of Business Days from, and including, the Business Day after such effective date to, but excluding, the date the Company provides such notice. No later than the Business Day after such effective date, the Company will send notice to the Holders, the Trustee and the Conversion Agent of such transaction or event, such effective date and the related right to Convert Notes.

(4) *Conversion Upon Redemption.* If the Company calls any Note for Redemption, then the Holder of such Note may Convert such Note at any time before the Close of Business on the second (2nd) Business Day immediately before the related Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full).

(5) *Conversions During Free Convertibility Period.* A Holder may Convert its Notes at any time from, and including, March 1, 2033 until the Close of Business on the second (2nd) Scheduled Trading Day immediately before the Maturity Date.

For the avoidance of doubt, the Notes may become Convertible pursuant to any one or more of the preceding sub-paragraphs of this **Section 5.01(C)(i)** and the Notes ceasing to be Convertible pursuant to a particular sub-paragraph of this **Section 5.01(C)(i)** will not preclude the Notes from being Convertible pursuant to any other sub-paragraph of this **Section 5.01(C)(i)**.

(ii) *Limitations and Closed Periods.* Notwithstanding anything to the contrary in this Indenture or the Notes:

(1) Notes may be surrendered for Conversion only after the Open of Business and before the Close of Business on a day that is a Business Day;

(2) in no event may any Note be Converted after the Close of Business on the second (2nd) Scheduled Trading Day immediately before the Maturity Date;

(3) if the Company calls any Note for Redemption pursuant to **Section 4.03**, then the Holder of such Note may not Convert such Note after the Close of Business on the second (2nd) Business Day immediately before the applicable Redemption Date, except to the extent the Company fails to pay the Redemption Price for such Note in accordance with this Indenture; and

(4) if a Fundamental Change Repurchase Notice is validly delivered pursuant to **Section 4.02(F)** with respect to any Note, then such Note may not be Converted, except to the extent (a) such Note is not subject to such notice; (b) such notice is withdrawn in accordance with **Section 4.02(F)**; or (c) the Company fails to pay the Fundamental Change Repurchase Price for such Note in accordance with this Indenture.

Section 5.02. Conversion Procedures.

(A) *Generally.*

(i) *Global Notes.* To Convert a beneficial interest in a Global Note that is Convertible pursuant to **Section 5.01(C)**, the owner of such beneficial interest must (1) comply with the Depository Procedures for Converting such beneficial interest (at which time such Conversion will become irrevocable); and (2) pay any amounts due pursuant to **Section 5.02(D)** or **Section 5.02(E)**.

(ii) *Physical Notes.* To Convert all or a portion of a Physical Note that is Convertible pursuant to **Section 5.01(C)**, the Holder of such Note must (1) complete, manually sign and deliver to the Conversion Agent the Conversion Notice attached to such Physical Note or a facsimile of such Conversion Notice; (2) deliver such Physical Note to the Conversion Agent (at which time such Conversion will become irrevocable); (3) furnish any endorsements and transfer documents that the Company or the Conversion Agent may require; and (4) pay any amounts due pursuant to **Section 5.02(D)** or **Section 5.02(E)**.

(B) *Effect of Converting a Note.* At the Close of Business on the Conversion Date for a Note (or any portion thereof) to be Converted, such Note (or such portion) will (unless there occurs a Default in the delivery of the Conversion Consideration or interest due, pursuant to **Section 5.03(B)** or **5.02(D)**, upon such Conversion) be redeemed for an amount equal to the principal amount of such Note and the Holder irrevocably directs the Company to apply the principal amount payable to it in acquiring the Conversion Consideration, with the result that such Note will cease to be outstanding (and, for the avoidance of doubt, no Person will be deemed to be a Holder of such Note (or such portion thereof) as of the Close of Business on such Conversion Date), except to the extent provided in **Section 5.02(D)** or **Section 5.08**.

(C) *Holder of Record of Conversion Shares.* The Person in whose name any Ordinary Share is issuable upon Conversion of any Note will be deemed to become the holder of record of such share as of the Close of Business on (i) the Conversion Date for such Conversion, in the case of Physical Settlement; or (ii) the last VWAP Trading Day of the Observation Period for such Conversion, in the case of Combination Settlement.

(D) *Interest Payable Upon Conversion in Certain Circumstances.* If the Conversion Date of a Note is after a Regular Record Date and before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Conversion (and, for the avoidance of doubt, notwithstanding anything set forth in the proviso to this sentence), to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date); and (ii) the Holder surrendering such Note for Conversion must deliver to the Conversion Agent, at the time of such surrender, an amount of cash equal to the amount of such interest referred to in **clause (i)** above; *provided, however,* that the Holder surrendering such Note for Conversion need not deliver such cash (v) if the Company has specified a Redemption Date that is after such Regular Record Date and on or before the second (2nd) Business Day immediately after such Interest Payment Date; (w) if such Conversion Date occurs after the Regular Record Date immediately before the Maturity Date; (x) if the Company has specified a Fundamental Change Repurchase Date that is after such Regular Record Date and on or before the Business Day immediately after such Interest Payment Date; or (y) to the extent of any Additional Interest, Special Interest, overdue interest or interest that has accrued on any overdue interest. For the avoidance of doubt, as a result of, and without limiting the generality of, the foregoing, if a Note is Converted with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, then the Company will pay, as provided above, the interest that would have accrued on such Note to, but excluding, the Maturity Date. For the avoidance of doubt, if the Conversion Date of a Note to be Converted is on an Interest Payment Date, then the Holder of such Note at the Close of Business on the Regular Record Date immediately before such Interest Payment Date will be entitled to receive, on such Interest Payment Date, the unpaid interest that has accrued on such Note to, but excluding, such Interest Payment Date, and such Note, when surrendered for Conversion, need not be accompanied by any cash amount pursuant to the first sentence of this **Section 5.02(D)**.

(E) *Taxes and Duties.* If a Holder Converts a Note, the Company will pay any documentary, stamp or similar issue or transfer tax or duty due on the issue or delivery of any Ordinary Shares upon such Conversion; *provided, however,* that if any tax or duty is due because such Holder requested such shares to be registered in a name other than such Holder's name, then such Holder will pay such tax or duty and, until having received a sum sufficient to pay such tax or duty, the Conversion Agent may refuse to deliver any such shares to be issued in a name other than that of such Holder.

(F) *Conversion Agent to Notify Company of Conversions.* If any Note is submitted for Conversion to the Conversion Agent or the Conversion Agent receives any notice of Conversion with respect to a Note, then the Conversion Agent will promptly notify the Company and the Trustee of such occurrence, together with any other information reasonably requested by the Company, and will cooperate with the Company to determine the Conversion Date for such Note.

Section 5.03. Settlement Upon Conversion.

(A) *Settlement Method.* Upon the Conversion of any Note, the Company must redeem such Note for an amount equal to the principal amount of such Note and the Holder irrevocably directs the Company to apply such principal amount payable to it in acquiring the relevant Conversion Consideration. In such circumstances, the Company will settle such Conversion by paying or delivering, as applicable and as provided in this **Article 5**, either (x) Ordinary Shares, together, if applicable, with cash in lieu of fractional shares as provided in **Section 5.03(B)(i)(1)** (a "**Physical Settlement**"); (y) solely cash as provided in **Section 5.03(B)(i)(2)** (a "**Cash Settlement**"); or (z) a combination of cash and Ordinary Shares, together, if applicable, with cash in lieu of fractional shares as provided in **Section 5.03(B)(i)(3)** (a "**Combination Settlement**").

(i) *The Company's Right to Elect Settlement Method.* The Company will have the right to elect the Settlement Method applicable to any Conversion of a Note; *provided, however,* that:

(1) subject to **clause (3)** below, all Conversions of Notes with a Conversion Date that occurs on or after March 1, 2033 will be settled using the same Settlement Method, and the Company will send notice of such Settlement Method to Holders no later than the Open of Business on March 1, 2033;

(2) subject to **clause (3)** below, if the Company elects a Settlement Method with respect to the Conversion of any Note whose Conversion Date occurs before March 1, 2033, then the Company will send notice of such Settlement Method to the Holder of such Note no later than the Close of Business on the Business Day immediately after such Conversion Date;

(3) if any Notes are called for Redemption, then (a) the Company will specify, in the related Redemption Notice (and, in the case of a Redemption of less than all outstanding Notes, in a notice simultaneously sent to all Holders of Notes not called for Redemption) sent pursuant to **Section 4.03(G)**, the Settlement Method that will apply to all Conversions of Notes with a Conversion Date that occurs on or after the related Redemption Notice Date and on or before the second (2nd) Business Day before the related Redemption Date; and (b) if such Redemption Date occurs on or after March 1, 2033, then such Settlement Method must be the same Settlement Method that, pursuant to **clause (1)** above, applies to all Conversions of Notes with a Conversion Date that occurs on or after March 1, 2033;

(4) the Company will use the same Settlement Method for all Conversions of Notes with the same Conversion Date (and, for the avoidance of doubt, the Company will not be obligated to use the same Settlement Method with respect to Conversions of Notes with different Conversion Dates, except as provided in **clause (1)** or **(3)** above);

(5) if the Company does not timely elect a Settlement Method with respect to the Conversion of a Note, then the Company will be deemed to have elected the Default Settlement Method (and, for the avoidance of doubt, the failure to timely make such election will not constitute a Default or Event of Default);

(6) if the Company timely elects Combination Settlement with respect to the Conversion of a Note but does not timely notify the Holder of such Note of the applicable Specified Dollar Amount, then the Specified Dollar Amount for such Conversion will be deemed to be \$1,000 per \$1,000 principal amount of Notes (and, for the avoidance of doubt, the failure to timely send such notification will not constitute a Default or Event of Default); and

(7) the Settlement Method will be subject to **Sections 4.03(E)** and **5.01(C)(i)(3)(a)**.

At or before the time the Company sends any notice referred to in the preceding sentence, the Company will send a copy of such notice to the Trustee and the Conversion Agent, but the failure to timely send such copy will not affect the validity of any Settlement Method election.

(ii) *The Company's Right to Irrevocably Fix or Eliminate Settlement Methods*. The Company will have the right, exercisable at its election by sending notice of such exercise to the Holders (with a copy to the Trustee and the Conversion Agent), to (1) irrevocably fix the Settlement Method that will apply to all Conversions of Notes with a Conversion Date that occurs on or after the date such notice is sent to Holders; or (2) irrevocably eliminate any one or more (but not all) Settlement Methods (including eliminating Combination Settlement with a particular Specified Dollar Amount or range of Specified Dollar Amounts) with respect to all Conversions of Notes with a Conversion Date that occurs on or after the date such notice is sent to Holders, *provided*, in each case, that (w) the Settlement Method so elected pursuant to **clause (1)** above, or the Settlement Method(s) remaining after any elimination pursuant to **clause (2)** above, as applicable, must be a Settlement Method or Settlement Method(s), as applicable, that the Company is then permitted to elect (for the avoidance of doubt, including pursuant to, and subject to, the other provisions of this **Section 5.03(A)**); (x) no such irrevocable election will affect any Settlement Method theretofore elected (or deemed to be elected) with respect to any Note pursuant to this Indenture (including pursuant to **Section 8.01(G)** or this **Section 5.03(A)**); (y) upon any such irrevocable election pursuant to **clause (1)** above, the Default Settlement Method will automatically be deemed to be set to the Settlement Method so fixed; and (z) upon any such irrevocable election pursuant to **clause (2)** above, the Company will, if needed, simultaneously change the Default Settlement Method to a Settlement Method that is consistent with such irrevocable election. Such notice, if sent, must set forth the applicable Settlement Method(s) so elected or eliminated, as applicable, and the Default Settlement Method applicable immediately after such election, and expressly state that the election is irrevocable and applicable to all Conversions of Notes with a Conversion Date that occurs on or after the date such notice is sent to Holders. For the avoidance of doubt, such an irrevocable election, if made, will be effective without the need to amend this Indenture or the Notes, including pursuant to **Section 8.01(G)** (it being understood, however, that the Company may nonetheless choose to execute such an amendment at its option).

(iii) *Requirement to Publicly Disclose the Fixed or Default Settlement Method*. If the Company changes the Default Settlement Method pursuant to **clause (x)** of the proviso to the definition of such term or irrevocably fixes the Settlement Method(s) pursuant to **Section 5.03(A)(ii)**, then the Company will, substantially concurrently therewith, either post the Default Settlement Method or fixed Settlement Method(s), as applicable, on its website or disclose the same in a report on Form 8-K (or any successor form) that is filed with, or furnished to, the SEC.

(B) *Conversion Consideration*.

(i) *Generally*. Subject to **Sections 5.03(B)(ii)**, **5.03(B)(iii)** and **5.09(A)(2)**, the type and amount of consideration (the "**Conversion Consideration**") due in respect of each \$1,000 principal amount of a Note to be Converted that the Company applies the redemption proceeds to provide the Holder with will be as follows:

(1) if Physical Settlement applies to such Conversion, a number of Ordinary Shares equal to the Conversion Rate in effect on the Conversion Date for such Conversion;

(2) if Cash Settlement applies to such Conversion, cash in an amount equal to the sum of the Daily Conversion Values for each VWAP Trading Day in the Observation Period for such Conversion; or

(3) if Combination Settlement applies to such Conversion, consideration consisting of (a) a number of Ordinary Shares equal to the sum of the Daily Share Amounts for each VWAP Trading Day in the Observation Period for such Conversion; and (b) an amount of cash equal to the sum of the Daily Cash Amounts for each VWAP Trading Day in such Observation Period.

(ii) *Cash in Lieu of Fractional Shares.* If Physical Settlement or Combination Settlement applies to the Conversion of any Note and the number of Ordinary Shares deliverable pursuant to **Section 5.03(B)(i)** upon such Conversion is not a whole number, then such number will be rounded down to the nearest whole number and the Company will deliver, in addition to the other consideration due upon such Conversion, cash in lieu of the related fractional share in an amount equal to the product of (1) such fraction and (2) (x) the Daily VWAP on the Conversion Date for such Conversion (or, if such Conversion Date is not a VWAP Trading Day, the immediately preceding VWAP Trading Day), in the case of Physical Settlement; or (y) the Daily VWAP on the last VWAP Trading Day of the Observation Period for such Conversion, in the case of Combination Settlement.

(iii) *Conversion of Multiple Notes by a Single Holder.* If a Holder Converts more than one (1) Note on a single Conversion Date, then the Conversion Consideration due in respect of such Conversion will (in the case of any Global Note, to the extent permitted by, and practicable under, the Depository Procedures) be computed based on the total principal amount of Notes Converted on such Conversion Date by such Holder.

(iv) *Notice of Calculation of Conversion Consideration.* If Cash Settlement or Combination Settlement applies to the Conversion of any Note, then the Company will determine the Conversion Consideration due thereupon promptly following the last VWAP Trading Day of the applicable Observation Period and will promptly thereafter send notice to the Trustee and the Conversion Agent of the same and the calculation thereof in reasonable detail. Neither the Trustee nor the Conversion Agent will have any duty to make any such determination.

(C) *Delivery of the Conversion Consideration.* Except as set forth in **Sections 5.05(D)** and **5.09**, the Company will pay or deliver, as applicable, the Conversion Consideration due upon the Conversion of any Note to the Holder as follows: (i) if Cash Settlement or Combination Settlement applies to such Conversion, on or before the second (2nd) Business Day immediately after the last VWAP Trading Day of the Observation Period for such Conversion; and (ii) if Physical Settlement applies to such Conversion, on or before the second (2nd) Business Day immediately after the Conversion Date for such Conversion; *provided, however*, that if Physical Settlement applies to the Conversion of any Note with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, or of any Note that has been called for Redemption with a Conversion Date that occurs during the fifteen (15) calendar days preceding the related Redemption Date, then, solely for purposes of such Conversion, (x) the Company will pay or deliver, as applicable, the Conversion Consideration due upon such Conversion on or before the Maturity Date (or, if the Maturity Date is not a Business Day, the next Business Day), in the case of a Conversion of any Note with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, or the related Redemption Date, in the case of a Conversion of any Note that has been called for Redemption with a Conversion Date that occurs during the fifteen (15) calendar days preceding such Redemption Date; and (y) the Conversion Date will instead be deemed to be the second (2nd) Business Day immediately before the date referred to in **clause (x)**.

(D) *Deemed Payment of Principal and Interest; Settlement of Accrued Interest Notwithstanding Conversion.* If a Holder Converts a Note, then the Company will not adjust the Conversion Rate to account for any accrued and unpaid interest on such Note, and, except as provided in **Section 5.02(D)**, the Company's delivery of the Conversion Consideration due in respect of such Conversion will fully satisfy and discharge the Company's obligation to pay the principal of, and accrued and unpaid interest, if any, on, such Note to, but excluding the Conversion Date. As a result, except as provided in **Section 5.02(D)**, any accrued and unpaid interest on, a Converted Note will be deemed to be paid in full rather than cancelled, extinguished or forfeited. In addition, subject to **Section 5.02(D)**, if the Conversion Consideration for a Note consists of both cash and Ordinary Shares, then accrued and unpaid interest that is paid therewith will be deemed to be paid first out of such cash.

Section 5.04. Status of Ordinary Shares Issued Upon Conversion.

Each Conversion Share, if any, delivered upon Conversion of any Note will be a newly issued share (except that any Conversion Share delivered by a designated financial institution pursuant to **Section 5.08** need not be a newly issued share) and will be duly authorized, validly issued, fully paid, non-assessable, free from preemptive rights and free of any lien or adverse claim (except to the extent of any lien or adverse claim created by the action or inaction of the Holder of such Note or the Person to whom such Conversion Share will be delivered). If the Ordinary Shares are then listed on any securities exchange, or quoted on any inter-dealer quotation system, then the Company will use commercially reasonable efforts to cause each Conversion Share, when delivered upon Conversion of any Note, to be admitted for listing on such exchange or quotation on such system.

Section 5.05. Adjustments to the Conversion Rate.

(A) *Events Requiring an Adjustment to the Conversion Rate.* The Conversion Rate will be adjusted from time to time as follows:

(i) *Share Dividends, Splits and Combinations.* If the Company issues solely Ordinary Shares as a dividend or distribution on all or substantially all shares of the Ordinary Shares, or if the Company effects a share split or a share combination of the Ordinary Shares (in each case excluding an issuance solely pursuant to an Ordinary Share Change Event, as to which **Section 5.09** will apply), then the Conversion Rate will be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution, or immediately before the Open of Business on the Effective Date of such share split or share combination, as applicable;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date or Effective Date, as applicable;

OS_0 = the number of Ordinary Shares outstanding immediately before the Open of Business on such Ex-Dividend Date or Effective Date, as applicable, without giving effect to such dividend, distribution, share split or share combination; and

OS_1 = the number of Ordinary Shares outstanding immediately after giving effect to such dividend, distribution, share split or share combination.

If any dividend, distribution, share split or share combination of the type described in this **Section 5.05(A)(i)** is declared or announced, but not so paid or made, then the Conversion Rate will be readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution or to effect such share split or share combination, to the Conversion Rate that would then be in effect had such dividend, distribution, share split or share combination not been declared or announced.

(ii) *Rights, Options and Warrants.* If the Company distributes, to all or substantially all holders of Ordinary Shares, rights, options or warrants (other than rights issued or otherwise distributed pursuant to a shareholder rights plan, as to which **Sections 5.05(A)(iii)(1)** and **5.05(F)** will apply) entitling such holders, for a period of not more than sixty (60) calendar days after the record date of such distribution, to subscribe for or purchase Ordinary Shares at a price per share that is less than the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS + X}{OS + Y}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

OS = the number of Ordinary Shares outstanding immediately before the Open of Business on such Ex-Dividend Date;

X = the total number of Ordinary Shares issuable pursuant to such rights, options or warrants; and

Y = a number of Ordinary Shares obtained by dividing (x) the aggregate price payable to exercise such rights, options or warrants by (y) the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced.

To the extent such rights, options or warrants are not so distributed, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the increase to the Conversion Rate for such distribution been made on the basis of only the rights, options or warrants, if any, actually distributed. In addition, to the extent that Ordinary Shares are not delivered after the expiration of such rights, options or warrants (including as a result of such rights, options or warrants not being exercised), the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the increase to the Conversion Rate for such distribution been made on the basis of delivery of only the number of Ordinary Shares actually delivered upon exercise of such rights, options or warrants.

For purposes of this **Section 5.05(A)(ii)** and **Section 5.01(C)(i)(3)(a)(I)**, in determining whether any rights, options or warrants entitle holders of Ordinary Shares to subscribe for or purchase Ordinary Shares at a price per share that is less than the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date the distribution of such rights, options or warrants is announced, and in determining the aggregate price payable to exercise such rights, options or warrants, there will be taken into account any consideration the Company receives for such rights, options or warrants and any amount payable on exercise thereof, with the value of such consideration, if not cash, to be determined by the Company in good faith and in a commercially reasonable manner.

(iii) *Spin-Offs and Other Distributed Property.*

(1) *Distributions Other than Spin-Offs.* If the Company distributes shares of its Capital Stock, evidences of its indebtedness or other assets or property of the Company, or rights, options or warrants to acquire Capital Stock of the Company or other securities, to all or substantially all holders of the Ordinary Shares, excluding:

(u) dividends, distributions, rights, options or warrants for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(C)**) pursuant to **Section 5.05(A)(i)** or **5.05(A)(ii)**;

(v) dividends or distributions paid exclusively in cash for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(C)**) pursuant to **Section 5.05(A)(iv)**;

(w) rights issued or otherwise distributed pursuant to a shareholder rights plan, except to the extent provided in **Section 5.05(F)**;

(x) Spin-Offs for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(C)**) pursuant to **Section 5.05(A)(iii)(2)**;

(y) a distribution solely pursuant to a tender offer or exchange offer for Ordinary Shares, as to which **Section 5.05(A)(v)** will apply; and

(z) a distribution solely pursuant to an Ordinary Share Change Event, as to which **Section 5.09** will apply,

then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - FMV}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

SP = the average of the Last Reported Sale Prices per Ordinary Share for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before such Ex-Dividend Date; and

FMV = the fair market value (as determined by the Company in good faith and in a commercially reasonable manner), as of such Ex-Dividend Date, of the shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants distributed per Ordinary Share pursuant to such distribution;

provided, however, that if FMV is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Rate, each Holder will receive, for each \$1,000 principal amount of Notes held by such Holder on the record date for such distribution, at the same time and on the same terms as holders of Ordinary Shares, the amount and kind of shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants that such Holder would have received in such distribution if such Holder had owned, on such record date, a number of Ordinary Shares equal to the Conversion Rate in effect on such record date.

To the extent such distribution is not so paid or made, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the distribution, if any, actually made or paid.

(2) *Spin-Offs*. If the Company distributes or dividends shares of Capital Stock of any class or series, or similar equity interests, of or relating to an Affiliate, a Subsidiary or other business unit of the Company to all or substantially all holders of the Ordinary Shares (other than solely pursuant to (x) an Ordinary Share Change Event, as to which **Section 5.09** will apply; or (y) a tender offer or exchange offer for Ordinary Shares, as to which **Section 5.05(A)(v)** will apply), and such Capital Stock or equity interests are listed or quoted (or will be listed or quoted upon the consummation of the transaction) on a U.S. national securities exchange (a “**Spin-Off**”), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV + SP}{SP}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Close of Business on the last Trading Day of the Spin-Off Valuation Period for such Spin-Off;

CR_1 = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the Spin-Off Valuation Period;

FMV = the product of (x) the average of the Last Reported Sale Prices per share or unit of the Capital Stock or equity interests distributed in such Spin-Off over the ten (10) consecutive Trading Day period (the “**Spin-Off Valuation Period**”) beginning on, and including, the Ex-Dividend Date for such Spin-Off (such average to be determined as if references to Ordinary Shares in the definitions of Last Reported Sale Price, Trading Day and Market Disruption Event were instead references to such Capital Stock or equity interests); and (y) the number of shares or units of such Capital Stock or equity interests distributed per Ordinary Share in such Spin-Off; and

SP = the average of the Last Reported Sale Prices per Ordinary Share for each Trading Day in the Spin-Off Valuation Period.

Notwithstanding anything to the contrary in this **Section 5.05(A)(iii)(2)**, (i) if any VWAP Trading Day of the Observation Period for a Note whose Conversion will be settled pursuant to Cash Settlement or Combination Settlement occurs during the Spin-Off Valuation Period for such Spin-Off, then, solely for purposes of determining the Conversion Rate for such VWAP Trading Day for such Conversion, such Spin-Off Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Ex-Dividend Date for such Spin-Off to, and including, such VWAP Trading Day; and (ii) if the Conversion Date for a Note whose Conversion will be settled pursuant to Physical Settlement occurs during the Spin-Off Valuation Period for such Spin-Off, then, solely for purposes of determining the Conversion Consideration for such Conversion, such Spin-Off Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Ex-Dividend Date for such Spin-Off to, and including, such Conversion Date.

To the extent any dividend or distribution of the type set forth in this **Section 5.05(A)(iii)(2)** is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(iv) *Cash Dividends or Distributions.* If any cash dividend or distribution is made to all or substantially all holders of Ordinary Shares, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - D}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

SP = the Last Reported Sale Price per Ordinary Share on the Trading Day immediately before such Ex-Dividend Date; and

D = the cash amount distributed per Ordinary Share in such dividend or distribution;

provided, however, that if D is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Rate, each Holder will receive, for each \$1,000 principal amount of Notes held by such Holder on the record date for such dividend or distribution, at the same time and on the same terms as holders of Ordinary Shares, the amount of cash that such Holder would have received in such dividend or distribution if such Holder had owned, on such record date, a number of Ordinary Shares equal to the Conversion Rate in effect on such record date.

To the extent such dividend or distribution is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(v) *Tender Offers or Exchange Offers.* If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for Ordinary Shares (other than solely pursuant to an odd-lot tender offer pursuant to Rule 13e-4(h)(5) under the Exchange Act), and the value (determined as of the Expiration Time by the Company in good faith and in a commercially reasonable manner) of the cash and other consideration paid per Ordinary Share in such tender or exchange offer exceeds the Last Reported Sale Price per Ordinary Share on the Trading Day immediately after the last date (the “**Expiration Date**”) on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP \times OS_1)}{SP \times OS_0}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period for such tender or exchange offer;

CR_1 = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period;

AC = the aggregate value (determined as of the time (the “**Expiration Time**”) such tender or exchange offer expires by the Company in good faith and in a commercially reasonable manner) of all cash and other consideration paid for Ordinary Shares purchased or exchanged in such tender or exchange offer;

OS_0 = the number of Ordinary Shares outstanding immediately before the Expiration Time (including all Ordinary Shares accepted for purchase or exchange in such tender or exchange offer);

OS_1 = the number of Ordinary Shares outstanding immediately after the Expiration Time (excluding all Ordinary Shares accepted for purchase or exchange in such tender or exchange offer); and

SP = the average of the Last Reported Sale Prices per Ordinary Share over the ten (10) consecutive Trading Day period (the “**Tender/Exchange Offer Valuation Period**”) beginning on, and including, the Trading Day immediately after the Expiration Date;

provided, however, that the Conversion Rate will in no event be adjusted down pursuant to this **Section 5.05(A)(v)**, except to the extent provided in the immediately following paragraph. Notwithstanding anything to the contrary in this **Section 5.05(A)(v)**, (i) if any VWAP Trading Day of the Observation Period for a Note whose Conversion will be settled pursuant to Cash Settlement or Combination Settlement occurs during the Tender/Exchange Offer Valuation Period for such tender or exchange offer, then, solely for purposes of determining the Conversion Rate for such VWAP Trading Day for such Conversion, such Tender/Exchange Offer Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Trading Day immediately after the Expiration Date for such tender or exchange offer to, and including, such VWAP Trading Day; and (ii) if the Conversion Date for a Note whose Conversion will be settled pursuant to Physical Settlement occurs during the Tender/Exchange Offer Valuation Period for such tender or exchange offer, then, solely for purposes of determining the Conversion Consideration for such Conversion, such Tender/Exchange Offer Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Trading Day immediately after the Expiration Date to, and including, such Conversion Date.

To the extent such tender or exchange offer is announced but not consummated (including as a result of being precluded from consummating such tender or exchange offer under applicable law), or any purchases or exchanges of Ordinary Shares in such tender or exchange offer are rescinded, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the purchases or exchanges of Ordinary Shares, if any, actually made, and not rescinded, in such tender or exchange offer.

(B) *No Adjustments in Certain Cases.*

(i) *Where Holders Participate in the Transaction or Event Without Conversion.* Notwithstanding anything to the contrary in **Section 5.05(A)**, the Company will not be obligated to adjust the Conversion Rate on account of a transaction or other event otherwise requiring an adjustment pursuant to **Section 5.05(A)** (other than a share split or combination of the type set forth in **Section 5.05(A)(i)** or a tender or exchange offer of the type set forth in **Section 5.05(A)(v)**) if each Holder participates, at the same time and on the same terms as holders of Ordinary Shares, and solely by virtue of being a Holder of Notes, in such transaction or event without having to Convert such Holder's Notes and as if such Holder held a number of Ordinary Shares equal to the product of (i) the Conversion Rate in effect on the related record date; and (ii) the aggregate principal amount (expressed in thousands) of Notes held by such Holder on such date.

(ii) *Certain Events.* The Company will not be required to adjust the Conversion Rate except as provided in **Section 5.05** or **Section 5.07**. Without limiting the foregoing, the Company will not be obligated to adjust the Conversion Rate on account of:

- (1) except as otherwise provided in **Section 5.05**, the sale of Ordinary Shares for a purchase price that is less than the market price per Ordinary Share or less than the Conversion Price;

(2) the issuance of any Ordinary Shares pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in Ordinary Shares under any such plan;

(3) the issuance of any Ordinary Shares or options or rights to purchase Ordinary Shares pursuant to any present or future employee, director or consultant benefit plan or program of, or assumed by, the Company or any of its Subsidiaries;

(4) the issuance of any Ordinary Shares pursuant to any option, warrant, right or convertible or exchangeable security of the Company outstanding as of the Issue Date;

(5) solely a change in the par value of the Ordinary Shares; or

(6) accrued and unpaid interest on the Notes.

(C) *Adjustment Deferral.* If an adjustment to the Conversion Rate otherwise required by this **Article 5** would result in a change of less than one percent (1%) to the Conversion Rate, then, notwithstanding anything to the contrary in this **Article 5**, the Company may, at its election, defer and carry forward such adjustment, except that all such deferred adjustments must be given effect immediately upon the earliest of the following: (i) when all such deferred adjustments would, had they not been so deferred and carried forward, result in a change of at least one percent (1%) to the Conversion Rate; (ii) the Conversion Date of, or any VWAP Trading Day of an Observation Period for, any Note; (iii) the date a Fundamental Change or Make-Whole Fundamental Change occurs; (iv) the date the Company calls any Notes for Redemption; and (v) March 1, 2033.

(D) *Adjustments Not Yet Effective.* Notwithstanding anything to the contrary in this Indenture or the Notes, if:

(i) a Note is to be Converted pursuant to Physical Settlement or Combination Settlement;

(ii) the record date, Effective Date or Expiration Time for any event that requires an adjustment to the Conversion Rate pursuant to **Section 5.05(A)** has occurred on or before the Conversion Date for such Conversion (in the case of Physical Settlement) or on or before any VWAP Trading Day in the Observation Period for such Conversion (in the case of Combination Settlement), but an adjustment to the Conversion Rate for such event has not yet become effective as of such Conversion Date or VWAP Trading Day, as applicable;

(iii) the Conversion Consideration due upon such Conversion includes any whole Ordinary Shares (in the case of Physical Settlement) or due in respect of such VWAP Trading Day includes any whole or fractional Ordinary Shares (in the case of Combination Settlement); and

(iv) such shares are not entitled to participate in such event (because they were not held on the related record date or otherwise),

then, solely for purposes of such Conversion, the Company will, without duplication, give effect to such adjustment on such Conversion Date (in the case of Physical Settlement) or such VWAP Trading Day (in the case of Combination Settlement). In such case, if the date on which the Company is otherwise required to deliver the consideration due upon such Conversion is before the first date on which the amount of such adjustment can be determined, then the Company will delay the settlement of such Conversion until the second (2nd) Business Day after such first date.

(E) *Conversion Rate Adjustments Where Converting Holders Participate in the Relevant Transaction or Event.* Notwithstanding anything to the contrary in this Indenture or the Notes, if:

(i) a Conversion Rate adjustment for any dividend or distribution becomes effective on any Ex-Dividend Date pursuant to **Section 5.05(A)**;

(ii) a Note is to be Converted pursuant to Physical Settlement or Combination Settlement;

(iii) the Conversion Date for such Conversion (in the case of Physical Settlement) or any VWAP Trading Day in the Observation Period for such Conversion (in the case of Combination Settlement) occurs on or after such Ex-Dividend Date and on or before the related record date;

(iv) the Conversion Consideration due upon such Conversion includes any whole Ordinary Shares (in the case of Physical Settlement) or due in respect of such VWAP Trading Day includes any whole or fractional Ordinary Shares (in the case of Combination Settlement), in each case based on a Conversion Rate that is adjusted for such dividend or distribution; and

(v) such shares would be entitled to participate in such dividend or distribution (including pursuant to **Section 5.02(C)**),

then (x) in the case of Physical Settlement, such Conversion Rate adjustment will not be given effect for such Conversion and the Ordinary Shares issuable upon such Conversion based on such unadjusted Conversion Rate will not be entitled to participate in such dividend or distribution, but there will be added, to the Conversion Consideration otherwise due upon such Conversion, the same kind and amount of consideration that would have been delivered in such dividend or distribution with respect to such Ordinary Shares had such shares been entitled to participate in such dividend or distribution; and (y) in the case of Combination Settlement, the Conversion Rate adjustment relating to such Ex-Dividend Date will be made for such Conversion in respect of such VWAP Trading Day, but the Ordinary Shares issuable with respect to such VWAP Trading Day based on such adjusted Conversion Rate will not be entitled to participate in such dividend or distribution.

(F) *Shareholder Rights Plans*. If any Ordinary Shares are to be issued upon Conversion of any Note and, at the time of such Conversion, the Company has in effect any shareholder rights plan, then the Holder of such Note will be entitled to receive, in addition to, and concurrently with the delivery of, the Conversion Consideration otherwise payable under this Indenture upon such Conversion, the rights set forth in such shareholder rights plan, unless such rights have separated from the Ordinary Shares at such time, in which case, and only in such case, the Conversion Rate will be adjusted pursuant to **Section 5.05(A)(iii)(1)** on account of such separation as if, at the time of such separation, the Company had made a distribution of the type referred to in such Section to all holders of the Ordinary Shares, subject to potential readjustment in accordance with the last paragraph of **Section 5.05(A)(iii)(1)**.

(G) *Limitation on Effecting Transactions Resulting in Certain Adjustments*. The Company will not engage in or be a party to any transaction or event that would require the Conversion Rate to be adjusted pursuant to **Section 5.05(A)** or **Section 5.07** to an amount that would result in the Conversion Price per Ordinary Share being less than the par value per Ordinary Share.

(H) *Equitable Adjustments to Prices*. Whenever any provision of this Indenture requires the Company to calculate the average of the Last Reported Sale Prices, or any function thereof, over a period of multiple days (including to calculate the Share Price or an adjustment to the Conversion Rate), or to calculate Daily VWAPs over an Observation Period, the Company will make appropriate adjustments, if any, to such calculations to account for any adjustment to the Conversion Rate pursuant to **Section 5.05(A)** that becomes effective, or any event requiring such an adjustment to the Conversion Rate where the Ex-Dividend Date, Effective Date or Expiration Date, as applicable, of such event occurs, at any time during such period or Observation Period, as applicable.

(I) *Calculation of Number of Outstanding Ordinary Shares*. For purposes of **Section 5.05(A)**, the number of Ordinary Shares outstanding at any time will (i) include shares issuable in respect of scrip certificates issued in lieu of fractions of Ordinary Shares; and (ii) exclude Ordinary Shares held in the Company's treasury (unless the Company pays any dividend or makes any distribution on Ordinary Shares held in its treasury).

(J) *Calculations*. All calculations with respect to the Conversion Rate and adjustments thereto will be made to the nearest 1/10,000th of an Ordinary Share (with 5/100,000ths rounded upward).

(K) *Notice of Conversion Rate Adjustments*. Upon the effectiveness of any adjustment to the Conversion Rate pursuant to **Section 5.05(A)**, the Company will promptly send notice to the Holders, the Trustee and the Conversion Agent containing (i) a brief description of the transaction or other event on account of which such adjustment was made; (ii) the Conversion Rate in effect immediately after such adjustment; and (iii) the effective time of such adjustment.

Section 5.06. Voluntary Adjustments.

(A) *Generally*. To the extent permitted by law and applicable stock exchange rules, the Company, from time to time, may (but is not required to) increase the Conversion Rate by any amount if (i) the Board of Directors determines that such increase is either (x) in the best interest of the Company; or (y) advisable to avoid or diminish any income tax imposed on holders of Ordinary Shares or rights to purchase Ordinary Shares as a result of any dividend or distribution of Ordinary Shares (or rights to acquire Ordinary Shares) or any similar event; (ii) such increase is in effect for a period of at least twenty (20) Business Days; and (iii) such increase is irrevocable during such period.

(B) *Notice of Voluntary Increases*. If the Board of Directors determines to increase the Conversion Rate pursuant to **Section 5.06(A)**, then, no later than the first Business Day of the related twenty (20) Business Day period referred to in **Section 5.06(A)**, the Company will send notice to each Holder, the Trustee and the Conversion Agent of such increase, the amount thereof and the period during which such increase will be in effect.

Section 5.07. Adjustments to the Conversion Rate in Connection with a Make-Whole Fundamental Change.

(A) *Generally*. If a Make-Whole Fundamental Change occurs and the Conversion Date for the Conversion of a Note occurs during the related Make-Whole Fundamental Change Conversion Period, then, subject to this **Section 5.07**, the Conversion Rate applicable to such Conversion will be increased by a number of shares (the “**Additional Shares**”) set forth in the table below corresponding (after interpolation as provided in, and subject to, the provisions below) to the Make-Whole Fundamental Change Effective Date and the Share Price of such Make-Whole Fundamental Change:

Make-Whole Fundamental Change Effective Date	Share Price											
	<u>\$41.12</u>	<u>\$44.00</u>	<u>\$48.00</u>	<u>\$51.40</u>	<u>\$55.00</u>	<u>\$66.82</u>	<u>\$80.00</u>	<u>\$100.00</u>	<u>\$130.00</u>	<u>\$175.00</u>	<u>\$225.00</u>	<u>\$300.00</u>

If such Make-Whole Fundamental Change Effective Date or Share Price is not set forth in the table above, then:

(i) if such Share Price is between two Share Prices in the table above or the Make-Whole Fundamental Change Effective Date is between two dates in the table above, then the number of Additional Shares will be determined by straight-line interpolation between the numbers of Additional Shares set forth for the higher and lower Share Prices in the table above or the earlier and later dates in the table above, based on a 365- or 366-day year, as applicable; and

(ii) if the Share Price is greater than \$300.00 (subject to adjustment in the same manner as the Share Prices set forth in the column headings of the table above are adjusted pursuant to **Section 5.07(B)**), or less than \$41.12 (subject to adjustment in the same manner), per share, then no Additional Shares will be added to the Conversion Rate.

Notwithstanding anything to the contrary in this Indenture or the Notes, in no event will the Conversion Rate be increased to an amount that exceeds 24.3190 Ordinary Shares per \$1,000 principal amount of Notes, which amount is subject to adjustment in the same manner as, and at the same time and for the same events for which, the Conversion Rate is required to be adjusted pursuant to **Section 5.05(A)**.

For the avoidance of doubt, but subject to **Section 4.03(K)**, (x) the sending of a Redemption Notice for a Provisional Redemption will constitute a Make-Whole Fundamental Change only with respect to the Notes called for Provisional Redemption pursuant to such Redemption Notice, and not with respect to any other Notes; and (y) the Conversion Rate applicable to the Notes not so called for Provisional Redemption will not be subject to increase pursuant to this **Section 5.07** on account of such Redemption Notice.

(B) *Adjustment of Share Prices and Number of Additional Shares*. The Share Prices in the first row (*i.e.*, the column headers) of the table set forth in **Section 5.07(A)** will be adjusted in the same manner as, and at the same time and for the same events for which, the Conversion Price is adjusted as a result of the operation of **Section 5.05(A)**. The numbers of Additional Shares in the table set forth in **Section 5.07(A)** will be adjusted in the same manner as, and at the same time and for the same events for which, the Conversion Rate is adjusted pursuant to **Section 5.05(A)**.

(C) *Notice of the Occurrence of a Make-Whole Fundamental Change*. The Company will notify the Holders, the Trustee and the Conversion Agent of each Make-Whole Fundamental Change (i) occurring pursuant to **clause (A)** of the definition thereof in accordance with **Section 5.01(C)(i)(3)(b)**; and (ii) occurring pursuant to **clause (B)** of the definition thereof in accordance with **Section 4.03(G)**.

Section 5.08. Exchange in Lieu of Conversion.

Notwithstanding anything to the contrary in this **Article 5**, and subject to the terms of this **Section 5.08**, if a Note is submitted for Conversion, the Company may elect to arrange to have such Note exchanged in lieu of Conversion by a financial institution designated by the Company. To make such election, the Company must send notice of such election to the Holder of such Note, the Trustee and the Conversion Agent before the Close of Business on the Business Day immediately following the Conversion Date for such Note. If the Company has made such election, then:

(A) no later than the Business Day immediately following such Conversion Date, the Company must deliver (or cause the Conversion Agent to deliver) such Note, together with delivery instructions for the Conversion Consideration due upon such Conversion (including wire instructions, if applicable), to a financial institution designated by the Company that has agreed to deliver such Conversion Consideration in the manner and at the time the Company would have had to deliver the same pursuant to this **Article 5**;

(B) if such Note is a Global Note, then (i) such designated institution will send written confirmation to the Conversion Agent promptly after wiring the cash Conversion Consideration, if any, and delivering any other Conversion Consideration, due upon such Conversion to the Holder of such Note; and (ii) the Conversion Agent will as soon as reasonably practicable thereafter contact such Holder's custodian with the Depository to confirm receipt of the same; and

(C) such Note will not cease to be outstanding by reason of such exchange in lieu of Conversion;

provided, however, that if such financial institution does not accept such Note or fails to timely deliver such Conversion Consideration, then the Company will be responsible for delivering such Conversion Consideration in the manner and at the time provided in this **Article 5** as if the Company had not elected to make an exchange in lieu of Conversion.

Section 5.09. Effect of Ordinary Share Change Event.

(A) *Generally.* If there occurs any:

(i) recapitalization, reclassification or change of the Ordinary Shares (other than (x) changes solely resulting from a subdivision or combination of the Ordinary Shares, (y) a change only in par value or from par value to no par value or no par value to par value and (z) share splits and share combinations that do not involve the issuance of any other series or class of securities);

(ii) consolidation, merger, combination or binding or statutory share exchange involving the Company;

(iii) sale, lease or other transfer of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to any Person; or

(iv) other similar event,

and, as a result of which, the Ordinary Shares are converted into, or are exchanged for, or represent solely the right to receive, other securities, cash or other property, or any combination of the foregoing (such an event, an “**Ordinary Share Change Event**,” and such other securities, cash or property, the “**Reference Property**,” and the amount and kind of Reference Property that a holder of one (1) Ordinary Share would be entitled to receive on account of such Ordinary Share Change Event (without giving effect to any arrangement not to issue or deliver a fractional portion of any security or other property), a “**Reference Property Unit**”), then, notwithstanding anything to the contrary in this Indenture or the Notes,

(1) from and after the effective time of such Ordinary Share Change Event, (I) the Conversion Consideration due upon Conversion of any Note, and the conditions to any such Conversion, will be determined in the same manner as if each reference to any number of Ordinary Shares in this **Article 5** (or in any related definitions) were instead a reference to the same number of Reference Property Units; (II) for purposes of **Section 4.03(B)**, each reference to any number of Ordinary Shares in such Section (or in any related definitions) will instead be deemed to be a reference to the same number of Reference Property Units; and (III) for purposes of the definitions of “Fundamental Change” and “Make-Whole Fundamental Change,” references to “Ordinary Shares” and the Company’s “Common Equity” will be deemed to refer to the Common Equity (including depository receipts representing Common Equity), if any, forming part of such Reference Property;

(2) if such Reference Property Unit consists entirely of cash, then (I) each Conversion of any Note with a Conversion Date that occurs on or after the effective date of such Ordinary Share Change Event will be settled entirely in cash in an amount, per \$1,000 principal amount of such Note being Converted, equal to the product of (x) the Conversion Rate in effect on such Conversion Date (including, for the avoidance of doubt, any increase to such Conversion Rate pursuant to **Section 5.07**, if applicable); and (y) the amount of cash constituting such Reference Property Unit; and (II) the Company will settle each such Conversion no later than the fifth (5th) Business Day after the relevant Conversion Date; and

(3) for these purposes, (I) the Daily VWAP of any Reference Property Unit or portion thereof that consists of a class of Common Equity securities will be determined by reference to the definition of “Daily VWAP,” substituting, if applicable, the Bloomberg page for such class of securities in such definition; and (II) the Daily VWAP of any Reference Property Unit or portion thereof that does not consist of a class of Common Equity securities, and the Last Reported Sale Price of any Reference Property Unit or portion thereof that does not consist of a class of securities, will be the fair value of such Reference Property Unit or portion thereof, as applicable, determined in good faith and in a commercially reasonable manner by the Company (or, in the case of cash denominated in U.S. dollars, the face amount thereof).

If the Reference Property consists of more than a single type of consideration to be determined based in part upon any form of shareholder election, then the composition of the Reference Property Unit will be deemed to be the weighted average of the types and amounts of consideration actually received, per Ordinary Share, by the holders of Ordinary Shares. The Company will notify Holders, the Trustee and the Conversion Agent of such weighted average as soon as practicable after such determination is made.

At or before the effective time of such Ordinary Share Change Event, the Company and the resulting, surviving or transferee Person (if not the Company) of such Ordinary Share Change Event (the “**Successor Person**”) will execute and deliver to the Trustee a supplemental indenture pursuant to **Section 8.01(F)**, which supplemental indenture will (x) provide for subsequent Conversions of Notes in the manner set forth in this **Section 5.09**; (y) provide for subsequent adjustments to the Conversion Rate pursuant to **Section 5.05(A)** in a manner consistent with this **Section 5.09**; and (z) contain such other provisions, if any, that the Company reasonably determines are appropriate to preserve the economic interests of the Holders and to give effect to the provisions of this **Section 5.09(A)**. If the Reference Property includes shares of stock or other securities or assets (other than cash) of a Person other than the Successor Person, then such other Person will also execute such supplemental indenture and such supplemental indenture will contain such additional provisions, if any, that the Company reasonably determines are appropriate to preserve the economic interests of the Holders.

For the avoidance of doubt, the conversion of any or all of the Company’s B Class shares into Ordinary Shares in one or more transactions will not constitute an Ordinary Share Change Event.

(B) *Notice of Ordinary Share Change Events*. The Company will provide notice of each Ordinary Share Change Event to Holders, the Trustee and the Conversion Agent no later than the Business Day after the effective date of such Ordinary Share Change Event.

(C) *Compliance Covenant.* The Company will not become a party to any Ordinary Share Change Event unless its terms are consistent with this **Section 5.09**.

Article 6. SUCCESSORS

Section 6.01. When the Company May Merge, Etc.

(A) *Generally.* The Company will not consolidate with or merge with or into, or (directly, or indirectly through one or more of its Subsidiaries) sell, lease or otherwise transfer, in one transaction or a series of transactions, all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to another Person (a “**Business Combination Event**”), unless:

(i) the resulting, surviving or transferee Person either (x) is the Company or (y) if not the Company, is a Qualified Successor Entity (such Qualified Successor Entity, the “**Successor Entity**”) duly organized or incorporated and existing under the laws of Australia, the United States of America, any State thereof or the District of Columbia that expressly assumes (by executing and delivering to the Trustee, at or before the effective time of such Business Combination Event, a supplemental indenture pursuant to **Section 8.01(E)**) all of the Company’s obligations under this Indenture and the Notes (including, for the avoidance of doubt and without limiting any other provisions of this Indenture, if applicable, the obligation to pay Additional Amounts pursuant to **Section 3.05** subject to the limitations therein); and

(ii) immediately after giving effect to such Business Combination Event, no Default or Event of Default will have occurred and be continuing.

(B) *Delivery of Officer’s Certificate and Opinion of Counsel to the Trustee.* At or before the effective time of any Business Combination Event, the Company will deliver to the Trustee an Officer’s Certificate and Opinion of Counsel, each stating that (i) such Business Combination Event (and, if applicable, the related supplemental indenture) comply with **Section 6.01(A)**; and (ii) all conditions precedent to such Business Combination Event provided in this Indenture have been satisfied.

Section 6.02. Successor Entity Substituted.

At the effective time of any Business Combination Event that complies with **Section 6.01**, the Successor Entity (if not the Company) will succeed to, and may exercise every right and power of, the Company under this Indenture and the Notes with the same effect as if such Successor Entity had been named as the Company in this Indenture and the Notes, and, except in the case of a lease, the predecessor Company will be discharged from its obligations under this Indenture and the Notes.

Section 6.03. Exclusion for Asset Transfers with Wholly Owned Subsidiaries.

Notwithstanding anything to the contrary in this **Article 6**, this **Article 6** will not apply to any transfer of assets (other than by merger or consolidation) between or among the Company and any one or more of its Wholly Owned Subsidiaries.

Article 7. DEFAULTS AND REMEDIES

Section 7.01. Events of Default.

(A) *Definition of Events of Default.* “**Event of Default**” means the occurrence of any of the following:

(i) a default in the payment when due (whether at maturity, upon Redemption or Repurchase Upon Fundamental Change or otherwise) of the principal of, or the Redemption Price or Fundamental Change Repurchase Price for, any Note;

(ii) a default for thirty (30) consecutive days in the payment when due of interest on any Note;

(iii) the Company’s failure to deliver, when required by this Indenture, a Fundamental Change Notice, or a notice pursuant to **Section 5.01(C)(i)(3)**, if (in the case of any notice other than a notice pursuant to **Section 5.01(C)(i)(3)**) such failure is not cured within five (5) days after its occurrence;

(iv) a default in the Company’s obligation to Convert a Note in accordance with **Article 5** upon the exercise of the Conversion right with respect thereto, if such default is not cured within five (5) Business Days after its occurrence;

(v) a default in the Company’s obligations under **Article 6**;

(vi) a default in any of the Company’s obligations or agreements under this Indenture or the Notes (other than a default set forth in **clause (i), (ii), (iii), (iv) or (v)** of this **Section 7.01(A)**) where such default is not cured or waived within sixty (60) days after notice to the Company by the Trustee, or to the Company and the Trustee by Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding, which notice must specify such default, demand that it be remedied and state that such notice is a “Notice of Default”;

(vii) a default by the Company or any of the Company’s Significant Subsidiaries with respect to any one or more mortgages, agreements or other instruments under which there is outstanding, or by which there is secured or evidenced, any indebtedness for borrowed money (other than (1) any non-recourse indebtedness for borrowed money (it being understood and agreed that limited recourse provisions in respect of the applicable financing assets or that otherwise are customary in transactions in which the primary recourse is to financing assets will not cause indebtedness that is otherwise non-recourse to constitute recourse indebtedness) or (2) indebtedness for money borrowed of the Company’s Subsidiaries if such Subsidiary is a special purpose entity that serves as a vehicle to obtain financing that is otherwise non-recourse to the Company and its other Subsidiaries (it being understood and agreed that limited recourse provisions in respect of the applicable financing assets or that otherwise are customary in transactions in which the primary recourse is to financing assets will not cause indebtedness that is otherwise non-recourse to constitute recourse indebtedness)) of at least one hundred million dollars (\$100,000,000) (or its foreign currency equivalent) in the aggregate of the Company or any of the Company’s Significant Subsidiaries, whether such indebtedness exists as of the Issue Date or is thereafter created, where such default:

(1) constitutes a failure to pay the principal of such indebtedness when due and payable at its stated maturity, upon required repurchase, upon declaration of acceleration or otherwise, in each case after the expiration of any applicable grace period; or

(2) results in such indebtedness becoming or being declared due and payable before its stated maturity,

in each case where such default is not cured or waived within thirty (30) days after written notice to the Company by the Trustee or to the Company and the Trustee by Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding;

(viii) the Company or any of its Significant Subsidiaries, pursuant to or within the meaning of any Bankruptcy Law, either:

(1) commences a voluntary case or proceeding;

(2) consents to the entry of an order for relief against it in an involuntary case or proceeding;

(3) consents to the appointment of a custodian of it or for any substantial part of its property;

(4) makes a general assignment for the benefit of its creditors;

(5) takes any comparable action under any foreign Bankruptcy Law; or

(6) generally is not paying its debts as they become due; or

(ix) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that either:

(1) is for relief against the Company or any of its Significant Subsidiaries in an involuntary case or proceeding;

(2) appoints a custodian of the Company or any of its Significant Subsidiaries, or for any substantial part of the property of the Company or any of its Significant Subsidiaries;

(3) orders the winding up or liquidation of the Company or any of its Significant Subsidiaries; or

(4) grants any similar relief under any foreign Bankruptcy Law,

and, in each case under this **Section 7.01(A)(ix)**, such order or decree remains unstayed and in effect for at least sixty (60) days.

(B) *Cause Irrelevant.* Each of the events set forth in **Section 7.01(A)** will constitute an Event of Default regardless of the cause thereof or whether voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

Section 7.02. Acceleration.

(A) *Automatic Acceleration in Certain Circumstances.* If an Event of Default set forth in **Section 7.01(A)(viii)** or **7.01(A)(ix)** occurs with respect to the Company (and not solely with respect to a Significant Subsidiary of the Company), then the principal amount of, and all accrued and unpaid interest on, all of the Notes then outstanding will immediately become due and payable without any further action or notice by any Person.

(B) *Optional Acceleration.* Subject to **Section 7.03**, if an Event of Default (other than an Event of Default set forth in **Section 7.01(A)(viii)** or **7.01(A)(ix)** with respect to the Company and not solely with respect to a Significant Subsidiary of the Company) occurs and is continuing, then the Trustee, by notice to the Company, or Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding, by notice to the Company and the Trustee, may declare the principal amount of, and all accrued and unpaid interest on, all of the Notes then outstanding to become due and payable immediately.

For the avoidance of doubt, any failure by the Company to provide any notice under this Indenture other than as set forth in **Section 7.01(A)(iii)** shall be subject to **Section 7.01(A)(vi)** (including the sixty (60)-day cure period contained therein), and any related Default or Event of Default shall be deemed cured upon delivery of such notice to the applicable recipient prior to (i) the expiration of such sixty (60)-day period; or (ii) if later, the delivery of a notice of acceleration with respect to such Default or Event of Default, in each case whether or not the events or circumstances that are the subject of such notice have already occurred at the time such notice is given.

(C) *Rescission of Acceleration.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Holders of a majority in aggregate principal amount of the Notes then outstanding, by notice to the Company and the Trustee, may, on behalf of all Holders, rescind any acceleration of the Notes and its consequences if (i) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and (ii) all existing Events of Default (except the non-payment of principal of, or interest on, the Notes that has become due solely because of such acceleration) have been cured or waived. No such rescission will affect any subsequent Default or impair any right consequent thereto.

Section 7.03. Sole Remedy for a Failure to Report.

(A) *Generally.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Company may elect that the sole remedy for any Event of Default (a “**Reporting Event of Default**”) pursuant to **Section 7.01(A)(vi)** arising from the Company’s failure to comply with **Section 3.02** will, for each of the first three hundred sixty (360) calendar days on which a Reporting Event of Default has occurred and is continuing, consist exclusively of the accrual of Special Interest on the Notes. If the Company has made such an election, then (i) the Notes will be subject to acceleration pursuant to **Section 7.02** on account of the relevant Reporting Event of Default from, and including, the three hundred sixty first (361st) calendar day on which a Reporting Event of Default has occurred and is continuing or if the Company fails to pay any accrued and unpaid Special Interest when due; and (ii) Special Interest will cease to accrue on any Notes from, and including, such three hundred sixty first (361st) calendar day (it being understood that interest on any defaulted Special Interest will nonetheless accrue pursuant to **Section 2.05(B)**).

(B) *Amount and Payment of Special Interest.* Any Special Interest that accrues on a Note pursuant to **Section 7.03(A)** will be payable on the same dates and in the same manner as the Stated Interest on such Note and will accrue at a rate per annum equal to one quarter of one percent (0.25%) of the principal amount thereof for the first one hundred eighty (180) days on which Special Interest accrues and, thereafter, at a rate per annum equal to one half of one percent (0.50%) of the principal amount thereof; *provided, however*, that in no event will Special Interest, together with any Additional Interest (excluding any interest that accrues on any Deferred Additional Interest pursuant to **Section 3.04(C)**), accrue on any day on a Note at a combined rate per annum that exceeds one half of one percent (0.50%). For the avoidance of doubt, any Special Interest that accrues on a Note will be in addition to the Stated Interest that accrues on such Note and, subject to the proviso of the immediately preceding sentence, in addition to any Additional Interest that accrues on such Note.

If a Reporting Event of Default giving rise to the Company’s obligation to pay Special Interest pursuant to **Section 7.03(A)** initially occurs at or after the Close of Business on a Regular Record Date and prior to the Open of Business on the corresponding Interest Payment Date, the Special Interest that accrues during such period will be due on the Interest Payment Date next succeeding such corresponding Interest Payment Date, and no interest shall accrue in respect of such delay.

(C) *Notice of Election.* To make the election set forth in **Section 7.03(A)**, the Company must send to the Holders, the Trustee and the Paying Agent, before the date on which each Reporting Event of Default first occurs, a notice that (i) briefly describes the report(s) that the Company failed to file with the SEC; (ii) states that the Company is electing that the sole remedy for such Reporting Event of Default consist of the accrual of Special Interest; and (iii) briefly describes the periods during which and rate at which Special Interest will accrue and the circumstances under which the Notes will be subject to acceleration on account of such Reporting Event of Default.

For the avoidance of doubt, if (x) the Company timely elects to pay Special Interest as the sole remedy during the first three hundred sixty (360) days on which a Reporting Event of Default has occurred and is continuing; (y) the Company pays such Special Interest in accordance with this Indenture; and (z) the Company files the delinquent reports that were required to be filed and gave rise to the relevant Reporting Event of Default (in each case in this **clause (z)** pursuant to the provisions set forth in **Section 3.02**) prior to the three hundred sixty first (361st) day on which such Reporting Event of Default has occurred and is continuing (or prior to the delivery of any related notice of acceleration on or after such three hundred sixty first (361st) day), such Reporting Event of Default will be deemed cured and the Notes will not be subject to acceleration as a result of the initial failure to comply with the Company’s reporting obligations set forth in **Section 3.02**.

(D) *Notice to Trustee and Paying Agent; Trustee's Disclaimer*. If Special Interest accrues on any Note, then, no later than five (5) Business Days before each date on which such Special Interest is to be paid, the Company will deliver an Officer's Certificate to the Trustee and the Paying Agent stating (i) that the Company is obligated to pay Special Interest on such Note on such date of payment; and (ii) the amount of such Special Interest that is payable on such date of payment. The Trustee will have no duty to determine whether any Special Interest is payable or the amount thereof.

(E) *No Effect on Other Events of Default*. No election pursuant to this **Section 7.03** with respect to a Reporting Event of Default will affect the rights of any Holder with respect to any other Event of Default, including with respect to any other Reporting Event of Default.

Section 7.04. Other Remedies.

(A) *Trustee May Pursue All Remedies*. If an Event of Default occurs and is continuing, then the Trustee may pursue any available remedy to collect the payment of any amounts due with respect to the Notes or to enforce the performance of any provision of this Indenture or the Notes.

(B) *Procedural Matters*. The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in such proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy following an Event of Default will not impair the right or remedy or constitute a waiver of, or acquiescence in, such Event of Default. All remedies will be cumulative to the extent permitted by law.

Section 7.05. Waiver of Past Defaults.

An Event of Default pursuant to **clause (i), (ii), (iv) or (vi)** of **Section 7.01(A)** (that, in the case of **clause (vi)** only, results from a Default under any covenant that cannot be amended without the consent of each affected Holder), and a Default that could lead to such an Event of Default, can be waived only with the consent of each affected Holder. Each other Default or Event of Default may be waived, on behalf of all Holders, by the Holders of a majority in aggregate principal amount of the Notes then outstanding. If an Event of Default is so waived, then it will cease to exist. If a Default is so waived, then it will be deemed to be cured and any Event of Default arising therefrom will be deemed not to occur. However, no such waiver will extend to any subsequent or other Default or Event of Default or impair any right arising therefrom.

Section 7.06. Control by Majority.

Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law, this Indenture or the Notes, or that, subject to **Section 10.01**, the Trustee determines may be unduly prejudicial to the rights of other Holders or may involve the Trustee in liability, unless the Trustee is offered (and, if requested, provided with) security and indemnity satisfactory to the Trustee against any loss, liability or expense to the Trustee that may result from the Trustee's following such direction.

Section 7.07. Limitation on Suits.

No Holder may pursue any remedy with respect to this Indenture or the Notes (except to enforce (x) its rights to receive the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, any Notes; or (y) the Company's obligations to Convert any Notes pursuant to **Article 5**), unless:

- (A) such Holder has previously delivered to the Trustee notice that an Event of Default is continuing;
- (B) Holders of at least twenty five percent (25%) in aggregate principal amount of the Notes then outstanding deliver a request to the Trustee to pursue such remedy;
- (C) such Holder or Holders offer and, if requested, provide to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense to the Trustee that may result from the Trustee's following such request;
- (D) the Trustee does not comply with such request within sixty (60) calendar days after its receipt of such request and such offer of security or indemnity; and
- (E) during such sixty (60) calendar day period, Holders of a majority in aggregate principal amount of the Notes then outstanding do not deliver to the Trustee a direction that is inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder. The Trustee will have no duty to determine whether any Holder's use of this Indenture complies with the preceding sentence.

Section 7.08. Absolute Right of Holders to Institute Suit for the Enforcement of the Right to Receive Payment and Conversion Consideration.

Notwithstanding anything to the contrary in this Indenture or the Notes (but without limiting **Section 8.01**), the right of each Holder of a Note to bring suit for the enforcement of any payment or delivery, as applicable, of the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or the Conversion Consideration due pursuant to **Article 5** upon Conversion of, such Note on or after the respective due dates therefor provided in this Indenture and the Notes, will not be impaired or affected without the consent of such Holder.

Section 7.09. Collection Suit by Trustee.

The Trustee will have the right, upon the occurrence and continuance of an Event of Default pursuant to **clause (i), (ii) or (iv) of Section 7.01(A)**, to recover judgment in its own name and as trustee of an express trust against the Company for the total unpaid or undelivered principal of, or Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or Conversion Consideration due pursuant to **Article 5** upon Conversion of, the Notes, as applicable, and, to the extent lawful, any Default Interest on any Defaulted Amounts, and such further amounts sufficient to cover the costs and expenses of collection, including compensation provided for in **Section 10.06**.

Section 7.10. Trustee May File Proofs of Claim.

The Trustee has the right to (A) file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes) or its creditors or property and (B) collect, receive and distribute any money or other property payable or deliverable on any such claims. Each Holder authorizes any custodian in such proceeding to make such payments to the Trustee, and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to the Trustee for the reasonable compensation, expenses, disbursements and advances of the Trustee, and its agents and counsel, and any other amounts payable to the Trustee pursuant to **Section 10.06**. To the extent that the payment of any such compensation, expenses, disbursements, advances and other amounts out of the estate in such proceeding, is denied for any reason, payment of the same will be secured by a lien (senior to the rights of Holders) on, and will be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding (whether in liquidation or under any plan of reorganization or arrangement or otherwise). Nothing in this Indenture will be deemed to authorize the Trustee to authorize, consent to, accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 7.11. Priorities.

The Trustee will pay or deliver in the following order any money or other property that it collects pursuant to this **Article 7**:

First: to the Trustee and its agents and attorneys for amounts due under **Section 10.06**, including payment of all fees and compensation of, and all expenses and liabilities incurred, and all advances made, by, the Trustee (in each of its capacities under this Indenture, including as Note Agent) and the costs and expenses of collection;

Second: to Holders for unpaid amounts or other property due on the Notes, including the principal of, or the Fundamental Change Repurchase Price or Redemption Price for, or any interest on, or any Conversion Consideration due upon Conversion of, the Notes, ratably, and without preference or priority of any kind, according to such amounts or other property due and payable on all of the Notes; and

Third: to the Company or such other Person as a court of competent jurisdiction directs.

The Trustee may fix a record date and payment date for any payment or delivery to the Holders pursuant to this **Section 7.11**, in which case the Trustee will instruct the Company to, and the Company will, deliver, at least fifteen (15) calendar days before such record date, to each Holder and the Trustee a notice stating such record date, such payment date and the amount of such payment or nature of such delivery, as applicable.

Section 7.12. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or the Notes or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court, in its discretion, may (A) require the filing by any litigant party in such suit of an undertaking to pay the costs of such suit; and (B) assess reasonable costs (including reasonable attorneys' fees) against any litigant party in such suit, having due regard to the merits and good faith of the claims or defenses made by such litigant party; *provided, however*, that this **Section 7.12** does not apply to any suit by the Trustee, any suit by a Holder pursuant to **Section 7.08** or any suit by one or more Holders of more than ten percent (10%) in aggregate principal amount of the Notes then outstanding.

Article 8. AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 8.01. Without the Consent of Holders.

Notwithstanding anything to the contrary in **Section 8.02**, the Company and the Trustee may amend or supplement this Indenture or the Notes without the consent of any Holder to:

- (A) cure any ambiguity or correct any omission, defect or inconsistency in this Indenture or the Notes;
- (B) add guarantees with respect to the Company's obligations under this Indenture or the Notes;
- (C) secure the Notes;
- (D) add to the Company's covenants or Events of Default for the benefit of the Holders or surrender any right or power conferred on the Company;
- (E) provide for the assumption of the Company's obligations under this Indenture and the Notes pursuant to, and in compliance with, **Article 6**;
- (F) enter into supplemental indentures pursuant to, and in accordance with, **Section 5.09** in connection with an Ordinary Share Change Event;
- (G) irrevocably elect or eliminate any Settlement Method or Specified Dollar Amount; *provided, however*, that no such election or elimination will affect any Settlement Method theretofore elected (or deemed to be elected) with respect to any Note pursuant to **Section 5.03(A)**;
- (H) evidence or provide for the acceptance of the appointment, under this Indenture, of a successor Trustee;

(I) conform the provisions of this Indenture and the Notes to the “Description of Notes” section of the Company’s preliminary offering memorandum, dated December 1, 2025, as supplemented by the related pricing term sheet, dated December 2, 2025;

(J) provide for or confirm the issuance of additional Notes pursuant to **Section 2.03(B)**;

(K) comply with any requirement of the SEC in connection with any qualification of this Indenture, or any related supplemental indenture, under the Trust Indenture Act, as then in effect; or

(L) make any other change to this Indenture or the Notes that does not, individually or in the aggregate with all other such changes, adversely affect the rights of the Holders, as such, in any material respect, as determined by the Company in good faith.

At the written request of any Holder of a Note or owner of a beneficial interest in a Global Note, the Company will provide a copy of the “Description of Notes” section and pricing term sheet referred to in **Section 8.01(I)**.

Section 8.02. With the Consent of Holders.

(A) *Generally.* Subject to **Sections 8.01, 7.05 and 7.08** and the immediately following sentence, the Company and the Trustee may, with the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding, amend or supplement this Indenture or the Notes or waive compliance with any provision of this Indenture or the Notes. Notwithstanding anything to the contrary in the foregoing sentence, but subject to **Section 8.01**, without the consent of each affected Holder, no amendment or supplement to this Indenture or the Notes, or waiver of any provision of this Indenture or the Notes, may:

(i) reduce the principal, or change the stated maturity, of any Note;

(ii) reduce the Redemption Price or Fundamental Change Repurchase Price for any Note or change the times at which, or the circumstances under which, the Notes may or will be redeemed or repurchased by the Company;

(iii) reduce the rate, or extend the time for the payment, of interest on any Note;

(iv) make any change that adversely affects the Conversion rights of any Note;

(v) impair the rights of any Holder set forth in **Section 7.08** (as such section is in effect on the Issue Date);

(vi) change the ranking of the Notes;

(vii) make any Note payable in money, or at a place of payment, other than that stated in this Indenture or the Note;

(viii) make any change to the Company’s obligation to pay Additional Amounts on any Note in a manner adverse to any Holder or beneficial owner of the Notes;

(ix) reduce the amount of Notes whose Holders must consent to any amendment, supplement, waiver or other modification; or

(x) make any direct or indirect change to any amendment, supplement, waiver or modification provision of this Indenture or the Notes that requires the consent of each affected Holder.

For the avoidance of doubt, pursuant to **clauses (i), (ii), (iii) and (iv)** of this **Section 8.02(A)**, no amendment or supplement to this Indenture or the Notes, or waiver of any provision of this Indenture or the Notes, may (except as expressly provided otherwise in this Indenture or the Notes) change the type or reduce the amount of consideration due on any Note (whether on an Interest Payment Date, Redemption Date, Fundamental Change Repurchase Date or the Maturity Date or upon Conversion, or otherwise), or the date(s) or time(s) such consideration is payable or deliverable, as applicable, without the consent of each affected Holder.

(B) *Holders Need Not Approve the Particular Form of any Amendment*. A consent of any Holder pursuant to this **Section 8.02** need approve only the substance, and not necessarily the particular form, of the proposed amendment, supplement or waiver.

Section 8.03. Notice of Amendments, Supplements and Waivers.

As soon as reasonably practicable after any amendment, supplement or waiver pursuant to **Section 8.01** or **8.02** becomes effective, the Company will send to the Holders and the Trustee notice that (A) describes the substance of such amendment, supplement or waiver in reasonable detail and (B) states the effective date thereof; *provided, however*, that the Company will not be required to provide such notice to the Holders if such amendment, supplement or waiver is included in a periodic report filed by the Company with the SEC within four (4) Business Days of its effectiveness. The failure to send, or the existence of any defect in, such notice will not impair or affect the validity of such amendment, supplement or waiver.

Section 8.04. Revocation, Effect and Solicitation of Consents; Special Record Dates; Etc.

(A) *Revocation and Effect of Consents*. The consent of a Holder of a Note to an amendment, supplement or waiver will bind (and constitute the consent of) each subsequent Holder of any Note to the extent the same evidences any portion of the same indebtedness as the consenting Holder's Note, subject to the right of any Holder of a Note to revoke (if not prohibited pursuant to **Section 8.04(B)**) any such consent with respect to such Note by delivering notice of revocation to the Trustee before the time such amendment, supplement or waiver becomes effective.

(B) *Special Record Dates*. The Company may, but is not required to, fix a record date for the purpose of determining the Holders entitled to consent or take any other action in connection with any amendment, supplement or waiver pursuant to this **Article 8**. If a record date is fixed, then, notwithstanding anything to the contrary in **Section 8.04(A)**, only Persons who are Holders as of such record date (or their duly designated proxies) will be entitled to give such consent, to revoke any consent previously given or to take any such action, regardless of whether such Persons continue to be Holders after such record date; *provided, however*, that no such consent will be valid or effective for more than one hundred and twenty (120) calendar days after such record date.

(C) *Solicitation of Consents.* For the avoidance of doubt, each reference in this Indenture or the Notes to the consent of a Holder will be deemed to include any such consent obtained in connection with a repurchase of, or tender or exchange offer for, any Notes.

(D) *Effectiveness and Binding Effect.* Each amendment, supplement or waiver pursuant to this **Article 8** will become effective in accordance with its terms and, when it becomes effective with respect to any Note (or any portion thereof), will thereafter bind every Holder of such Note (or such portion).

Section 8.05. Notations and Exchanges.

If any amendment, supplement or waiver changes the terms of a Note, then the Trustee or the Company may, in its discretion, require the Holder of such Note to deliver such Note to the Trustee so that the Trustee may place an appropriate notation prepared by the Company on such Note and return such Note to such Holder. Alternatively, at its discretion, the Company may, in exchange for such Note, issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a new Note that reflects the changed terms. The failure to make any appropriate notation or issue a new Note pursuant to this **Section 8.05** will not impair or affect the validity of such amendment, supplement or waiver.

Section 8.06. Trustee to Execute Supplemental Indentures.

The Trustee will execute and deliver any amendment or supplemental indenture authorized pursuant to this **Article 8**; *provided, however*, that the Trustee need not (but may, in its sole and absolute discretion) execute or deliver any such amendment or supplemental indenture that the Trustee concludes adversely affects the Trustee's rights, duties, liabilities or immunities. In executing any amendment or supplemental indenture, the Trustee will be entitled to receive, and (subject to **Sections 10.01** and **10.02**) will be fully protected in relying on, an Officer's Certificate and an Opinion of Counsel stating that (A) the execution and delivery of such amendment or supplemental indenture is authorized or permitted by this Indenture; and (B) in the case of the Opinion of Counsel, such amendment or supplemental indenture is valid, binding and enforceable against the Company in accordance with its terms.

Article 9. SATISFACTION AND DISCHARGE

Section 9.01. Termination of Company's Obligations.

This Indenture will be discharged, and will cease to be of further effect as to all Notes issued under this Indenture, when:

(A) all Notes then outstanding (other than Notes replaced pursuant to **Section 2.13**) have (i) been delivered to the Trustee for cancellation; or (ii) become due and payable (whether on a Redemption Date, a Fundamental Change Repurchase Date, the Maturity Date, upon Conversion or otherwise) for an amount of cash or Conversion Consideration, as applicable, that has been fixed;

(B) the Company has caused there to be irrevocably deposited with the Trustee, or with the Paying Agent (or, with respect to Conversion Consideration, the Conversion Agent), in each case for the benefit of the Holders, or has otherwise caused there to be delivered to the Holders, cash (or, with respect to Notes to be Converted, Conversion Consideration) sufficient to satisfy all amounts or other property (including, if applicable, all related Additional Amounts) due on all Notes then outstanding (other than Notes replaced pursuant to **Section 2.13**);

(C) the Company has paid all other amounts payable by it under this Indenture; and

(D) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that the conditions precedent to the discharge of this Indenture have been satisfied;

provided, however, that **Article 10** and **Section 11.01** will survive such discharge and, until no Notes remain outstanding, **Section 2.15** and the obligations of the Trustee, the Paying Agent and the Conversion Agent with respect to money or other property deposited with them will survive such discharge.

At the Company's request, the Trustee will acknowledge the satisfaction and discharge of this Indenture.

Section 9.02. Repayment to Company.

Subject to applicable unclaimed property law, the Trustee, the Paying Agent and the Conversion Agent will promptly notify the Company if there exists (and, at the Company's request, promptly deliver to the Company) any cash, Conversion Consideration or other property held by any of them for payment or delivery on the Notes that remain unclaimed two (2) years after the date on which such payment or delivery was due. After such delivery to the Company, the Trustee, the Paying Agent and the Conversion Agent will have no further liability to any Holder with respect to such cash, Conversion Consideration or other property, and Holders entitled to the payment or delivery of such cash, Conversion Consideration or other property must look to the Company for payment as a general creditor of the Company.

Section 9.03. Reinstatement.

If the Trustee, the Paying Agent or the Conversion Agent is unable to apply any cash or other property deposited with it pursuant to **Section 9.01** because of any legal proceeding or any order or judgment of any court or other governmental authority that enjoins, restrains or otherwise prohibits such application, then the discharge of this Indenture pursuant to **Section 9.01** will be rescinded; *provided, however,* that if the Company thereafter pays or delivers any cash or other property due on the Notes to the Holders thereof, then the Company will be subrogated to the rights of such Holders to receive such cash or other property from the cash or other property, if any, held by the Trustee, the Paying Agent or the Conversion Agent, as applicable.

Article 10. TRUSTEE

Section 10.01. Duties of the Trustee.

(A) If an Event of Default has occurred and is continuing, and a Responsible Officer of the Trustee has written notice or actual knowledge of the same, then, without limiting the generality of **Section 10.02(F)**, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(B) Except during the continuance of an Event of Default:

(i) the duties of the Trustee will be determined solely by the express provisions of this Indenture, and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith or willful misconduct on its part, the Trustee may, without investigation, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officer's Certificates or Opinions of Counsel that are provided to the Trustee and conform to the requirements of this Indenture; *provided, however*, that the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(C) The Trustee may not be relieved from liabilities for its negligence or willful misconduct, except that:

(i) this paragraph will not limit the effect of **Section 10.01(B)**;

(ii) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to **Section 7.06**.

(D) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability.

(E) The Trustee will not be liable for interest on any money received by it, except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds, except to the extent required by law.

(F) The Trustee will not be liable in its individual capacity for the obligations evidenced by the Notes.

(G) Each provision of this Indenture that in any way relates to the Trustee (including any provision that affects the liability of, or affords protection to, the Trustee) is subject to this **Section 10.01**, regardless of whether such provision so expressly provides.

Section 10.02. Rights of the Trustee.

(A) The Trustee may conclusively rely on any document that it believes to be genuine and signed or presented by the proper Person, and the Trustee need not investigate any fact or matter stated in such document.

(B) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate, an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel; and the written advice of such counsel, or any Opinion of Counsel, will constitute full and complete authorization of the Trustee to take or omit to take any action in good faith in reliance thereon without liability.

(C) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any such agent appointed with due care.

(D) The Trustee will not be liable for any action it takes or omits to take in good faith and that it believes to be authorized or within the rights or powers vested in it by this Indenture.

(E) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(F) The Trustee need not exercise any rights or powers vested in it by this Indenture at the request or direction of any Holder unless such Holder has offered (and, if requested, provided) the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense that it may incur in complying with such request or direction.

(G) The Trustee will not be responsible or liable for any punitive, special, indirect or consequential loss or damage (including lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(H) The permissive rights of the Trustee set forth in this Indenture will not be construed as duties imposed on the Trustee.

(I) The Trustee will not be required to give any bond or surety in respect of the execution or performance of this Indenture or otherwise.

(J) Unless a Responsible Officer of the Trustee has received notice from the Company that Additional Amounts, Additional Interest or Special Interest is owing or, if applicable, accruing, on the Notes, the Trustee may assume that no Additional Amounts, Additional Interest or Special Interest, as applicable, is payable or, if applicable, accruing.

(K) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and will be enforceable by, the Trustee in each of its capacities under this Indenture, including as Note Agent.

(L) The Trustee will not be charged with knowledge of any document or agreement other than this Indenture and the Notes.

(M) Neither the Trustee nor any Note Agent will have any responsibility or liability to any person for any action taken or not taken by, or any records or any other aspect of the operations of, the Depository (including the delivery of notices, or the making of payments, through the facilities of the Depository) and may conclusively rely, without investigation, on any information provided by the Depository.

Section 10.03. Individual Rights of the Trustee.

The Trustee, in its individual or any other capacity, may become the owner or pledgee of any Note and may otherwise deal with the Company or any of its Affiliates with the same rights that it would have if it were not Trustee; *provided, however*, that if the Trustee acquires a “conflicting interest” (within the meaning of Section 310(b) of the Trust Indenture Act), then it must eliminate such conflict within ninety (90) days or resign as Trustee. Each Note Agent will have the same rights and duties as the Trustee under this **Section 10.03**.

Section 10.04. Trustee’s Disclaimer.

The Trustee will not be (A) responsible for, and makes no representation as to, the validity or adequacy of this Indenture or the Notes; (B) accountable for the Company’s use of the proceeds from the Notes or any money paid to the Company or upon the Company’s direction under any provision of this Indenture; (C) responsible for the use or application of any money received by any Paying Agent other than the Trustee; and (D) responsible for any statement or recital in this Indenture, the Notes or any other document relating to the sale of the Notes or this Indenture, other than the Trustee’s certificate of authentication.

Section 10.05. Notice of Defaults.

If a Default or Event of Default occurs and is continuing and is actually known to a Responsible Officer of the Trustee, then the Trustee will send Holders a notice of such Default or Event of Default within ninety (90) days after it occurs or, if it is not actually known to a Responsible Officer of the Trustee at such time, promptly (and in any event within ten (10) Business Days) after it becomes actually known to a Responsible Officer of the Trustee; *provided, however*, that, except in the case of a Default or Event of Default in the payment of the principal of, or interest on, any Note, the Trustee may withhold such notice if and for so long as it in good faith determines that withholding such notice is in the interests of the Holders. The Trustee will not be deemed to have notice or be charged with knowledge of any Default or Event of Default unless (A) written notice thereof has been received by a Responsible Officer; and (B) such notice references the Notes and this Indenture and states on its face that a Default or Event of Default has occurred. For the avoidance of doubt, the Trustee will not be required to deliver such notice at any time after such Default or Event of Default is cured or waived.

Section 10.06. Compensation and Indemnity.

(A) The Company will, from time to time, pay the Trustee reasonable compensation for its acceptance of this Indenture and services under this Indenture as separately agreed to by the Company and the Trustee. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. In addition to the compensation for the Trustee's services, the Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(B) The Company will indemnify the Trustee (in each of its capacities under this Indenture) and its directors, officers, employees and agents, in their capacities as such, against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this **Section 10.06**) and defending itself against any claim (whether asserted by the Company, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties under this Indenture, except to the extent any such loss, liability or expense is attributable (as determined by a final decision of a court of competent jurisdiction) to its negligence or willful misconduct. The Trustee will promptly notify the Company of any claim for which it may seek indemnity, but the Trustee's failure to so notify the Company will not relieve the Company of its obligations under this **Section 10.06(B)**, except to the extent the Company is materially prejudiced by such failure. The Company will defend such claim, and the Trustee will cooperate in such defense. If the Trustee is advised by counsel that it may have defenses available to it that are in conflict with the defenses available to the Company, or that there is an actual or potential conflict of interest, then the Trustee may retain separate counsel, and the Company will pay the reasonable fees and expenses of such counsel (including the reasonable fees and expenses of counsel to the Trustee incurred in evaluating whether such a conflict exists). The Company need not pay for any settlement of any such claim made without its consent, which consent will not be unreasonably withheld.

(C) The obligations of the Company under this **Section 10.06** will survive the resignation or removal of the Trustee and the discharge of this Indenture.

(D) To secure the Company's payment obligations in this **Section 10.06**, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, or interest on, particular Notes, which lien will survive the discharge of this Indenture.

(E) If the Trustee incurs expenses or renders services after an Event of Default pursuant to **clause (viii) or (ix) of Section 7.01(A)** occurs, then such expenses and the compensation for such services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 10.07. Replacement of the Trustee.

(A) Notwithstanding anything to the contrary in this **Section 10.07**, a resignation or removal of the Trustee, and the appointment of a successor Trustee, will become effective only upon such successor Trustee's acceptance of appointment as provided in this **Section 10.07**.

(B) The Trustee may resign at any time and be discharged from the trust created by this Indenture by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (i) the Trustee fails to comply with **Section 10.09**;
- (ii) the Trustee is adjudged to be bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (iii) a custodian or public officer takes charge of the Trustee or its property; or
- (iv) the Trustee becomes incapable of acting.

(C) If the Trustee resigns or is removed, or if a vacancy exists in the office of the Trustee for any reason, then (i) the Company will promptly appoint a successor Trustee; and (ii) at any time within one (1) year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the Notes then outstanding may appoint a successor Trustee to replace such successor Trustee appointed by the Company.

(D) If a successor Trustee does not take office within sixty (60) days after the retiring Trustee resigns or is removed, then the retiring Trustee, the Company or the Holders of at least ten percent (10%) in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(E) If the Trustee, after written request by a Holder of at least six (6) months, fails to comply with **Section 10.09**, then such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(F) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company, upon which notice the resignation or removal of the retiring Trustee will become effective and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will send notice of its succession to Holders. The retiring Trustee will, upon payment of all amounts due to it under this Indenture, promptly transfer all property held by it as Trustee to the successor Trustee, which property will, for the avoidance of doubt, be subject to the lien provided for in **Section 10.06(D)**.

Section 10.08. Successor Trustee by Merger, Etc.

Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee is a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, will (without the execution or filing of any paper or any further act on the part of any of the parties to this Indenture) be the successor of the Trustee under this Indenture, *provided* that such entity is otherwise qualified and eligible to act as such under this **Article 10**.

Section 10.09. Eligibility; Disqualification.

There will at all times be a Trustee under this Indenture that is a corporation organized and doing business under the laws of the United States of America or of any state thereof, that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

Article 11. MISCELLANEOUS

Section 11.01. Notices.

Any notice or communication by the Company or the Trustee to the other will be deemed to have been duly given if in writing and delivered in person or by first class mail (registered or certified, return receipt requested), facsimile transmission, electronic transmission or other similar means of unsecured electronic communication or overnight air courier guaranteeing next day delivery, or to the other's address, which initially is as follows:

If to the Company:

IREN Limited
Level 6, 55 Market Street
Sydney, NSW 2000 Australia
Attention: [***]

with a copy (which will not constitute notice) to:

Davis Polk & Wardwell LLP
450 Lexington Avenue
New York, NY 10017
Attention: Mark J. DiFiore

If to the Trustee:

U.S. Bank Trust Company, National Association
633 West 5th Street, 24th Floor
Los Angeles, California 90071
Attention: B. Scarbrough (IREN Limited Administrator)

Notwithstanding anything to the contrary in the preceding paragraph, notices to the Trustee (other than a notice pursuant to **Section 2.12**) or any Note Agent must be in writing and will be deemed to have been given upon actual receipt by the Trustee or such Note Agent, as applicable.

The Company or the Trustee, by notice to the other, may designate additional or different addresses (including facsimile numbers and electronic addresses) for subsequent notices or communications.

The Trustee will not have any duty to confirm that the person sending any notice, instruction or other communication by electronic transmission (including by e-mail, facsimile transmission, web portal or other electronic methods) is, in fact, a person authorized to do so. Electronic signatures believed by the Trustee to comply with the ESIGN Act of 2000 or other applicable law (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other digital signature provider acceptable to the Trustee) will be deemed original signatures for all purposes. Any person that uses electronic signatures or electronic methods to send communications to the Trustee assumes all risks arising out of such use, including the risk of the Trustee acting on an unauthorized communication and the risk of interception or misuse by third parties. Notwithstanding anything to the contrary in this paragraph, the Trustee may, in any instance and in its sole discretion, require that an original document bearing a manual signature be delivered to the Trustee in lieu of, or in addition to, any such electronic communication.

All notices and communications (other than those sent to Holders) will be deemed to have been duly given: (A) at the time delivered by hand, if personally delivered; (B) five (5) Business Days after being deposited in the mail, postage prepaid, if mailed; (C) when receipt is acknowledged, if transmitted by facsimile, electronic transmission or other similar means of unsecured electronic communication; and (D) the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery.

All notices or communications required to be made to a Holder pursuant to this Indenture must be made in writing and will be deemed to be duly sent or given in writing if mailed by first class mail, certified or registered, return receipt requested, or by overnight air courier guaranteeing next day delivery, to its address shown on the Register; *provided, however*, that a notice or communication to a Holder of a Global Note may, but need not, instead be sent pursuant to the Depositary Procedures (in which case, such notice will be deemed to be duly sent or given in writing). The failure to send a notice or communication to a Holder, or any defect in such notice or communication, will not affect its sufficiency with respect to any other Holder.

If the Trustee is then acting as the Depositary's custodian for the Notes, then, at the reasonable request of the Company to the Trustee, the Trustee will cause any notice prepared by the Company to be sent to any Holder(s) pursuant to the Depositary Procedures, *provided* such request is evidenced in a Company Order delivered, together with the text of such notice, to the Trustee at least two (2) Business Days before the date such notice is to be so sent. For the avoidance of doubt, such Company Order need not be accompanied by an Officer's Certificate or Opinion of Counsel. The Trustee will not have any liability relating to the contents of any notice that it sends to any Holder pursuant to any such Company Order.

If a notice or communication is mailed or sent in the manner provided above within the time prescribed, it will be deemed to have been duly given, whether or not the addressee receives it.

Notwithstanding anything to the contrary in this Indenture or the Notes, (A) whenever any provision of this Indenture requires a party to send notice to another party, no such notice need be sent if the sending party and the recipient are the same Person acting in different capacities (and, for purposes of the interpretation of this Indenture, such notice will be deemed to have been duly sent at the time otherwise required by this Indenture); and (B) whenever any provision of this Indenture requires a party to send notice to more than one receiving party, and each receiving party is the same Person acting in different capacities, then only one such notice need be sent to such Person.

Section 11.02. Delivery of Officer's Certificate and Opinion of Counsel as to Conditions Precedent.

Upon any request or application by the Company to the Trustee to take any action under this Indenture (other than the initial authentication of Notes under this Indenture), the Company will furnish to the Trustee:

(A) an Officer's Certificate that complies with **Section 11.03** and states that, in the opinion of the signatory thereto, all conditions precedent and covenants, if any, provided for in this Indenture relating to such action have been satisfied; and

(B) an Opinion of Counsel that complies with **Section 11.03** and states that, in the opinion of such counsel, all such conditions precedent and covenants, if any, have been satisfied.

Section 11.03. Statements Required in Officer's Certificate and Opinion of Counsel.

Each Officer's Certificate (other than an Officer's Certificate pursuant to **Section 3.06**) or Opinion of Counsel with respect to compliance with a covenant or condition provided for in this Indenture will include:

(A) a statement that the signatory thereto has read such covenant or condition;

(B) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained therein are based;

(C) a statement that, in the opinion of such signatory, he, she or it has made such examination or investigation as is necessary to enable him, her or it to express an informed opinion as to whether or not such covenant or condition has been satisfied; and

(D) a statement as to whether, in the opinion of such signatory, such covenant or condition has been satisfied.

Section 11.04. Rules by the Trustee, the Registrar, the Paying Agent and the Conversion Agent.

The Trustee may make reasonable rules for action by or at a meeting of Holders. Each of the Registrar, the Paying Agent and the Conversion Agent may make reasonable rules and set reasonable requirements for its functions.

Section 11.05. No Personal Liability of Directors, Officers, Employees and Shareholders.

No past, present or future director, officer, employee, incorporator or shareholder of the Company, as such, will have any liability for any obligations of the Company under this Indenture or the Notes or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting any Note, each Holder waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

Section 11.06. Governing Law; Waiver of Jury Trial.

THIS INDENTURE AND THE NOTES, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE OR THE NOTES, WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. EACH OF THE COMPANY AND THE TRUSTEE IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED BY THIS INDENTURE OR THE NOTES.

Section 11.07. Submission to Jurisdiction.

Any legal suit, action or proceeding arising out of or based upon this Indenture or the transactions contemplated by this Indenture may be instituted in the federal courts of the United States of America located in the City of New York or the courts of the State of New York, in each case located in the City of New York (collectively, the “**Specified Courts**”), and each party irrevocably submits to the non-exclusive jurisdiction of such courts in any such suit, action or proceeding. Service of any process, summons, notice or document by mail (to the extent allowed under any applicable statute or rule of court) to such party’s address set forth in **Section 11.01** will be effective service of process for any such suit, action or proceeding brought in any such court. Each of the Company, the Trustee and each Holder (by its acceptance of any Note) irrevocably and unconditionally waives any objection to the laying of venue of any suit, action or other proceeding in the Specified Courts and irrevocably and unconditionally waives and agrees not to plead or claim any such suit, action or other proceeding has been brought in an inconvenient forum.

Section 11.08. No Adverse Interpretation of Other Agreements.

Neither this Indenture nor the Notes may be used to interpret any other indenture, note, loan or debt agreement of the Company or its Subsidiaries or of any other Person, and no such indenture, note, loan or debt agreement may be used to interpret this Indenture or the Notes.

Section 11.09. Successors.

All agreements of the Company in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors.

Section 11.10. Force Majeure.

The Trustee and each Note Agent will not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility under this Indenture or the Notes by reason of any occurrence beyond its control (including any act or provision of any present or future law or regulation or governmental authority, act of God or war, civil unrest, local or national disturbance or disaster, act of terrorism or unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

Section 11.11. U.S.A. PATRIOT Act.

The Company acknowledges that, in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions, in order to help fight the funding of terrorism and money laundering, is required to obtain, verify and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The Company agrees to provide the Trustee with such information as it may request to enable the Trustee to comply with the U.S.A. PATRIOT Act.

Section 11.12. Calculations.

Each Holder of a Note agrees, and each beneficial owner of an interest in a Global Note, by its acquisition of such interest, is deemed to agree, that if the Company or other applicable withholding agent (including the Trustee) pays withholding taxes or backup withholding on behalf of such Holder or beneficial owner as a result of an adjustment or the non-occurrence of an adjustment to the Conversion Rate, then the Company or such withholding agent, as applicable, may, at its option, set off such payments against, or withhold such payments from, payments of cash or the delivery of other Conversion Consideration on such Note, any payments on the Ordinary Shares or sales proceeds received by, or other funds or assets of, such Holder or the beneficial owner of such Note.

Expiration Date: For any Component, as provided in Annex A to this Confirmation (or, if such date is not a Scheduled Valid Day, the next following Scheduled Valid Day that is not already an Expiration Date for another Component); *provided* that if that date is a Disrupted Day, the Expiration Date for such Component shall be the first succeeding Scheduled Valid Day that is not a Disrupted Day and is not or is not deemed to be an Expiration Date in respect of any other Component of the Transaction hereunder; and *provided further* that in no event shall the Expiration Date be postponed to a date later than the Final Termination Date and, notwithstanding anything to the contrary in this Confirmation or the Equity Definitions, the Relevant Price for such Expiration Date that occurs on the Final Termination Date and is a Disrupted Day shall be the prevailing market value per Share as determined by the Calculation Agent in a good faith and commercially reasonable manner. Notwithstanding the foregoing and anything to the contrary in the Equity Definitions, if a Market Disruption Event occurs on any Expiration Date, the Calculation Agent may determine in a good faith and commercially reasonable manner that such Expiration Date is a Disrupted Day only in part, in which case the Calculation Agent shall make commercially reasonable adjustments to the Number of Options for the relevant Component for which such day shall be the Expiration Date, shall designate the Scheduled Valid Day determined in the manner described in the immediately preceding sentence as the Expiration Date for the remaining Options for such Component and shall determine in good faith and a commercially reasonable manner the Relevant Price based on transactions in the Shares on such Disrupted Day taking into account the nature and duration of such Market Disruption Event on such day. Any Scheduled Valid Day on which, as of the date hereof, the Exchange is scheduled to close prior to its normal close of trading shall be deemed not to be a Scheduled Valid Day; if a closure of the Exchange prior to its normal close of trading on any Scheduled Valid Day is scheduled following the date hereof, then such Scheduled Valid Day shall be deemed to be a Disrupted Day in full. The parties acknowledge that this does not restrict or otherwise affect the agreements and acknowledgments set forth in Section 13.2 of the Equity Definitions or any Hedge Positions or Hedging Activities which any Hedging Party may choose to purchase, sell, enter into, maintain or undertake.

Dealer shall notify Counterparty promptly after it determines that a Hypothetical Dealer would have fully established its Applicable Hedge Positions

Net Share Settlement:	With respect to any Component, if Net Share Settlement is applicable to the Options exercised or deemed exercised hereunder, Dealer will deliver to Counterparty, on the relevant Settlement Date for each such Component, a number of Shares (the “ Net Share Settlement Amount ”) equal to (i) the Daily Option Value on the Expiration Date of such Component <i>divided by</i> (ii) the Relevant Price on such Expiration Date. Dealer will deliver cash in lieu of any fractional Shares to be delivered with respect to any Net Share Settlement Amount valued at the Relevant Price for the Expiration Date of such Component.
Cash Settlement:	With respect to any Component, if Cash Settlement is applicable to the Options exercised or deemed exercised hereunder, in lieu of Section 8.1 of the Equity Definitions, Dealer will pay to Counterparty, on the Settlement Date, an amount of cash (the “ Cash Settlement Amount ”) equal to the Daily Option Value on the Expiration Date of such Component.
Daily Option Value:	For any Component, an amount equal to (i) the Number of Options in such Component, <i>multiplied by</i> (ii) the Option Entitlement, <i>multiplied by</i> (iii) (A) the lesser of the Relevant Price on the Expiration Date of such Component and the Cap Price, <i>minus</i> (B) the Strike Price on such Expiration Date; <i>provided</i> that if the calculation contained in clause (iii) above results in a negative number, the Daily Option Value for such Component shall be deemed to be zero. In no event will the Daily Option Value be less than zero.
Valid Day:	A day on which (i) there is no Market Disruption Event and (ii) trading in the Shares generally occurs on the Exchange. If the Shares are not listed, quoted or traded on any U.S. securities exchange or any other market, “ Valid Day ” means a Business Day.

The Relevant Price will be determined without regard to after-hours trading or any other trading outside of the regular trading session trading hours.

Other Applicable Provisions: The provisions of Sections 9.1(c), 9.8, 9.9, 9.11 and 9.12 of the Equity Definitions will be applicable, except that all references in such provisions to “Physical Settlement” shall be read as references to “Net Share Settlement.”

Representation and Agreement: Notwithstanding anything to the contrary in the Equity Definitions (including, but not limited to, Section 9.11 thereof), the parties acknowledge that (i) any Shares delivered to Counterparty shall be, upon delivery, subject to restrictions, obligations and limitations arising from Counterparty’s status as issuer of the Shares under applicable securities laws, (ii) Dealer may deliver any Shares required to be delivered hereunder in certificated form in lieu of delivery through the Clearance System and (iii) any Shares delivered to Counterparty may be “restricted securities” (as defined in Rule 144 under the Securities Act of 1933, as amended (the “**Securities Act**”)).

Adjustments:

Method of Adjustment: Calculation Agent Adjustment; *provided* that the parties agree that (x) open market Share repurchases at prevailing market prices and (y) Share repurchases through a dealer pursuant to accelerated share repurchases, forward contracts or similar transactions (including, without limitation, any discount to average VWAP prices) that are entered into at prevailing market prices, in a commercially reasonable manner, and in accordance with customary market terms for transactions of such type to repurchase the Shares shall not be considered Potential Adjustment Events so long as, in the case of each of clause (x) and clause (y), after giving effect to such repurchase or transaction, the aggregate number of Shares repurchased during the term of the Transaction pursuant to all such transactions described in clause (x) and clause (y) would not exceed 20% of the number of Shares outstanding as of the Trade Date, as determined by the Calculation Agent and as adjusted by the Calculation Agent to account for any subdivision or combination with respect to the Shares.

Extraordinary Events:

New Shares: In the definition of New Shares in Section 12.1(i) of the Equity Definitions, (a) the text in clause (i) thereof shall be deleted in its entirety and replaced with “publicly quoted, traded or listed on any of The New York Stock Exchange, The Nasdaq Global Market or The Nasdaq Global Select Market (or their respective successors),” and (b) the following phrase shall be inserted immediately prior to the period: “and (iii) of a public company limited by shares incorporated under the laws of Australia or of a corporation organized under the laws of the United States, any State thereof or the District of Columbia, in each case, that (x) also becomes Counterparty under the Transaction or (y) agrees to be subject to Sections 8(d) and 8(e) of the Confirmation governing the Transaction, in either case, following such Merger Event or Tender Offer”.

In addition, Section 12.1(e) of the Equity Definitions shall be amended by replacing “voting shares” in the first line thereof with “Shares”, and Section 12.1(l) of the Equity Definitions shall be amended by replacing “voting shares” in the fifth line thereof with “Shares”.

Consequences of Tender Offers:

- (a) Share-for-Share: Modified Calculation Agent Adjustment
- (b) Share-for-Other: Modified Calculation Agent Adjustment
- (c) Share-for-Combined: Modified Calculation Agent Adjustment

Consequences of Announcement
Events:

Modified Calculation Agent Adjustment as set forth in Section 12.3(d) of the Equity Definitions; *provided* that, in respect of an Announcement Event, (x) references to “Tender Offer” shall be replaced by references to “Announcement Event” and references to “Tender Offer Date” shall be replaced by references to “date of such Announcement Event” in the definition of Modified Calculation Agent Adjustment set forth in Section 12.3(d), (y) the phrase “exercise, settlement, payment or any other terms of the Transaction (including, without limitation, the spread)” in the third and fourth lines of the definition of Modified Calculation Agent Adjustment set forth in Section 12.3(d) shall be replaced with the phrase “Cap Price (*provided* that in no event shall the Cap Price be less than the Strike Price)” and the words “whether within a commercially reasonable (as determined by the Calculation Agent) period of time prior to or after the Announcement Event” shall be inserted prior to the word “which” in the seventh line, and (z) for the avoidance of doubt, the Calculation Agent shall, in good faith and a commercially reasonable manner, determine whether the relevant Announcement Event has had a material economic effect on the Transaction and, if so, shall adjust the Cap Price accordingly to take into account such economic effect on one or more occasions on or after the date of the Announcement Event up to, and including, the related Expiration Date, any Early Termination Date and/or any other date of cancellation, it being understood that (i) any adjustment in respect of an Announcement Event shall take into account any earlier adjustment relating to the same Announcement Event and shall not be duplicative with any other adjustment or cancellation valuation made pursuant to this Confirmation, the Equity Definitions or the Agreement and (ii) in making any adjustment the Calculation Agent shall solely take into account changes in stock price, volatility, expected dividends, stock loan rate, and liquidity relevant to the Shares or to such Transaction. An Announcement Event shall be an “Extraordinary Event” for purposes of the Equity Definitions, to which Article 12 of the Equity Definitions is applicable; *provided further* that upon the Calculation Agent making an adjustment, determined in a commercially reasonable manner, to the Cap Price upon any Announcement Event, then the Calculation Agent shall make an adjustment to the Cap Price upon any announcement regarding the same event that gave rise to the original Announcement Event regarding the abandonment of any such event to the extent necessary to reflect the economic effect of such subsequent announcement on the Transaction (*provided* that in no event shall the Cap Price be less than the Strike Price).

Announcement Event:

(i) The public announcement by Counterparty, any agent of Counterparty, any affiliate of Counterparty or a Valid Third Party Entity of any transaction or event that, if completed, would constitute a Merger Event or Tender Offer, or the announcement by Counterparty of any intention to enter into a Merger Event or Tender Offer, (ii) the public announcement by Counterparty, any agent of Counterparty, any affiliate of Counterparty or a Valid Third Party Entity of any potential acquisition or disposition by Counterparty and/or its subsidiaries where the consideration exceeds 35% of the market capitalization of Counterparty as of the date of such announcement (a “**Material Transaction**”), (iii) the public announcement by Counterparty, any agent of Counterparty, any affiliate of Counterparty or a Valid Third Party Entity of an intention by Counterparty or such Valid Third Party Entity to solicit or enter into, or to explore strategic alternatives or other similar undertaking that may include, a Merger Event, Tender Offer or Material Transaction, or (iv) any subsequent public announcement by Counterparty, any agent of Counterparty, any affiliate of Counterparty or a Valid Third Party Entity of a change to a transaction or intention that is the subject of an announcement of the type described in clause (i), (ii) or (iii) of this sentence (including, without limitation, a new announcement relating to such a transaction or intention or the announcement of a withdrawal from, or the abandonment or discontinuation of, such a transaction or intention). For the avoidance of doubt, the occurrence of an Announcement Event with respect to any transaction or intention shall not preclude the occurrence of a later Announcement Event with respect to such transaction or intention. For purposes of this definition of “Announcement Event,” “Merger Event” shall mean such term as defined under Section 12.1(b) of the Equity Definitions (but, for the avoidance of doubt, the remainder of the definition of “Merger Event” in Section 12.1(b) of the Equity Definitions following the definition of “Reverse Merger” therein shall be disregarded).

Valid Third Party Entity:	In respect of any transaction or event, any third party that the Calculation Agent reasonably determines has a bona fide intent to enter into or consummate such transaction or event (or an affiliate or agent of such a third party) (it being understood and agreed that in making such a determination, the Calculation Agent may take into consideration the effect of the relevant announcement by such third party on the Shares and/or options relating to the Shares).
Notice of Merger Consideration and Consequences:	Upon the occurrence of a Merger Event that causes the Shares to be converted into the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), Counterparty shall reasonably promptly (but in any event prior to the relevant Merger Date) notify the Calculation Agent of (i) the type and amount of consideration that a holder of Shares would have been entitled to in the case of reclassifications, consolidations, mergers, sales or transfers of assets or other transactions that cause Shares to be converted into the right to receive more than a single type of consideration and (ii) the weighted average of the types and amounts of consideration to be received by the holders of Shares that affirmatively make such an election.
Nationalization, Insolvency or Delisting:	Cancellation and Payment (Calculation Agent Determination); <i>provided</i> that in addition to the provisions of Section 12.6(a)(iii) of the Equity Definitions, it will also constitute a Delisting if the Shares are not immediately re-listed, re-traded or re-quoted on any of the New York Stock Exchange, The Nasdaq Global Select Market or The Nasdaq Global Market (or their respective successors); if the Shares are immediately re-listed, re-traded or re-quoted on any such exchange or quotation system, such exchange or quotation system shall thereafter be deemed to be the Exchange.

(a) Change in Law:	Applicable; <i>provided</i> that Section 12.9(a)(ii) of the Equity Definitions is hereby amended by (i) replacing the phrase “the interpretation” in the third line thereof with the phrase “, or public announcement of, the formal or informal interpretation”, (ii) adding the phrase “and/or type of Applicable Hedge Positions” after the word “Shares” in clause (X) thereof, (iii) immediately following the word “Transaction” in clause (X) thereof, adding the phrase “in the manner that Dealer determines would have been contemplated by a Hypothetical Dealer on the Trade Date” and (iv) adding the words “ <i>provided</i> that, in the case of clause (Y) hereof and any law, regulation or interpretation, the consequence of such law, regulation or interpretation is applied consistently by Dealer to all of its similarly situated counterparties and/or similar transactions” after the semi-colon in the last line thereof; and <i>provided further</i> that Section 12.9(a)(ii) of the Equity Definitions is hereby amended by (i) replacing the parenthetical beginning after the word “regulation” in the second line thereof with the words “(including, for the avoidance of doubt and without limitation, (x) any tax law or (y) adoption or promulgation of new regulations authorized or mandated by existing statute)” and (ii) adding the words “, or holding, acquiring or disposing of Shares or the Applicable Hedge Positions relating to,” after the words “obligations under” in clause (Y) thereof.
(b) Failure to Deliver:	Applicable

(c) Insolvency Filing:	Applicable
(d) Hedging Disruption:	Applicable; <i>provided</i> that “Hedging Disruption” shall be amended in its entirety to mean that the Hedging Party determines that a Hypothetical Dealer would be unable, after using commercially reasonable efforts to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk of entering into and performing its obligations with respect to the Transaction, or (B) realize, recover or remit the proceeds of any such transaction(s) or asset(s), <i>provided</i> that any such inability that (1) is incurred solely due to the deterioration of the creditworthiness of the Hedging Party, or (2) arises solely as a result of a failure of a system within the control of the Hedging Party, shall not be deemed a Hedging Disruption, and, for the avoidance of doubt, (x) the term “equity price risk” shall be deemed to include, but shall not be limited to, stock price and volatility risk, and (y) the transactions or assets referred to in phrases (A) or (B) above must be available on commercially reasonable pricing and other terms; <i>provided further</i> that Section 12.9(b)(iii) of the Equity Definitions is hereby amended by inserting in the third line thereof, after the words “to terminate the Transaction”, the words “or a portion of the Transaction affected by such Hedging Disruption”.
(e) Increased Cost of Hedging:	Not Applicable
Hedging Party:	Dealer
Determining Party:	For all applicable Extraordinary Events, Dealer; <i>provided</i> that, when making any determination or calculation as “Determining Party,” Dealer shall be bound by the same obligations relating to required acts of the Calculation Agent as set forth in Section 1.40 of the Equity Definitions and this Confirmation as if Determining Party were the Calculation Agent. Following any determination or calculation by Determining Party hereunder, upon a written request by Counterparty, Determining Party will promptly (but in any event within five Scheduled Trading Days) provide to Counterparty in writing a report (in a commonly used file format for the storage and manipulation of financial data) displaying in reasonable detail the basis for such determination or calculation (including any assumptions used in making such determination or calculation), it being understood that in no event will Determining Party be obligated to share with Counterparty any proprietary or confidential data or information or any proprietary or confidential models used by it in making such determination or calculation or any information that is subject to an obligation not to disclose such information.
Non-Reliance:	Applicable
Agreements and Acknowledgments Regarding Hedging Activities:	Applicable
Additional Acknowledgments:	Applicable

(a) In addition to the representations and warranties in the Agreement and those contained elsewhere herein, Counterparty represents and warrants to and for the benefit of, and agrees with, Dealer as follows:

(i) On the Trade Date, all reports and other documents filed by Counterparty with the Securities and Exchange Commission pursuant to the Exchange Act and the Australian Securities and Investments Commission (“ASIC”) pursuant to the Corporations Act, in each case, when considered as a whole (with the more recent such reports and documents deemed to amend inconsistent statements contained in any earlier such reports and documents), do not contain any untrue statement of a material fact or any omission of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading.

(ii) On the Trade Date, (A) the Shares or securities that are convertible into, or exchangeable or exercisable for Shares, are not, and shall not be, subject to a “restricted period,” as such term is defined in Regulation M under the Exchange Act (“**Regulation M**”), and (B) Counterparty is not engaged in any “distribution,” as such term is defined in Regulation M, in either case, other than (i) a distribution meeting the requirements of the exceptions set forth in Rules 101(b)(10) and 102(b)(7) or Rule 102(c)(1)(i) of Regulation M, (ii) the “Concurrent Registered Direct Offering” (as defined in the Preliminary Offering Memorandum dated December 1, 2025 relating to the Convertible Notes (as defined below) and Counterparty’s [0.25]⁹[1.00]¹⁰% Convertible Senior Notes due [2032]¹¹[2033]¹²) and (iii) any such “restricted period” and/or distribution that may be considered to exist as a result of the Issuer’s existing at-the-market Share issuance program. Counterparty shall not, until the third Exchange Business Day immediately following the Trade Date, engage in any such distribution.

(iii) On the Trade Date, neither Counterparty nor any “affiliate” or “affiliated purchaser” (each as defined in Rule 10b-18 of the Exchange Act (“**Rule 10b-18**”)) shall directly or indirectly (including, without limitation, by means of any cash-settled or other derivative instrument) purchase, offer to purchase, place any bid or limit order that would effect a purchase of, or commence any tender offer relating to, any Shares (or an equivalent interest, including a unit of beneficial interest in a trust or limited partnership or a depository share) or any security convertible into or exchangeable or exercisable for Shares.

(iv) Without limiting the generality of Section 13.1 of the Equity Definitions, Counterparty acknowledges that neither Dealer nor any of its affiliates is making any representations or warranties or taking any position or expressing any view with respect to the treatment of the Transaction under any accounting standards including ASC Topic 260, *Earnings Per Share*, ASC Topic 815, *Derivatives and Hedging*, or ASC Topic 480, *Distinguishing Liabilities from Equity* and ASC 815-40, *Derivatives and Hedging – Contracts in Entity’s Own Equity* (or any successor issue statements).

(vi) On or prior to the Trade Date, Counterparty shall deliver to Dealer a resolution of Counterparty's board of directors authorizing the Transaction.

(vii) Counterparty is not entering into this Confirmation or amending or taking any action in respect of this Transaction to create actual or apparent trading activity in the Shares (or any security convertible into or exchangeable for Shares) or to raise or depress or otherwise manipulate the price of the Shares (or any security convertible into or exchangeable for Shares) or otherwise in violation of the Exchange Act and/or the Corporations Act.

(viii) Counterparty is not, and after giving effect to the transactions contemplated hereby will not be, required to register as, an "investment company" as such term is defined in the Investment Company Act of 1940, as amended.

(ix) On and immediately after each of the Trade Date and the Premium Payment Date: Counterparty is able to pay its debts as and when they fall due for payment or is otherwise not presumed or deemed to be insolvent (including as such term is defined under either or both of: (1) Section 101(32) of the U.S. Bankruptcy Code (Title 11 of the United States Code) (the "**Bankruptcy Code**"); and (2) the Corporations Act); and, Counterparty would be able to purchase the aggregate Number of Shares for the Transaction in compliance with the laws of the jurisdiction of Counterparty's incorporation (assuming receipt of the Counterparty Shareholder Purchase Approval).

(x) To Counterparty's knowledge, no U.S. state or local law, rule, regulation or regulatory order applicable to the Shares would give rise to any reporting, consent, registration or other requirement (including without limitation a requirement to obtain prior approval from any person or entity) as a result of Dealer or its affiliates owning or holding (however defined) Shares; *provided* that no such representation shall be made by Counterparty with respect to any rules and regulations applicable to Dealer (including any rules and regulations of the Financial Industry Regulatory Authority, Inc.) arising from Dealer's status as a regulated entity under applicable law.

(xi) Counterparty (A) is capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities; (B) will exercise independent judgment in evaluating the recommendations of any broker-dealer or its associated persons, unless it has otherwise notified the broker-dealer in writing; and (C) has total assets of at least USD 50 million as of the date hereof.

(b) Each of Dealer and Counterparty agrees and represents that it is an "eligible contract participant" as defined in Section 1a(18) of the U.S. Commodity Exchange Act, as amended.

(c) Each of Dealer and Counterparty acknowledges that the offer and sale of the Transaction to it is intended to be exempt from registration under the Securities Act, by virtue of Section 4(a)(2) thereof. Accordingly, Counterparty represents and warrants to Dealer that (i) it has the financial ability to bear the economic risk of its investment in the Transaction and is able to bear a total loss of its investment and its investments in and liabilities in respect of the Transaction, which it understands are not readily marketable, are not disproportionate to its net worth, and it is able to bear any loss in connection with the Transaction, including the loss of its entire investment in the Transaction, (ii) it is an "accredited investor" as that term is defined in Regulation D as promulgated under the Securities Act, (iii) it is entering into the Transaction for its own account and without a view to the distribution or resale thereof, (iv) the assignment, transfer or other disposition of the Transaction has not been and will not be registered under the Securities Act and is restricted under this Confirmation, the Securities Act and state securities laws, and (v) its financial condition is such that it has no need for liquidity with respect to its investment in the Transaction and no need to dispose of any portion thereof to satisfy any existing or contemplated undertaking or indebtedness and is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of the Transaction.

(d) Each of Dealer and Counterparty agrees and acknowledges that Dealer is a "financial institution," "swap participant" and "financial participant" within the meaning of Sections 101(22), 101(53C) and 101(22A) of the Bankruptcy Code. The parties hereto further agree and acknowledge (A) that this Confirmation is (i) a "securities contract," as such term is defined in Section 741(7) of the Bankruptcy Code, with respect to which each payment and delivery hereunder or in connection herewith is a "termination value," "payment amount" or "other transfer obligation" within the meaning of Section 362 of the Bankruptcy Code and a "settlement payment" within the meaning of Section 546 of the Bankruptcy Code, and (ii) a "swap agreement," as such term is defined in Section 101(53B) of the Bankruptcy Code, with respect to which each payment and delivery hereunder or in connection herewith is a "termination value," "payment amount" or "other transfer obligation" within the meaning of Section 362 of the Bankruptcy Code and a "transfer" within the meaning of Section 546 of the Bankruptcy Code, and (B) that Dealer is entitled to the protections afforded by, among other sections, Sections 362(b)(6), 362(b)(17), 362(b)(27), 362(o), 546(e), 546(g), 546(j), 548(d)(2), 555, 560 and 561 of the Bankruptcy Code.

(e) As a condition to the effectiveness of the Transaction, Counterparty shall deliver to Dealer an opinion of counsel, dated as of the Effective Date and reasonably acceptable to Dealer in form and substance, with respect to the matters set forth in Section 3(a)(i), (ii), (iii) and (iv) of the Agreement.

(f) Counterparty understands that notwithstanding any other relationship between Counterparty and Dealer and its affiliates, in connection with the Transaction and any other over-the-counter derivative transactions between Counterparty and Dealer or its affiliates, Dealer or its affiliates is acting as principal and is not a fiduciary or advisor in respect of any such transaction, including any entry, exercise, amendment, unwind or termination thereof.

(g) [Each party acknowledges and agrees to be bound by the Conduct Rules of the Financial Industry Regulatory Authority, Inc. applicable to transactions in options, and further agrees not to violate the position and exercise limits set forth therein.

(h) Counterparty represents and warrants that it has received, read and understands the OTC Options Risk Disclosure Statement and a copy of the most recent disclosure pamphlet prepared by The Options Clearing Corporation entitled "Characteristics and Risks of Standardized Options".¹³

(i) (i) It is not entering into the Transaction on behalf of or for the accounts of any other person or entity, and will not transfer or assign its obligations under the Transaction or any portion of such obligations to any other person or entity except in compliance with applicable laws and the terms of the Transaction; (ii) it understands that the Transaction is subject to complex risks which may arise without warning and may at times be volatile, and that losses may occur quickly and in unanticipated magnitude; (iii) it is authorized to enter into the Transaction and such action does not violate any laws of its jurisdiction of incorporation, organization or residence (including, but not limited to, any applicable position or exercise limits set by any self-regulatory organization, either acting alone or in concert with others) or the terms of any agreement to which it is a party; (iv) it has consulted with its legal advisor(s) and has reached its own conclusions about the Transaction, and any legal, regulatory, tax, accounting or economic consequences arising from the Transaction; (v) it has concluded that the Transaction is suitable in light of its own investment objectives, financial condition and expertise; and (vi) neither Dealer nor any of its affiliates has advised it with respect to any legal, regulatory, tax, accounting or economic consequences arising from the Transaction, and neither Dealer nor any of its affiliates is acting as agent, or advisor for Counterparty in connection with the Transaction.

(j) In addition to the representations and warranties in the Agreement and those contained elsewhere herein, Counterparty represents and warrants to, and agrees with, Dealer that:

(i) it and, to the best of its knowledge, any individual who is its officer (as defined in the Corporations Act) or any other person who has authority to take any action in respect of this Transaction (a "**Relevant Individual**");

(A) is not in possession of any inside information or material non-public information, howsoever defined under all applicable laws and regulations in each relevant jurisdiction (including, but not limited to, Australia and the U.S.) regarding the Counterparty or the Shares ("**MNPI**");

(B) will not seek to terminate, amend or otherwise modify the Transaction while in possession of any MNPI; and/or

¹³ Include only for FINRA regulated dealers.

(C) at any time up until immediately after termination of the Transaction, will not be engaged in market manipulation or in insider dealing under any applicable legislation in any relevant jurisdiction (including, but not limited to, Australia and the U.S.),

in each case, where doing so would breach an applicable law or regulation;

(ii) it will comply with all reporting requirements and make any filings and disclosures relating to the Transaction required to be made by it under applicable laws and regulations and the rules of any Exchange, including without limitation, to the extent applicable, the Corporations Act and *Australian Securities and Investments Commission Act 2001* (Cth) (“ASIC Act”) and regulations promulgated thereunder. By entering into the Transaction, each party agrees to such disclosure and releases the other party and any of its subsidiaries and Affiliates from any duty of confidentiality owed to it in respect of such information for the purpose of such disclosure;

(iii) the execution, delivery and performance of its obligations under the Transaction (and this Confirmation) will not violate any applicable law or regulation, including but not limited to, any short selling restrictions, applicable to Counterparty, and Counterparty is not engaging in the Transaction contemplated hereunder with the intent to impermissibly avoid any such restrictions; and

(iv) the entering into of the Transaction and any amendment to, or termination of, the Transaction and any related action in connection with the exercise of any rights under the Transaction by it will not cause or result in Counterparty violating any provision of Division 3 of Part 7.10 and section 606 of the Corporations Act.

Counterparty acknowledges that Dealer is entering into the Transaction in express reliance upon the representations, warranties and undertakings set out in, and other terms of, this Confirmation and Agreement. Counterparty undertakes promptly to inform Dealer if any such representation is or becomes untrue or incorrect.

Counterparty makes the representations in Sections 7(j)(i) to (iv) above:

- (I) on the Trade Date;
- (II) on each day on which it makes any election for the purposes of Settlement Method Election and/or takes any actions under Section 8(b); and
- (III) on each day on which it receives and/or cancels any Shares in accordance with this Confirmation.

(k) Counterparty (i) shall provide evidence of a valid Counterparty Shareholder Purchase Approval or a copy of each Annual Buy-back Mandate Renewal relating to Net Share Settlement of this Transaction to Dealer within five Business Days after obtaining such Counterparty Shareholder Purchase Approval or such Annual Buy-back Mandate Renewal, as applicable and (ii) if the Annual Buy-back Mandate Renewal is not obtained at any general meeting of Counterparty to be held during the term of this Transaction, shall within two Local Business Days of the close of such general meeting inform Dealer that the Counterparty Shareholder Purchase Approval has lapsed. For the avoidance of doubt, this Section 6(k) shall not apply at any time at which the laws of Counterparty’s jurisdiction of organization permit Counterparty’s purchase of Shares pursuant to the Transaction (including as a result of Counterparty being a corporation organized under the laws of the United States, any State thereof or the District of Columbia).

(l) Counterparty represents and warrants to and for the benefit of, and undertakes to, Dealer that on the Trade Date, the assets of the Counterparty do not consist wholly or principally of real property situated in Australia for the purposes of Division 855 of the Income Tax Assessment Act 1997 (Cth).

8. Other Provisions:

(a) *Right to Extend.*

(i) Dealer may divide any Component into additional Components and designate the Expiration Date and the Number of Options for each such Component if Dealer determines, in good faith and a commercially reasonable manner, that such further division would be necessary or advisable to (i) preserve a Hypothetical Dealer's hedging or hedge unwind activity with respect to the Transaction in light of existing liquidity conditions or to enable such a Hypothetical Dealer to purchase or sell Shares or enter into swap or other derivatives transactions with respect to Shares in connection with its commercially reasonable hedging, hedge unwind or settlement activity with respect to the Transaction in a manner that would, if such Hypothetical Dealer were Counterparty or an affiliated purchaser of Counterparty, be compliant and consistent with applicable legal, regulatory or self-regulatory requirements generally applicable to transactions of the type of the Transaction, including any requirement, policies or procedures relating to the Hypothetical Dealer's hedging activities hereunder ("**Relevant Laws**") for the purposes of this Section 8(a), or with related policies and procedures adopted by the Hypothetical Dealer in good faith so long as such policies and procedures are generally applicable in similar situations and applied in a non-discriminatory manner or (ii) to comply with any Relevant Laws; *provided* that in no event shall any Expiration Date for any Component be postponed to a date later than the Final Termination Date.

(ii) Counterparty may, if Counterparty determines based on the advice of counsel, in good faith and in a commercially reasonable manner, that any of the representations to be repeated on the Settlement Date, in the case that the Settlement Method is Net Share Settlement, may be incorrect or misleading, postpone the Settlement Date until the earlier of (x) 90 days after the scheduled Settlement Date and (y) the date on which Counterparty makes such representations to Dealer (which representations Counterparty shall make promptly upon determining it is able to do so). If the Settlement Date shall not have occurred by such 90th day, then an Additional Termination Event shall occur in respect of the Transaction with Counterparty as the sole Affected Party.

(b) *Additional Termination Events.* Promptly (but in any event within ten Scheduled Trading Days) following any repurchase, redemption, exchange or conversion of any of Counterparty's [0.25]¹⁴[1.00]¹⁵% Convertible Senior Notes due [2032]¹⁶[2033]¹⁷ (the "**Convertible Notes**") issued pursuant to Counterparty's indenture (the "**Indenture**") [to be]¹⁸ dated December 8, 2025 between Counterparty and U.S. Bank Trust Company, National Association, as trustee, Counterparty may notify Dealer in writing of (i) such repurchase, redemption, exchange or conversion, (ii) the number of Convertible Notes so repurchased, redeemed or converted, (iii) the number of Shares underlying each USD 1,000 principal amount of Convertible Notes and (iv) the number of Options as to which Counterparty elects to exercise its termination rights under this Section 8(b) (any such notice, a "**Repurchase Notification**" and any such event, a "**Repurchase Event**")¹⁹; *provided* that any "Repurchase Notification" delivered to Dealer pursuant to the Base Capped Call Transaction Confirmation letter agreement dated December 3, 2025 between Dealer and Counterparty (the "**Base Call Option Confirmation**") shall be deemed to be a Repurchase Notification pursuant to this Confirmation and the terms of such Repurchase Notification shall apply, *mutatis mutandis*, to this Confirmation¹⁹. Notwithstanding anything to the contrary in this Confirmation, the receipt by Dealer from Counterparty of (x) any Repurchase Notification, within the applicable time period set forth in the preceding sentence, (y) a written representation and warranty by Counterparty that, as of the date of such Repurchase Notification, Counterparty is not in possession of any material non-public information regarding Counterparty or the Shares, and (z) a written representation and warranty by Counterparty that the aggregate Repurchase Options, together with any options being terminated concurrently under other capped call transactions entered into in connection with the issuance of the Convertible Notes, will not exceed the number of Shares underlying the Convertible Notes specified in such Repurchase Notification *divided by* the Option Entitlement, shall constitute an Additional Termination Event as provided in this paragraph. Upon receipt of any such Repurchase Notification and the related written representations and warranties, Dealer shall promptly designate an Exchange Business Day following receipt of such Repurchase Notification as an Early Termination Date with respect to the portion of this Transaction corresponding to a number of Options (the "**Repurchase Options**") equal to the lesser of (A) [(x)] the number of Options specified in such Repurchase Notification [, *minus* (y) the number of "Repurchase Options" (as defined in the Base Call Option Confirmation), if any, that relate to such Convertible Notes (and for the purposes of determining whether any Options under this Confirmation or under, and as defined in, the Base Call Option Confirmation will be among the Repurchase Options hereunder or under, and as defined in, the Base Call Option Confirmation, the number of Convertible Notes specified in such Repurchase Notification shall be allocated first to the Base Call Option Confirmation until all Options thereunder are exercised or terminated)]²⁰ and (B) the aggregate Number of Options as of the date Dealer designates such Early Termination Date and, as of such date, the aggregate Number of Options shall be reduced by the number of Repurchase Options on a pro rata basis across all Components, as determined by the Calculation Agent. Any payment hereunder with respect to such termination shall be calculated pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to this Transaction and an aggregate Number of Options equal to the number of Repurchase Options, (2) Counterparty were the sole Affected Party with respect to such Additional Termination Event and (3) the terminated portion of the Transaction were the sole Affected Transaction.

(c) *Alternative Calculations and Payment on Early Termination and on Certain Extraordinary Events.* Solely on a Physical Settlement Date, if (a) an Early Termination Date (whether as a result of an Event of Default or a Termination Event) occurs or is designated with respect to the Transaction or (b) the Transaction is cancelled or terminated upon the occurrence of an Extraordinary Event (except as a result of (i) a Nationalization, Insolvency or Merger Event in which the consideration to be paid to all holders of Shares consists solely of cash, (ii) a Merger Event or Tender Offer that is within Counterparty's control, or (iii) an Event of Default in which Counterparty is the Defaulting Party or a Termination Event in which Counterparty is the Affected Party, which Event of Default or Termination Event resulted from an event or events within Counterparty's control), and if Dealer would owe any amount to Counterparty pursuant to Section 6(d)(ii) and 6(e) of the Agreement or any Cancellation Amount pursuant to Article 12 of the Equity Definitions (any such amount, a "**Payment Obligation**"), then Dealer shall satisfy the Payment Obligation by the Share Termination Alternative (as defined below), unless (a) Counterparty gives irrevocable telephonic notice to Dealer, confirmed in writing within one Scheduled Trading Day, no later than 12:00 p.m. (New York City time) on the Merger Date, Tender Offer Date, Announcement Date (in the case of a Nationalization, Insolvency or Delisting), Early Termination Date or date of cancellation, as applicable, of its election that the Share Termination Alternative shall not apply, (b) as of the date of such election, Counterparty represents that it is not in possession of any material non-public information regarding Counterparty or the Shares, and that such election is being made in good faith and not as part of a plan or scheme to evade compliance with the federal securities laws, and (c) Dealer agrees, in its commercially reasonable discretion, to such election, in which case the provisions of Section 12.7 or Section 12.9 of the Equity Definitions, or the provisions of Section 6(d)(ii) and 6(e) of the Agreement, as the case may be, shall apply. For the avoidance of doubt, at any time, the Share Termination Alternative shall not apply on a date that is not a Physical Settlement Date, and any amounts due in respect of a date that is not a Physical Settlement Date as a result of any cancellation or termination of the Transaction shall be paid in cash.

Share Termination Alternative:

If applicable, Dealer shall deliver to Counterparty the Share Termination Delivery Property on, or within a commercially reasonable period of time after, the date when the relevant Payment Obligation would otherwise be due pursuant to Section 12.7 or 12.9 of the Equity Definitions or Section 6(d)(ii) and 6(e) of the Agreement, as applicable, in satisfaction of such Payment Obligation in the manner reasonably requested by Counterparty free of payment.

Share Termination Delivery Property:

A number of Share Termination Delivery Units, as calculated by the Calculation Agent in a commercially reasonable manner, equal to the Payment Obligation *divided by* the Share Termination Unit Price. The Calculation Agent shall, in a commercially reasonable manner, adjust the Share Termination Delivery Property by replacing any fractional portion of a security therein with an amount of cash equal to the value of such fractional security based on the values used to calculate the Share Termination Unit Price.

Share Termination Unit Price:	The value of property contained in one Share Termination Delivery Unit, as determined by the Calculation Agent in its discretion by commercially reasonable means and notified by the Calculation Agent to Dealer at the time of notification of the Payment Obligation. For the avoidance of doubt, the parties agree that in determining the Share Termination Delivery Unit Price the Calculation Agent may consider a variety of factors, including the market price of the Share Termination Delivery Units and/or the purchase price paid in connection with the commercially reasonable purchase of Share Termination Delivery Property.
Share Termination Delivery Unit:	One Share or, if the Shares have changed into cash or any other property or the right to receive cash or any other property as the result of a Nationalization, Insolvency or Merger Event (any such cash or other property, the "Exchange Property"), a unit consisting of the type and amount of such Exchange Property received by a holder of one Share (without consideration of any requirement to pay cash or other consideration in lieu of fractional amounts of any securities) in such Nationalization, Insolvency or Merger Event, as determined by the Calculation Agent.
Failure to Deliver:	Applicable
Other Applicable Provisions:	If Share Termination Alternative is applicable, the provisions of Sections 9.8, 9.9 and 9.11 (as modified above) of the Equity Definitions and the provisions set forth opposite the caption "Representation and Agreement" in Section 2 will be applicable, except that all references in such provisions to "Physically-settled" shall be read as references to "Share Termination Settled" and all references to "Shares" shall be read as references to "Share Termination Delivery Units". "Share Termination Settled" in relation to the Transaction means that the Share Termination Alternative is applicable to the Transaction.

(d) *Disposition of Hedge Shares.* Counterparty hereby agrees that if, in the good faith reasonable judgment of Dealer, based on the advice of legal counsel, the Shares acquired by Dealer for the purpose of effecting a commercially reasonable hedge of its obligations pursuant to the Transaction (the "**Hedge Shares**") cannot be sold in the U.S. public market by Dealer without registration under the Securities Act, Counterparty shall, at its election: (i) in order to allow Dealer to sell the Hedge Shares in a registered offering, make available to Dealer an effective registration statement under the Securities Act to cover the resale of such Hedge Shares and (A) enter into an agreement, in form and substance reasonably satisfactory to Dealer, substantially in the form of an underwriting agreement for a registered offering for companies of a similar size in a similar industry, (B) provide accountant's "comfort" letters in customary form for registered offerings of equity securities for companies of a similar size in a similar industry, (C) provide disclosure opinions of nationally recognized outside counsel to Counterparty in customary form for registered offerings of equity securities for companies of a similar size in a similar industry, (D) provide other customary opinions, certificates and closing documents customary in form for registered offerings of equity securities for companies of a similar size in a similar industry and (E) afford Dealer a reasonable opportunity to conduct a "due diligence" investigation with respect to Counterparty customary in scope for underwritten offerings of equity securities for companies of a similar size in a similar industry; *provided, however,* that, if Counterparty elects clause (i) above but Dealer, in its sole reasonable discretion, is not satisfied with access to due diligence materials, the results of its due diligence investigation, or the procedures and documentation for the registered offering referred to above, then clause (ii) or clause (iii) of this Section 8(d) shall apply at the election of Counterparty; *provided* that Dealer has given Counterparty reasonable notice of its determination and provided Counterparty with reasonable opportunity to satisfy Dealer's concerns; (ii) in order to allow Dealer to sell the Hedge Shares in a private placement, enter into a private placement agreement substantially similar to private placement purchase agreements customary for private placements of equity securities of companies of a similar size in a similar industry, in form and substance commercially reasonably satisfactory to Dealer using reasonable best efforts to include customary representations, covenants, blue sky and other governmental filings and/or registrations, indemnities to Dealer, due diligence rights (for Dealer or any designated buyer of the Hedge Shares from Dealer), opinions and certificates and such other documentation as is customary for private placements agreements of equity securities of companies of a similar size in a similar industry, as is reasonably acceptable to Dealer (in which case, the Calculation Agent shall make any adjustments to the terms of the Transaction that are necessary, in its good faith and commercially reasonable judgment, to compensate Dealer for any customary liquidity discount from the public market price of the Shares incurred on the sale of Hedge Shares in a private placement); *provided* that no "comfort letter" or accountants' consent shall be required to be delivered in connection with any private placements; or (iii) at any time on a Physical Settlement Date, purchase the Hedge Shares from Dealer at the then-prevailing market price at one or more times on such Exchange Business Days, and in the amounts, requested by Dealer.

(e) *Repurchase Notices.* If at any time Counterparty is subject to Section 16 of the Exchange Act, Counterparty shall, at least one Scheduled Valid Day prior to any day on which Counterparty intends to effect any repurchase of Shares, give Dealer written notice of such repurchase (a “**Repurchase Notice**”) on such day if, following such repurchase, the Notice Percentage would reasonably be expected to be (i) greater than 14.54% and (ii) greater by 0.5% than the Notice Percentage included in the immediately preceding Repurchase Notice (or, in the case of the first such Repurchase Notice, greater than the Notice Percentage as of the date hereof); *provided that*, in the case of any repurchases of Shares pursuant to a plan under Rule 10b5-1 under the Exchange Act, Counterparty may elect to satisfy such requirement by promptly providing Dealer with advance written notice on or prior to any such day of entry into such plan, the maximum number of Shares that may be purchased thereunder and the approximate dates or periods during which such purchases may occur (with such maximum number of Shares deemed repurchased on the date of such notice for purposes of this Section 8(e)), in each case so long as such advance written notice shall not contain any material non-public information with respect to the Issuer or the Shares. The “**Notice Percentage**” as of any day is the fraction, expressed as a percentage, the numerator of which is the aggregate Number of Shares, *plus* the aggregate number of Shares underlying any other call options sold by Dealer to Counterparty and the denominator of which is the number of Shares outstanding on such day. In the event that Counterparty fails to provide Dealer with a Repurchase Notice on the day and in the manner specified in this Section 8(e) then Counterparty agrees to indemnify and hold harmless Dealer, its affiliates and their respective directors, officers, employees, agents and controlling persons (Dealer and each such person being an “**Indemnified Party**”) from and against any and all commercially reasonable losses (including, if applicable, direct losses relating to Dealer’s commercially reasonable hedging activities as a consequence of becoming, or of the risk of becoming, a Section 16 “insider” or otherwise obtaining “inside information” as defined in the Corporations Act, including without limitation, any forbearance from hedging activities or cessation of hedging activities and any losses in connection therewith with respect to the Transaction), claims, damages and liabilities (or actions in respect thereof), joint or several, to which such Indemnified Party may become subject under applicable securities laws, including without limitation, Section 16 of the Exchange Act or under any U.S. state or federal law, regulation or regulatory order, or, if applicable, under the Corporations Act, ASIC Act or any other law, regulation or regulatory order of an Australian law, in each case relating to or arising out of such failure. If for any reason the foregoing indemnification is unavailable to any Indemnified Party or insufficient to hold harmless any Indemnified Party, then Counterparty shall contribute, to the maximum extent permitted by law, to the amount paid or payable by the Indemnified Party as a result of such loss, claim, damage or liability. In addition, Counterparty will reimburse any Indemnified Party for all commercially reasonable expenses (including commercially reasonable outside counsel fees and expenses) as they are incurred (after notice to Counterparty) in connection with the investigation of, preparation for or defense or settlement of any pending or threatened claim or any action, suit or proceeding arising therefrom, whether or not such Indemnified Party is a party thereto and whether or not such claim, action, suit or proceeding is initiated or brought by or on behalf of Counterparty, in each case relating to or arising out of such failure. Counterparty shall be relieved from liability under this Section 8(e) to the extent that the Indemnified Party fails promptly to notify Counterparty of any action commenced against it in respect of which indemnity may be sought hereunder (it being understood that any such notice delivered within 30 calendar days of the commencement of any such action shall be deemed to have been delivered promptly for such purpose), if and to the extent that Counterparty is materially prejudiced by such delayed notification. This indemnity shall survive the completion of the Transaction contemplated by this Confirmation and any assignment and delegation of the Transaction made pursuant to this Confirmation or the Agreement and shall inure to the benefit of any permitted assignee of Dealer. Counterparty will not be liable under this indemnity provision to the extent any loss, claim, damage, liability or expense is conclusively found in a final and non-appealable judgment by a court of competent jurisdiction to have resulted from Dealer’s gross negligence or willful misconduct.

(f) *Transfer and Assignment.* Either party may transfer or assign any of its rights or obligations under the Transaction with the prior written consent of the non-transferring party, such consent not to be unreasonably withheld or delayed; *provided* that Dealer may transfer or assign its rights and obligations hereunder, in whole or in part, without Counterparty's consent, to any affiliate of Dealer (a "**Designated Transferee**") (A) whose obligations would be guaranteed by Dealer or Dealer's ultimate parent or (B) that has, or whose obligations would be guaranteed by a person with, in either case under this clause (B), a rating for its long-term, unsecured and unsubordinated indebtedness at least equivalent to Dealer's (or its guarantor's) at the time of such transfer or assignment, *provided, however*, that, in the case of this clause (B), in no event shall the credit rating of the Designated Transferee or of its guarantor (whichever is higher) be lower than A3 from Moody's Investors Service, Inc. or its successor or A- from S&P Global Ratings, a division of S&P Global Inc., or its successor; *provided further* that (i) Dealer will notify Counterparty in writing prior to or promptly after any proposed transfer or assignment to a Designated Transferee, (ii) after any such transfer or assignment, Counterparty will not, as a result of any withholding or deduction made by the transferee or assignee as a result of any tax, receive from such transferee or assignee on any payment date or delivery date (after accounting for amounts paid under Section 2(d)(i)(4) of the Agreement as well as such withholding or deduction from the payment or delivery) an amount or a number of Shares, as applicable, lower than the amount or the number of Shares, as applicable, that Counterparty would have received in the absence of such transfer or assignment, and (iii) Dealer shall cause the transferee or assignee to make such Payee Tax Representations as are reasonably acceptable to Counterparty and provide Counterparty with a complete and accurate U.S. Internal Revenue Service Form W-9 or W-8 (as applicable), and any other tax documentation as may be reasonably requested by Counterparty, prior to becoming a party to the Transaction to permit Counterparty to determine that results described in clause (ii) will not occur upon or after such transfer or assignment. At any time at which (1) the Equity Percentage exceeds 8.0% or (2) Dealer, Dealer Group (as defined below) or any person whose ownership position would be aggregated with that of Dealer or Dealer Group (Dealer, Dealer Group or any such person, a "**Dealer Person**") under any applicable "business combinations statute" or other federal, state or local law, rule, regulation or regulatory order or organizational documents or contracts of Counterparty applicable to ownership of Shares ("**Applicable Restrictions**"), owns, beneficially owns, constructively owns, controls, holds the power to vote or otherwise meets a relevant definition of ownership in excess of a number of Shares equal to (x) the number of Shares that would give rise to reporting, registration, filing or notification obligations or other requirements (including obtaining prior approval by a state or federal regulator) of a Dealer Person under Applicable Restrictions and with respect to which such requirements have not been met or the relevant approval has not been received, or could result in an adverse effect on a Dealer Person, under any Applicable Restriction, as determined by Dealer in its reasonable discretion *minus* (y) 1% of the number of Shares outstanding on the date of determination (either such condition described in clause (1) or (2), an "**Excess Ownership Position**"), if Dealer, in its commercially reasonable discretion, is unable to effect a transfer or assignment to a third party in accordance with the requirements set forth above after its commercially reasonable efforts on pricing and terms and within a time period reasonably acceptable to Dealer such that an Excess Ownership Position no longer exists, Dealer may designate any Scheduled Valid Day as an Early Termination Date with respect to a portion (the "**Terminated Portion**") of the Transaction, such that an Excess Ownership Position no longer exists following such partial termination. In the event that Dealer so designates an Early Termination Date with respect to a portion of the Transaction, a payment or delivery shall be made pursuant to Section 6 of the Agreement and Section 8(c) of this Confirmation as if (i) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Terminated Portion of the Transaction, (ii) Counterparty were the sole Affected Party with respect to such partial termination, (iii) such portion of the Transaction were the only Terminated Transaction and (iv) Dealer were the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement and to determine the amount payable pursuant to Section 6(e) of the Agreement. The "**Equity Percentage**" as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the number of Shares that Dealer and any of its affiliates or any other person subject to aggregation with Dealer for purposes of the "beneficial ownership" test under Section 13 of the Exchange Act, or any "group" (within the meaning of Rule 13d-5(b)(1) under the Exchange Act) of which Dealer is or may be deemed to be a part (collectively, "**Dealer Group**") "beneficially owns" (within the meaning of Section 13 of the Exchange Act), without duplication, on such day (or, to the extent that Counterparty is subject to Section 16 of the Exchange Act and, for any reason, the equivalent calculation under Section 16 of the Exchange Act and the rules and regulations thereunder results in a higher number, such higher number) and (B) the denominator of which is the number of Shares outstanding on such day.

In the case of a transfer or assignment by Counterparty of its rights and obligations hereunder and under the Agreement, in whole or in part (any such Options so transferred or assigned, the "**Transfer Options**"), to any party, withholding of such consent by Dealer shall not be considered unreasonable if such transfer or assignment does not meet the reasonable conditions that Dealer may impose including, but not limited to, the following conditions:

(A) with respect to any Transfer Options, Counterparty shall not be released from its notice and indemnification obligations pursuant to Section 8(e) or any obligations under Section 2 (regarding Extraordinary Events) or 8(d) of this Confirmation;

(B) [Reserved]

(C) such transfer or assignment shall be effected on terms, including any commercially reasonable undertakings by such third party (including, but not limited to, undertakings with respect to compliance with applicable securities laws in a manner that, in the reasonable judgment of Dealer, will not expose Dealer to material risks under applicable securities laws) and execution of any documentation and delivery of customary legal opinions with respect to securities laws and other matters by such third party and Counterparty as are reasonably requested and reasonably satisfactory to Dealer;

(D) Dealer will not, as a result of such transfer or assignment, be required to pay or deliver, as applicable, on any payment date or delivery date (after accounting for amounts paid under Section 2(d)(i)(4) of the Agreement) an amount or a number of Shares, as applicable, greater than an amount or the number of Shares, as applicable, that Dealer would have been required to pay or deliver to Counterparty in the absence of such transfer or assignment;

(E) an Event of Default, Potential Event of Default or Termination Event will not occur as a result of such transfer or assignment;

(F) Counterparty shall have caused the transferee or assignee to make such Payee Tax Representations as are reasonably acceptable to Dealer and to provide a properly executed U.S. Internal Revenue Service Form W-9 or applicable Form W-8 and any such tax documentation as may be reasonably requested by Dealer to permit Dealer to determine that results described in clause (D) will not occur upon or after such transfer or assignment; and

(G) Counterparty shall be responsible for all commercially reasonable costs and expenses, including reasonable counsel fees, incurred by Dealer in connection with such transfer or assignment.

Notwithstanding any other provision in this Confirmation to the contrary requiring or allowing Dealer to purchase, sell, receive or deliver any Shares or other securities, or make or receive any payment in cash, to or from Counterparty, Dealer may designate any of its affiliates to purchase, sell, receive or deliver such Shares or other securities, or to make or receive such payment in cash, and otherwise to perform Dealer's obligations in respect of the Transaction and any such designee may assume such obligations. For the avoidance of doubt, the representations and covenants with respect to Sections 8(t) and 8(u)(ii) shall remain unaffected by such designation. Dealer shall be discharged of its obligations to Counterparty to the extent of any such performance.

(g) *Staggered Settlement.* If Dealer determines reasonably and in good faith based on the reasonable advice of counsel (a) with respect to applicable legal and regulatory requirements, including any requirements relating to a Hypothetical Dealer's Applicable Hedge Positions, that it would not be practicable or advisable to deliver, or to acquire Shares to deliver, any or all of the Shares to be delivered by Dealer on the Settlement Date or (b) that the number of Shares required to be delivered to Counterparty hereunder on the Settlement Date would result in an Excess Ownership Position, then Dealer may, by notice to Counterparty prior to the Settlement Date (a "**Nominal Settlement Date**"), elect to deliver any Shares due to be delivered on two or more dates (each, a "**Staggered Settlement Date**") or at two or more times on the Nominal Settlement Date as follows:

(i) in such notice, Dealer will specify to Counterparty the related Staggered Settlement Dates (each of which will be on or prior to such Nominal Settlement Date) or delivery times and how it will allocate the Shares it is required to deliver hereunder on the Settlement Date among the Staggered Settlement Dates or delivery times; and

(ii) the aggregate number of Shares that Dealer will deliver to Counterparty hereunder on all such Staggered Settlement Dates and delivery times will equal the number of Shares that Dealer would otherwise be required to deliver on such Nominal Settlement Date; *provided* that in no event shall any Staggered Settlement Date be a date later than the Final Termination Date.

(h) Tax Disclosure. Effective from the date of commencement of discussions concerning the Transaction, Counterparty and each of its employees, representatives, or other agents may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Transaction and all materials of any kind (including opinions or other tax analyses) that are provided to Counterparty relating to such tax treatment and tax structure.

(i) No Netting and Set-off. The provisions of Section 2(c) of the Agreement shall not apply to the Transaction. Each party waives any and all rights it may have to set-off delivery or payment obligations it owes to the other party under the Transaction against any delivery or payment obligations owed to it by the other party, whether arising under the Agreement, under any other agreement between parties hereto, by operation of law or otherwise.

(j) Equity Rights. Dealer acknowledges and agrees that this Confirmation is not intended to convey to it rights with respect to the Transaction that are senior to the claims of shareholders in the event of Counterparty's bankruptcy. For the avoidance of doubt, the parties agree that the preceding sentence shall not apply at any time other than during Counterparty's bankruptcy to any claim arising as a result of a breach by Counterparty of any of its obligations under this Confirmation or the Agreement. For the avoidance of doubt, the parties acknowledge that the obligations of Counterparty under this Confirmation are not secured by any collateral that would otherwise secure the obligations of Counterparty herein under or pursuant to any other agreement.

(k) Early Unwind. In the event the sale of the ["Firm Securities"]²¹ ["Option Securities"]²² (as defined in the Purchase Agreement dated as of December 2, 2025, among Counterparty and Citigroup Global Markets Inc., Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC, as representatives of the Initial Purchasers party thereto (the "**Initial Purchasers**")) is not consummated with the Initial Purchasers for any reason by 5:00 p.m. (New York City time) on the Premium Payment Date, or such later date as agreed upon by the parties (the Premium Payment Date or such later date, the "**Early Unwind Date**"), the Transaction shall automatically terminate (the "**Early Unwind**") on the Early Unwind Date and (i) the Transaction and all of the respective rights and obligations of Dealer and Counterparty under the Transaction shall be cancelled and terminated and (ii) each party shall be released and discharged by the other party from and agrees not to make any claim against the other party with respect to any obligations or liabilities of the other party arising out of and to be performed in connection with the Transaction either prior to or after the Early Unwind Date. Each of Dealer and Counterparty represents and acknowledges to the other that, upon an Early Unwind, all obligations with respect to the Transaction shall be deemed fully and finally discharged.

(l) Wall Street Transparency and Accountability Act. In connection with Section 739 of the Wall Street Transparency and Accountability Act of 2010 ("**WSTAA**"), the parties hereby agree that neither the enactment of WSTAA or any regulation under the WSTAA, nor any requirement under WSTAA or an amendment made by WSTAA, shall limit or otherwise impair either party's otherwise applicable rights to terminate, renegotiate, modify, amend or supplement this Confirmation or the Agreement, as applicable, arising from a termination event, force majeure, illegality, increased costs, regulatory change or similar event under this Confirmation, the Equity Definitions incorporated herein, or the Agreement (including, but not limited to, rights arising from Change in Law, Hedging Disruption, an Excess Ownership Position, or Illegality (as defined in the Agreement)).

(m) Amendments to Equity Definitions. The following amendments shall be made to the Equity Definitions:

(i) solely for purposes of applying the Equity Definitions and for purposes of this Confirmation, any reference in the Equity Definitions to a Strike Price shall be deemed to be a reference to either of the Strike Price or the Cap Price, or both, as appropriate;

(iii) Section 11.2(a) of the Equity Definitions is hereby amended by (1) deleting the words “in the determination of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares” and replacing these words with “in the commercially reasonable judgment of the Calculation Agent, a material economic effect on the theoretical value of the Shares or options on such Shares”; and (2) adding at the end thereof “; *provided* that such event is not based on (i) an observable market, other than the market for Counterparty’s own stock or (ii) an observable index, other than an index calculated and measured solely by reference to Counterparty’s own operations”;

(iv) Section 11.2(e)(vii) of the Equity Definitions is hereby amended and restated as follows: “any other corporate event involving the Issuer that in the commercially reasonable judgment of the Calculation Agent has a material economic effect on the theoretical value of the Shares or options on the Shares; *provided* that such corporate event involving the Issuer is not based on (a) an observable market, other than the market for Counterparty’s own stock or (b) an observable index, other than an index calculated and measured solely by reference to Counterparty’s own operations.”;

(v) Section 12.7(b) of the Equity Definitions is hereby amended by deleting the words “(and in any event within five Exchange Business Days) by the parties after” appearing after the words “agreed promptly” and replacing with the words “by the parties on or prior to”; and

(vi) “Extraordinary Dividend” (as such term is used in the Equity Definitions) means any cash dividend on the Shares.

(q) Delivery or Receipt of Cash. For the avoidance of doubt, other than payment of the Premium by Counterparty, nothing in this Confirmation shall be interpreted as requiring Counterparty to cash settle the Transaction, except in circumstances where cash settlement is within Counterparty's control (including, without limitation, where Counterparty elects to deliver or receive cash) or in those circumstances in which holders of Shares would also receive cash.

Terms used in this paragraph without definition shall have the meanings assigned to them under the QFC Stay Rules. For purposes of this paragraph, references to “this Confirmation” include any related credit enhancements entered into between the parties or provided by one to the other. Convertible Notes Offering

IREN closed its offering of \$1.15 billion aggregate principal amount of 0.25% convertible senior notes due 2032 (the “2032 notes”) and \$1.15 billion aggregate principal amount of 1.00% convertible senior notes due 2033 (the “2033 notes”) and, together with the 2032 notes, the “notes”) in a private offering (the “Convertible Notes Offering”) to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”).

Citigroup, Goldman Sachs & Co. LLC, J.P. Morgan, Jefferies, Cantor and Mizuho acted as bookrunners, and Canaccord Genuity, Macquarie Capital, Moelis & Company and Roth Capital Partners acted as co-managers in connection with the offering.

Repurchase of Existing Convertible Notes

Concurrently with the closing of the Convertible Notes Offering, IREN closed its separate, privately negotiated transactions with a limited number of holders of IREN’s outstanding 3.25% convertible senior notes due 2030 with an initial conversion price of approximately \$16.81 per ordinary share (the “Existing 2030 Convertible Notes”) and 3.50% convertible senior notes due 2029 with an initial conversion price of approximately \$13.64 per ordinary share (the “Existing 2029 Convertible Notes”) and, together with the Existing 2030 Convertible Notes, the “Existing Convertible Notes”) to repurchase approximately \$227.7 million aggregate principal amount of the Existing 2030 Convertible Notes and approximately \$316.6 million aggregate principal amount of the Existing 2029 Convertible Notes for an aggregate repurchase price of approximately \$1,632.4 million, funded by the Concurrent Equity Offering (as defined below) and includes accrued and unpaid interest on the Existing Convertible Notes to be repurchased (the “Repurchase”).

The principal amount of debt outstanding under the Existing Convertible Notes has been reduced by an amount equal to the principal amount of Existing Convertible Notes that were repurchased, and the Existing Convertible Notes that were repurchased by IREN have been extinguished and, accordingly, will no longer be convertible into IREN's ordinary shares prior to maturity or otherwise. IREN may repurchase additional Existing Convertible Notes after the completion of the Convertible Notes Offering.

IREN also announced today the closing of its previously announced registered direct placement of 39,699,102 of its ordinary shares, at an offering price of \$41.12 per share to a limited number of purchasers (the "Concurrent Equity Offering") to fund the Repurchase. The aggregate gross proceeds from the Concurrent Equity Offering equal the aggregate cash consideration payable in connection with the Repurchase.

Citigroup, Goldman Sachs & Co. LLC and J.P. Morgan acted as placement agents in connection with the Concurrent Equity Offering.

Use of proceeds

The net proceeds from the Convertible Notes Offering are approximately \$2,270.0 million after the initial purchasers' full exercise of their options to purchase additional notes, after deducting the initial purchasers' discounts and commissions and IREN's estimated offering expenses. The proceeds from the Concurrent Equity Offering are approximately \$1,632.4 million.

IREN intends to use the net proceeds from the Convertible Notes Offering, together with the net proceeds from the Concurrent Equity Offering, (i) to fund the \$201.0 million cost of entering into the capped call transactions described below; (ii) to repurchase a portion of the Existing Convertible Notes for cash as described above; and (iii) remaining proceeds of \$2,068.0 million for general corporate purposes and working capital.

Capped call transactions

In connection with the pricing of the notes and the exercise by the initial purchasers of their option to purchase additional notes, IREN entered into privately negotiated capped call transactions relating to each series of notes with certain of the initial purchasers or their affiliates and certain other financial institutions (the "option counterparties"). The capped call transactions relating to the 2032 notes cover, subject to anti-dilution adjustments, the number of ordinary shares of IREN that initially underlie the 2032 notes. The capped call transactions relating to the 2033 notes cover, subject to anti-dilution adjustments, the number of ordinary shares of IREN that initially underlie the 2033 notes. Due to the initial purchasers' full exercise of their option to purchase additional notes of each series, IREN entered into additional capped call transactions relating to the additional notes of each series with the option counterparties.

The cap price of the capped call transactions relating to the 2032 notes is initially \$82.24 per share, which represents a premium of 100% over the last reported sale price of IREN's ordinary shares of \$41.12 per share on December 2, 2025, and is subject to certain adjustments under the terms of the capped call transactions relating to the 2032 notes. The cap price of the capped call transactions relating to the 2033 notes is initially \$82.24 per share, which represents a premium of 100% over the last reported sale price of IREN's ordinary shares of \$41.12 per share on December 2, 2025, and is subject to certain adjustments under the terms of the capped call transactions relating to the 2033 notes.

The capped call transactions relating to each series of notes are expected generally to reduce the potential dilution to IREN's ordinary shares upon any conversion of the notes of such series and/or offset any potential cash payments IREN is required to make in excess of the principal amount of converted notes of such series, as the case may be, with such offset and/or reduction subject to a cap price. If, however, the market price per ordinary share of IREN, as measured under the terms of the applicable capped call transactions, exceeds the cap price of such capped call transactions, there would nevertheless be dilution and/or there would not be an offset of such potential cash payments, in each case, to the extent that such market price exceeds the cap price of such capped call transactions. In addition, the capped call transactions will be solely cash settled unless certain conditions are satisfied.

No registration of notes

The notes were only offered and sold to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act. The offer and sale of the notes and any of IREN’s ordinary shares issuable upon conversion of the notes have not been, and will not be, registered under the Securities Act or any other securities laws, and the notes and any such shares cannot be offered or sold except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and any other applicable securities laws.

This press release does not constitute an offer to sell, or the solicitation of an offer to buy, the notes or any of IREN’s ordinary shares issuable upon conversion of the notes, nor will there be any sale of the notes or any such shares, in any state or other jurisdiction (including the United States and Australia) in which such offer, sale or solicitation would be unlawful. This press release also shall not constitute an offer to purchase or a solicitation of an offer to sell the Existing Convertible Notes.
